### Game 1

August 27, 2023

Albany 2, Villanova 0

ALBANY, N.Y. – UAlbany (1-1-0) capitalized on its first of two penalty kick chances Sunday night and went on to defeat Villanova 2-0 in the Wildcats' regular season opener played here. The Great Danes converted a PK in the 33rd minute and then added a late goal in the 80th minute to secure the win.

"I thought they competed harder than we did in the first half," stated Villanova head coach Tom Carlin. "They were aggressive and won some first and second balls. Maybe that had something to do with the fact this was their second game of the season and our first. It's hard to say."

The Great Danes generated a 5-1 edge in shots over the match's first 20 minutes but the Wildcats (0-1-0) kept most of those to the perimeter. Kent Dickey made his first official save of the night off a set piece header by UAlbany to keep the game level at zero midway through the first half.

In the 33rd minute UAlbany forged a 1-0 lead. A shot by the Great Danes' Lucas Watt caught the arm of a Wildcats' defender and a penalty kick was awarded. Jeff Thielmann converted the opportunity with a shot towards the middle of the net that Dickey got a piece of but couldn't stop at 32:18.

"We got a little unlucky there," Carlin said.

UAlbany kept the heat on Villanova over the final minutes of the first 45 minutes.

Branden Johns helped Nova earn a freekick in the 45th minute in a dangerous spot just outside the 18-yard box. But the Great Danes knocked down a ball from Dominic Cyriacks and no further scoring chances materialized before intermission.

The Great Danes appeared to grab a 2-0 lead off a tap in goal in the 48th minute but the play was ultimately ruled to be offsides by the linesman on the right side of the pitch. Villanova immediately responded with its best scoring chance of the evening to that point as Vincent Petrera fired a shot that was knocked away by the Great Danes' Shafique Wilson for the save.

"That was a great chance for Vinnie," said Carlin. "Their keeper made a great save."

A short while later it was Dickey to the rescue as he dived to his left to knock away UAlbany's second penalty kick of the night and keep the deficit at one. Villanova then countered with better offensive pressure that was highlighted by a Marcus Brenes feed into the box off a set piece that Foday Bangura nearly re-directed into the net. It sailed just wide to the right of the post.

"Kent's save on the PK was big-time," noted Carlin. "I thought that could be a momentum change for us. We got a couple of chances after that, but they did a good job of closing off our attack."

Moments after a Balthi Saunders bid from 22 yards out rolled just outside the right post, UAlbany extended its lead. The goal came at 79:39 off a feed from Thielmann to Caleb Vallance.

The Wildcats produced several more chances – including another one from Saunders – but were unable to get one the scoresheet. The final score was 2-0.

### Game 2

August 27, 2023

Albany 2, Villanova 0

NEWARK, N.J. – Villanova jumped out to the lead in the first minute but NJIT responded with four consecutive goals to post a 4-1 victory in a non-conference match played at Lubinsen Stadium at Mal

Simon Field.

The Wildcats (0-2-0) took the opening kickoff on a beautiful late summer evening here with temperatures in the high 70s and turned it into an immediate opportunity. Balthi Saunders fed Vincent Petrera on the left side beyond the 18-yard box. Petrera fired a laser into the top shelf of the net a mere 13 seconds into the match to put the 'Cats up 1-0.

"Balthi did a great of pressing right off the get-go," stated Villanova head coach Tom Carlin. "He found Vinnie. It was a great goal."

But the response from NJIT (1-2-0 overall) came quickly. It applied pressure as soon as play resumed. At 5:06 Giancolo Franco took a feed from Ramchwy Vil and finished with a shot into the upper left corner of the net to level matters at one.

The teams battled evenly into the middle portion of the period, with each generating dangerous chances. The Highlanders were the next to capitalize off a corner kick in the 33rd minute. Franco registered his second goal of the night with a right-boot shot inside the right post. As the clock ticked toward halftime, NJIT extended its margin to 3-1. At 41:51 Andrea Campoli came up with a goal off an assist by Maximus Barboto for the Highlanders.

"Credit to NJIT to have that fire to go forward," Carlin said. "It was just a sequence of mistakes we made that led to those goals. I think it was also a matter of us becoming a little complacent. They took advantage of that.."

The Wildcats were unable to score again. "I thought we had some good chances," said Carlin. "But we just made too many mistakes in our own half of the field."

