DAVID F. COUCH BALLPARK

David F. Couch Ballpark has served as the home of Wake Forest baseball since the start of the 2009 season after playing the previous 28 seasons on campus at historic Gene Hooks Stadium.

Formerly known as Ernie Shore Field, the park was home to Winston-Salem's Carolina League minor league team for more than 40 years. Wake Forest took control of the facility after the team, now known as the Winston-Salem Dash, moved into a new downtown ballpark.

Located in the shadow of Allegacy Federal Credit Union Stadium and adjacent to the Lawrence Joel Veterans Memorial Coliseum, Gene Hooks Field at David F. Couch Ballpark has undergone extensive and continuous renovations since the Deacons moved in.

The Wake Forest Demon Deacons were greeted by the new Kentner Family Video Board to start the 2023 season. This state-of-the-art LED display in the outfield was made possible through a multi-million investment made last summer by Pam ('79) and Jeff ('78) Kentner and their family.

The new outfield video display measures 23 feet high by 43 feet wide and features an 8-millimeter pixel spacing to deliver high-resolution imagery and wide-angle visibility to fans in every seat. It features industry-leading environmental protection ensuring it operates as expected in the outdoors of the Wake Forest campus.

The display is capable of variable content zoning allowing it to show one large image or to be divided into multiple zones of varying content. This content can be any combination of live video, instant replays, statistics and game information, graphics and animations, or sponsorship messaging.

Already a leader in the analytics space, Wake Forest completed its installation of KinaTrax in 2023, a markerless motion capture technology that delivers precise 3D imaging and biomechanical analysis to go along with already installed Trackman, TruMedia and internal data sets.

Fans can see a number of cameras pointed at the pitching mound and home plate that the Wake Forest Analytics Team will use to capture data to enhance performance, prevent injuries, and monitor for fatigue in-game.

Wake Forest replaced the turf field surface at David F. Couch Ballpark ahead of the 2020 season with FieldTurf's DoublePlay Classic system, designed to perform like natural grass.

In February 2016, Wake Forest Baseball Park was named David F. Couch Ballpark in honor of former baseball player David Couch ('84). A longtime supporter of Wake Forest Athletics and the baseball program, Couch made the lead gift toward the new \$14 million Chris Hurd Player Development Center, which opened in February 2017.

Along the third-base line, the 41,000-square foot facility includes a team locker room, lounge, training room, equipment room, a full kitchen, professional players locker space, also including renovation and relocation of the home dugout and bullpen and the state-of-the-art pitching laboratory, complete with over 20 high-speed cameras designed to analyze the biomechanics of each player.

Thanks to a partnership with Wake Forest Baptist Health, the lab came to fruition and was one of the first of its kind in the country when it opened. The lab's goal is to transform the future of America's pastime by combining baseball, science and medicine and is currently only open to Wake Forest University student-athletes.

The final installment of renovations made in February of 2017 added a video conference room, team meeting room, coaches offices, a Wake Forest baseball heritage area and an indoor batting facility.

Fundraising efforts are still underway for future phases of construction and renovations to David F. Couch Ballpark, including the 100'x100' indoor batting facility, which will be adjacent to the player development center and will be constructed without interior supporting posts, giving the Wake Forest coaching and training staffs maximum flexibility in their use of the space. Above the facility, plans call for renovations to the concessions stands and restrooms as well as a concourse-level viewing area that could be utilized for both Wake Forest baseball and football games and for other special events.

In 2015, Wake Forest converted its visiting locker room into a state-of-the-art weight room facility. Complete with benches, squat racks, dumbbells, plyometric equipment, and more, the weight room allows student-athletes to get all their work in without having to leave the stadium.

The Demon Deacons replaced the multi-colored chairback seats prior to the 2013 season, substituting modern all-black seats instead.

The 2011 construction project also included the installation of a manual scoreboard in left field. The scoreboard features a Marine-grade plywood front with Plexiglass openings for viewing the inning-by-inning and game scores. The scoreboard has LED lights for balls, strikes, outs and hit/error denotations, and it also has a climate-controlled interior. The manual scoreboard requires 191 individual signs to cover all possible variations of scores and team names.

