Media Members are invited to visit MKEPanthers.com, the officially sanctioned website of Milwaukee Athletics, to keep up with all of the latest information on the Milwaukee volleyball program. Live coverage links can also be found online. Additionally, the website features profiles on each player as well as feature stories on the team, updated throughout the season. The website, hosted by Sidearm Sports, has updated information on all 15 of MKE's varsity sports.

Informational Releases

The athletic communications office produces game notes and postgame stories for every women's basketball game. To be added to an electronic mailing list for prompt delivery of those releases to your home or office computer, contact Cody Bohl. All releases are also available online at MKEPanthers.com.

Credential Requests

All requests for media credentials for Milwaukee women's basketball home games should be made to Cody Bohl in the Milwaukee Sports Information office as early as possible.

Interviews

Head Coach Kyle Rechlicz and members of the women's basketball team are available to the media on a regular basis following practice. Most practices take place in the afternoon, though exact times do vary from day-to-day. Arrangements for phone interviews can also be made, but should be through the communications office. All interviews with players and coaches should be arranged through Cody Bohl. Post-match interviews can be conducted on the floor.

It's "Milwaukee"

Milwaukee Athletics is making an effort to brand itself as "Milwaukee" instead of other references. Please avoid UW-Milwaukee, UW-M, Wisc.-Mil, UW-MIL, Wisconsin-Milwaukee, etc. Additionally, please refrain from any "Lady Panthers" references. All Milwaukee sports are simply referred to as the Panthers.

It would be appreciated if you would refer to the athletics teams as either "Milwaukee" or "MKE." Your cooperation in this matter is greatly appreciated.

KYLE RECHLICZ

HEAD COACH
NINTH SEASON
WISCONSIN (2003)

Kyle Rechlicz enters her ninth season as the head coach of the Milwaukee women's basketball team in 2020-21.

Rechlicz has quickly led Milwaukee back to a place of prominence and seemingly completely rewritten the record book. The Panthers have totaled 92 wins over the last five seasons - the most wins in a five-year span in the program's Division I history.

Following a tough non-conference slate in 2019-20, Rechlicz and company turned it on late, winning seven of the final eight regular season games to climb up to the No. 5 seed for the Horizon League Tournament. The Panthers downed Oakland before falling to eventual league champions Northern Kentucky.

In 2018-19, Rechlicz reached the 100-win mark with her fifth straight double-digit victory season. She coached a pair of players to postseason honors for the second straight season as Ryaen Johnson (All-Defensive) and Megan Walstad (All-Freshman) collected Horizon League awards.

The 2017-18 season was a memorable one for the Panthers. Rechlicz coached her team to 21 wins, the second-highest total in program history. It also marked the first time since moving to Division I that Milwaukee recorded back-to-back 20-win seasons. The team earned an at-large berth to the Postseason WNIT, opening things up with an impressive 81-67 road win.

Under Rechlicz, Steph Kostowicz and Jenny Lindner were both named to the All-Horizon League teams, marking the first time since 2005-06 that Milwaukee earned a pair of representatives on the 10-player all-league team. Panther players also have been recognized with Horizon League Athlete of the Week honors 12 times over the past five seasons.

Rechlicz has quickly made her name known and within the region in making Milwaukee a force to be reckoned with. During the 2017-18 season alone, the Panthers took down two Big Ten foes (Wisconsin and Northwestern) on the road to go with

five wins over fellow mid-major ranked opponents. That comes one year after beating in-state rivals Wisconsin (80-63) and Green Bay (72-60) for the first time in the same season in 25 years.

2016-17 was also a special year in that Rechlicz led her team to a 22-12 campaign, tying the program record for most wins in a season. That culminated with a berth to the WBI where the Panthers advanced all the way to the semifinals.

That all came just one year after Rechlicz made a big splash in 2015-16. Despite being picked ninth in the 10-team Horizon League, Rechlicz guided that team to a second-place finish in both the regular season and conference tournament. That marked just the third time in league history that a team finished in the bottom two one year and the top two the following season for an incredible turnaround. That earned Milwaukee a berth in the WNIT - the team's first postseason appearance in a decade and just third overall, finishing with a 19-13 overall record.

