It took some time for rowing to become established at the University of Washington. The students organized the UW Amateur Rowing Association in January 1901. During the spring 1901, the students rowed in the first Inter-Class Race. The class of 1904 defeated the class of 1903. The form and name of this regatta has changed over the years. The women competed in "Junior Day" as early as 1907.

Today the Inter-Class Regatta is known as Class Day. This race kicks off the racing spring season each year and affords the winners shellhouse bragging rights. The men compete for the George M. Varnell Trophy, first presented in 1930. In the modern era, the Women race for the Seattle Times Trophy, first presented in 1982.

Men's Varsity Eight

The Washington-California men's varsity eight dual series dates back to 1903, with 110 meetings between the two schools. At stake is the Schoch Cup, named after Delos Schoch of Washington's class of 1936. Schoch lettered three years (1934-36) as a Husky oarsman. UW currently leads the varsity series 76-34-1.

Men's Second Varsity (JV) Eight

Washington's junior varsity eight series with California dates back to 1939, with UW winning 52 of 77 races. There were no races between 1943-46. The UW had won seven straight from 2009-15 before Cal won in 2016 and 2017. UW stopped that streak in 2018.

Men's Freshman Eight

Washington's freshman eight series with California dates back to 1939, with Washington winning 60 of 80 races. There were no races from 1944 through 1946. The Huskies' longest win streak was 15 consecutive from 1966 through 1980.

Women's Second Varsity (JV) Eight

Washington's junior varsity eight series with California dates back to 1975, with Washington winning 31 of 44 races. There was no JV eight race in 1983 or 1995. Cal won in 2004, snapping an 11-race UW win streak that was the Huskies' longest in the series. Washington has won seven of the last nine (2013 and 2015-16-17-18-19-22), after Cal had won four straight between 2009 and 2012.

Women's Novice Eight / Third Eight

Washington's novice eight series with California dates back to 1977, with Washington winning 26 of 39 races. The Huskies' longest win streak was 11 straight from 1990-2001. The UW has won 23 of the past 37 races, including that string of 11 straight that Cal halted in 2002. That was Cal's first win since 1989. The novice boats did not race in 1999 but resumed the series in 2000. The Huskies were victorious in 2007, halting a two-year winning streak by the Bears. Cal won in 2015, when the race was held as a third varsity eights event, breaking a two-year win streak by the Huskies. UW came back with a win in 2016, but the Bears won again in 2017. Both a 3V and freshman race were run in 2018; while in 2019 the UW 3V8+ and N8+ raced vs. Cal's 3V8+ only. After all events were canceled in 2020, both the novice and 3V8s raced again in 2021, with UW winning the 3V8+ race and Cal taking the novice. In 2022, Cal won both the N8+ and 3V8+

Winderemere Cup / Opening Day Regatta

Washington hosts an elite international field of competitors each year for the Winderemere Cup/Opening Day races on Montlake Cut. The annual event is without a doubt one of the premier regattas in the sport of rowing. Competing crews enjoy spectacular racing and festivities that culminate in one of the most-watched events in the sport.

The feature races' sponsorship by Winderemere Real Estate, Inc., which began in 1987, draws major national and

international crews each year to the Winderemere Cup Races. The Opening Day Regatta has been a traditional part of the opening of yachting season since 1970, and women's intercollegiate races were added to the schedule in 1976. The regatta is the preliminary event to the annual yacht club parade, signaling the beginning of boating season in the Northwest.

Tie-up moorage is available on both sides of Mont-

lake Cut, extending out from the Cut toward the start line of the race in Lake Washington, providing an ideal setting for spectators to view both the regatta and the parade of yachts that follows. Thousands of watersport enthusiasts have lined the Cut in recent years to witness first-hand one of the most exciting sporting events in the region — the Winderemere Cup Races and Opening Day activities.

Washington women's rowing became a varsity sport in 1975. Complete results for all years are not available. In addition to the titles listed, Washington won lightweight eight championships in 1976, 1977, 1978 and 1980.

* - combined men's & women's championship

The Intercollegiate Rowing Association Regatta (IRA) is the oldest collegiate rowing championship in the country, and remains the premier event for national rowing honors for college men. The first IRA Regatta, on June 24, 1895, was a four-miler between Columbia, the winner, Cornell and Pennsylvania.