The outfield wall was also lowered from its original height of 24 feet to eight feet. Instead of a traditional dirt warning track, the synthetic outfield surface rises gradually near the wall, allowing outfielders to know when they are approaching the wall.

Another addition to the facility was the construction of a climate-controlled indoor hitting facility, which was finished in early 2010. The facility, which Wake Forest players have access to 24 hours a day, can accommodate up to 10 hitters swinging at one time. The facility also features two state-of-the-art home plate programmable pitching machines.

HEAD COACH TOM WALTER

WALTER'S ACCOLADES

- Second-winningest coach in program history
- Nine players have reach MLB under his tutelage including seven in the last four years.
- 2023 ACC Coach of the Year
- Twelve Deacs drafted among the top 50 picks and seven first-rounders since 2020
- Program-record 10 selections in the 2023 MLB Draft
- 39 All-ACC Selections
- First Regular Season ACC Title since 1963 in 2023
- Wake became just the second team in NCAA Baseball history with three selections in the top 10 picks of the 2024 MLB Draft.

A proven program builder and player developer, Tom Walter completed his 15th season as the head coach of Wake Forest baseball in 2024. Walter was named the 2023 Atlantic Coast Conference Coach of the Year, becoming the third Demon Deacon skipper to receive Coach of the Year honors (George Greer and Marvin Crater) after leading the 2023 Wake Forest ballclub to a historic season.

With 458 wins as the Demon Deacon skipper entering 2025, he sits as the second-winningest coach in program history, trailing only George Greer. Walter reached the 450 win mark in a victory over Western Carolina on May 4, 2024. With the win, Wake Forest reached the 30-win mark for the third-straight season, the longest such streak since the Deacs won 30 or more in six-straight seasons from 1997-2002. Wake Forest's 17-1 win against Pitt on Sunday, April 23, 2023 marked the 400th win of Walter's tenure at the helm of the Demon Deacon baseball program. On April 10, 2022, Walter picked up the 350th win at the helm of the Demon Deacon baseball program as Wake Forest swept Big Four rival Duke for the first time since 2008. Additionally, Walter is one of just three active head coaches in the country to lead three different programs to the NCAA Division I Tournament, becoming just the seventh coach all-time to do so. He joins the ranks of Larry Cochell, Augie Garrido, Sunny Golloway, Andy Lopez, Ron Polk and Jack Stallings, while Randy Mazey and Jim Schlossnagle joined that group after Walter.

Walter has helped 58 players get drafted or sign pro contracts over the last 10 years, including 12 Deacs drafted among the top 50 picks and seven first rounders since 2020 in Chase Burns (2024), Nick Kurtz (2024), Seaver King (2024), Rhett Lowder (2023), Brock Wilken (2023), Ryan Cusick (2021) and Jared Shuster (2020). Wake Forest becomes just the second program to have three Top 10 picks in MLB Draft history during the 2024 MLB Draft, joining the 2004 Rice Owls. Highlighted by two first-round picks, a program-record 10 members of Wake Forest baseball were selected in the 2023 MLB Draft. Wake Forest also had the most players selected out of all the ACC programs and the second-most in the nation. Additionally, the Deacs were the only team to have four pitchers taken within the top 100 picks.

While at Wake Forest, Walter has overseen the development of 2016 National Player of the Year Will Craig, 2019 ACC Player of the Year Bobby Seymour, two-time ACC Pitcher of the Year Rhett Lowder in 2022 and 2023 and 2024 ACC Pitcher of the Year Chase Burns. Additionally, Walter has guided Craig, Nate Mondou, Stuart Fairchild, Gavin Sheets, Ben Breazeale, DJ Poteet, Seymour, Chris Lanzilli, Brock Wilken, Eric Adler, Lowder, Brendan Tinsman, Nick Kurtz, Tommy Hawke, Josh Hartle, Seth Keener, Sean Sullivan Camden Minacci, Chase Burns, and Jake Reinisch to All-America selections as well as a total of 39 All-ACC honorees.