### Game 3

Septmebr 4, 2023

Michigan State 1, Villanova 1

Villanova earned a 1-1 draw Monday with Michigan State on a sunny day with temperatures dipping into the low 90s. The match – moved up four hours from its original 3 p.m. kickoff – drew a packed house to the Higgins Soccer Complex in what has become a West Campus Labor Day tradition.

The Wildcats earned a penalty kick in the fifth minute that junior Balthi Saunders (Brooklyn, N.Y.) buried inside the left post at 4:17 to stake Nova to an early lead.

"It was hot," stated Villanova head coach Tom Carlin. "I think that took some of the sting out of the game. There was a lot of 'just keep things in front of you' because of the heat.

"I thought early on we were really moving the ball well in space. We were really backing them up and finding advanced pockets. We were even threading the ball in behind (their back line). That was nice to see. We really hadn't established that as much as we would have liked to in the first couple of games.

"We created some chances and scored a goal."

The Wildcats (0-2-1 overall) dominated the possession through the first 20 minutes of the first half. But the Spartans found their legs and began to turn the tables on Villanova, creating significant offensive pressure over the final 25 minutes of the period.

"I think we took our foot off the gas a little bit," noted Carlin. "We became a little sloppy. Some of our decisions came right back at us. We weren't winning first balls in the air. It became us having to defend and weather some things."

The Spartans' (2-0-1 overall) pressure produced a goal at 38:11. The sequence began with a corner kick sent into the box by the Spartans' Jeremy Sharp. The Wildcats were able to knock away Michigan State's first bid but Will Ebey nudged the ball over the goal line off a rebound to level matters at one. Sharp received an assist on the play.

The heat from the Spartans continued early in the second half. At one point, Michigan State held a 17-3 edge in shots (they would end the afternoon with a 27-11 advantage in that category). But Villanova held firm with goalkeeper Kent Dickey coming up with a handful of key saves.

Over the final 20 minutes, the Wildcats began to tip the scales back in their favor. Branden Johns nearly won a race to the ball with MSU goalkeeper Zac Kelly outside the 18-yard box but Kelly was able to make the save. Tommy Johnson sent a brilliant cross that nearly connected with a run by Anthony Cousins Jr. And just before the final horn sound, a Saunders bid for a game-winning goal just missed.

"The good thing is," Carlin said, "we held up strong. We created momentum going forward. Even when we got stuck in, we didn't just stay. We were able to respond and create some chances later in the game."

FDU 0, Villanova 0

Villanova and FDU battled to a 0-0 draw on a humid afternoon at the Higgins Soccer Complex Saturday. The Wildcats owned a 30-7 edge in shots on the day, including 19-3 in the first 45 minutes.

Temperatures were in the low '80s but the humidity made the air thick and heavy on a partly sunny day on Villanova's West Campus.

The Wildcats' Kent Dickey made four saves to post the clean sheet for Villanova.

"We got a lot of possessions going in our attacking half," noted VU head coach Tom Carlin. "We created a lot of attacking opportunities. I thought our quality in the final 35 needed to be a little bit better.

"Ultimately, I was happy with our re-pressing and our defensive pressure. We had some silly turnovers that led to some transitional elements. Overall, I was happy with our effort and the chances we created. We just didn't finish one."

The first real scoring bid came in the sixth minute from FDU as Tony Gomez fired a shot that Dickey leaped to deflect over the top of the goal and out of harms' way. From there, however, Villanova enjoyed long stretches of ball possession and some quality opportunities.

Junior Balthi Saunders would end the day with seven shots while Dominic Cyriacks and Belmar Joseph were both credited with four each.

"Ball movement and good spacing put us into good spots," noted Carlin. "There was a lot that was created in the attacking third. We just didn't have the quality in the final third that we needed to get a goal."

"I thought we were pretty aggressive," Carlin said. "We got behind it when we needed to. A lot of it was winning some balls early to not let them get through. We were able to counter their offensive opportunities before they really got going. Dickey was good back there too."

"Listen, we're growing," stated Carlin. "We keep getting better efforts. The reality is that with the little bit of a slow start we've gotten, the Big East is going to be invaluable to us. We know the quality of our league and we're looking forward to the challenge of it."

### Game 5

September 15, 2023

Butler 2, Villanova 1

For the second time in as many contests, Villanova dominated time of possession and the category of dangerous scoring chances but it was unable to get a result, falling 2-1 to Butler in the BIG EAST men's soccer regular season opener for both teams.

The Wildcats (0-3-2 overall, 0-1 BIG EAST) owned a 21-6 edge in shots, controlled the tempo for large chunks of the match to no avail. Jorge Garcia netted the only goal off a second half free kick with Nova down by a pair of goals. Palmer Ault scored both goals for the Bulldogs (1-3-1 overall, 1-0 BIG EAST).

