## Improved Pirates Play Wildcats

After posting back-to-back wins, Coach Trent Boykin's Pirates look to continue their winning ways against Villanova.

A win over the Wildcats would give Hampton a 6-3 record, its first non-losing season since 2018 (2020 season was canceled).

The remaining schedule is a challenging one. The four Pirate opponents have a combined 19-13 (.594) log and a 10-6 (.625) mark in CAA play. Also, the schedule includes Villanova and Richmond --- two of the three league co-champions from a year ago.

The 2023 Pirates have shown improvement in virtually every category over 2023. The offense has been more efficient and balanced and the defense has kept

Hampton close in tight games.

In four of its five wins, Hampton trailed or was tied in the second half before mounting a

comeback victory.

The improvement both on-and-off the field led Director of Athletics Anthony D. Henderson Sr. to remove Boykin's interim tag on Oct. 16, making him the permanent head coach of the Pirates.

A standout receiver, Boykin's 150 career receptions rank him second on Youngstown's all-time list and his 1,950 career receiving yards are seventh. In 1994, he was named the team's most outstanding offensive player.

In 2006, he was inducted onto the Kent Roosevelt High Hall of Fame.

He is the father of two daughters: Elivia and Brittney, and a son, Jaz. He also has three grandchildren.
