WORKING CREDENTIALS: To request season credentials, fill out the form located on the media tab at WKUSports.com/Football. The same form will be used to apply for single-game credentials. All single-game credentials should be requested no later than one week before the game you are requesting credentials for. If you experience any complications with the form on the WKU Athletics website, please contact the Athletics Media Relations (AMR) office. All requests should be made as early as possible and are limited to working press only. Requests made less than one week before gameday may not be approved. Please note that working space in the Houchens-Smith Stadium press box is limited and a photo work room is available on the ground level for credentialed photographers/videographers.

Credentials will be screened and issued on a priority basis, with national publications, daily newspapers, wire services, originating radio and television networks, television tape crews and student newspapers from WKU and the visiting school receiving top priority. Requests from weekly newspaper, internet publications, and radio stations that cover WKU and the visiting team will be honored on a space-available basis. Requests for single-game credentials will be reviewed on a week-to-week basis. Those who have been approved for season credentials and fail to attend two consecutive games without contacting an AMR office representative may have their season credentials revoked.

The AMR office has the final authority on whether those from any organization will be issued credentials.

Spouses, dates, equipment carriers and non-working members of the media are restricted from the press box, sideline and designated media areas. Any gross abuse of a credential to a WKU Athletics event will result in the immediate removal of the media member as well as the agency losing credential privileges for the remainder of the season.

MEDIA WILL CALL: If not received prior to game day, credentials must be picked up at Media Will Call table. More information on where to find the Media Will Call table will be included in an email sent 24-48 hours prior to game day to those who have had credentials approved.

MEDIA PARKING: Please be mindful that parking passes cannot be picked up at Will Call and must be received prior to gameday. Some media may be listed on a parking pass list for a lot near the stadium and not receive a physical parking pass.

PRESS BOX: Media who are issued press box-only credentials may not visit the sideline at any time. Compared to previous years, AMR staff will cut down drastically on printed materials. Traditional flip cards will still be printed, but other materials (most notably game notes and in-game and post-game statistics) may not be.

PHOTOGRAPHERS/VIDEOGRAPHERS: Credentials will be issued on the basis of circulation, with priority granted to agencies covering the participating schools on a regular basis. Per NCAA rules, images or likeness of current student-athletes may not be sold, distributed or used for commercial purposes.

SIDELINE AREAS: Media sideline access will be reserved for photographers/videographers. Credentialed photographers/videographers who arrive at Media Will Call without proper equipment will not be granted sideline access. On-field media may be limited to one per outlet. On-field media will be required to work only behind either end zone. On-field media may walk behind the visiting team bench area to move from one side of the field to the other, but may not use the sidelines to stand and work.

FIELD ACCESS: Photographers/videographers will not be permitted on the field of play at any time. Due to space purposes, media who are issued sideline credentials may not visit the press box at any time.

RECRUITS: Per NCAA rules, media are not permitted to have contact with a prospect or family members of a prospect during their visit (official or unofficial) to campus, including prospects in attendance at practice or games. Contact includes in-person conversations, phone calls, text messages, emails, etc. Media are also asked to make every effort to keep distance from prospects on campus, including at practice, during pre-game activities on the sidelines and in the stands.

THE WKU AND VISITING TEAM LOCKER ROOMS ARE CLOSED AT ALL TIMES AND MEDIA MEMBERS MAY NOT ENTER THESE AREAS

POSTGAME INTERVIEWS: For home games, head coach Tyson Helton and requested/selected players will hold a postgame news conference with the media. AMR office representatives will be available to assist in postgame interviews. More information regarding the location of postgame press conferences will be included in the informational email sent to those who have had credentials approved.

WEEKLY PRESS CONFERENCE: Head coach Tyson Helton will hold a weekly press conference each week during the season (time and day TBD). The location of the press conferences will be communicated by an AMR office representative each week prior to the press conference. Other coaches and players may also be made available for interviews.

PRACTICES: In-season practices will be open to media as communicated by the AMR office. Video recording and photography at practice are prohibited outside of the designated times, which will be communicated by AMR office representatives prior to the practice. Interview requests for players and coaches should be made at least 24 hours in advance.

HOUCHENS INDUSTRIES-L.T. SMITH STADIUM

The 2024 season will be WKU's 57th in Houchens Industries-L.T. Smith Stadium and Feix Field. The Hilltoppers played their first game there on Sept. 21, 1968, and defeated Butler by a score of 35-0 in front of 10,866 fans.

