# HEAD COACH DAN MCLAUGHLIN

Dan McLaughlin is in his 15th year as Head Football Coach at Wayne State College entering the 2019 season. McLaughlin is the all-time wins leader at WSC and has a career record of 75-81 (.481) overall and 71-70 (.504) in the Northern Sun Intercollegiate Conference. He is the second-longest tenured coach in the NSIC, trailing only Winona State's Tom Sawyer (24 years), and is now the longest tenured coach at WSC, surpassing Del Stoltzenberg's 14-year tenure from 1969-82.

Inheriting a struggling program when hired in 2005, McLaughlin turned Wayne State into a constant winner that included six straight winning seasons (2007-12), a feat never achieved in the program's 102-year history along with the schools' first-ever trip to the NCAA

Division II playoffs (2008).

In 2018 Wayne State finished with a 3-8 overall mark and was sixth place in the NSIC South Division at 2-5. Wayne State's 34-0 win at Minot State on October 20th was the first Wildcat shutout since 2011 when WSC shocked #1 Minnesota Duluth 7-0.

The Wildcats posted a 6-5 record in the 2017 season (first winning campaign since 2012) and placed fourth in the NSIC South with a 4-3 divisional record. Wayne State's 24 interceptions during the regular season tied for the most in NCAA Division II and the 32 turnovers created by the Wildcat defense were the third most nationally.

Under McLaughlin in 2016, Wayne State posted a 3-8 overall record (tie for 11th in the NSIC) and 2-5 mark in the NSIC South Division (tie for fifth). McLaughlin became Wayne State's all-time win's leader on October 24, 2015 following a 20-17 at home win over Concordia-St. Paul. It was his 63rd win as Wildcat Head Coach, surpassing Del Stoltzenberg who was 62-70-5 in his 14 years as head coach at WSC from 1969-82.

Under McLaughlin in 2015, Wayne State finished 4-7 overall and 1-6 in the NSIC South Division.

Wayne State finished the 2014 season at 5-6 overall and tied for fourth in the NSIC South Division with a 3-4 record. Marquee wins during the year included a 27-7 rout of #25 Winona State on Homecoming and a wild 48-45 overtime win at Southwest Minnesota State.

The Wildcats were 2-9 in the 2013 season with five of the teams' losses by seven points or less, including a season-opening 29-27 triple overtime loss at Northern State that was the longest game in school history.

Under McLaughlin in 2012, the Wildcats recorded a 6-5 record for a sixth straight winning season. Three of the team's five losses were by seven points or less. For the fifth straight season, Wildcat football had at least one player receive All-America honors under McLaughlin as senior punter Randy Weich was named to six different All-America teams.

In 2011, Wayne State finished with a record of 7-4 overall and 7-3 in the NSIC. The Wildcats were nationally ranked for a fourth straight season with the team's signature win coming in a 7-0 triumph over #1 ranked and defending national champion Minnesota Duluth ending the Bulldogs 31 game win streak against NSIC opponents.

The Wildcats were 6-5 overall and 5-5 in the NSIC during the 2010 season. WSC was ranked for part of the season and was as high as 18th in the AFCA Division II Top 25 Coaches Poll. Two of the Wildcat wins were over top 15 teams that made the playoffs, beating #13 Nebraska-Kearney and #7 Augustana, handing the Vikings their lone loss during the regular season.

McLaughlin's 2009 team was 8-3 and ranked a majority of the season - as high as 11th in the D2Football.com and 14th in the AFCA Division II Top 25 Coaches Poll. The Wildcats accumulated an impressive 24-11 mark under McLaughlin from 2007-09 (9-3 in 2008 and 7-5 in 2007), marking the most wins in a three year span in Wayne State's 95 years of football.

Predicted for a seventh place finish out of 14 teams in the NSIC for the 2008 season, McLaughlin coached the Wildcats to a 9-3 record and the programs' first-ever berth in the NCAA Division II playoffs. The Wildcats won seven straight games to finish the regular season and earned a share of the NSIC South Division title with Minnesota State, going 8-2 in league play.

