KYLE RECHLICZ

HEAD COACH

12TH SEASON

WISCONSIN (2003)

Kyle Rechlicz, the 2016 Horizon League Coach of the Year, enters her 12th season as the head coach of the Milwaukee women's basketball team in 2023-24.

During her tenure, Rechlicz has returned Milwaukee to a place of prominence with three 20-win campaigns in the last six seasons, the most in the program's Division I history. Throughout her time as head coach, Rechlicz has led 10 All-Conference selections, while the team has also had four All-Defensive and four All-Freshman honorees.

In 2022-23, Milwaukee put together a season that saw the Panthers take down the top-two teams in the preseason poll as the team won at home against Green Bay, while taking down league favorite Youngstown State in Ohio in mid-February. The team put together an all-time defensive effort in late December, when the Panthers held Detroit Mercy to a program-record .175 shooting percentage while holding the Titans to a record low 29 points.

The team reached the Horizon League quarterfinals after a first-round victory over Robert Morris at home. The Panthers also saw Megan Walstad earn a spot on the Horizon League All-Defensive Team, for the third-straight season, while freshman Kamy Peppler picked up accolades as an All-Freshman Team selection.

The Panthers finished 13-9 in Horizon League action in 2021-22 marking the seventh straight season with at least 10 league victories. Rechlicz helped Walstad to her second straight All-League First Team honor, just the third Panther in program history to receive multiple first team selections. Walstad also became just the second Panther in program history to be named All-Defensive distinction multiple times.

Rechlicz and the Panthers put together one of the best seasons in program history in 2020-21, finishing 20-8 overall record and 15-5 in league play to clinch a share of the Horizon League Championship for the third time in program history. Milwaukee had its best start in program history (15-1) and recorded wins over Marquette, Green Bay (twice), and IUPUI (twice). Additionally, MKE was receiving votes in the USA Today/AP Poll for the first time in program history. The Panthers received a bid to the postseason WNIT Tournament and reached the second round following a win over Drake.

Milwaukee owned one of the nation's top defenses in 2020-21, finishing in the top 20 in points allowed (18th, 55.7ppg) and field goal percentage defense (16th, 35.2%). The Panthers also set a new NCAA record at the free throw line for men and women, hitting 83.8 percent (394-for-470) of their shots from the charity stripe.

In 2018-19, Rechlicz reached the 100-win mark with her fifth straight double-digit victory season. She coached a pair of players to postseason honors for the second straight season as Ryaen Johnson (All-Defensive) and Walstad (All-Freshman) collected Horizon League awards.

The 2017-18 season was a memorable one for the Panthers. Rechlicz coached her team to 21 wins, the second-highest total in program history. It also marked the first time since moving to Division I that Milwaukee recorded back-to-back 20-win seasons. The team earned an at-large berth to the Postseason WNIT, opening things up with an impressive 81-67 road win.

Under Rechlicz, Steph Kostowicz and Jenny Lindner were both named to the All-Horizon League teams, marking the first time since 2005-06 that Milwaukee earned a pair of representatives on the 10-player all-league team.

Rechlicz has quickly made her name known and within the region in making Milwaukee a force to be reckoned with. During the 2017-18 season alone, the Panther took down two Big Ten foes (Wisconsin and Northwestern) on the road to go with five wins over fellow Mid-Major ranked opponents. That comes one year after beating in-state rivals Wisconsin (80-63) and Green Bay (72-60) for the first time in the same season in 25 years.

2016-17 was also a special year in that Rechlicz led her team to a 22-12 campaign, tying the program record for most wins in a season. That was culminated with a berth to the WBL, where the Panthers advance all the way to the semifinals.

That all came just one year after Rechlicz made a big splash in 2015-16. Despite being picked ninth in the 10-team Horizon League, Rechlicz guided that team to a second-place finish in both the regular season and conference tournament. That marked just the third time in league history that a team finished in the bottom two one year and the top two the following season for an incredible turnaround. That earned Milwaukee a berth in the WNIT - the team's first postseason appearance in a decade and just third overall, finishing with a 19-13 overall record.

For all of her efforts, Rechlicz was named Horizon League Coach of the Year in 2016, becoming just the second coach in program history to earn that distinction.

Looking back, the writing was on the wall for all this success for Rechlicz. In 2014-15, her team claimed UWM's first postseason victory in five years, featured a first-team all-league selection for the first time since 2010-11 and also had a member of the league's all-freshman squad for the first time in four seasons.