WKU has put together a winning home record in 40 campaigns since the stadium opened. Originally L.T. Smith Stadium, the name was changed to Houchens Industries-L.T. Smith Stadium in July 2007.

The renovation of Houchens Industries-L.T. Smith Stadium began in April 2006 and featured the construction of a new west side of the stadium while also including a significant renovation of the stadium's existing east side. The stadium's capacity now stands at 22,113.

Construction began on the West grandstand prior to the start of the 2007 season. In 2008, the stadium underwent a major \$50 million expansion project, resulting in new locker rooms, meeting rooms, weight rooms, and training rooms. The new side of the stadium contains approximately 5,000 seats, including an 832-seat club level, along with new concession stands and restrooms. The building also houses new football offices and a new weight room (10,000 square feet), training room (8,500 square feet), locker room (10,000 square feet) and equipment area.

Ahead of the Conference USA move, the Hilltoppers also installed a brand new FieldTurf surface and a state-of-the-art high definition video board prior to the 2018 season.

L.T. SMITH

The stadium is named for the late L.T. Smith, who came to WKU in 1920 and established the industrial arts curriculum on campus. Smith headed that department until 1957 when he took over as administrator of the WKU Physical Plant. In 1963, Smith was named the Coordinator of New Construction, a post he held until his retirement in 1965.

In addition to his other duties, Smith coached the Hilltoppers in 1920 and 1921 and the men’s basketball team during the 1921-22 campaign.

He was instrumental in bringing the legendary E.A. Diddle, a member of both the Naismith and Helms Foundation Basketball Halls of Fame, to The Hill to take over coaching duties in 1922.

Smith, a member of the Ohio Valley Conference Hall of Fame, also served as chairman of the school’s Athletic Committee almost continuously from the time he helped form it in 1922 until his retirement in 1965.

FEIX FIELD

Jimmy Feix – pronounced “Fikes” – was WKU’s first football All-American as a quarterback in 1952 and took over the head coaching job in 1968, leading Hilltopper football to some of its greatest seasons, concluding his illustrious 16-year stint at the helm with a school-record 106 wins.

The field inside Houchens-Smith stadium was named in his honor at the beginning of the 1991 season. Feix enjoyed a career in professional football before a four-year career in the armed forces. Feix returned to The Hill in 1957 as an assistant football coach.

He passed away on October 5, 2014 at the age of 83.

THE “HILLTOPPERS”

The evolution of the name ‘Hilltoppers’ is obvious to those who have seen the WKU campus.

The operations of Western Kentucky State Normal School were moved from the site of its forerunner, Southern Normal School, to a commanding hill in the southwestern portion of Bowling Green on Feb. 4, 1911. The move was completed as the entire student body marched to the new site, carrying various articles of school equipment along the way.

Since the summit of ‘The Hill’ rises 232 feet above nearby Barren River and the comparatively level plain that surrounds the hill, it was only natural that the student-athletes who represented the institution come to be known as ‘Hilltoppers’. Still, the name did not come into use until the 1925-26 school year. Prior to that, WKU’s athletic teams were commonly referred to as the ‘Pedagogues’ or ‘Teachers’.

THE RED TOWEL

WKU’s unique “Red Towel” tradition originated with the late E.A. Diddle, one of the most successful coaches in collegiate basketball history.

During the postwar years of the 1940’s, athletes who had returned to school following the war had picked up the bad habit of taking t-shirts and towels, resulting in many of Diddle’s team towels disappearing. As a result, Diddle went to athletic director Ed Stansbury who called the laundry and requested they dye clean towels red.

However, the dye was not permanent and rubbed off on the users face and faded to a weak purple color. To solve this new problem, Stansbury called Cannon Towel Company to inquire about a manufactured red towel, and thus, the famous red towel was born.

TYSON HELTON

HEAD COACH | @COACH_HELTON

8TH YEAR AT WKU – 6TH YEAR AS HEAD COACH | HOUSTON, '99

Tyson Helton was named Western Kentucky University's 21st head football coach on November 27, 2018. The 2024 campaign will mark his sixth season at the helm of the Hilltopper program after producing a 40-26 mark (including 28-11 in CUSA play) and reaching five bowl games in his first five years, with victories in four of those bowl games.