The regatta grew from that single race in 1895 to include championship competition in eight, four and pair-oared competition at the varsity, second varsity and freshman levels for both men and women. Today, the IRA hosts men's heavyweight and men's and women's lightweight championships in a number of categories.

The rowing championship is conducted by the Intercollegiate Rowing Association, which was organized at the beginning of the century. Much of the history of the IRA tends to focus on the great crews of Cornell, Navy, Washington and California and their coaches who established impressive winning records at the old regattas at Poughkeepsie and Lake Onondaga.

In 1923, Washington, coached by "Rusty" Callow, became the first Western school to win the IRA, followed by another victory in 1926. When Callow left Seattle to coach at Pennsylvania, he was succeeded by his assistant Al Ulbrickson who continued the Husky winning ways with six IRA titles in 1936, 1937, 1940, 1941 and 1948 and 1950. His freshman, junior varsity and varsity crews "swept the river" in 1936, 1937, 1948 and 1950.

After competing in the national championships held annually on Lake Harsha in Cincinnati between 1983 and 1994, the UW returned to the IRA for its 100th anniversary in 1995. In 1997, the Huskies swept top honors in the three featured races for the first time since 1950. In 2007, the Huskies took gold in both the Varsity and Junior Varsity races. They also began their run of nine straight Ten Eyck Award wins, given to the team scoring the most overall points at the regatta. After the 2007 season, Ernst stepped down to coach the women and his former rower and protege, Michael Callhan replaced him. Since Callahan took over the men's varsity have won six national championships in a seven-year stretch, while finishing second four times. In 2012, the Huskies swept all races at the IRA Regatta, the first team ever to accomplish that feat.

The Huskies also won the freshman eight title for the last six straight years and eight of the last nine it was held (through 2016), while UW's second varsity eight has won that title 14 of the last 19 seasons. In 2024, the regatta returns to Mercer Lake in West Windsor, N.J.

Intercollegiate Rowing Association Championships

Prior to 1982 and since 1995, the Intercollegiate Rowing Association winner has been recognized as the national champion. Below are UW's finishes in the IRA Championships. The Huskies have won 19 IRA varsity eight national titles. In 2015, Washington became the first team to win five consecutive national titles.

Unofficial National Championships

Washington counts four "unofficial" national champions to its credit:

- 1933 – Defeated Harvard and Yale in 2,000-meter race
- 1977 – Varsity eight won the Pac-8 regatta, declared national champion after winning at Henley Royal Regatta, defeating Harvard and Cornell twice each and both the British and Irish National teams
- 1978 – Undefeated regular season, defeated all collegiate crews at Henley
- 1981 – Undefeated season, Washington's junior varsity won Ladies' Plate at Henley

HISTORY AT HENLEY

The Henley Royal Regatta is the most well known regatta in the world. Founded in 1839, the format at Henley features head-to-head knockout racing over a 1 mile, 550-yard course (2,112 meters). It attracts thousands of visitors over a five-day period as spectators can watch over 200 world-class level races from a field that includes Olympians and national teams.

In 1977, head coach Dick Erickson brought the Huskies back to Henley and Washington became the first U.S. crew in 18 years to win the Grand Challenge when it beat the British national crew by a length. The Huskies also won the Visitors Challenge Cup in 1977, the same event they will be entering in 2015.

In 2003, the Huskies beat Rutgers in the Ladies Challenge Plate final and in 2010, the Huskies' freshman eight became the first freshman boat from UW to win the Temple Challenge Cup, a competition open to collegiate eights.

The Huskies took second in 2013 in the Grand Challenge Cup to the British National Team. UW matched the course record in the race while Britain set a new record time to beat the Huskies. The British National Team that beat the Huskies went on to win gold at the World Championships that summer. On its way to the final, Washington beat the Polish National Team eight that finished seventh at the 2012 Olympics.