The nine wins in 2008 tied the school record, matching the 1949 (9-0) and 1993 (9-1) teams that also won nine games in a season. WSC finished the regular season ranked 22nd in NCAA Division II, the first national ranking for a WSC football team since 1995. For leading WSC to a 9-3 season, McLaughlin was named the AFCA (American Football Coaches Association) NCAA Division II Region V Football Coach of the Year.

The Wildcats posted a 7-5 overall record in 2007, the first winning season by a WSC football team since 1995. Wayne State finished second place in the Northern Sun Conference with a 7-2 league mark despite a predicted fifth place finish in the NSIC preseason poll. It was the best-ever finish in conference play for the Wildcat football team since joining the Northern Sun Intercollegiate Conference in 1999 and resulted in Coach McLaughlin being named the 2007 NSIC Football Coach of the Year.

The Wildcats' second place finish in the NSIC resulted in just the second-ever post season bowl appearance in 91 years of football for the school as Wayne State represented the Northern Sun Intercollegiate Conference in the Mineral Water Bowl played in Excelsior Springs, Missouri on December 1, 2007. Other milestones accomplished in the 2007 season under McLaughlin included the school's first six-game win streak on the gridiron since 1993 and the first regional ranking (10th in the Northwest Region) for a Wildcat football team since 1993 when WSC was ranked as high as fourth in the former Midwest Region.

Under McLaughlin in 2006, the Wildcats went 5-6 with three of the losses by a combined nine points. WSC recorded their first three-game winning streak in football since 1995 during the 2006 campaign and posted back-to-back shutout wins for the first time since the 1976 season. The Wildcats allowed an NSIC-low two sacks in league play under the coaching of McLaughlin in the 2006 season.

WSC amassed a 4-7 mark under McLaughlin in his first season at the school in 2005 and the teams' 4-3 mark in the NSIC that season was the school's first-ever winning mark in football since joining the league.

Dan McLaughlin was hired as the 21st head football coach at Wayne State College on Dec. 9, 2004. He came to Wayne State after spending one season as offensive coordinator at Minnesota State in Mankato, Minnesota where he helped the Mavericks to a 6-5 record in 2004 after the team went 0-11 in 2003. It was Minnesota State's first winning season in football since 1994. He also served as offensive line coach with the Mavericks under head coach Jeff Jamrog. In 2003, McLaughlin was a graduate assistant coach at the University of Nebraska, working as an assistant offensive line coach and assistant special teams coach while coordinating Nebraska's walk-on program.

Before moving to the college ranks, McLaughlin achieved success at the high school level in Nebraska by winning state championships at three different schools. He was the head coach at Millard West from 1995 to 2002, guiding the Wildcats to seven consecutive playoff appearances. His 2001 team went 12-1 and captured the Class A state title. McLaughlin was the head coach at Norfolk High School from 1988 to 1994, leading the Panthers to the Class A state title in 1994. McLaughlin also coached at Broken Bow High School in 1987 and led the school to the Class B state crown in his only season at Broken Bow.

Believed to be the only head coach in Nebraska high school football history to win state titles at three different schools, McLaughlin compiled a high school coaching record of 110-59.

McLaughlin earned his master's degree from Wayne State College in 1992. He is a native of Sheridan, Montana and is a 1982 graduate of Bellevue College. Dan and his wife Nadine have two sons (Scott and Sean) along with four grandchildren and they reside in Wayne.

# 2019 SEASON OUTLOOK

15th-year head coach Dan McLaughlin brings back plenty of experience with seven starters on offense and eight returning on the defensive side of the ball from last year's team that was 3-8 overall and 2-5 in the NSIC South Division.

Despite the number of returning starters, more than half of the Wildcat 95-man roster is made up of new faces this season with 27 true freshmen and 25 transfers.

Three of Wayne State's eight losses last season were by six points each with one coming in overtime and all three losses were on the final play of the game.