For all of her efforts, Rechlicz was named Horizon League Coach of the Year in 2016, becoming just the second coach in program history to earn that distinction.

Rechlicz's players also earned plenty of praise in recent years at Milwaukee. Steph Kostowicz was named all-league in consecutive years (2016-18), while Lizzie Odegard and Megan Walstad became the second and third MKE players named to the All-Freshman team since 2014-15. Ryaen Johnson set multiple records for Milwaukee and was awarded with an All-Defensive team honor.

Looking back, the writing was on the wall for all this success for Rechlicz. In 2014-15, her team claimed Milwaukee's first postseason victory in five years, featured a first-team all-league selection for the first time since 2010-11, and also had a member of the league's all-freshman squad for the first time in four seasons.

In her first season on the sidelines with the

Panthers, Rechlicz helped the UWM offense increase scoring by almost 15 percent from the previous year and included a record-setting three-point attack. Milwaukee broke school records for three-pointers made and three-pointers attempted and was among the best in all of the NCAA in three-pointers made per game and three-point field goal percentage.

Her team broke three Horizon League records and 10 different school records, including fewest turnovers per game and a new standard for points in a contest when the Panthers finished with 116 against Bradley.

In addition to scoring, her teams also take care of the ball. The Panthers broke the school record for fewest turnovers per game her first season, reset it her second season and now hold the top four spots.

She also got off to a great start - becoming the first MKE coach to win three of her first

Rechlicz as a Player (1998-2002)

Rechlicz spent four seasons at Wisconsin, helping lead the Badgers to four postseason appearances, including NCAA tournament berths in 2001 and 2002. She was one of Wisconsin's premier 3-point shooters, setting a then-school record with seven triples in collecting a career-high 26 points against Holy Cross (12/2/01).

She led the Big Ten Conference as a junior in 3PT field goal percentage at .406. As a senior, Rechlicz earned her second Academic All-Big Ten honor while averaging a career-best 12.1 points per game.

In 123 career games, Rechlicz made 63 starts and averaged 7.9 points and 2.0 rebounds per game. Her career free throw percentage of .776 (121-of-156) would rank fifth all-time, but falls just below Wisconsin's 150 career make minimum.

five contests of her initial campaign. In her first season, Rechlicz was also one of the youngest coaches at the NCAA Division I level - just seven coaches had earlier birth years when the 2012-13 campaign began.

Rechlicz was named the seventh coach in program history in May 2012 and came to Milwaukee from the University of Wisconsin. There she served as assistant coach and recruiting coordinator for the Badgers during the 2011-12 campaign.

Many Wisconsin basketball fans may better know Rechlicz as Kyle Black, who was a key member of very successful UW women's basketball teams from 1998-2002. For the 2000-01 and 2001-02 teams that went to the NCAA tournament, she served as co-captain and was named to the Academic All-Big Ten Team.

Since her playing days, Rechlicz has been associate head coach and recruiting coordinator for the University of Dayton (2007-2011) and the assistant coach and recruiting coordinator for Cleveland State (2003-2007).

Rechlicz, who was brought back to her alma mater in April 2011 by then first-year head coach Bobbie Kelsey, directed the UW-Madison recruiting efforts that led to the signing of five highly regarded players and one transfer from Connecticut. She also assisted with all aspects of on-court coaching, with specific responsibility for player preparation and skill development of guards.

As a member of the Badgers, Rechlicz helped guide Wisconsin to four postseason appearances, including NCAA tournament berths in 2001 and 2002. She was one of Wisconsin's premier 3-point shooters, setting a school record with seven triples in collecting a career-high 26 points against Holy Cross. She led the Big Ten Conference in three-point field goal percentage as a junior, hitting 40.6 percent of her shots from beyond the arc. As a senior, Rechlicz earned her second Academic All-Big Ten honor while averaging a career-best 12.1 points per game.

The Flyers made four postseason appearances during Rechlicz's tenure there, including two NCAA tournament berths. Dayton advanced to the second round of the NCAA tournament in 2009-10, finishing 25-8 on the season. The Flyers also appeared in the NCAA tournament in 2010, losing in the first round to Penn State. Dayton made WNIT appearances in 2008 and 2009, advancing to the second round in 2009.

