CoSIDA Academic All-District® Football Team Released

The 2017 College Sports Information Directors of America (CoSIDA) Academic All-District® Football Team recognizes the nation's top student-athletes for their combined performances on the field and in the classroom.

First-team Academic All-District® honorees advance to the CoSIDA Academic All-America® Team ballot, with first- and second-team Academic All-America honorees to be announced in December.

The Academic All-District® teams include the student-athletes listed on the following pages and are divided into eight geographic districts across the United States and Canada. The CoSIDA Academic All-America® program separately recognizes honorees in four divisions — NCAA Division I, NCAA Division II, NCAA Division III and College Division. The College Division includes all NAIA, Canadian, two-year schools, and other affiliations.

The Division II and III Academic All-America® program is being financially supported by the NCAA Division II and III national governance structures, to assist CoSIDA with handling the awards fulfillment aspects for the 2017-18 DII and DIII Academic All-America® teams.

For more information about the Academic All-District® and Academic All-America® Teams program, please visit the [Academic All-America® home page](#) on CoSIDA.com.
