One Westminster Day

March 2, 2022

Goals

$250,000

1,250 donations

Your Passion. Your Westminster.

One Westminster Day is your opportunity to show your passion for Westminster College by supporting initiatives that are important to you. **Choose from 19 projects across five areas of focus: student experience, scholarships, wellness, environmental impact, and diversity, equity, and inclusion.**

Live Stream

Virtual, 9:00 AM - 6:00 PM

The live stream will combine the best of a Zoom meeting with the old-school charm of a telethon. Tune in throughout the day for special guests, fundraising updates, sneak peeks at exciting things happening on campus, and interactive activities.

On-campus Event

Shaw, 10:00 AM - 2:00 PM

Join us on March 2 in the Shaw Student Center to see the faces behind the fundraising initiatives, participate in activities, take a photo at the photo booth, get swag, and make your donation in person.

Areas of Focus

- Student Experience
- Scholarships
- Wellness
- Environmental Impact
- Diversity, Equity & Inclusion

Projects

Career Center Internship Funding

Professionally mentored and paid non-profit internships combine real world experiences with leadership development.

Water Bottle Fill Stations

Installing water bottle fill stations across campus will help reduce the amount of plastic waste to make Westminster more sustainable.

Reality Check

Reality Check is an interactive bridge program designed to familiarize and equip students with the realities of DEI-related workplace policies.

GSLI Pelican Cameras

Students at Westminster College's Great Salt Lake Institute want to further our understanding of the drought, diversion, and climate-impacted lake and how this will impact pelicans.

Honors Practitioner in Residence

This initiative sponsors visiting experts to engage our community in conversation on the most pressing issues of our day over an extended period.

Legacy Scholars Summer Bridge

Support students as they spend a week on campus and in the mountains, learning about social awareness, civic engagement, and preparing for their first semester at Westminster.

May Term Study Experience Scholarships

May Term Study Experiences allow students the opportunity to learn cross-cultural and foreign language skills and so much more. Scholarships make these experiences more accessible.

Peace Pole

The installation of a Peace Pole and creation of supporting programming as a reminder to students and employees of their ability to cultivate peace in themselves, their communities, and the world.

Biology Anatomical Models

The Biology Department is working to expand the anatomical models available for the anatomy and physiology courses required for pre-med and pre-nursing students.

Athletics – Team Scholarships

Gifts to team scholarships support student athletes and level the playing field to give our talented teams an opportunity to be even better.

Athletics – Strength & Conditioning

Updated training equipment is critical to the success of the 250 Griffin Athletes who are served by the Payne Strength room.

Music Pop-up Performance Studio

The pop-up performance studio will make it much easier for students to create and perform music outside of our performing arts facilities.

Geology Field Study Equipment

The Geology Department hopes to purchase technical equipment that allows our students to gain hands-on experience with cutting-edge technology.

VITA Tax Clinic

Westminster Tax Clinic offers free tax preparation and financial advocacy services to the community and student-volunteers with invaluable, practical, experiential learning skills.

Center for Financial Wellness

The Westminster Center for Financial Wellness has designed two modules to help students develop a broader understanding of accounting, finance, investment, tax, and personal finance.

Learning With, Learning From

An educational equity focused conference for educators and community members will include a keynote, breakout sessions, and opportunities for participants to actively learn.

Public Health Research Funding

Further funding will allow students to explore a wider range of health and wellness questions that impact our community and present at local and national conferences.

Student Emergency Support Fund

In consultation with the Purple Basket, the creation of the Student Emergency Support Fund, we will be able to address an immediate emergency before it begins to impact day-to-day needs.

Where the Need is Greatest

The Westminster Fund supports and elevates every aspect of the student experience, including undergraduate research, athletics, mentorship programs, scholarships, and so much more.