Including last Saturday's 0-0 draw with FDU, the 'Cats have outshot their last two foes by a 51-13 margin and forced opposition goalkeepers to make 25 saves. Caleb Norris made 11 saves in this one for Butler.

"We put a great effort in," stated Villanova head coach Tom Carlin. "We got all the chances, probably more than we thought we were going to get. We've got to finish the ball. We had seven clear-cut chances in front of their net."

"We've also got to do better on the two individual moments where they got their goals. I don't think those came out of much but we've got to do better. Outside of that I was really proud of our effort."

After the Wildcats controlled the first 15 minutes, it was Butler that registered the first score on a beautiful sun-splashed late summer afternoon at the Higgins Soccer Complex. Jan Quispel sent a ball outside the box that seemed to be well covered by Villanova. But Ault chested the ball to his feet, and released a shot that found the back of the net at 16:25.

The Bulldogs took that lead into halftime.

Butler added its second goal when passes from Jack Streberger and Henri Kumwinda found Ault in a narrow space in front of the goal. He again sent the shot into the net at 64:04 for his fourth goal in five regular season matches.

Villanova kept the heat and generated a myriad of chances. The 'Cats broke through with a lovely kick by Garcia from 19 yards out that found the left side of the net at 72:42.

Vincent Petrera led VU with seven shots on the day, including five on frame.

### Game 6

Western Michigan 2, Villanova 2

A set piece goal by junior Vincent Petrera in the 75th minute helped Villanova earn a 2-2 draw against Western Michigan (5-1-2 overall) on a bright, sunny afternoon at the Higgins Soccer Complex.

The pivotal play began with a Wildcats' corner kick. Senior Dominic Cyriacks lofted a beautiful ball inside the box that Petrera was able to re-direct with his head past Broncos goalkeeper Ethan Brandt at 74:37.

"It's real easy to feel sorry for yourself when things don't go exactly the way you wanted them to early on," stated Villanova head coach Tom Carlin. "But that can't define us. We've just got to keep fighting to win all the little battles. Those are things that make or break a game. We've just got to stay on top of them."

"We went down a goal and it would have been real easy for us to put our heads down. We didn't do that. We fought through it and got the equalizer."

The Wildcats opened the scoring on a counter in the first half. Petrera found freshman Belmar Joseph, who then fed the ball to Balthi Saunders. Saunders took care of the rest, sending the ball into the net at 17:52 to give Nova the early advantage.

But Western Michigan got one back a little more than two minutes later. Dylan Sing finished off a feed from Noah James and the game was level in the 21st minute.

"That's a really tough team to play against," noted Carlin. "You've got to win that first ball and you've got to be ready for them to just pump balls in on you. They're aggressive and their forward Charlie Sharp is a handful. He's a quality top Division I forward."

The game remained deadlocked at one until early in the second half. Western Michigan struck again, with Sing again scoring for the Broncos. This score came at 51:45, pushing the Broncos on top.

But the Wildcats heeded their coach's words to keep pushing.

"We had to fight so they can't keep you pressed in," Carlin stated.

Graduate student Michael Sheridan made his Villanova debut in goal and did his part, recording seven saves, including several significant ones as the Broncos pressed forward.

And the set piece goal was a welcome sight to the Wildcats (0-3-3 overall, 0-1 BIG EAST).

"We needed that," Carlin said. "Dom gave us a good service. We changed our runs a little bit and that worked better. We have a pretty big hole to dig out of with the set piece goals we gave up early in the year but this was a good step for us today."

### Game 7

September 23, 2023

Villanova 4, Providence 3

A goal in the 88th minute by Balthi Saunders lifted Villanova to a 4-3 victory over Providence in a back-and-forth BIG EAST Conference battle here Saturday night. Graduate student Marcus Brenes scored two goals for the 'Cats, including the score that pulled Villanova back to level at three in the 77th minute.

"We are learning perseverance, that's for sure," stated Villanova head coach Tom Carlin following the victory. "We've all felt like this was coming over the last stretch of games. We've been playing better. But I'm happy for our group to see it come together like this because when you're down a goal with 20 minutes left on the road, it can be easy to wonder if it's happening again."

"We fought past that, though, and it's a credit to the guys."

An early set piece got Villanova (1-3-3 overall, 1-1-0 BIG EAST) off on the right foot. This one came in the second minute, courtesy of a Dominic Cyriacks service that found Brenes in the box. The fifth-year Wildcat buried the opportunity just 1:46 into the match.