Helton led his team to an 8-5 record and a fifth consecutive bowl game during the 2023 season. WKU became one of only 16 teams to play in a bowl game each of the last five seasons, and became one of only seven programs to win a bowl game in each of the last three years when Helton's Hilltoppers rallied from a 28-0 deficit to defeat Old Dominion 38-35 in overtime in the Famous Toastery Bowl. The win marked the fourth-largest comeback ever in a bowl game.

Helton's program faced a lot of uncertainty heading into the 2022 campaign after losing record-setting quarterback Bailey Zappe along with both coordinators, but Helton added the right pieces to put the Hilltoppers back together and produced another 9-5 season. Transfer quarterback Austin Reed led the nation in passing yards offensively while Helton's

defense led college football in forced turnovers. The team's success throughout the regular season culminated in an appearance at the 2022 R+L Carriers New Orleans Bowl where the Tops defeated a 10-win South Alabama team, 44-23.

The 2021 season was arguably Helton's best on The Hill as the Tops strung together a 9-4 record that featured a C-USA East Division Title and a victory over App State in the Boca Raton Bowl. Helton also led the WKU offense to a historic season that saw quarterback Bailey Zappe set new NCAA record in passing yards and touchdowns in a single season. At year's end, Zappe was drafted by the New England Patriots, joining defensive end DeAngelo Malone who was drafted by his hometown Atlanta Falcons.

WKU finished the 2020 campaign with a 5-7 overall record, including a 39-21 loss to Georgia State in the 22nd Annual LendingTree Bowl. The Hilltoppers were only 1-of-16 college football teams in the nation to play in 12 or more games during the COVID-19-affected year.

In his first season as head coach at WKU, Helton led the Hilltoppers to one of the best turnarounds in the

The Helton Family

nation. With a 9-4 overall record in 2019, WKU tripled its 2018 win total (3-9) and matched the number of victories from the previous two years combined (9-16).

The Hilltoppers' six-win improvement from 2018-to-2019 tied for the third-best in FBS, behind only Navy (8) and Central Michigan (7). WKU was voted to finish fifth in the East in the preseason Conference USA poll, but concluded the year tied for second with a 6-2 league record.

Because of the team's success, Helton was voted 2019 C-USA Coach of the Year, the first Hilltopper head coach since Jack Harbaugh was the Ohio Valley Conference Coach of the Year in 2000. It was only the sixth conference Coach of the Year honor in program history, with the previously-mentioned Harbaugh, Jimmy Feix (1973, 1978 and 1980) and Nick Denes (1963) as the only other WKU head coaches to earn the recognition.

Tyson and his father Kim (at Houston in 1996 – with Tyson on the team as a freshman), are the only father-son duo to each be named Coach of the Year in C-USA's 25-year history in any sport. The Heltons are the first father-son duo to each be named Coach of the Year in any FBS league since the Bowdens – Tommy (Clemson in 2003) and Bobby (Florida State in 1993 and 1997) – in the Atlantic Coast Conference.

Helton returned to WKU three years removed from the 2015 football season which ended with the Hilltoppers' final Associated Press ranking of 24 – the highest in school history – and a school-record 12 victories, including the first-ever FBS conference championship. Helton's previous tenure coincided with quarterback Brandon Doughty's astronomical ascension up the NCAA's career record book and total rewriting of the program's own offensive records.

During his three years away from the program, Helton spent two seasons at the University of Southern California as the passing game coordinator and quarterbacks coach under head coach Clay Helton. Helton developed quarterback Sam Darnold into an All-Pac-12 First Team quarterback and the No. 3 overall selection in the 2018 NFL Draft by the New York Jets.

In that same draft class, another of Helton's protégés, WKU's Mike White, was also selected in the fifth round by the Dallas Cowboys.

Immediately prior to his return to The Hill as head coach, Helton was Tennessee head coach Jeremy Pruitt's first hire on his initial coaching staff as offensive coordinator and quarterbacks coach in 2018. In just one season in Knoxville,

Helton developed quarterback Jarrett Guarantano into one of the Southeastern Conference's most formidable signal callers. The redshirt sophomore followed an up-and-down freshman campaign by becoming the No. 5 ranked SEC quarterback in passing efficiency (147.8) and completion percentage (64.5). His 144 consecutive pass attempts without an interception set a new school record, and he enjoyed new career highs for completions (27), attempts (39), passing touchdowns (2), and passing yards (328) under Helton's tutelage.

