

FOSTER STADIUM

The Keydets play most of their home games at Foster Stadium. Recent upgrades to the facility were a major focal point of VMI's Vision 2039 plan, and were made possible thanks to the generous contributions of P. Wesley Foster, Jr., VMI class of 1956.

The \$13 million facelift to the facility includes new entranceways, concourses and restrooms, upgraded seating, and a new scoreboard. New game-day locker rooms were also created under the existing stands.

Other new stadium features include an entrance plaza at the Cameron Hall corner with permanent ticket booths, bathrooms, concessions, and a donor recognition wall.

A state-of-the-art all-weather practice field, equipped with synthetic turf, was also recently installed and is a frequent site of several VMI lacrosse practices, scrimmages and games.

2009 VMI KEYDETS LACROSSE

ABOUT THE MAAC

With 10 institutions strongly bound by the sound principles of quality and integrity in academics and excellence in athletics, the Metro Atlantic Athletic Conference is in its 28th year of competition during the 2008-2009 academic year.

The MAAC was founded in 1980 by six charter members: the U.S. Military Academy, Fairfield University, Fordham University, Iona College, Manhattan College and Saint Peter's College. Competition followed one year later in the fall of 1981 with members competing in the sports of men's cross country and men's soccer.

Today, Conference members include: Canisius College, Fairfield University, Iona College, Loyola College (Md.), Manhattan College, Marist College, Niagara University, Rider University, Saint Peter's College, and Siena College. In addition, associate members Mount St. Mary's University, Providence College, Saint Joseph's University, Virginia Military Institute and Wagner College compete in men's lacrosse. St. Francis (N.Y.) College, Villanova University and Wagner College are all associate members of the MAAC Women's Water Polo League. The MAAC will support 24 sports and championships during the 2008-2009 academic year.

The MAAC Basketball Championships return to the Times Union Center in Albany, New York, for 2009 and 2010, with Bridgeport's Arena at Harbor Yard preparing to host the 2011 championship. By having an excellent working relationship with various facilities, the MAAC has been able to attract a number of NCAA Championship events. Most recently, the MAAC, Canisius College and Niagara University successfully hosted the 2004 and 2007 NCAA Division I Men's Basketball Championship First and Second Rounds at the HSBC Arena in Buffalo, New York. All three parties will host that event again in 2010.

In June of 1995, the MAAC continued to develop opportunities for student-athletes as the conference announced the formation of the MAAC Men's and Women's Lacrosse Leagues. The men's league began competition in the spring of 1996, while the women's league commenced in the spring of 1997.

The men's league consists of four MAAC schools -- Canisius, Manhattan, Marist, and Siena -- and five associate members -- Mount St. Mary's, Providence, Saint Joseph's, Virginia Military Institute and Wagner. The women's league consists of MAAC institutions Canisius, Fairfield, Iona, Manhattan, Marist, Niagara and Siena.

In 2002, the MAAC added the MAAC Women's Water Polo League. The league is made up of three MAAC schools -- Iona, Marist and Siena -- as well as three associate members, St. Francis (N.Y.), Villanova and Wagner.

First-class facilities are the rule with MAAC schools, as teams regularly play in top-notch arenas, such as Madison Square Garden, the IZOD Center, HSBC Arena, Times Union Center, the Arena at Harbor Yard and Sovereign Bank Arena. This year, the MAAC will take its Cross Country Championships to Orlando, Florida, where it will conduct its post-season championships at Disney's Wide World of Sports Complex.

In the past several years, a number of the MAAC schools have also enjoyed success in NCAA Championships. Combined with recent bracket expansion in several sports, the MAAC possesses 12 automatic bids in men's and women's basketball, baseball, softball, men's and women's soccer, volleyball, men's golf, men's and women's tennis, women's water polo and men's lacrosse.

The MAAC has also been a leader in the forefront of technology, expanding the notoriety of the league into cyberspace. In 2007, the league retained XOS Technologies, Inc., to sponsor the MAAC web page. Launched in November 1999, www.maacsports.com has been a great success, providing fans with up-to-date contest results, fan polls and an online merchandise store.

The MAAC President for the 2008-2009 academic year is Rev. Brian F. Linnane, S.J., the President of Loyola College.