The Wildcats kept the heat on too, sending the next three shots towards goal over the next six minutes as Petrera and Balthi Saunders led the attack. Villanova also was bolstered by the return to the lineup of co-captain Jack Bonas, who missed the previous two outings with an injury.

"I thought the guys were loose before the game and we carried that over into the game," noted Carlin. "We were aggressive in the first half and it helped us against a good team."

After a Villanova throw-in, the Friars' Diego Battista came up with a steal and sent a feed from near the sideline into the right side of the 18-yard box. Nathan Messer re-directed the pass with his head past Dickey to level the match at one.

But it didn't take very long for Villanova to reclaim the advantage. After entering the game when Tommy Johnson was helped off the pitch, Cousins collected a pass from Saunders and used a nifty left footed move to sneak a shot past Friars' goalkeeper Lukas Burns to push the 'Cats back on top, 2-1.

Providence answered in the 26th minute. The Friars' second goal developed from a steady buildup and possession along the right side. Brendan McSorely put the finishing touch past Dickey at 25:56.

The contest remained level at halftime. Both teams recorded eight shots over the first 45 minutes. Providence held the edge in corner kicks, 5-1.

In the 69th minute Providence claimed the lead for the first time. Pearse O'Brien tucked a shot just inside the left post to give the Friars the one goal edge with just more than 20 minutes to play.

"After they scored," Carlin said, "I thought we became aggressive again and were able to get back on the front foot."

The Wildcats also inserted freshman Luke Martelli into the match, a substitution that paid immediate dividends. Martelli made two key plays to set up the equalizer. His run down the left side created a corner kick opportunity on that side. Then, he received a short corner pass and sent it to the far side of the 18-yard box where Brenes re-directed the ball with his head into the left side of the net at 76:29.

"When you sub a guy in, you're hoping he can make an impact on the game," Carlin said. "Luke did an incredible job in his

time tonight."

Villanova kept the pressure on and went back in front at 87:03 off a creative dribble move on the right side by Saunders. The junior dribbled through a pair of Friars' defenders and then pushed a deft left-footed shot past Burns to push the 'Cats back on top.

"That's what Balthi can do," stated Carlin. "He made a great play to get us a decisive goal. (Brenes) getting two goals for us was huge too."

"After the game I told the guys, 'you can exhale now,'" said Carlin. "It's human nature to wonder when it's going to turn even if you know the signs are there that it's coming. We got a Big East road win at a tough place to play. The guys persevered and were rewarded." frame.

### Game 8

UConn 1, Villanova 0

A goal near the end of the first half was the difference in Storrs, lifting Connecticut (6-3-0 overall, 2-1-0 BIG EAST) past Villanova (1-4-3 overall, 1-2 BIG EAST) on a rain-soaked evening at Joseph Marrone Stadium.

UConn picked up its goal off a loose ball in the 44th minute and then held off the Wildcats, who held the edge in shots on the night, 14-13.

"It was pouring," stated Villanova head coach Tom Carlin. "It certainly made the game sloppier than it would have otherwise been. Unfortunately, we gave one up just before halftime and we weren't able to get it back."

Both teams grappled with the driving rain as the match got underway. The first shots on frame didn't come until the 19th minute when Marcus Brenes and Balthi Saunders sent a pair of shots that were saved by UConn goalkeeper Jayden Hibbert.

A few moments later the Huskies had their best chance of the opening minutes. Pierce Baetson fired a shot that eluded Wildcats' goalie Kent Dickey but hit the left post and rolled out of harm's way in the 24th minute to keep the match level at zero. A short while later Dickey used his left hand to turn away a blast by Eli Conway.

The Wildcats earned a few more quality chances in the final 10 minutes of the first half but bids by Jorge Garcia and Balthi Saunders were saved by Hibbard. But a counter bid from UConn resulted in the first goal of the night at 43:59 on a goal by Kieran Chandler from the left side.

"It was just a broken play," Carlin said. "It was tough because I thought we had three or four high-quality chances just before that which obviously could have been huge in these kind of conditions."

That is where matters stood at intermission. Each team generated 10 shots in the period, with four from Villanova on target.

As play resumed in the second half the rainfall had eased from the downpour that took place in the opening 45 minutes.

The rain picked up its pace midway through the second half as both teams dealt with the slippery ball. UConn maintained its advantage as the scoring chances were fewer than in the final minutes of the first half. Saunders got a chance in the 68th minute but he wasn't able to generate full power behind his left-footed bid and Hibbard was able to scoop up the roller without difficulty.