Helton was WKU's offensive coordinator and quarterbacks coach in 2014 and 2015 under then-head coach Jeff Brohm. WKU's offensive numbers ranked among the nation's elite during Helton's two years on the staff and featured the first-ever 4,500-yard passer (Brandon Doughty) and 1,500-yard rusher (Leon Allen) in the same season in FBS history in 2014.

WKU broke more than two dozen school offensive records under Helton, including the points scored record in each of his two years. The Hilltopper offense was in the national Top 10 in 2015 in passing efficiency (1st, 177.4), scoring (3rd, 44.3), passing (4th, 372.2), first downs (8th, 349) and total yards (9th, 526.4).

In 2014, WKU became the first NCAA program with a 4,500-yard passer and 1,500-yard rusher while winning the Bahamas Bowl to finish 8-4. That season, they were second nationally in passing (374.3), fourth in total offense (534.6) and sixth in scoring offense (44.4) and first downs (351).

Helton was among four finalists for the 2015 FootballScoop.

com Offensive Coordinator of the Year Award. He coached quarterback Brandon Doughty to back-to-back Conference USA MVP honors as he threw 97 touchdowns passes in 2014 and 2015 (the most in NCAA history in consecutive seasons).

Doughty led the nation in 2015 in completion percentage (71.9), passing touchdowns (48), passing yards (5,055) and points responsible for (304) while ranking second in passing efficiency (176.5). That came off a 2014 campaign in which he threw for national bests of 4,830 yards and 49 TDs while winning the Sammy Baugh Award from the Touchdown Club of Columbus as the nation's top quarterback. Wide receiver Taywan Taylor ranked second in the nation in 2015 in receiving touchdowns (17) and was third in receiving yards (1,467), both school season records as was his 86 receptions. Fellow receiver Jared Dangerfield had 82 catches in 2015, second most in school history.

Helton spent the 2013 season as Cincinnati's special teams coordinator and tight ends coach. Cincinnati set a school season total offense record (6,137 yards) as Helton coached tight end Blake Annen and kick returner Ralph David Abernathy IV to All-American Athletic Conference first team honors.

He spent the previous six seasons (2007-12) at UAB, with the first five as the quarterbacks coach, and then 2012 coaching the running backs and serving as the recruiting coordinator. Under Helton's guidance, quarterback Joe Webb developed into one of the most prolific quarterbacks in NCAA history. In 2009, when he finished sixth nationally in total offense and ninth in passing efficiency, Webb became the first player in NCAA history to pass for 2,000 yards and rush for 1,000 yards in consecutive seasons. The 2009 and 2010 Blazer offenses produced the two highest total offense yardage totals in UAB history, both topping 5,000 yards. Then in 2012, running back Darrin Reaves was an All-Conference USA first teamer as he ran for 1,037 yards and a school-record 13 scores.

Helton coached tight ends and special teams at Memphis for three years (2004-06). Tigers' kicker Stephen Gostkowski, who established the school career scoring record, was Conference USA's Special Teams Player of the Year in 2005 and has since won three Super Bowls with the New England Patriots.

Helton began his coaching career at Hawaii for four years (2000-03), the first year as a graduate assistant working with the special teams and the final three seasons as the special teams coach. In 2001, his first as a full-time coach, the Warriors led the nation in kickoff return yardage and broke the NCAA record for season kickoff return average. Return specialist Chad Owens set NCAA game records for most combined return yardage and most kickoff return yardage and tied an NCAA record with 2 scoring kick returns in a game.

Helton played quarterback at Houston (1996-99), where he earned a bachelor's degree in business in 1999, after starring at Clements High in Sugar Land (Texas). His father, Kim, was the head coach at Houston during Tyson's tenure.

Helton and his wife, April, have two daughters, Shelby Grace and Presley, and twin boys, Cole and Clay. Besides being Houston's head coach (1993-99), his father, Kim, was an assistant in college (Florida, Miami and UAB), the NFL (Tampa Bay Buccaneers, Houston Oilers, Los Angeles Raiders, Washington Redskins) and CFL (Toronto Argonauts).

RETIRED HILLTOPPER JERSEYS

The great names to wear a Hilltopper uniform or roam the sidelines as a coach during the history of Hilltopper football are numerous. However, only four have been recognized with a jersey retired in their honor. All-America quarterback - and later head coach - Jimmy Feix was the first to receive the honor. In fact, his number 66 is the only number officially removed from circulation. Following his playing days in the late 90's, Willie Taggart joined Feix with a retired jersey hung outside Houchens Industries - L.T. Smith Stadium.