In her first season on the sidelines, her team broke three Horizon League records and 10 different school records, including fewest turnovers per game and a new standard for points in a contest when the Panthers finished with 116 against Bradley.

Rechlicz was named the seventh coach in program history in May 2012 and came to Milwaukee from the University of Wisconsin. There she served as assistant coach and recruiting coordinator for the Badgers during the 2011-12 campaign.

Many Wisconsin basketball fans may better know Rechlicz as Kyle Black, who was a key member of very successful University of Wisconsin women's basketball teams from 1998-2002. For the 2000-01 and 2001-02 teams that went to the NCAA tournament, she served as co-captain and was named to the Academic All-Big Ten Team.

As a Badger, Rechlicz helped guide Wisconsin to four postseason appearances, including NCAA tournament berths in 2001 and 2002. She was one of Wisconsin's premier three-point shooters, setting a school record with seven triples in collecting a career-high 26 points against Holy Cross. She led the Big Ten Conference in three-point field goal percentage as a junior, hitting 40.6 percent from beyond the arc. As a senior, Rechlicz earned her second Academic All-Big Ten honor while averaging a career-best 12.1 points per game.

Since her playing days, Rechlicz has been associate head coach and recruiting coordinator for the University of Dayton (2007-11) and the assistant coach and recruiting coordinator for Cleveland State (2003-07).

Rechlicz, who was brought back to her alma mater in April 2011 by then first-year head coach Bobbie Kelsey, directed the UW-Madison recruiting efforts that led to the signing of five highly regarded players and one transfer from Connecticut. She also assisted with all aspects of on-court coaching, with specific responsibility for player preparation and skill development of guards.

The Flyers made four postseason appearances during Rechlicz's tenure there, including two NCAA tournament berths. Dayton advanced to the second round of the NCAA tournament in 2009-10, finishing 25-8 on the season. The Flyers also appeared in the NCAA tournament in 2010, losing in the first round to Penn State. Dayton made WNIT appearances in 2008 and 2009, advancing to the second round in 2009.

GAME NOTES

SCOUTING THE BADGERS

Wisconsin opens the season against the Panthers on Tuesday after a year that saw the Badgers finish 11-20 overall with a 6-12 mark in the Big Ten. Under the direction of third-year head coach Marisa Moseley, the Badgers have improved from an eight-win team in 2021-22, to its 11 wins a year ago.

The team won by 20 points over Division III power Whitewater on Sunday in a preseason exhibition that saw Serah Williams score 30 points on 12-of-17 shooting, while Ronnie Porter added 18 points and had a team-best eight assists and four steals. Williams is the team's top returner having started in all but one contest a year ago as she averaged 12.7 points per game in 2022-23. Porter came off the bench for Wisconsin last season with one start in 27 appearances but is expected to see an increase in minutes for the Badgers this season.

Playing in the ever-competitive Big Ten Conference, which placed three teams in last season's Elite Eight including national runner up Iowa, the Badgers have their work cut out for them. Last season Wisconsin finished in 10th place in the 14-team league and will look to continue its growth under Moseley's watch.

LAST MEETING

Milwaukee and Wisconsin met a season ago to open the season at the Klotsche Center in Milwaukee, with the Badgers coming away with the nine-point win, 58-49. The Panthers won the second half, outscoring their guest by a 37-31 margin, but it was not enough to overcome the first-half deficit.

Angie Cera led Milwaukee with 11 points off the bench on 4-of-10 shooting including one three-pointer. Grace Crowley had eight points, while Kamy Peppler added seven in her collegiate debut, as the pair both had two field goals and combined to go 6-of-7 from the line.

Offensive rebounding and second-chance points was an advantage for the Panthers in the November 7 meeting a season ago, with the Panthers collecting 11 points in comparison to six by the Badgers.

SERIES HISTORY

In 26 all-time meetings, Milwaukee has been able to record wins in four matchups including three of the last six. The Panthers have two wins apiece in both Milwaukee as well as in Madison, with the team's last win in Madison coming back on December 14, 2017.

SEASON OPENERS

In season openers since joining NCAA Division I, the Panthers are 12-21 in 33 seasons. In the team's most recent 11 years under head coach Kyle Rechlicz, the Panthers have won six of their season openers.

This year, the Panthers will open the season with Wisconsin for the sixth time in program history, and for the second consecutive season. Milwaukee is 0-5 against the Badgers in season openers, with the first occurrence coming back in 1996-97.