### Game 9

October 7, 2023

Villanova 3, Seton Hall 3

A pair of second half goals by junior forward Vincent Petrera helped Villanova earn a 3-3 draw with the Seton Hall Pirates (5-3-2 overall, 1-2-1 BIG EAST) at the Higgins Soccer Complex.

On a blustery day with conditions that seemed to shift by the minute, no goals were scored over the first 45 minutes before six scores were registered over the final 45 minutes.

"I'm proud of the way our guys fought," stated head coach Tom Carlin. "We made some mistakes and were unlucky at several points, but we persevered and got a point."

Petrera's second goal of the day, at 83:57 gave Nova a 3-2 advantage. Freshman Belmar Joseph fed Petera, who fired a shot past Mats Roorda of the Pirates to put the Wildcats in a seemingly commanding position.

But less than three minutes later, Villanova (1-4-4 overall, 1-2-1 BIG EAST) was whistled for a foul inside its own 18 yard

box. Andrea Borg scored his fourth goal of the campaign for the Pirates on the ensuing penalty kick at 86:19.

Villanova scored the game's first goal in the 50th minute when touches by Gray Ricca and Balthi Saunders set up Dominic Cyriacks approximately 22 yards in front of goal. The senior stepped into a blast that wound up in the back of the net at 49:21.

Less than a minute later, though, Seton Hall answered by converting a corner kick. Jared Smith re-directed the service from James Boote to pull the Pirates even at one.

Mikhail Zaretser found Petrera on the left side at 61:39 and Petrera drilled a shot just inside the right post to push the 'Cats back on top at 2-1.

"I'm happy for Vincent," Carlin stated. "He's been working really hard and doing all the little things right. He's been putting himself in good situations to score goals. It hadn't come for him yet but today he was feeling it. You could tell."

Seton Hall answered at 82:17 with an Agustin Resch goal off a pass from Tomas Nunez.

That set up the theatrics in the closing moments.

"It was a weird day," noted Carlin. "The winds were swirling, going one way and then the other way. We had a bit of rain. I think the conditions played to our favor. We had the wind at our back in the first half and it was greater in the first half than it was in the second."

"But I can't say enough about the fight the team had. Things aren't going exactly the way we had planned them. We keep staying in the moment and battling. Who knows, this point might help us in the end."

### Game 10

October 10, 2023

Maryland 6, Villanova 4

On a night when both offenses were displaying firepower, Maryland (3-6-2 overall) edged Villanova 6-4 in a non-conference match played here Tuesday night at Ludwig Field.

In his return to his native state, Branden Johns (Waldorf, Md.) scored two goals for the Wildcats while Gray Ricca and Vincent Petrera also found the back of the net. But it just wasn't enough against a Terrapins side that had an answer for every Villanova score.

"We were really executing and creating chances offensively," said Villanova head coach Tom Carlin, "but we just made a series of fundamental defensive mistakes that hurt us. They're a good team, they were hungry, and we've got some things to figure out defensively."

Maryland got the scoring going in the eighth minute when Kimani Stewart-Baynes pushed the Terrapins on top. Villanova answered with a goal by Petrera in the 16th minute, who was also playing in his home state (Salisbury, Md.). Anthony Cousins Jr. picked up an assist on the score.

The Terps went back in front when Stefan Copeti knocked a rebound into an open net to make it 2-1. But less than three minutes later Johns picked up his first of the season to level matters at two midway through the first period. Junior Balthi Saunders and Cousins Jr. earned assists on the goal which came at 29:15.

It was then Maryland's turn. A corner kick created a chance in the 34th minute that Bjarne Thiesen headed into the back of the minute to put the Terrapins on top, 3-2.

Ricca fired a shot into the top left corner of the net a mere two minutes later and matters were deadlocked again, this

time at three. The assist on the goal was Petrera's.

Just 1:15 into the second half, Copetti scored again to put the Terrapins back on top. They added their fifth goal of the night at 58:12 to extend the advantage to 5-3.

Johns' second goal of the night at 73:13 cut the deficit to 5-4.

"BJ had a great game" noted Carlin. "He had a big contingent here to watch him play and he was just terrific."

Though the Wildcats pressed for the equalizer, it was Maryland that notched the final goal, as Stewart-Baynes scored his second goal of the night at 88:09.