Offensively, WSC returns only one player with experience at the quarterback and running back positions while losing two of its top three wide receivers that include Nate Rogers, Wayne State's all-time TD receptions leader (38).

Defensively, the Wildcats return plenty of experience with four players that received All-NSIC South Division honors led by senior linebacker Tyler Thomsen, the NSIC's leading tackler last season.

Three players are battling for playing time at quarterback this season. Sophomore Alex Thramer (O'Neill) saw action in seven games last season, completing 52 of 104 passes for 625 yards with three TD's and four interceptions. South Dakota transfer Andy McCance and Tavian Willis, both redshirt freshmen, are creating a three-way battle for time at the quarterback spot.

A host of transfers and redshirt freshmen will compete for time at the running back spot this season. The list includes transfers Anthony Watkins (Dodge City CC), Deshawn Massey (Coffeyville CC) and Southwestern (Calif.) CC transfer Ryyan Wilkins along with redshirt freshman Devin Merkuris just to name a few.

At wide receiver, Wayne sophomore Mason Lee is the top returner after hauling in 22 catches for 332 yards in 10 games last season as a true freshman. Transfers Johnnie Hankins (Tarleton State) and Justin Martin (Dixie State) will contend immediately for time at the wide out position along with redshirt freshmen Isaac Schafbuch and Jason Hawkins.

The Wildcats return one of the best tight ends in the NSIC in Stuart senior Conner Paxton, who topped all league

tight ends last season with 34 grabs for 439 yards and two scores. Senior Corbin Foster serves as backup at the position.

Senior placekicker Ethan Knudson returns after connecting on 24 of 27 PAT kicks and 4 for 7 on field goals while the punting position will be a battle between

Wahoo sophomore Blake Kaiser and Omaha Westside freshman Cade Jochum.

Defensively, Wayne State returns a wealth of experience.

Senior linebacker Tyler Thomsen recorded an NSIC-high 120 tackles last season and was First Team All-NSIC South Division to go with several All-Region honors and Third Team All-American linebacker by Don Hansen's Football Gazette.

The defensive line features two returning All-NSIC selections with seniors Jacob Protzman and

Kolbie Foster. Protzman ranked third in the NSIC last season in sacks (10 for 62 yds) and tackles for loss (16 for 73 yds). Foster was third on the team in total tackles (52) and tied for sixth in the NSIC with 13 tackles for loss for 84 yds. He was also a Google Cloud Second Team Academic All-American selection.

The secondary brings back plenty of experience in senior Ian Ailts, who was second on the team in tackles last season (59) despite missing two games due to injury to collect All-NSIC South Division Honorable Mention recognition. Seniors Aaron Wright and Shaq Paddy and junior Kevin Ransom have started in the secondary for the Wildcats.

Wayne State should be much improved in the kick and punt return areas with the return of senior Aaron Wright, who has had a kickoff return for a touchdown the last two seasons, along with senior transfer Justin Martin, who had over 700 return yards and one TD at Dixie State in 2016.

The Wildcats were picked to finish 13th overall and sixth in the NSIC South Division in the Preseason NSIC Football Coaches Poll released August 7th. Wayne State has six home games this season, but will open on the road at Winona State at Saturday, September 7th in a 1 p.m. contest. WSC plays its home opener on Saturday, September 14th hosting Southwest Minnesota State in a 6 p.m. matchup at Bob Cunningham Field.

# THE NORTHERN SUN INTERCOLLEGIATE CONFERENCE

From its modest origin as a six-team alliance over eight decades ago, the Northern Sun Intercollegiate Conference has matured into a 16-team union of upper Midwest colleges and universities to form arguably the strongest affiliation in NCAA Division II. The NSIC can trace its roots to 1932 when six schools, including Bemidji State University, Minnesota State University, Mankato, Minnesota State University Moorhead, St. Cloud State University, University of Minnesota Duluth and Winona State University signed on as charter members. All remain active subscribers of the league today.