"I am extremely grateful and excited to be a part of the Milwaukee women's basketball program," Cantley said. "I had the opportunity to work alongside coach Rechlicz for one season in Madison, and I knew she would be a great leader of her own program. The dedication and passion that she and the staff exemplify for this program and university is what has made them successful. I am honored to work with not only great coaches, but even better people here at Milwaukee!"

Before her time in Madison, Cantley was part of a long run of success at Virginia Tech. While women's basketball was not granted varsity status until 1971, women were playing the new-fangled game at the Milwaukee State Normal School as far back as 1896, the same year as the men.

UWM became known as the "Panthers" in 1965. Prior to that, the athletic teams were known as the Cardinals from 1956-65 and the Green Gulls before that, starting in 1927. During the Green Gull period, the athletic teams were alternatively known as the "Green Wave." Before 1927, the school had no official nickname, though the teams were called the "Normals."

The first women's varsity game involving UWM was a loss to UW-Oshkosh on Jan. 27, 1971. No recorded score is available for that game. The Panthers' first women's home game was a 47-35 loss to the same Oshkosh team Feb. 4.

Coached by Erika Sander, UWM finished its first season with a 4-3 record, gaining its first victory Feb. 12 at UW-Platteville, 46-30.

Sander coached the team through the 1975-76 season and, after one-year stints by Linda Borowski and Nancy Schley, M.A. Kelling took the reins of the women's basketball program.

Kelling led the Panthers from 1978-95. In her second year, UWM went 17-10 after winning 23 games in the seven years prior to her arrival. The 1981-82 season was Milwaukee's final as a member of the Association of Intercollegiate Athletics for Women (AIAW), which the school had been affiliated with since 1971. That year, UWM went 18-12 and qualified for the AIAW Regional for the second-straight year.

From 1974 to 1984, UWM competed in the Wisconsin Women's Intercollegiate Athletic Conference (WWIAC). While early records are incomplete, the Panthers did put together an impressive run over their last six years in the conference. Milwaukee's record improved each year, with a pair of third-place division finishes followed by a second-place finish and two division titles.

The latter years of that stretch marked the beginning of the most dominant era in UWM women's basketball. Between 1982 and 1988 the Panthers won at least 20 games in five of six seasons. The stretch culminated with a 25-5 mark (.835) in 1987-88.

Milwaukee became affiliated with the NAIA in 1982-83 and immediately won a District 14 Championship. It was the first of three-straight titles. In both 1983-84 and 1984-85, the Panthers won a school-record 25 games, defeated Green Bay in the District Championship and Bemidji State in the Bi-District title and advanced to the NAIA Championship Quarterfinals.

The 1983-84 team featured four players that would be inducted into the Milwaukee Athletics Hall of Fame, including Carol Busche (1996), Maureen Pitrof (1997), Deb Schulman (1994) and Darla Wack (1999).

Milwaukee won another District 14 Championship in 1987-88 and made title-game appearances in 1985-86, 1986-87 and 1988-89. The leader of those teams was All-American Umenia White. When she left UWM, she was the second-leading scorer and just four rebounds shy of being the second 1,000-point, 1,000-rebound player. She would later be inducted into the UWM Hall of Fame.

In 1990-91, women's basketball and the bulk of the UWM Athletic Department and made the jump to NCAA Division I.

Competing as a Division I Independent from 1990-93, Milwaukee went 43-39 against its predominantly D-I schedule before joining the Mid-Continent Conference for the 1993-94 season. The next year, the Panthers moved to the former Midwestern Collegiate Conference, now the Horizon League.

After a 4-22 record in 1995-96, Sandy Botham took over the program and guided UWM to a 16-12 record in her first year. It marked the eighth-best turnaround in Division I that year. In fact, between the 1999-2000 season and 2005-06, Milwaukee did not finish below second once.

The 2000-01 season was a milestone year for Milwaukee, as it set

a school D-I record for wins, won the team's first-ever conference championship and advanced to the NCAA Tournament for the first time in school history. That squad broke a number of school records with the emergence of Jessica Wilhite, then a sophomore, and Maria Viall in her first year.