### Game 11

October 14, 2023

St. John's 3, Villanova 1

A pair of second half goals – both scored off after an initial save was made by goalkeeper Kent Dickey – carried St. John's (7-3-1 overall, 2-1-2 BIG EAST) to a 3-1 victory over Villanova (1-6-4 overall, 1-3-1 BIG EAST) on a rainy afternoon at the Higgins Soccer Complex.

A goal by Branden Johns at 49:10 had drawn the Wildcats level early in the second half but the Red Storm later rallied to collect the win.

"Credit to St. John's," stated Villanova head coach Tom Carlin. "I thought we came out a little flat at the start and they took advantage. We changed some things up defensively and we may have been a little tentative because of it."

Indeed, St. John's jumped out in front a mere 1:45 into this one. Miguel Diaz and Nigel Griffith worked passes at the top of the 18-yard box and found Macoumba Ba open on the left side. Ba drove a blast into the upper right part of the net to stake the Red Storm to the quick one goal advantage.

The St. John's pressure continued throughout the first 45 minutes. The Red Storm owned an 18-4 advantage in first half shots and only some strong work by Dickey – seven first period saves, 12 on the day – kept the tally at 1-0 when halftime arrived.

"I thought we had created some quality offensive chances in the second half and BJ (Johns) got us one early in the half," said Carlin.

Freshman Belmar Joseph sent a through ball on a counter attack aimed for Johns. The Maryland native used his high-octane speed to win a footrace with Red Storm goalkeeper Alec McLachlan who came off his line about 25 yards from goal. McLachlan got a piece of the ball but Johns was able to knock it past him and dribble further down the right side. His right-footed shot eluded a pair of St. Johns' defenders to draw the 'Cats level.

"BJ has really been playing well," noted Carlin, "and he made a great play off a good ball from Belmar. It gave our guys a lot of energy."

Alas, it was St. John's that pushed across the next goal. After a Red Storm shot that was originally ruled a goal was overturned on video review in the 55th minute, St. John's wasted little time in pushing forward again. Nicolas Fieuriu-Chateau notched his 10th goal of the campaign when he collected the rebound of a Ba shot that Dickey made the initial stop on. The time of the goal was 56:57.

Another bang-bang play in the goalmouth gave St. John's its third goal of the wet day. This time Colin Veitri sent a blast that Dickey saved. Griffith, however, quickly scooped up the carom of that shot and banged it into the net at 68:07 for the day's final score.

"We had a couple of balls that we failed to clear," said Carlin. "St. John's made us pay for those."

#### Georgetown 2, Villanova 1

A stout defensive effort by Villanova wasn't enough Wednesday as Georgetown used two second half goals to post a 2-0 win over the Wildcats in a BIG EAST match played at Shaw Field.

Villanova's defense was locked in for more than 60 minutes, holding the Hoyas (9-2-1 overall, 5-1 BIG EAST) without a score before Georgetown changed the tenor of the contest with a goal at 63:21.

"We were really just trying to slow them down and minimize the space we had to cover," stated Villanova head coach Tom Carlin. "We had very good discipline and carried out the game plan. Unfortunately, we had a little lull in the second half, and they took advantage."

On the other side, Villanova was unable to find the finishing piece to get a goal that could easily have altered the direction of this one.

"I thought we created some good chances," Carlin said. "They didn't go in, though, and that's when you are vulnerable."

The Wildcats and Hoyas were level into the 20th minute when junior forward Balthi Saunders sent a blast from 25 yards out that sailed over the goal. Later in the period, freshman Belmar Joseph had a glorious chance stationed inside the 18-yard box to the right of the goalkeeper. But his re-directed header went to the left side of the goal, keeping the match deadlocked at zero.

"We thought we'd get some attacking chances, and we did," said Carlin.

Georgetown's best chance of the period came in the final minute. A blast from the Hoyas' Kieran Saergant was on frame and

forced Dickey to make a diving stop with his left hand. Georgetown's Cole Parete collected the rebound with Dickey still on the turf but a sliding Marcus Brenes was able to block that bid and keep the contest even at zero when the horn for halftime sounded.

After surrendering 12 goals in its last three outings, Villanova's defense was back to its customary stingy ways. It limited the explosive Hoyas to six first half shots, with only two of those on frame. Villanova, though, hoped to add a touch more quality in the Hoyas' third of the pitch after just two first half shots over the first 45 minutes.

A beautiful ball from Dominic Cyriacks found Branden Johns on a run in the 54th minute that looked promising before a Georgetown defender blocked Johns' shot, keeping the contest even.