#1

Willie Taggart (1995-98)
Retired: Oct. 23, 1999

Taggart ended his career not only as the school's all-time leading rusher with 3,997 career yards, but as the leader among all Division I quarterbacks. He was a two-time finalist for the Walter Payton Award, given to the top offensive player in NCAA Football Championship Subdivision.

Following his playing career, Taggart remained on The Hill as an assistant coach from 1999-2006. After three seasons as an assistant coach at Stanford, Taggart returned to WKU in 2009 to become head coach. He remained in that role until 2012 after leading the team to consecutive 7-5 seasons in 2011 and 2012 and the school's first ever FBS bowl game appearance following the 2012 season.

#24

Virgil Livers (1971-74)
Retired: Oct. 20, 2001

One of the most explosive players in school history, Livers ranks among the top six all-time on The Hill in both interceptions and punt return yards.

Livers' career 250 interception return yards are No. 2 all-time and his 24.6 yards per interception return in 1974 and 19.2 career yards per interception return remain school records.

Livers was drafted by the NFL's Chicago Bears in the fourth round of the 1975 NFL Draft where he remained until he concluded his professional career in 1979. Livers appeared in 68 games, starting 60, over his career with Chicago. He also spent time with the Chicago Blitz of the USFL.

#44

Dale Lindsey (1963-64)
Retired: Sept. 15, 2007

A two-time All-OVC pick, Dale Lindsey earned All-America honors as a linebacker in 1964 and was named to the All-Time OVC Team in 1998.

In 1963, Lindsey was a major factor in the Hilltoppers' undefeated season which concluded with a Tangerine Bowl victory. Lindsey was drafted in the seventh round of the 1965 NFL Draft by the Cleveland Browns, where he played from 1965 to 1972. He signed with New Orleans to play his final season in 1973.

Following his professional playing career, Lindsey coached for several NFL, CFL and USFL teams. In 1988, Lindsey worked with Head Coach Forrest Gregg at SMU to revitalize the program after the infamous 'Death Penalty' sentence. Lindsey was named the head coach at the University of San Diego prior to the 2013 season.

#66

Jimmy Feix (1949-52)
Retired: 1999

The first Hilltopper All-American in 1952, Jimmy Feix is also WKU's winningest head coach, leading the Hilltoppers to 106 victories from 1968-83.

Feix led WKU to winning seasons in his first eight seasons as the head coach, still the longest streak of consecutive winning seasons by one head coach in school history. Under Feix, WKU won a pair of Grantland Rice bowl games, finished as the NCAA II national runner up twice and won six Ohio Valley Conference championships.

A member of the inaugural class of the WKU Athletic Hall of Fame in 1991, Feix was also selected to the Ohio Valley Conference 40th Anniversary Team in June 1988. Prior to the 1991 campaign, the field inside Houchens Industries-L.T. Smith Stadium was named 'Feix Field' in his honor. He passed away on October 5, 2014. WKU won its next home game, against ODU, and scored 66 points, Feix's number, in the process.

HILLTOPPER FOOTBALL'S ALL-CENTURY TEAM

With the program celebrating the 100th season of football in 2018, WKU Athletics invited fans to vote online and put together their own All-Century Team to count for a percentage of the overall voting totals. Simultaneously, other voting groups worked to create their own teams including members of athletic administration, W-Club Hall of Famers and active W-Club football lettermen.

The All-Century team is led by co-head coaches Jimmy Feix, the program's all-time winningest coach, and Jack Harbaugh, leader of the 2002 National Championship team and 2002 AFCA National Coach of the Year.

Joining All-Americans Forrest Lamp (OL, offense) and Virgil Livers (DB, defense), all-everything quarterback Willie Taggart earned the captaincy as the program's all-purpose player. In his final two seasons on The Hill (1997-98), Taggart led the Hilltoppers in both rushing and passing. At the time, his 1,313 rushing yards were the second-most ever by a I-AA quarterback in a single season and his 3,997 rushing yards were the most ever in a career.

WKU welcomed back and recognized the entire team, where possible, for the home opener for the 2018 season against Maine on September 8.

WKU's 2002 National Championship Season

WKU 34, McNeese State 14

WKU defeated McNeese State 34-14 in Chattanooga, Tenn. in the championship game of the I-AA Playoffs to earn the program's first national title after advancing to the championship game for the first time since the school moved to the I-AA level in 1975.

Karl Maslowski intercepted Scott Pendarvis on MSU's first offensive play of the game, the first of a number of big plays for WKU.

