KYLE CLEMENTS

HEAD COACH
16TH SEASON
BALL STATE (2007)

Entering his 15th season as Milwaukee's head men's and women's swimming and diving coach in 2024-25, **Kyle Clements** has led the Panthers to unprecedented heights.

Clements was promoted to head coach in the fall of 2010 after two years as the top assistant.

In his decade-plus at the helm, Clements has done nothing but completely reshape Milwaukee's history, bringing home an unprecedented 14 team trophies - four Horizon League Championships and ten runner-up finishes - over that span.

MKE has also had a lot of individual success, breaking all but two of the combined 72 school and freshman records during Clements' time at Milwaukee, including three individual records, three freshman records, and one relay record last season, all on the men's side. Clements was named the 2023-24 Horizon League Women's Swimming Coach of the Year, the fifth award of his career, after guiding the women's team to a runner-up finish at the Horizon League Championships.

The record-breaking success of the 2023-24 season followed a men's school record and a freshmen record on the women's side during the 2022-23 season. Clements also helped guide a pair of league champions and two runner-ups at the Horizon League Championships last winter.

That came following three men's school records and one freshmen record during the 2019-20 season, another men's freshmen record in 2020-21, and two more (W Klotsche 400 free relay/M freshmen 50 free) that winter. In addition, the MKE women went a perfect 7-0 during the regular season and finished as runner-ups at the 2022 league championships - their best showing in four years - with Clements being named Horizon League Women's Swimming Coach of the Year for the fourth time in his career with the Panthers.

This continues a trend of success in the pool for the Panthers since Clements came to campus. The 2017-18 season was capped by yet another impressive showing as the MKE women's program was the League Runner-Up yet again. The Panther women posted their fifth-straight second-place showing and their eighth time since Clements has been on deck.

The 2016-17 season proved to be yet another for the record books for MKE. The women's squad went undefeated (6-0) in dual season for the first time ever in program history. The team went on to capture another runner-up finish at League championships after taking three individual titles.

The women's squad came in second overall in one of the narrowest finishes in league history during the 2013-14 season. Milwaukee also boasted unprecedented success at the NCAA Championships, finishing in 26th place with 29 points, the most ever scored by a Horizon League school at the national meet. Emily McClellan finished second overall in the 100 breaststroke with the second-fastest time in collegiate history in her event.

In 2012-13, the Panther women won their second-straight Horizon League title in dominating fashion. McClellan made her third-straight trip to the NCAA Championships that season, scoring the first ever points for any Horizon League Swimmer or team at the National Championships.

The Milwaukee men's team also had an impressive year in the pool. Despite graduating an impressive and deep senior class from the 2011-12 season, the Panthers broke five more school records and another two freshman top times en route to a runner-up showing at the league championships.

CLEMENTS' HIGHLIGHTS

Record: 130-71 Overall (Men: 53-48; Women: 77-23)
4 NCAA Championship Appearances
4 Horizon League Championships
NCAA Individual Runner-Up (Emily McClellan, 2014)
9 Horizon League Runner-Up Finishes
5x Horizon League Coach of the Year
58 Individual League Titles
4 Horizon League Athletes of the Year
3 Horizon League Newcomers of the Year

The 2011-12 season proved to be one of the most memorable across the board in program history. Clements led the men's team to its third-consecutive title at the Horizon League Championships with a record-setting margin of victory, while the women also won the league crown that March for just the second time in school history. Clements was named Horizon League Coach of the Year on both sides, the third time he won the award after just his second season.

That season marked the only time in program history Milwaukee swept both Horizon League titles.

The men's team dominated every time they entered the pool, starting off with the team's first-ever win over in-state rival Wisconsin in the season-opener. That victory set the tone as Milwaukee then cruised through the rest of its schedule to just its second undefeated season in school history, finishing an impressive 10-0 before taking the conference title.

The women's team also had a truly remarkable season, capped by their second Horizon League title in school history and the first since 2001. Clements saw McClellan post two NCAA 'A' cut times, a first for the Horizon League that automatically qualify an individual for the NCAA Championships.

McClellan was also one of three Panthers to swim at the U.S. Olympic Trials that summer, just missing a trip to London after an incredible sixth-place finish in the 100 breaststroke.

In all, Milwaukee broke 17 school records 30 different times during 2011-12 campaign. That Panther team also set six new league records, five Klotsche Natatorium records and three freshman records to cap a more-than memorable season.