Georgetown began to apply more pressure as the clock ticked into the 60th minute. The Hoyas claimed the first goal of the afternoon on a nifty bit of ballhandling on the attack. Jacob Murrell tucked a low shot inside the left post at 63:21. The assists were awarded to Zach Zengue and Marlon Tabora.

"Once they got the goal," Carlin stated, "we had to open up and that makes them more dangerous."

The Hoyas scored again in the 73rd minute when Sargaent lofted a ball over the head of Dickey, who had come off his line towards the top of the 18-yard box. Joe Buck was credited with an assist on the score.

### Game 13

#### Xavier 1, Villanova 1

Belmar Joseph's first college goal helped Villanova forge a 1-1 draw with BIG EAST West Division leader Xavier (6-3-5 overall,

3-1-3 BIG EAST) on Alumni Day Saturday at the Higgins Soccer Complex.

As was the case a week ago in a rain-soaked clash St. John's, the conditions played a significant role in the tactics on this day. Although no rain fell on this most cloudy afternoon, the wind was a substantial element, swirling with gusts from 25-30 miles per hour. The wind generally gusted from west to east, giving the side attacking the east goal a notable edge.

Villanova had the wind at its back in the opening 45 minutes and took full advantage. It jumped in front in the seventh minute. Balthi Saunders and Jorge Garcia exchanged a pass near the top left side of the 18-yard box at Xavier's end of the pitch. Garcia then sent a brilliant cross through the goalmouth that found Joseph, who finished with his right foot at 6:27.

The Wildcats carried that momentum over the course of the first half. Villanova owned a 9-8 edge in shots and a 4-1 advantage in corner kicks. Musketeers goalkeeper Jonny Mennell was forced to make five saves over the first 45 minutes.

"We got the early goal, which was nice, and we made them chase it a little bit," stated Carlin. "The wind definitely played a factor in the two halves. I liked our effort. I liked our execution and I liked our discipline. But we gave up a set piece goal. We lost a mark and the guy made a play to finish it. It's tough to tie that way."

The Xavier goal came at 71:06 off a free kick from approximately 23 yards in front of goal. The Musketeers' Michael Rogalski served a ball into the middle of the box and found Matthew Senanou on a run. Senanou rose up and re-directed the ball into the net past Wildcats' goalkeeper Kent Dickey to level matters at one.

It was part of a period where Xavier had the more numerous attacking chances, outshooting the 'Cats 11-2.

#### Army 1, Villanova 1

A goal in the 85th minute by Balthi Saunders helped Villanova earn a 1-1 draw with Army on a brilliant fall afternoon Tuesday at the Higgins Soccer Complex.

Army held the lead after notching a counter attack goal at 22:25 from Jacob Lee and maintained that until the pivotal moment with the sun beginning to fade in the west. Freshman Diego Valles dribbled the ball on the left side just outside the 18-yard box. His cross found Saunders who sent past Aiden Rice of the Cadets at 84:14 to pull Villanova even.

"That was huge," stated Villanova head coach Tom Carlin of the late score. "We had a ton of looks at it leading up to that point. We hit a lot at their keeper. He made the saves and did a good job. I thought we needed just a little more quality or a lot more quality in that final third."

"On the play (Valles) made a great play, plays into Balthi who hits a one-time finish. It was just a little bit of composure, a little bit of quality that led to the goal."

The Wildcats (1-7-6 overall) held a 29-15

edge in shots on the day and forced Rice to make 12 saves. Villanova dominated the first 20 minutes in time of possession but was dealt a blow when the Cadets ran a nifty counterattack that resulted in the Lee goal.

"We were very good in our possessions early," Carlin said. "We had the ball moving and they were chasing us. We had some chances and didn't get one out of it. It's kind of a balancing act between attacking with the numbers with the ability to stop transitional moments. On that one, we got caught. They did a great job and made us pay."

"I thought we had a good response to that. But the reality was that outside of our possessions we were on our back foot defensively. We weren't working hard enough in transition and Army did a good job of making us pay the price for that."

Villanova really pressed its case over the final 45 minutes, compiling a 19-6 edge in shots. But even after the equalizer it needed a bit of help from its goalkeeper, Michael Sheridan. His best of six saves of the day came with the clock ticking down towards 90 minutes when he leaped to knock an Army shot that appeared headed for the top of the net over the crossbar with his hand and out of harms way.

Villanova 3, DePaul 3

A tight battle in the Windy City ended in a 3-3 draw between Villanova and DePaul Saturday afternoon at Wish Field.