Jeremi Johnson bowled over a pair of defenders to score on a 16-yard pass less than five minutes into the game, giving the Hilltoppers the lead for good. Frazier scored on a 55-yard run on the second play of the second quarter to double WKU's advantage. The defense allowed only 19 yards on seven plays after a late first-half turnover, forcing the Cowboys to settle

for a field goal as the Toppers led, 17-6, at the break.

Quarterback Jason Michael connected with Johnson for 49 yards, and Frazier scored from 14 yards out on the next play to cap WKU's first drive of the second half. With MSU trailing by 10 points and the third quarter nearing an end, Michael and Frazier hooked up for a screen pass that would go 54 yards, the quarterback would reach the end zone to finish the drive with 13:49 left in the contest.

Corey Shaw's interception set up the final points of the game, a 23-yard Martinez field goal, while Charles Thompson ended McNeese's final possession with the Toppers' third interception of the contest.

Four conference champions. The top three seeds. Two three-point decisions on the road. All pointed to one result, Western Kentucky's first-ever NCAA I-AA national championship.

2015 Conference USA Champions

WKU 45, Southern Miss 28

When the Hilltoppers began the 2015 campaign, the target was squarely on their backs. Expectations were high as WKU had been picked to win the league by most major publications, featuring the reigning Conference USA Most Valuable Player in Brandon Doughty.

The Hilltoppers delivered in spectacular fashion, producing, at the time, the second-most dominant campaign by a league champion in CUSA's 20 year history. WKU won seven of their eight regular season conference games. **Brandon Doughty was named the MVP of the championship game.**

ence games by double digits including six by 20 or more points. Their average margin of victory against CUSA opponents was a staggering 27.1 points.

WKU rolled into the league championship game, hosted at Houchen Industries-L.T. Smith Stadium, and faced off against one of the country's most improved teams, a 7-1 Southern Miss team that had just won the West Division.

The visitors started off slow, throwing an interception to safety Branden Leston on their opening drive which WKU answered with a quick score. It seemed business as usual for the East champions.

But the Golden Eagles buckled down and held WKU scoreless through much of the first half, building a 21-7 lead capped by an uncharacteristic pick-six from Doughty.

Then, with less than three minutes to go in the half, the Hilltoppers came alive.

A methodical 19-play drive led to a Doughty touchdown scramble with 2:52 to play, and after forcing USM to punt - a beauty that rolled inside the five-yard line, the Tops found life again and drove 97 yards on seven plays in only a minute to tie the game at the break.

Southern Miss never led again.

WKU went on to score 24 second-half points and held USM scoreless in the fourth to win their first FBS conference championship.

2016 Conference USA Champions

WKU 58, Louisiana Tech 44

How do you follow up one of the most dominant seasons in program history? You go out and do it again.

There were question marks all around the 2016 Hilltoppers, following the departure of the most decorated senior class in the program's FBS history, including arguably the greatest quarterback in school history, Brandon Doughty.

Junior quarterback Mike White answered that question right around the time he connected with Nicholas Norris for a 75-yard touchdown strike in the first quarter of the season opener against Rice.

Behind one of the nation's top offensive lines, led by seniors Forrest Lamp, Max Halpin and Darrell Williams, Jr., the Hilltoppers buried opposing defenses with the nation's No. 1 scoring offense and stymied opposing offenses with the league's top defense and nation's No. 2 rush defense - only Alabama allowed fewer yards per game on the ground than WKU's 99.

After a sluggish 3-3 start, which included a loss at No. 1 Alabama and an overtime loss at home to Vanderbilt, the Hilltoppers got it going with an overtime victory at rival Middle Tennessee in the middle of October.

From there, they never looked back.

WKU's average margin of victory in the first six games of the regular season was just nine points per game with a 3-3 record. In the second half of the year, WKU walloped opponents to the tune of a 34 point per game victory margin to head into the championship

game at 9-3. All totaled, WKU surpassed it's own mark as the second-most dominant league champion of all-time, defeating CUSA opponents by an average of 29.3 points per game.

WKU was able to avenge its only CUSA loss of the past two years when they hosted Louisiana Tech in a match-up of two explosive offenses.

Anthony Wales was the star of the day, rushing for four touchdowns and catching another en route to earning Championship Game MVP honors and bringing another CUSA title to Bowling Green.

Anthony Wales accounted for five touchdowns and was named MVP.