In 2010-11, Clements was named head coach after two years as the top assistant and immediately produced a champion. In just his first season at the helm, he led both the men's and women's teams to an impressive 10-3 overall record, with the men winning the Horizon League Championship for the second-straight season. Clements also was named the Horizon League Coach of the Year for men's swimming in just his first year on the job.

The incredible achievements by the team have rewritten the record book, as 46 total records were eclipsed 68 different times in just his first year at the helm.

"Each athlete here has their own personal goals, but each person's number one goal is a team championship," Clements said. "This is an attitude that we will take into each practice, meet, and into the weight room. Personal success is very important, but each member of this program has committed themselves to that goal. When you make that commitment to something bigger than yourself and you do all that you can to reach it, no matter what the final conference place is, you're going to be a champion."

Clements came to Milwaukee from Marshall University, where he served as the volunteer assistant coach for the women's swimming & diving team in his last season.

Clements earned his undergraduate degree in aquatics from Ball State in 2007, while also minoring in teaching aquatics. He spent four years as a student assistant coach for the Ball State swim team while earning his degree.

TODD HILL

DIVING COACH
22ND SEASON
MILWAUKEE (2001)

Todd Hill - a 2017 inductee in the Bud K. Haidet Milwaukee Panther Hall of Fame - enters his 22nd season as Milwaukee' diving coach for the 2024-25 season since coming back to Milwaukee following an illustrious diving career with the Panthers.

Hill earned the ultimate honor, being named to the Bud K. Haidet Hall of Fame in December of 2017 for his athletic and coaching efforts.

Hill continues his stellar and award-winning coaching run, earning Horizon League Diving Coach of the Year honors eight times in the past 18 years. Over the past 18 seasons, his divers have combined to earn 93 Horizon League Diver of the Week honors, advancing to NCAA Zone Diving competition 36 times, including a trio of divers in 22-23 (two men's/one women's). In the 2023-24 season, his divers put together multiple qualifying performances but opted to not compete at Zone Diving. The 2019-20 season proved to be yet another for the record books for MKE. Hill guided his young Panther squad led by the freshmen standout duo of McKenzie Sanchez and Jared Kleczka to eight League diver of the week honors, four top-10 finishes in program history, four NCAA Zone Diving appearances, and four podium finishes at the Horizon League Championships. Sanchez took home the one-Meter Horizon League title and was the three-meter runner-up while Kleczka secured the bronze medal on the three-meter and was seventh on the one-meter at the League meet.

The 2016-17 season was nothing new for Hill. Despite a younger roster, his divers garnered another four league diver of the week honors. That carried over into the league championships, taking a combined five first-team honors.

The 2015-16 team was yet another in a strong run for Hill. He was again named Horizon League Diving Coach of the Year after guiding senior Rachel Margis to a sweep of both boards at the league meet and a new school record in the process. Margis was also named league diver of the year - the fourth-straight year a Panther diver has earned the league's top honor.

That marked the fourth-straight year Hill was named the league's top diving coach and the eighth time overall in his career.

2014-15 was yet another one for the record books for Hill. He coached K.J. Heger to his third-straight Horizon League Diver of the Year award; the first time that award has been one by one person three-straight years. Heger also swept both boards at the league meet to lead a solid group of Milwaukee divers at the championships. Heger also was named league diver of the week an unprecedented nine times last season, while UWM divers earned the league honor an outstanding 13 times overall on the year.

Hill was named the Horizon League Diving Coach of the Year on the men's side for the third-straight year.

In 2013-14, Hill was again named league coach of the year after helping Heger repeat as a league champion on the three-meter board while finishing all-league second team on one-meter.

The 2012-13 season was a special one for Milwaukee diving. Hill coached some outstanding performances on the men's side. Heger broke his own school record on both boards and was named diver of the year despite

HILL'S HIGHLIGHTS

MKE Hall of Fame
8x Diving Coach of the Year
15 Individual League Titles
10 Horizon League Divers of the Year
88 Horizon League Divers of the Week Honors
34x NCAA Zone Divers
As Diver: 3x Individual League Titles
As Diver: 2x Horizon League Diver of the Year

battling an injury suffered early in the season. Milwaukee really showed its depth that year as they had five total divers compete in the A-finals at the league meet, helping Hill earn Men's Diving Coach of the Year.

He coached Kelsey George to second team all-league honors on both boards in 2009-10 and helped the women to league championships on each in 2008-09, with Ashley Hall (3-m winner) and George (1-m champion) sharing Horizon League Diver of the Meet honors. His women's squad dominated the league meet, placing four divers in the top six on both boards.

