Mickey Mental is back for his second season as the head coach of the Weber State football program. Mental also serves as the offensive coordinator for the Wildcats.

During his first season in 2023, Mental led Weber State to a 6-5 overall finish, WSU's ninth-straight winning season. Weber State closed the season with three straight wins, including a win over No. 4 ranked Idaho.

Mental coached five Wildcats to All-America honors and 11 Wildcats to All-Big Sky honors, including five players who earned first-team honors.

Mental, 39, was named the 12th head coach in Weber State's Division I history on December 20, 2022. Prior to becoming head coach, he was the offensive coordinator and quarterbacks coach under Jay Hill at Weber State during the 2022 season where WSU won 10 games, including an FBS win at Utah State. The Wildcats advanced to the second round of the FCS Playoffs and were nationally ranked all season. The Wildcat offense ranked in the top 25 in the nation in scoring offense, rushing offense, first downs, and third down conversion percentage, and had seven players earn All-Big Sky Conference honors.

WSU was not his first head coaching job as Mental was also the head coach at Division II Notre Dame College in Ohio where he posted a 16-2 record in two seasons as head coach. He spent 13 total years at Notre Dame, including five years as the offensive coordinator.

In his two seasons as head coach, Mental posted a 16-2 record. The Falcons were 5-0 and won the MEC Championship during the shortened spring 2021 season. In the fall 2021 season, Mental led the team to an 11-2 overall record and a trip to the second round of the Division II playoffs.

In the five games in the spring 2021 season, Mental led the team to a perfect 5-0 record and the offense ranked high in the nation in several categories. The Falcons were second in the country in rushing yards per game, third in points per game, fifth in total offense and seventh in first downs. He was named MEC Coach of the Year and had a program-record 22 players earn all-conference honors, including the offensive player of the year.

During the 2021 season, the Falcons finished the season ranked ninth in the country. The offense averaged 40.6 points per game, sixth-best in the nation, and was seventh in red zone scoring, 13th in first downs and 18th in total offense.

In his five seasons as the offensive coordinator, the Falcons had their five best seasons in total rushing, with the team setting a new school record in each of his first four seasons. In 2017, NDC ran for 2,558 yards to lead the Mountain East Conference with over 230 yards per game while in 2018 and 2019, the team ranked in the top 10 in all of Division II.

Prior to joining Notre Dame College, Mental spent one year as the quarterback coach at Brookside High School.

A native of Olmstead Falls, Ohio, Mental played college football at Baldwin-Wallace, where he was a three-year starter at quarterback for the Yellow Jackets. He earned OAC player of the week honors and when his Baldwin-Wallace career was over, he earned a tryout with the Cleveland Browns.

He is married to his wife Jessica.

ELIZABETH DEE SHAW STEWART STADIUM

Located on a hillside above the city of Ogden, at the base of the Wasatch Mountains, there are few stadiums anywhere which can match the natural surroundings as well as Elizabeth Dee Shaw Stewart Stadium located on the campus of Weber State University. With recent improvements and upgrades, Stewart Stadium is now one of the finest stadiums in all of Division I FCS football.

In the summer of 2023, the east stands were completely renovated, as well as a new field and new track. The stadium now has a capacity of 13,441.

In 2019, the Barbara and Rory Youngberg Center was completed at the northend of the stadium, which includes a new football locker room, a state-of-the-art weight room, a 125-seat auditorium and football coaches offices. Also in 2019, two new Daktronics video boards were installed.

In 2011, a new state-of-the-art artificial turf field and a new track were installed at Stewart Stadium, thanks to a generous donation from Robert and Annette Marquardt. A new efficient lighting system has also been installed which has created more light on nighttime events.

Weber State opened a new 38,000 square foot Sky Suites & Press Box complex in 2001. The facility includes 26 sky suites, club seating, a press box facility for media and game operations as well as meeting spaces. The Sky Suites and Press Box complex was built thanks to a generous donation from the Stewart Education Foundation. Since opening in 2001 the facility has hosted many campus and community meetings and events, as well as weddings, dances and other outside events.

Stewart Stadium is also the home of the Weber State Athletic Department offices.

Stewart Stadium has been the home of Weber State football and track and field long since the 1950's when the new campus of then Weber Junior College was built. The stadium was one of the first structures built on the new campus. In 1966, the west stands were added.

In addition to Wildcat Athletic events Stewart Stadium has hosted numerous community events including concerts and religious performances. In 1998 the band Metallica performed. In the summer of 2010 the stadium was filled to capacity for a community religious performance. The stadium has been home to motor cross events, lacrosse games and has hosted the Utah State High School football championships.

Tim Crompton is in his fifth year as the Director of Athletics at Weber State University. He was named Athletic Director in December 2019 after serving as Interim Athletic Director since May 2019.

Under Crompton, Weber State has twice won the Big Sky Presidents' Cup, winning in 2019 and 2024. During the 2020-21 season, Crompton helped guide the Wildcats through the COVID-19 pandemic, and Weber State captured three Big Sky titles and multiple All-Big Sky and All-American individual performances.

Prior to becoming Athletic Director, Crompton was the head coach for the Wildcat women's soccer for 15 years. During his coaching career, Crompton was named the Big Sky Coach of the Year three times (2004, 2005, 2018) and led the Wildcats to three regular season titles (2004, 2008, 2018) and three trips to the NCAA Tournament (2004, 2005, 2013).

Crompton earned bachelor's and master's degrees from Weber State. He and his wife, Dani, are the parents to two children, Chansi, who played soccer for the Wildcats from 2011-18, and Rhees.
