Entry Standards:

Please see updated 2026 entry standards for each meet. If your athlete has met the standard from January 2024-present, he/she/they will likely be accepted pending field sizes. We will accept entries beyond the standards to fill the fields if necessary.

Seeding and Entry Notes:

Each athlete's most current mark(s) will be used unless there is no mark from the current year. Then, TFRRS marks from January 2024-present will be the primary guide for proper seeding. Placement in heats/flights will be at the discretion of the meet management staff. If an athlete does not have a TFRRS mark, a verified performance must be submitted in the user column in athletic.net including a link to a verified result. Performances that cannot be verified will be moved to slower sections or subject to non-acceptance into the meet. It is the responsibility of the coach to submit necessary performances as prescribed. If you have any additional seeding notes (IE-better 1500 than mile time; collegiate freshmen, etc.) please include it in the notes on athletic.net BEFORE THE CLOSE OF ENTRIES. All entries will be considered final at the close of entries.