Advancing to the NCAA Greenville Regional in 2024, the Deacs will look for their fourth-straight NCAA Regional appearance in 2025, the longest streak since making five-straight Regionals from 1998-2002. Highlighted by three Top-10 picks for the first time in school history and just the second time in the history of the MLB Draft, six members of Wake Forest baseball were selected in the 2024 MLB Draft. A program record 13 members of the 2024 Wake Forest baseball team earned All-ACC Academic honors as announced by the league office. The 113 Demon Deacon home runs in 2024 marked the third consecutive season the Deacs have reached the century mark and is now the third-highest home run total in program history. Of note, the three-highest totals have all come in the last three seasons. For the third year in a row, a Wake Forest starting pitcher took home Atlantic Coast Conference Pitcher of the Year honors, as junior right-hander Chase Burns was crowned by the league. Burns joins Demon Deacon legend Rhett Lowder (2022 & 2023 Honoree) as the programs only ACC Pitcher of the Year recipients. Burns finished the regular season as the nation's leader in strikeouts (169) and had 45 more punchouts than any other pitcher in the ACC. When he exited his final game as a Deac, he had 191 strikeouts on the season which was the third most in ACC history and the most in Wake Forest history by 48 strikeouts:

Walter guided the 2023 Deacs to one of the greatest seasons in program history. The Deacs set program records in regular season wins (45), ACC wins (22), ACC series wins (10), postseason wins (9) and overall wins (54). Additionally, the 2023 Demon Deacons squad became the 13th ACC team since 2010 to reach the 50-win mark and the 28th to do so since 2000. The 54 wins this season marks the first 50-win season by an ACC team since 2019, the most wins by an ACC team since 2013 and is the third highest win total since 2010. The 2023 Wake Forest baseball team made the program's third ever Men's College World Series appearance this season, and its first since capturing the program's first national championship in 1955. Wake Forest earned the No. 1 overall seed in the 2023 NCAA Tournament and went a perfect 3-0 in the Winston-Salem Regional, its first time hosting since 2017, with victories over Maryland and George Mason (twice) to host Winston-Salem's first ever super regional. With its win over George Mason to clinch the regional title, the Deacs became the first team in program history and the nation to reach the 50-win mark.

McGINLEY CARRIES DEACONS PAST BRONCOS, 7-6, FOR CROWN

WAKE FOREST CAPTURES 1955 NATIONAL CHAMPIONSHIP

Jack McGinley's strong right arm and iron nerve carried Wake Forest to the championship of the College World Series Thursday night before 2,042.

The team from the small Baptist school in North Carolina defeated Western Michigan, 7-6. It's the first title for the Carolinians, who went to the finals once before. That was in 1949. Texas U. won, 10-3, in the finals held in Wichita. It's the first title for their section of the country.

McGinley was the third pitcher for Wake Forest. The team, minus its star performer, was in bad shape for pitching before the game. With ace pitcher Lefty Davis back at school, Coach Taylor Sanford planned to use several men on the hill.

He started Bill Walsh, then used Buck Fichter. McGinley came on the scene in the fourth inning. The bases were full, the score 4-3 for the other side. The batter, Tom Cxyz, hit an easy grounder but the shortstop missed. Two runs scored.

McGinley slammed the door. He fanned Jack Smith, then went the rest of the way on three hits. It is McGinley's third tournament victory.

It wasn't a great team triumph. The champions contributed two errors which hurt badly, and what was considered a well-rested Michigan pitching staff gave up 12 hits. Wake Forest simply had the determination which carried the team through.

The Carolinians put over three runs in the second and third to oust starter Gary Graham. Western Michigan then collected three in the last of the third on some timely hitting. Fichter, nicked for three in the fourth, was a victim of sloppy fielding.

The decision came in the eighth. Luther McKee walked. He advanced two bases on as many passed balls by the time reliever Miki Schwartzkoff fanned two men.

Linwood Holt drove a single through the middle of the diamond for the all-important run. Frank McRae also hit, but Schwartzkoff fanned Bill Barnes to close out the inning.

McRae was the game's top slugger. He opened with a double and followed with four straight singles, driving in three.