Southwest Minnesota State University was added in 1969, followed by Northern State University in 1978, Wayne State College (NE) in 1998, Concordia University-St. Paul and the University of Minnesota Crookston in 1999, the University of Mary and Upper Iowa University in 2006, Augustana College in 2008 and Minot State University and the University of Sioux Falls in 2012. Minnesota State, St. Cloud State and Minnesota Duluth left the league to join the North Central Conference but returned to the NSIC in 2008. University of Minnesota, Morris and Michigan Tech University were once part of the NSIC family as well.

In 1992 the NSIC became a true athletic showcase for both men and women with the merger of the traditional Northern Intercollegiate Conference (NIC) and the Northern Sun Conference (NSC), the home of women's athletics since 1979. Before NSIC affiliates became certified for championship competition in the National Collegiate Athletic Association (NCAA) in 1995, its member institutions filled prominent roles in the National Association of Intercollegiate Athletics (NAIA). NIC and NSC clubs annually dispatched qualified student-athletes to national tournaments and captured several NAIA teams and individual championships.

The NSIC continues to make a major imprint nationally, winning 21 national titles since 2006. Winona State men claimed NCAA II Basketball Championships in 2006 and 2008 and narrowly missed a third crown, falling in a last second shot in 2007. In addition, the Warriors established a NCAA II record of 57 consecutive victories.

Concordia University launched an ongoing streak of seven consecutive NCAA II Volleyball Championships in 2007. In 2008 the Golden Bears won 37 straight matches after a season opening loss on their way to a second consecutive title and scripted a marvelous encore in 2009 with a perfect 37-0 finish, a third straight national crown and a winning streak of 74 straight matches. In 2010 the Golden Bear extended that NCAA record win streak to 75 before dropping their second match of the season. They started 2010 with a 10-4 record before ripping off 22 straight wins on their way to their fourth straight national title. In 2011, after overcoming midseason injuries, the Golden Bears hit their stride. The Golden Bears knocked off No. 1 and undefeated Cal State San Bernardino to become the first team in the history of NCAA Division II women's volleyball, to capture a fifth consecutive NCAA Division II Championship. Then in 2012, the Golden Bears again made a late season and championship match surge as they defeated Tampa 3-2 after trailing 0-2 to win their sixth straight NCAA DII Volleyball National Championship. In 2013 Concordia-St. Paul won the NSIC regular season title, but was defeated in the NSIC Tournament Championship by Minnesota Duluth. But from there the Golden Bears ripped off six straight NCAA postseason wins, extending their streak to 42, on their way to a 3-0 sweep of BYU-Hawaii to win another NCAA National Championship. After a two year hiatus, the Golden Bears return to the top of Division II volleyball as they won the 2016 and 2017 national championships.

In a most surprising run, Minnesota Duluth completed a perfect 15-0 season by winning the 2008 NCAA Division II Football Championship. The Bulldogs, limited to only 24 scholarships by league rule, swept a field of fully-funded teams, including top ranked Grand Valley State and number three Northwest Missouri State. Two years later, in 2010, the Bulldogs repeated that feat, going 15-0 again to win the national championship. The Bulldogs became the first NCAA DII football squad to win two national championships with undefeated records.

Minnesota State added more luster to the league by finishing 32-2 and claiming the 2008-09 NCAA II Women's Basketball Championship. The Mavericks rolled to a wild 103-94 victory over Franklin Pierce to set a NCAA record for total points in the title game. In 2017 the Maverick softball team went 64-7 to win the National Championship. The Mavericks went 10-1 in NCAA play, including 5-0 in Salem Virginia as they defeated Angelo State 5-1 in the championship game.

Augustana got into the mix of national championships in 2011 when their women's cross country team turned in a true team performance in Spokane, Wash. All five Viking runners earned All-American status as Augustana won the first cross country national championship in NSIC history. The Vikings men's basketball team won the 2015-16 National Championship after going 34-2 and defeating Lincoln Memorial 90-81 in Frisco, Texas. The Augustana baseball team became the first NSIC institution to win a national championship in baseball, as the Vikings had an impressive post season, going 8-1 in NCAA play and a perfect 4-0 in Cary, North Carolina to finish the season 52-9.