Wilhite shattered the school record with 93 three-pointers and was on her way to a school-record 277 for her career. She graduated as the school's Division I all-time leading scorer. For Viall, it was the first of four standout seasons for UWM. She would go on to break Jaci Clark's career scoring record and become the first two-time League Player of the Year in school history (2002 and 2004).

The Panthers once again rose to the pinnacle of the league in 2005-06, rolling to a 14-2 league record. With that came the team's first No. 1 seed for a league tournament in the Division I era. Milwaukee then went through the league tourney on its home floor to capture a second tournament title. UWM went to the NCAA Tournament and received a 13th seed before falling to Michigan State.

Milwaukee returned to the postseason after an incredible run during the 2015-16 campaign. Despite being picked ninth of 10 in the Horizon League preseason poll, UWM went 12-6 in league play and 19-13 overall, finishing second in both the regular season and conference tournament. That earned them a berth to the WNIT where they came within one possession late of pulling off the upset on the road against Big Ten foe Minnesota.

MKE followed that up with another record-breaking season in 2016-17, tying the school record with 22 wins and berth to the WBI. There, the Panthers notched the first ever postseason win in the Division I history of the program, advancing all the way to the semifinals before finishing the season 22-12 overall.

The Panthers made it to the postseason for a third consecutive time with its first-ever at-large berth into the Postseason WNIT in 2017-18. Milwaukee broke the program record for shooting percentage in a game by connecting on 69.4 percent (34-49) of its attempts in an 81-67 road win at Northern Iowa. A few days later, the Panthers' season came to an end at historic Assembly Hall with a loss to eventual tournament champs Indiana, closing out another memorable season with a 21-12 record.

Defense was the story for MKE in 2018-19 as Milwaukee destroyed the record for blocks in a season with 161, topping the previous high of 124 set in 2017-18. The Panthers finished 15-15 overall and 10-8 in the Horizon League, earning double digit victories for the fifth consecutive season.

After a tough start to the year in 2019-20, the Panthers rattled off seven wins in eight games to end the year and solidify the No. 5 seed for the Horizon League Tournament. MKE topped Oakland in the first round before falling to fourth-ranked Northern Kentucky.

Horizon League Players of the Year

Traci Edwards | 2008-09

Edwards capped her career in a Panther uniform with a second League Player of the Year award in 2008-09 when she shared the award with Cleveland State's Kailey Klein. Edwards led the league in scoring and rebounding for the third straight year. She had been the first player in league history to do so twice. She also secured her place in school, league and state history. She became the first woman in school, league or state history with 2,000 career points and 1,000 rebounds. She also became the all-time leading scoring in school (men or women), league and state history.

Traci Edwards | 2007-08

Edwards was named the Horizon League Preseason Player of the Year and did not disappoint once the season started. She averaged 20.6 points per game and added 9.7 rebounds per contest. Her scoring average and 639 total points set school records, while she became the first player in league history to lead the league in both scoring and rebounding in back-to-back seasons. The highlight of her season was scoring a school-record 45 points at Loyola. In doing so, she shot 12-of-14 from the field and hit a school-record 20 free throws in 22 attempts.

Maria Viall | 2003-04

Viall became the first Panther in the team's Division I history to average a double-double for a season when she averaged a league-best 18.2 points and 10.9 rebounds per game as a senior. She was just the second player to lead the league in both categories in a season on her way to becoming the third multi-player of the year honoree. She also topped the circuit with a 52% field goal percentage. With her strong senior campaign, Viall finished as the school's all-time leading scorer, among men or women, and also broke the school Division I record for rebounds in a season and a career.

Maria Viall | 2001-02

As a sophomore, Viall was the dominant inside presence on the program's first Division I 20-win season. Milwaukee went 20-8 and posted a 14-2 record in league play. She averaged 16.7 points and 6.8 rebounds per game while shooting a school-record and league-best 57.7% from the field. She also reached double-figures in 26-of-28 games played and became the first player in the team's Division I history to top 30 points in a game twice in one season.