In 2018, Washington had three boats at Henley – one men's and two women's. The UW men beat a field of 32 entries to win the Temple Challenge Cup, winning the final race in a record time of five minutes, 58 seconds, beating Oxford Brookes by a length. The UW women fell to a crew of British National Team athletes in the Remenham Challenge Cup semifinals (the top women's eight race) in one of the best races of the regatta, while the Huskies also entered the Princess Grace Challenge Cup (women's quad sculls).

In 2022, the UW sent a whopping nine men's and women's entries to Henley. A UW men's four won the Visitors' Challenge Cup, while the Husky men also raced in the Temple Challenge Cup (8+), the Prince Albert Challenge Cup (4+), the Double Sculls Challenge Cup (2x), and the Diamond Challenge Sculls (1x). Washington women sent four crews to Henley in 2022, competing in the Remenham Challenge Cup (8+), the Island Challenge (8+), the Hambleden Pairs Challenge Cup (2-), and the Princess Royal Challenge Cup (1x).

UW's James Ten Eyck Memorial Trophies

The James Ten Eyck Memorial Trophy is given to the team with the highest score at the Intercollegiate Rowing Association regatta each year.

It is named after James A. Ten Eyck, who was head coach at Syracuse from 1903-1937. The UW has won the Ten Eyck 17 times, including 13 of the last 15 years. The Huskies won it an unprecedented nine consecutive years from 2007 through 2015.

The first women's collegiate championship was held in Oak Ridge, Tenn., in 1980. The Huskies won their first varsity eight title in 1981, the first of an unprecedented five-straight varsity championships. Washington won back-to-back NCAA team titles in 1997 and 1998, including the program's first 1997 (the first year of the NCAA regatta). The UW won again in 2001, earning three of the first NCAA crowns. In 2017, Washington's women won their fourth NCAA championship, becoming the first team in the then-21-year history of the event to sweep all three grand finals. Two years later, in 2019, the Huskies swept all three once more. UW captured the 1980 lightweight eight and lightweight four titles. The race length for women was doubled in 1985 from 1,000 to 2,000 meters.

Washington rowers have been a fixture in Olympic competition, dating back to the 1936 men's eight-oared boat that won the gold medal in Berlin. Altogether, Husky men and women have participated in 17 Olympic Games.

In 2020 (held in 2021), a total of 16 UW rowers and coxswains traveled to Tokyo (more than any college), representing seven different nations.

In 2016, 12 former Washington rowers traveled to Rio for the Olympics, with eight rowing for the United States and four for Canada. Former Huskies Katelin Snyder and Kerry Simmonds helped the U.S. women's eight continue its dominance, winning gold, while Canadian Patricia Obee won the silver in the lightweight double sculls. Four Huskies rowed in the U.S. men's eight, which finished in fourth place.

In 2012, nine men and three women rowed in London. Mary Whipple coxed the U.S. women to another gold while Megan Kalmoe and Adrienne Martelli won bronze in the U.S. women's quad. Huskies Rob Gibson, Will Crothers and Conlin McCabe all rowed in the Canadian eight that won the silver medal, while Scott Gault won bronze with the U.S. men's open four.

Anna (Mickelson) Cummins, Mary Whipple and David Calder became Olympic medalists in 2008 at the Beijing Olympic Games. Cummins and Whipple paired for possibly the last time to win the gold in the women's eight. Calder and his partner won silver in the men's coxless pair, earning Canada's first trip to the medal stand in the 2008 edition of the Games. Also representing the Huskies in Beijing were Scott Gault, Rika Geyser, Rob Gibson, Ante Kusurin, Megan Kalmoe and Giuseppe Lanzone.

Washington was represented in the 2004 Athens Olympic Games by David Calder, Michael Callahan, Matt Deakin, Anna Mickelson, Erik Miller and Mary Whipple. Deakin came home with a gold medal with the U.S. men's eight while Mickelson and Whipple collected silvers with the U.S. women's eight. Callahan and Miller were spares.

At the 2000 Sydney Olympics, Huskies Marc Schneider, David Calder, Phil Henry and Katie Maloney competed. Schneider's four without finished sixth in its final while Calder's Canadian eight won the B final. Henry traveled as a spare. Maloney was a part of the women's eight that finished sixth in its grand final. In addition, Husky women's coach Bob Ernst was the course announcer at the rowing venue.