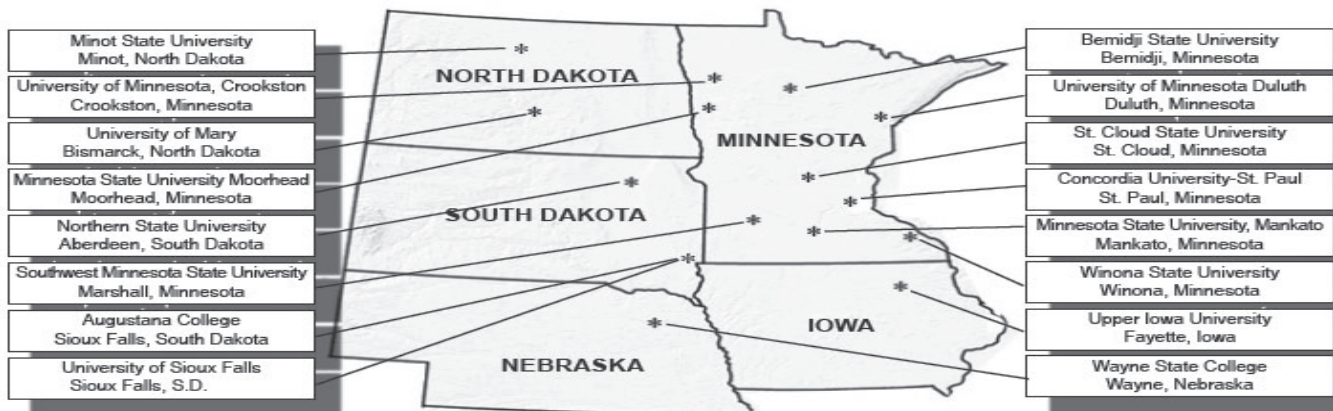

In 2019 it was the Augustana Softball team that made a run to the national championship as the Vikings went 61-11 and defeated Texas A&M Kingsville twice by the score of 6-4 to win the National Championship.

After multiple runner-up finishes, the St. Cloud State Huskies finally captured the national championship in wrestling in 2015. They repeated in 2016 and then took home the title again in 2018 and 2019.

The NSIC has also had 12 athletes awarded with the NCAA Elite 90 Award on 15 occasions. Earning the award were DJ Pollard (Northern State, Men's Basketball, 2018) Grant Pulver (UMD, Cross Country 2017), **Leisa McClintock (WSC, Volleyball 2015)**, Tavia Rutherford (USF, Golf, 2015) Claire Sames (SMSU, Volleyball, 2014), Kara Pioske (Concordia-St. Paul, Volleyball 2013), Billy Brockmueller (Sioux Falls, Cross Country 2012, 2014 & IDTF 2014), Ben Keller (Minnesota State, Baseball 2012 & 2013), Cody Lensing (Augustana, Wrestling 2012), Kendra Huettl (Minnesota State, Softball, 2011), Matt Braithwaite (Augustana, Cross Country, 2010) and Lauren Brown (Winona State, Outdoor Track & Field, 2010).

Member schools continue to emphasize the educational, entertainment and unifying value of sports while pointing with pride to the many advantages to be gained by attending these colleges and universities. The NSIC is committed to providing rewarding experiences for its student-athletes, and while the challenges that loom are sizable, indeed, the NSIC is surely well positioned for the future.

# **EGG BOWL HISTORY**

The Egg Bowl Game was started in 1989 by the Milton G. Waldbaum Company of Wakefield and its chief executive officer, the late Daniel Gardner, a longtime supporter of Wayne State athletics. The event was created as a fun and innovative way to promote the egg industry and great way to support Wayne State College athletics. A commemorative game ball is given to one player from each team competing in the annual game. The Milton G. Waldbaum Company later became Michael Foods and their egg industry associates have actively supported this event, entering its 31st year in 2019.