Wisconsin is Milwaukee's most common opponent in season openers (six), the Panthers also have multiple season openers against Ball State, Chicago State, Northwestern, and Oklahoma, with meetings against those opponents occurring twice each in Division I history.

WELCOME BACK CREW

Milwaukee welcomes back 10 players that were on last year's roster, including nine that saw minutes. Leading the way back in terms of minutes played is Kendall Nead with 866 as the junior is also the team's leading returner in scoring 334 pts/11.1 ppg.

Angie Cera averaged 28 minutes per game a year ago while averaging 8.3 points per game, with Kamy Peppler seeing action in all 30 of the team's games and averaged just over 23 minutes per contest. Jada Donaldson was a starter in 22 of 29 games and averaged 25.7 minutes per game.

Grace Crowley played in 498 minutes in 2022-23, while Anna Lutz saw time in 28 games for 332 minutes as the duo will likely see an increase this year with Milwaukee graduating both Megan Walstad and Emma Wittmershaus.

Hallie Majoros, Lior Halevi, Justina Hernandez, and Kalvina Eubanks all saw time a year ago, while Jada Williams sat out the season, and looks to make an impact during her first season on the court with the team.

NEW FACES IN MILWAUKEE

This offseason, the Panthers welcomed five newcomers to the roster for the 2023-24 season. Vanessa Jurewicz transferred to Milwaukee following a two-year stay at McCook Community College in Nebraska, where she was a two-year starter.

Four true freshmen join the Panther program this season: Jorey Buwalda, Izzy Pugh, Sophia Rampulla, and Payton Rechlicz.

Buwalda joins the Badgers from a 20-win Randolph squad from a season ago, after winning a Wisconsin State Title as a junior in 2021-22. She was a three-time All-State honoree during her high school career.

Pugh hails from Auckland, New Zealand, and was a four-year member of the Westlake Girls High School Team, while she was also named to the New Zealand U-18 reserve team. She was a part of the Westlake's national championship team in 2022.

Rampulla was a part of four conference championship teams

GAME NOTES

at Union Grove High School and helped the team to regional championship as both a junior and senior. She was also a Wisconsin Basketball Coaches Association Ms. Basketball finalist as a senior.

Rechlicz played four seasons of basketball at Menomonee Falls, where she was a two-time All-Conference Selection in the competitive Greater Metro Conference. During her appearances in the WIAA Postseason, she led the team in scoring in each of her appearances.

SHELTON JOINS THE STAFF

The Panthers welcomed Courtney Shelton to the staff this summer in the role of Assistant Coach and Recruiting Coordinator. No stranger to the area, Shelton grew up in Illinois and played collegiately at Northern Illinois in DeKalb.

Shelton has spent a majority of her coaching career at Central Michigan, notably from 2017-23, while there Shelton was an assistant coach for five seasons before being promoted to associate head coach this past season. Shelton spent the spring term as interim head coach of the Chippewas before coming to Milwaukee this summer.

The remainder of Milwaukee's staff remained intact from last year's squad as Stacy Cantley (Associate Head Coach) is back for her sixth season with the Panthers, while Anna DeForge (Assistant Coach) is back for her second year. Turea Moore returns for her second season as Director of Operations, with Maiah Domask in her second term as the team's graduate assistant.

JUREWICZ MILESTONE ON HORIZON

While Vanessa Jurewicz is new to Milwaukee, the junior is on the brink of a career milestone. Before spending the past two seasons at McCook Community College, where she amassed 919 points, Jurewicz was at Northeastern Oklahoma A&M, where she had 79 career points.

With her two-school total, Jurewicz is currently at 998 career points, and her two points with the Panthers will be the 1,000th career collegiate point for the Stockholm, Sweden native.

Jurewicz has played in 77 career games before entering her first season with the Panthers this year. She has 352 career baskets, including 105 from beyond the arc. She also brings 210 career rebounds, 171 assists, 14 blocks, and 93 steals to the Black and Gold this season.

AND YOU ARE...?

Milwaukee's non-conference slate will feature 11 total contests including five at home, as well as six first-time opponents.

Milwaukee will play three new faces at the McNeese State

Tournament, including Louisiana Monroe (Nov. 16), host McNeese State (Nov. 17), and Mississippi Valley State (Nov. 18). The team will also take on Edgewood at home on November 21.

In December, the Panthers will welcome two new opponents to the Klotsche Center as St. Thomas (Minn.) pays a visit on December 7, while Viterbo will close out non-conference play on December 20.

