MAAC ALL-ACADEMIC TEAM

Notes

The MAAC All-Academic Team is listed on the the next two pages and consists of student-athletes who have a minimum 3.2 grade point average.

This honor differs from the MAAC Academic Honor Roll on the previous two pages in that the All-Academic Team is only open to student-athletes who have already completed two semesters at their institution prior to the start of the current season. The MAAC All-Academic Team is announced in April during the league's postseason conference championship.

HONORS AND AWARDS

ACWPC ACADEMIC HONORS

Notes

The Association of Collegiate Water Polo Coaches (ACWPC) names an annual All-Academic Team consisting of student-athletes with a cumulative grade point average of 3.2 or higher. The teams listed below are based on available data beginning with the 1999 season and may be incomplete for some seasons.

The ACWPC distinguishes its All-Academic Team to recognize student-athletes with a GPA of 3.20-3.40 (Excellent); a GPA of 3.41-3.70 (Superior); and a GPA of 3.71-4.00 (Outstanding). In the following listing, all Villanova student-athletes who met the 3.2 GPA criteria are listed together regardless of which category they were named to. This is to maintain consistency across different seasons where data may be incomplete.
