#BRONCOSREIGN

A SPECIAL KIND OF MEET

Last year, Western Michigan welcomed Central Michigan, Illinois and Wilberforce for the first-ever podium meet at University Arena. WMU also became the first program to host a regular season podium meet in the history of NCAA Gymnastics.

The world's most prestigious gymnastics competitions, including the Olympic Games and the NCAA Gymnastics National Championships, are held on an elevated stage called a podium. The Broncos had competed at neutral-site podium meets in the past before hosting their own last season. The elevated presentation of the event creates a unique experience for the competitors.

LAST WEEK

The Broncos were on the road at Eastern Michigan last Friday for a quad meet against the Eagles, Illinois State and Wilberforce. The Bulldogs had to forfeit due to illness, and the Broncos swept the field with a score of 195.275 to ISU's 194.675 and EMU's 195.200. Broncos topped the standings on vault, bars and floor.

SENIOR DAY

At the completion of Sunday's meet against Kent State, the Broncos will take time to celebrate the careers of their seniors Makenna King and Sidnei Heubach.

DUBS UP!

As a team, Western Michigan has picked up eight wins so far this season. Individually, Broncos have finished in or tied for first place 19 times on the season. WMU gymnasts have been most successful on vault and bars, winning the event in four meets. Reese Samuelson has won the most events on the season, claiming the top spot on bars three times and twice on beam.

WINDING DOWN

Western Michigan heads on the road to Rutgers for a quad meet to wrap up the regular season. The Broncos will compete against the Scarlet Knights, New Hampshire and Long Island.

READY. SET. RETURN. TAKE 'EM BACK

Do the right thing.

Taking back your deposit containers to the grocery stores is an easy way to reclaim the 10-cent deposit you paid on every carbonated beverage you've purchased. It's also the right thing to do for our state: reusing containers saves up to 90% in energy usage.

We CAN and must do better – but it starts with **YOU.**

CARBON FOOTPRINT

The deposit law generates clean material and protects natural resources through efficient, closed-loop recycling.

CONVENIENT ACCESS

No special trips needed. Return your bottles and cans directly to grocery stores.

94% APPROVAL RATING

More popular than football & apple pie, our deposit system is widely approved.

CUTS LITTER IN HALF

Since its 1978 inception, the deposit law has resulted in 50% less litter.