SPANNING THE REGION...AND THE GLOBE

This season Milwaukee has eight student-athletes from the state of Wisconsin, while the team has two players from both Illinois and Iowa, with one student-athlete hailing from Ohio.

In addition to the 13 Panthers from the United States, Milwaukee will be represented by three international students as returner Lior Halevi (Israel) is joined by Vanessa Jurewicz (Sweden), and Izzy Pugh (New Zealand).

This will be the first time in Milwaukee Division I history, that the Panthers have more than one international student-athletes on its roster for any season.

PRESEASON POLL

Milwaukee was selected to finish sixth in the 2023-24 preseason poll as announced by the Horizon League in mid-October. The Panthers received 59 points and were just four points out of the top-five.

In addition to the team being selected in sixth, Kendall Nead was named to the Preseason All-League Second Team. Nead finished last year as Milwaukee's returning scorer as she averaged 11.1 points per game with a team-best 334 points in 2022-23. Nead also connected on 41.4 percent from the floor, while adding 26 three-pointers of her team-best 138 field goals made.

Nead added 133 rebounds, 46 assists, 17 steals, and seven blocks as she was one of just two Panthers to start in all 30 games of the season for MKE.

100 ASSIST CLUB

Entering 2023-24 with exactly 100 assists each, junior Jada Donaldson and sophomore Kamy Peppler are the team's leaders in assist entering as the team's active career leaders.

The two are also among the team's active career leaders in steals with Donaldson (39) and Peppler (28), trailing just Kendall Nead (53) in that category entering the season.

GAME NOTES

DEFENSE LED THE WAY

The Panther defense was a major factor in the team's success last season as the team ranked in the top half of the Horizon League in both points allowed and field goal percentage defense.

Milwaukee allowed 60.8 points per game through 20 league contests and holding the opposition to 38.4 percent shooting overall. In comparison, the Panthers have connected on 41.2 percent from the field over that span.

KEEPING THE FOULS DOWN

Last season, when Milwaukee committed 11 fouls or fewer, the Panthers were 5-1, including the team's Horizon League First Round win over Robert Morris when the team had up a season-best nine. On the contrary, the Panthers were 2-9 when they committed 18 or more fouls.

OFFENSIVE BOARDS TURNING INTO POINTS

The Panthers recorded double-digit offensive rebounds in nine of their last 18 contests in 2022-23 and made the most of their chances.

In that span, Milwaukee has totaled 161 second-chance points, including 19 second-chance points in the team's win over Robert Morris on January 20, and 16 on the road at Green Bay on January 26. The team had 10 second chance points off of 10 offensive rebounds most recently in the team's win over Detroit Mercy on February 5.

MAGIC NUMBER

In college basketball, there is no perfect recipe for a win but for Milwaukee, field goal percentage has been a pretty good baseline.

In the last seven seasons, Milwaukee is 93-31 (.750) when hitting at least 40 percent from the field. Bump that field goal percentage to 43 percent and the Panthers are 81-16 (.835).

When shooting under 40 percent since 2016-17, Milwaukee is just 25-68 (.269). The Panthers were held under 40 percent in 13 games last year, going 1-12 in those contests.

ALL-FRESHMAN HONORS

Last season, Kamy Peppler put together a season that warranted All-Freshman Team accolades by the Horizon League last season.

Peppler's freshman campaign saw her play in all 30 of the team's games and connect on 32.5 percent from the field including 25.6 percent from three. She had connected on 64 field goals with 30 of those coming from beyond the arc. She had the third-most assists for a rookie with 100 and was just 25 shy of tying the Milwaukee freshman record.

WHAT'S ON TAP?

After the quick visit to Madison on Tuesday, the Panthers will return home for their season opener on Sunday, November 12 for a 2 p.m. start against UIC. The Panthers will be looking to extend its home winning streak against the Flames to nine dating back to January of 2015.

IT'S "MILWAUKEE"

A lot has been made of the correct way to talk about the University of Wisconsin-Milwaukee, especially in the area of athletics. It would be appreciated if you would refer to the athletics teams as either "Milwaukee" or "MKE". Your cooperation in this matter is greatly appreciated.

Milwaukee Athletics is making an effort to brand itself as "Milwaukee" instead of other references. Please avoid UW-Milwaukee, UW-M, Wisc.-Mil, UW-MIL, Wisconsin-Milwaukee, etc. We appreciate your assistance with this effort in advance.