The tie ended hopes for both teams to latch on to the eighth and final spot in the BIG EAST Tournament on what was Decision Day across the league. The addition of Akron in 2023 brought league membership to 12, allowing all schools to compete at the same time on the final day of the conference campaign.

By virtue of a 1-0 win over Providence, Seton Hall moved into the last available slot in the event which begins on Saturday, Nov. 4.

"We fought all the way to the end," said Villanova head coach Tom Carlin. "We had five or six high quality chances there in the last 15 minutes. But they just wouldn't go in."

Villanova gained the early edge when Luke Martelli dribbled along the left side and sent a feed ahead towards the frame. Junior O'Neil Dawes re-directed the ball inside the left post past DePaul goalkeeper Gandhi Cruz to push the 'Cats on top. Dominic Cyriacks also was credited with an assist on the goal.

But DePaul had a quick response. Kristian Malinich sent a ball into the middle that found the Blue Demons' Marek Gonda, who tucked the ball inside the right post at 4:03 to level matters at one.

The Wildcats reclaimed the lead at 22:15 as freshman Belmar Joseph and senior Branden Johns' connected. Johns notched his fourth goal of 2023 off a right-footed blast that beat Cruz to hand Nova back the lead.

After a shot by Malinich hit the right post in the 36th minute, the Villanova clearance led to a corner kick for the Blue Demons. Callum Watts's corner found Gonda, who re-directed the feed with his head past Kent Dickey into the top shelf of the goal at 35:22 to knot the contest at two.

The Blue Demons went on top for the first time on this overcast day early in the second half. Liam Mullins dribbled in on the right side and slid a pass ahead to Christian Baumgartner. Baumgartner then used his left foot to send a shot along the artificial surface that went into the net just inside the left post at 47:37.

A short while later, Villanova answered. Following a team save on a dangerous DePaul attempt off a corner kick, the Wildcats mounted a counterattack that led to Joseph making a short pass to Saunders on the right side. With his left foot of the junior fed a ball over the head of Cruz inside the left post at 48:55 to tie this one up again.

With the game tied DePaul's Malinich was assessed a red card at 69:39, putting the Blue Demons down a man the rest of the way.

A Saunders blast in the 79th minute was on frame but saved by Cruz. Shots by Joseph and Petrera soon followed but neither was on net. Martelli also had a chance and a bid from Gray Ricca hit the post.

"When they went down a man, we really were able to apply some attacking pressure in the final third," Carlin stated. "We were right there but couldn't get one across the line. In the end it wouldn't have mattered (in the race for the postseason), but we really worked to make it happen."

UIC 2, Villanova 1

UIC picked up a goal late in the first half to snap a 1-1 tie and lift it to a 2-1 victory over Villanova in the regular season finale for both sides Monday afternoon in the Windy City.

"I thought we battled to the end," stated Villanova head coach Tom Carlin. "We kept persevering even when the results weren't there."

Both teams dealt with a soft natural turf surface at Flames Field – reopened in 2022 - that made the footing uneven at times.

"The field was a big influence on the game," said Carlin. "It was slippery in certain spots and we had a number of guys lose their footing at times."

The Flames gained the early edge by scoring at the 7:07 mark of the first half. The shot came off the right foot of Joshua Torres to elude Wildcats' goalkeeper Michael Sheridan. Assists on the score were credited to Jesus De Vicente and Bart Muns.

However, Villanova quickly responded to get itself back to level.

The sequence began with a free kick taken by Balthi Saunders. Villanova kept the pressure on in the final third until graduate student Marcus Brenes sent a shot into the top center of the goal past Flames' goalkeeper Oren Asher at 9:43 to tie the match at one. Saunders and Branden Johns each picked up assists on the play.

UIC found the decisive goal in the 30th minute. Torres found Luke Nedic at 29:26 and Nedic sent a shot into the upper right corner of the net to push the Flames back on top, 2-1.

Villanova was unable to generate an equalizer, however.

## HIGGINS SOCCER COMPLEX

Established as the new home for men's and women's soccer programs in the fall of 1992, Higgins Soccer Complex has undergone numerous upgrades to maintain a first-class facility. In the summer of 2014, the field was replaced and the entire complex received a facelift. Campolo Field is a soccer-only FieldTurf Revolution surface and it's the highest rated FIFA turf currently in existence. During the summer of 1999, new bleachers were added to the facility to seat 1,000 people. New locker rooms for both the men's and women's teams were added in the fall of 2001. Replaced in the summer of 2014, the current playing surface at Campolo Field is FieldTurf Revolution and has a FIFA 2 Star rating - the highest currently in existence.
