## MEET PATRON - DON WRIGHT

Today's meet is a very special occasion for Western's Track and Field teams. This meet is dedicated to Don Wright for his great contributions to the sport at his alma mater. As a member of Western's Track and Field team from 1929 - 1933, Don was an outstanding long jumper, hurdler, and relay man. His performances rank in Western's All-Time Top Ten list even today. In his graduating year the Strathroy, Ont. native was awarded the Howard Ferguson Trophy by Western's Board of Governors as the most outstanding student for his academic and athletic achievements coupled with his contributions to university life. Don is renowned in music with his dance bands, choral groups, and musical productions. He even left his mark on the Western Mustangs Marching Band, as a member, director and patron.

He served as director of music for the London School Board, was the station manager of CFPL TV in its early years, and went on to produce and direct his own nationally televised show The Don Wright Choral. Fifty years after carrying the baton for the purple and white, Don Wright again gave to the sport he loves best with a most generous gift to his team. The interest from Don's endowment assists our Intercollegiate Program in annually hosting this meet as well as rewarding a remarkable trophy designed by the meet patron.

The recipient of the Don Wright Trophy must not only compete well at this meet, but also demonstrate high level performances consistently for a minimum of three years as a member of Western's Track and Field Team. Thanks to the officials, coaches, parents and alumni for their contributions. Special thanks to Meet Patron Don Wright and the Don Wright Award committee members Jon Forman, Bob Vigars, Alicia Smith and Chris Williams.