He led a team effort in 2007-08, placing seven divers in the top 10 on the one-meter board and seven in the top nine on the three-meter. Hill led the way after finishing second (1-m) and third (3-m) overall.

Hill had the women's league diver of the meet for the third-consecutive year in 2006-07, guiding Crystal Szymanski to the honor after claiming a league title on the one-meter board and second place on the three-meter board, despite her missing well over half the season to injury before coming back. In addition, Emily Duesler claimed All-Horizon First Team honors on the three-meter board.

In 2005-06, he helped guide Erin Blemberg to Diver of the Meet honors in back-to-back seasons, with Blemberg setting a new school mark on the three-meter board en route to winning league titles on both boards. Additionally, Panther divers placed 1-2-3 on the three-meter and 1-2-4 on the one-meter at the championships. The previous season, Blemberg won the three-meter crown and took second on the one-meter; as UWM had three finalists on the one-meter board.

In addition to his duties with UWM, Hill is currently the head diving coach for the Schroeder Aquatic Center diving team. He joined the swimming & diving program after working as the head diving coach for Whitefish Bay High School and Homestead High School. During that time, Hill served as the assistant for the Schroeder YMCA diving team.

In becoming the Panther diving coach, Hill had added to an already impressive list of credentials that includes coaching many young athletes to the Junior Zone competition and coaching one Junior National Champion. He has also instructed six high school state champions, numerous high school All-Americans and has led many athletes to become finalists in state competition.

The list also includes seven YMCA National Champions, five AAU National qualifiers, three Junior National qualifiers (while also assisting a Junior National Champion in 2001), five Senior National qualifiers and a compilation of Junior and Senior National Zone competitors too numerous to list.

Besides being considered one of the best diving coaches in the league and area, Hill had a distinguished diving career at UWM. He won Midwest Collegiate Conference Championships three times and was a four-time NCAA Zone qualifier. He was named the MCC Diver of the Year in 1999 and 2000. Hill graduated from UWM in the spring of 2001 with a bachelor's degree in psychology.

ALEX HALLAM

ASSOCIATE
HEAD COACH
SEVENTH SEASON
GREEN BAY (2012)

Alex Hallam begins his second season as the associate head coach in 2024-25, following his promotion after five years as the assistant coach for the Milwaukee swimming & diving team.

In his first season as the associate head coach, Hallam helped guide the women's team to a runner-up finish at the 2023-24 Horizon League Championships, scoring their highest team point total since the 2014 season. Over the course of the season, the Panther men broke three individual program records, one relay program record, and two individual freshman records. The men's and women's teams combined for a 14-3 record, including a 10-1 record in the Klotsche Natatorium.

Hallam continued the strong legacy of Milwaukee swimming in his first six years on campus. In the 2019-20 season, he helped the Panther men break three school records and one freshmen record and two winters ago helped staff the women to their best showing in four years when they claimed runner-up status at the 2022 Horizon League Championships. Last season, two more school records were broken and a pair of individual league titles were brought home, in addition to a pair of runner-ups.

In the 2018-19 season, his first year on deck, Hallam guided the Panthers to a third-place showing on the women's side at the Horizon League Championships while the Panther newcomers broke three freshmen records.

Hallam came to Milwaukee with over six years of coaching experience and over 14 years devoted to the sport.

Most recently, Hallam worked as a coach in the Milwaukee area. He spent over three years working with the Schroeder Swim Team in Brown Deer, coaching a large number of swimmers ranging in age from 6-years to 22-years-old. Hallam In addition to a large number of responsibilities, Hallam coached a number of individuals to state championships.

Also in the area, Hallam spent the past year as the head coach at Greendale High School. In just his first season, he led the Panthers to a third-place finish at sectionals and coached four individuals to berths to the WIAA State Championships.

Prior to that, Hallam spent two years as the senior assistant coach for the Southwest Aquatic Team in Muskego.

Hallam is very familiar with the Horizon League, as he graduated from Green Bay and was a four-year swimmer for the Phoenix. He swam distance free, IM and backstroke events with the Phoenix and was named a team captain as a senior. He was also voted as the president of the Student-Athlete Advisory Committee (SAAC) while at Green Bay.

Hallam graduated from Green Bay with degrees in Psychology and Human Development.

KATIE WALSH

ATHLETIC TRAINER
SECOND SEASON

Katie Walsh joined the Milwaukee Athletic Training staff in the summer of 2019 and works with the swimming & diving programs as well as the women's soccer team.