Jen Greger | 1996-97

Greger was the centerpiece of the one of the largest turnarounds in the nation in 1996-97 under first-year head coach Sandy Botham. After Milwaukee won six combined games over her sophomore and junior seasons, she guided the Panthers to a 16-12 record, leading the team with a school-record 552 points and 123 assists. She also led the league in scoring with another school record of 19.7 points per game and was among league leaders with 4.4 assists per contest. During the season, she scored a school-record 36 points in a game, surpassed the 1,000-point mark and became the school's Division I career scoring leader with 1,385 points.

Milwaukee advanced to postseason play for the third-straight year in 2017-18, earning the program's first ever at-large berth to the WNIT, advancing to the second round before falling at eventual champion Indiana.

The Panthers were led all season long by a group of special seniors that finished with the most wins by a graduating class in program history, as Kelsey Cunningham, Bailey Farley, Steph Kostowicz and Jenny Lindner combined to finish with 72 wins in their four years in the Black & Gold.

While the 2017-18 season ended on a big stage, it also started on one as MKE began the year playing the prestigious Preseason WNIT for the second time in program history. After dropping a very close decision in the opener at Drake, the Panthers traveled to New Orleans, where they went 1-1 against Houston and CSUN.

That proved to be the start of a big run

for Milwaukee, rattling off eight straight - the fourth longest win streak in the program's Division I history.

Among those eight wins were a pair against the Big Ten - both on the road. Milwaukee took down Northwestern in convincing fashion, 66-57, before making it two years in a row with a win over in-state rival Wisconsin with a 67-64 win inside the Kohl Center on Dec. 14.

In all, the Panthers would finish their best non-conference start in program history at 9-3.

That success would carry over in conference play against what proved to be the deepest mid-major conference in the country in 2018, with five teams qualifying for postseason play.

Rechlicz would guide her team through various injuries and a difficult league slate to an 11-7 Horizon-League record. After just missing a big comeback win - a theme for this year's squad - in the

The call came and Milwaukee was on its way to Cedar Falls, Iowa for the WNIT. Sophomore Jamie Reit poured in a career-high 21 points, Jenny Lindner didn't miss a shot (8-for-8 from the field, 2-for-2 from the free throw line) and Steph Kostowicz just missed a triple double with 13 points, a career-high 12 assists and seven rebounds. As a team, MKE shot a program-best 69.4 percent (34-49) from the floor in an 81-67 first round win.

The hot shooting ran out one game later in a second-round loss at eventual champion Indiana from historic Assembly Hall.

The 2016-17 season was a memorable one for a number of reasons for Milwaukee, with a large portion of those memories forming around the team's impressive run in the WBI postseason tournament.

One year after a runner-up finish in the Horizon League and a berth to the WNIT, the Panthers had high hopes entering the year with nearly the entire starting lineup returning.

Those high hopes were not disappointed, as Milwaukee stormed out of the gates. The team started the year with seven wins in its first eight games, including a tournament title at the TD Bank Classic in Vermont over the Thanksgiving holiday and a lopsided 80-63 handling of in-state rival Wisconsin. That led to College Insider placing UWM 20th in their mid-major poll - the first ranking in program history.

The Panthers carried that early success into another strong showing during the league slate, with more memorable wins - headlined by the 72-60 win over rival Green Bay at home.

After coming up just short in the league tournament semifinals, the Panthers were selected to the WBI - marking the first time in Division I history UWM played in back-to-back postseason tournaments.

Milwaukee started things off with a dominating 81-53 win at home over Southern Illinois. The Panthers shot nearly 60-percent from the floor for the game and all 12 players saw significant minutes to secure Milwaukee's first postseason win in the D-I era.

UWM then made the trip to Loretto, Penn. to take on host Saint Francis four days later. Trailing at the half, Milwaukee dug deep to reclaim the

lead and finished the game going 12-of-14 from the free throw line to secure another postseason victory. The Panthers postseason run would come to an end four days later after a trip down the coast to Greensboro, N.C. Steph Kostowicz had a huge showing with 15 points, 14 rebounds, four steals and two blocks but it wasn't enough. Shooting an uncharacteristically low 32-percent from the floor, Milwaukee never found its rhythm in a WBI semifinal loss at UNCG.

