UW FIELD HOUSE

It’s a landmark building in a number of ways. From being listed on the National Register of Historic Places to the record-setting attendances and the momentous wins, the Wisconsin Field House is a memorable place steeped in a rich history.

Since it was built, the Field House has been the site of numerous sporting events including basketball, boxing, track and field, and wrestling. It also hosted UW commencement exercises, carnivals and speakers, including John F. Kennedy.

The Badger volleyball team first competed in the Field House in 1977 when it hosted the Big Ten Tournament. UW didn’t return to the building until 1980, hosting two tournaments. Wisconsin’s play in the Field House was sporadic until 1986 when it became the permanent home of volleyball. With the construction of the Kohl Center in 1998, volleyball took over possession of the Field House for practice and competition. The building is also used as the competition site for the wrestling team.

As the sole occupant of the UW Field House, UW has made the building one of the finest volleyball facilities in the country. A new wood floor was installed in 2013, making the volleyball court the center of attention. In 2020, the building was renovated with new windows installed, marking the first time since the late 1960s that the windows have been uncovered during a match.

Volleyball facilities include a team room for relaxing, studying, as well as a video room separate from the locker room. The team room features a large-screen television, leather sofas, pub tables and chairs, and a kitchenette.

The renovation of Camp Randall Stadium in 2005 included improvements to the north end of the Field House including updated restrooms as well as a new media room and opponent locker rooms on the lower level. In 2021, the entire upper deck was opened for the first time since the 2007 season while in 2022, chair-back seats on the east side and Bucky’s Balcony on the north end were added as well as increased ADA seating.

WHY WISCONSIN

"The NCAA offers strong competition, excellent coaching, and a high-performance environment that pushes me to improve every day. I was also attracted by the opportunity to combine top-level volleyball with my studies. Overall, this experience allows me to step out of my comfort zone, develop both as a player, and compete in one of the most competitive collegiate volleyball systems in the world."

WHY WISCONSIN

"I chose Wisconsin because I was looking for a program that had a balance of everything. I wanted a great school with coaches that believed in me as an athlete and a person. Talking with Kelly made me realize these things were all possible and I've felt support not only from the girls, but from the entire coaching and support staff ever since I committed. I could not be happier with my choice to become a Badger!"

WHY WISCONSIN
“I chose Wisconsin volleyball because from the moment I stepped on campus, I felt like it was the place where I belonged. The atmosphere, the people, and the culture of the program immediately stood out to me. The coaching staff believed in me from the very beginning, and their confidence in my potential made a lasting impression. I knew this was a program that would push me to grow, challenge me every day, and help me become the best player, student, and person that I can be. I am incredibly grateful for the opportunity to continue my volleyball career at the University of Wisconsin, and I can’t wait to represent this program and be a part of something so special.”

WHY WISCONSIN

"I chose Wisconsin because the moment I stepped on campus, it just felt like home. The people, the energy, and the team culture were everything I was looking for. It's a place where everyone pushes each other to get better and where the love for the game is unmatched. I can't wait to play at the Field House and experience how special it is to be a Badger!!"

WHY WISCONSIN

"I chose the University of Wisconsin because the second I stepped onto campus; Madison felt like home. I was welcomed with open arms by not only my future teammates, but by people who did not even know me. This kindness allowed me to feel comfortable in an unfamiliar environment which is something I tend to struggle with. Wisconsin is a place that allows its students to feel like they can be themselves no matter what, and that is why this school was the place I am choosing to call my home."

WHY WISCONSIN

"I chose Wisconsin volleyball because of the passion and grind that comes with the program. I grew up just two hours away, watching the girls on this team with their history I idolized them. From a young age I knew this program was something special. The culture, the energy, the standard of excellence it's everything I wanted to be part of. To now wear the same jersey as the athletes I once looked up to is surreal and I'm beyond grateful to call this place home."

WHY WISCONSIN

"The University of Wisconsin immediately felt like home from the moment I arrived on campus. After participating in a fun and exciting four-day camp and joining my future teammates in the program's tradition of jumping into Lake Mendota, I knew Wisconsin was the perfect fit. The university's balance of academic excellence, athletic intensity, and vibrant community reflects everything I value. I'm thrilled to represent the Badgers and to grow both on the court and in the classroom, surrounded by coaches, teammates, and peers who share the same drive and passion—proud to be a Badger!"

WHY WISCONSIN

"I chose UW-Madison because when I stepped on campus for the first time, I realized this was more than just volleyball. The campus, the campus life, which never has a dull moment, school pride, the support the students have for each other, and the alumni being so proud to say that they attended Wisconsin. The resources at Wisconsin sets them apart from other colleges. These resources set students up for success after graduation. UW is a great place to continue to be that beacon of light to others who look like me, through majors such as communications where I interact with others and represent myself through ways like volleyball and outside of volleyball."