Schulz returned to Milwaukee after spending two years as a Graduate Assistant Athletic Trainer at Virginia Tech. During her time in VA, she earned an M.A. in Education while working with their women's soccer and softball teams.

Schulz previously attended Marquette University, graduating with a B.S. in Athletic Training.

A native of Illinois, Schulz currently resides in Milwaukee with her husband, Patrick.

# NCAA DI HISTORY

## NCAA DI CHAMPIONSHIPS

Emily McClellan became the first-ever female in Horizon League history and the first-ever Panther swimmer to compete at the NCAA Championship meet.

McClellan qualified for all three events--100 breaststroke, 200 breaststroke, and 200 IM--all four years as a Panther and was a four-time NCAA All-American (two-time NCAA First-Team All-American), becoming the most decorated swimmer in Horizon League history.

| 2011            | 100 Breaststroke | 35th | 1:01.85  |
| 2011            | 200 Breaststroke | 48th | 2:15.30  |
| 2011            | 200 IM           | 54th | 2:03.14  |

\* NCAA All-American

As a senior, McClellan swam the second-fastest 100 breaststroke time on the planet. Her time of 57.76 placed her second overall behind only American record holder Breeja Larson.

McClellan competed at the 2012 US Olympic Trials, placing sixth in the 100 breaststroke, and also competed at the 2012 US Open and the 2013 World University Games for Team USA.

# KLOTSCHKE NATATORIUM

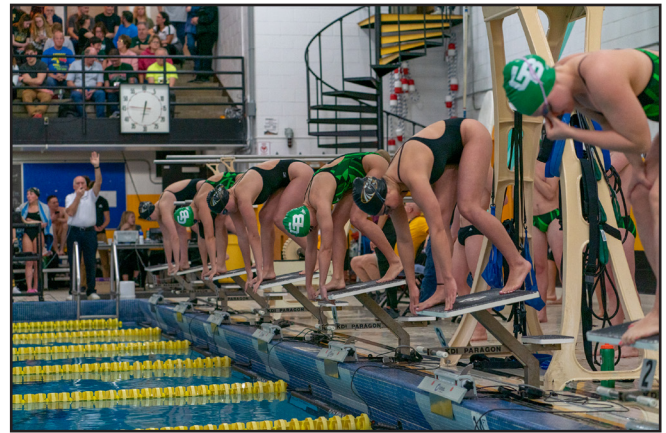

## The Home of Panther Swimming and Diving

Built in 1977, the Klotsche Center has undergone numerous renovations to help keep it a top-notch facility. The latest renovation project added new office space for the department of athletics, locker rooms and weight rooms, a practice gymnasium and new athletic training facilities. The project, called the Pavilion, was completed in January 2006.

The arena area was renovated prior to the 1998-99 school year. The \$2 million project included the addition of comfort and chairback seating. In 1996, new wood flooring and a new indoor track were added to the Klotsche Center. The floor has been renovated recently with the addition of the new Horizon League logo. Also, the addition of the new Panther and UWM logos was completed in the summer of 1999.

The Klotsche Center can hold as many as 5,000 spectators for a sporting event. The largest crowd to ever see a sporting event at the Klotsche Center is 5,015, present when the UWM men's basketball team faced Butler in January of 2003.

The Klotsche Center is used as a practice facility for most of UWM's varsity sports, and serves as the homecourt for volleyball and women's basketball. A four-lane indoor track, added in 1996, is home to the UWM men's and women's track and field teams, and the Klotsche Natatorium, located on the lower level, is home to the UWM swimming and diving teams.

The Klotsche Center has been home to a number of major sporting events, including the 1999 MCC Indoor Track and Field Championships, the 2001 Horizon League Women's Volleyball Championship and the 2001 WIAA Boys' and Girls' Sectional Basketball Championships. The Horizon League Track and Field Championships were in Milwaukee in the spring of 2003 and the league's women's basketball tournament was played in the Klotsche Center during the 2003-04 season.

In 2002, the Klotsche Center played host to a game involving the Yugoslavian National Basketball team and NBA superstar Vlade Divac. The team wound up winning the World Basketball Championships. The arena also played host to an appearance by President George W. Bush late in the year.

The Klotsche Center is also home to UWM's intramural program and recreation center. It features a 25-meter pool, racquetball courts, weight rooms, training rooms and classrooms for instructional use, along with upstairs office space.