Despite the result, the Panthers still tied the program record for wins in a year with 22 - equaling the mark set by the 2005-06 team that advanced to the NCAA Tournament. Milwaukee also played later into the season than any team before them - with the final game coming on March 23.

The 2015-16 Panthers produced an incredible turnaround that saw them finish runners-up in both the regular season and the Horizon League Tournament, earning the team's first ever berth to the WNIT.

Despite being picked ninth of 10 in the Horizon League preseason poll, the Panthers went 12-6 in league play and 19-13 overall to defy the odds with one of the biggest turnarounds in the entire NCAA.

It took a few weeks for the team to find its rhythm, but once it did the Panthers were hard to beat.

The season was filled with memorable moments, including Sierra Ford-Washington's winner with just seconds left to sink UIC, followed by a buzzer beater to take down Cleveland State inside the Klotsche Center in front of a packed crowd of over 2,000 fans.

Milwaukee had two five-game winning streaks during league play alone, highlighted by three-straight games where they scored over 80 points and held opponents to just 60.

Despite falling short in the Horizon League Tournament Championship, UWM went into its WNIT matchup with Big Ten foe Minnesota with loads of confidence and it showed. Milwaukee led by one at halftime and - behind 30 points and 11 rebounds from Steph Kostowicz - they were within two points with just 1:07 left on the clock. But - behind a herculean effort from Big Ten Player of the Year, Rachel Banham (48 points) - the Gophers escaped with the win.

Kyle Rechlicz was named Horizon League Coach of the Year in her fourth season at the helm of the Panthers, while Kostowicz was named first-team all-league as a sophomore.

In 2006, the Panthers made an emphatic drive into the post-season. They rode a 12-game winning streak to a league regular season crown, league tournament title and the second NCAA Tournament berth in school history.

In fact, UWM headed into the tourney having won 17-of-18 games in the 2006 portion of the schedule.

Milwaukee finished the league regular season at 14-2 to share the regular season title with Green Bay. UWM defeated UWGB twice in the regular season for the first time since 1996-97 to earn the first No. 1 seed in team history.

After a quarterfinal win over Loyola, UWM secured hosting rights for the rest of the tournament.

Playing in front of the hometown fans, senior Molly O'Brien hit a layup

with 4.8 seconds remaining to send the Panthers past Butler in the semis before freshman Traci Edwards' 23-point, nine-rebound, seven-assist performance propelled Milwaukee past UIC in the title game.

UWM earned a No. 13 seed and remained close to home for the NCAA Tournament, playing in nearby Chicago against fourth-seeded Michigan State. The Panthers held their own early on, and led for parts of the opening half, before falling 65-46.

Edwards was the story of the year, netting League Newcomer of the Year and all-league first team honors after averaging 16.1 points and 10.0 rebounds per game. O'Brien and Nichole Drummond provided senior leadership and scoring, each averaging double-digit points per game. Drummond joined Edwards on the league's first team.

Milwaukee made its first trip to the NCAA Tournament with the automatic bid from the Midwestern Collegiate Conference tournament championship. The Panthers won a share of the regular season league title and, with the second seed, posted three decisive victories for the team's first Division I league championship.

In the NCAA Tournament, UWM drew a road game at No. 5 Duke, falling to the Blue Devils, 96-63.

Despite strong senior leadership, a couple of underclassmen emerged to lead the team on the court. Sophomore Jessica Wilhite and freshman Maria Viall had breakout seasons, while each would go on to score over 1,000 career points.

Wilhite hit a school-record 93 three-pointers on her way to a team-high 15.5 points per game. Included in

that figure was a school-record 10 against Green Bay in January and seven more against the Phoenix in the league title game.

Meanwhile, freshman Maria Viall gave Panther fans a preview of what was to come, finishing second on the team in scoring (12.1 ppg) while leading the squad in rebounding (5.9 rpg).

After getting off to starts of 1-3 and 4-7, Milwaukee won 15-of-18 games heading into the NCAA Tournament, including nine-straight wins through the league championship game.

In the league tournament, UWM held Wright State to just 23 percent shooting in the quarterfinals to win, 58-34, before smothering Butler, 80-49. In the title game, Wilhite set tournament records with 36 points and seven three-pointers to lead the charge. Viall added 15 rebounds and seven points for the Panthers.

The Panthers won a third-straight NAIA District 14 Championship and, after knocking off Bemidji State in the Bi-District title game for the second year in a row, advanced to the NAIA Championship for the second time.

Milwaukee led Carson-Newman at halftime in the NAIA Quarterfinals, but fell to the Lady Eagles, 71-68. In a close game throughout, C-N used a 7-0 run with under 2:30 to play to take a four-point lead and hold on for the win. UWM was within one late, but a pair of Eagle free throws provided for the final score.

Milwaukee boasted three UWM Athletic Hall of Fame players in seniors Carol Busche and Darla Wack and freshman Jeanne Look. Busche led the team with 15.8 points and 7.7 rebounds per game on her way to All-America honors.

Milwaukee posted winning streaks of 10 and 11 games on its way to winning a school-record 25 games for the second season in a row. After starting 2-3, the Panthers then won 10-straight before rebounding from a three-game skid and winning their next 11 games heading into the NAIA Quarterfinals.

In the first of two-straight NAIA Tournament appearances, Milwaukee posted a school-record 25 wins and claimed its second-straight District Championship with an 83-74 win over Green Bay.

After topping Bemidji State in the Bi-District Championship, UWM faced Portland in the NAIA Quarterfinals. The Pilots broke a 29-29 halftime tie to come away with the 74-63 victory.

It was no surprise that the 1983-84 Panthers would find so much success, as four players and head coach M.A. Kelling would go on to be inducted into the UWM Athletic Hall of Fame. One such inductee, Maureen Pitrof, led the team in both scoring (17.3 ppg) and rebounding (9.5 rpg) as a sophomore. Junior Darla Wack and senior Deb Schulman formed a dangerous backcourt for Kelling, averaging over 10 points per game apiece, dishing out over 100 assists

each and combining for 155 steals. Pitrof and Schulman garnered All-District honors, while Kelling was named District Coach of the Year.

UWM dropped its first two games of the season on the way to a 2-3 start before winning 14 of the next 15 games, including an 11-game winning streak.

The Panthers then avenged two regular season losses to UWGB and another in the WWIAC semifinals, with their win over the Phoenix in the district finals.

The 1983-84 squad was the first of three 25-win teams in school history. Kelling gives a slight nod to this team as the greatest in school history.

* In 1980, UWM lost to UW-LaCrosse, but defeated UW-Stevens Point to move from Division III (Large Schools) in the WWIAC to Division II.

** In 1983, conference and school records only indicate results from the District 14 Tournament.

*** 1984 is the only season found that UWM competed in the WWIAC Tournament and the district tournament in the same season.

1971-78: Conference standings and records are not available.

1979-82: Tournament records are WWIAC Tournament and AIAW Regional qualifying tournament. After the AIAW qualifying, a team advanced to the AIAW Regional.

1982-89: UWM competed in a District 14 Tournament with the winner advancing to the Bi-District Championship. Years listed as 'District Champs' notes the Panthers lost in the bi-district title game. The winner of that game would then advance to the NAIA Tournament. In 1982-83, the District 14 champion advanced to the Area IV playoffs.

1987-90: UWM held dual membership in NAIA and NCAA Division II in preparation of a move to Division I, but competed in the NAIA post-season.

Crumble Records Milwaukee's First Triple-Double

Jody Crumble tallied the first triple-double in school history March 9, 2007, in a Horizon League Semifinal contest at No. 22 Green Bay. She finished with 13 points and career highs of 11 rebounds and 11 assists. She tallied seven points, five rebounds and six assists in the second half, helping the Panthers force overtime, after 4-6-3 in the opening frame. Her 10th assist came with 2:02 remaining in overtime. Points 10 and 11 were also key, giving Milwaukee a one-point lead on a layup midway through the second half. The game was just the 12th of her Panther career.
