# ABOUT WAYNE STATE COLLEGE

Wayne State College has been a vital part of Northeast Nebraska since James M. Pile founded the college as Nebraska Normal College in 1891. From the early days as a private higher education institution with a handful of faculty and students until today, as a strong and proud member of the Nebraska State College System boasting more than 4,500 students and 450 faculty and staff, Wayne State has served as an educational, economic and cultural engine for Northeast Nebraska and beyond.

Wayne State College is a leading comprehensive college in Northeast Nebraska distinguished by providing quality academic programs in a personalized setting. We're located on a 128-acre campus and boast a 20:1 student-to-faculty ratio. Wayne State College is best known for our friendly atmosphere, affordability, academic excellence, and successful graduates. Wayne State is nationally ranked and has received recognition for affordability, academic excellence, and community service. We strive to produce graduates who will become successful, productive, and contributing members of society.

WSC began as a college primarily for teacher education but now offers more than 130 undergraduate programs and several graduate programs. Education students are provided with valuable opportunities for hands-on teaching experience. Business, criminal justice and pre-professional programs are also popular at WSC. We have a solid reputation in educating future healthcare professionals as well, thanks to a high placement rate in the allied health fields at University of Nebraska Medical Center, as well as other regional schools.

Service-Learning is an important component of education at Wayne State College. Students lead community projects designed to integrate meaningful community service with instruction and reflection to enrich the learning experience, teach civic responsibility and strengthen communities.

Wayne State inspires students through access to affordable, high quality academic programs, personalized support services, and a culture committed to diversity, sustainability, and creativity. The College strengthens communities by engaging students in experiential learning and leadership opportunities. Wayne State serves the region through cultural opportunities, strategic partnerships, and innovative economic development programs.

WSC takes pride in the success of its extra-curricular activities as well, including performing arts and athletics. Rice Auditorium is the home to the WSC indoor sports programs. It seats approximately 1,700 for basketball and volleyball events. In addition, the auditorium, through the use of its stage, can accommodate 2,500 to 3,000 for commencement, theatrical performances, lectures and other similar events.

Memorial Stadium/Bob Cunningham Field: The stadium is used for seating up to 4,000 spectators for Wayne State College and Wayne High School football games. It also houses a press box and concession stand. WSC also hosts many high school track meets at this facility.

Ley Theatre, located in Brandenburg Hall, has fixed seating for 150. Additional seats may be added to accommodate up to 220. Ramsey Theatre, located in the Peterson Fine Arts Building, can accommodate 650 people on its main floor and balcony.

We are proud to offer exceptional education at an affordable cost. With low tuition rates and financial assistance given to most of our students each year, WSC is the most affordable and best quality four-year college in the region. Our value, combined with personalized attention from caring professors and staff, a friendly campus community, and opportunities to learn in and outside the classroom, makes WSC a great place for students to thrive and advance their futures.

Wayne State's four academic schools, Arts and Humanities, Business and Technology, Education and Behavioral Sciences, and Science, Health, and Criminal Justice, offer more than 130 programs of study and 55 minors in 15 academic departments, awarding bachelor's, master's and education specialist degrees in a variety of programs and fields. There are 121 full-time, ranked faculty, 118 part-time faculty, and 18 graduate assistants.

Wayne State College competes in NCAA Division II, and is a member of the Northern Sun Intercollegiate Conference. Competitive sports include football, volleyball, men's and women's basketball, men's and women's track and field (indoor and outdoor), men's and women's cross country, baseball, softball and women's soccer. Two new sports were added for the 2019-20 season - women's golf and beach volleyball.

Wayne State continues to invest in upgrades to athletic facilities. The most recent additions include the completion of the Kirk Gardner Indoor Athletic Complex (formerly the Carlson Natatorium). A new state-of-the-art press box was completed in the summer of 2018 at Bob Cunningham Field. In the last two years Rice Auditorium has installed a videoboard and new branded playing surface to enhance the Wildcat fan experience.

Construction began in the summer of 2023 on the Athletic and Recreation Complex Renovation and Addition project. The \$32-million project is a multi-phased construction project designed to have a significant impact on Wayne State and the region it serves. The project will include a new air-supported structure with an indoor track and turf field and renovations to Rice Auditorium and the Recreation Center. The Wildcat Dome and Rec Center/Atrium portions of the project were completed and dedicated in the spring of 2025 with construction currently underway on the third phase of the project - converting the Kirk Gardner Indoor Athletic Complex into a practice court for Wildcat volleyball and basketball teams.

You'll feel right at home on Wayne State's beautiful, historic campus located in the northeast Nebraska community of Wayne. The campus combines stately, historic buildings with the newly renovated Willow Bowl, Student Center, Ramsey Theatre, Studio Arts Building and Connell Hall.

# WAYNE STATE ADMINISTRATION

## Dr. Marysz Rames *President*

Dr. Marysz Rames was appointed the 13th president of Wayne State College by the Nebraska State College System Board of Trustees on June 18, 2015. She came to Wayne State from Dakota State University in Madison, S.D., where she had served as interim president since Aug. 15, 2014.

Her tenure at Wayne State has been marked by a strong focus on the future of the college's academic programs, partnerships, Strategic Enrollment Planning, fundraising, raising the college's visibility and constructing and renovating campus facilities to enhance the student learning experience.

Under the leadership of President Rames, Wayne State's total enrollment has increased by 20 percent and academic programs have grown from 90 to 130 with a focus on degrees that align with the changing work force needs. Additionally, there has been a focus on building relationships and solidifying partnerships with institutions within the University of Nebraska system, community colleges and school districts to provide students with seamless pathways to reaching their goal of earning a degree.

Rames earned her education doctorate in adult and higher education in 1997 from the University of South Dakota in Vermillion. She earned her bachelor of science degree in business administration and communication studies, with a minor in economics, in 1982, and her master's degree in educational administration in 1986, from University of Northern Colorado in Greeley, Colorado.

She spent one year (2014-15) as interim president at Dakota State University (DSU) in Madison, South Dakota. During this time she was instrumental in promoting a strong shared governance system, finalizing the university's five-year strategic plan, revitalizing the university's Foundation and actively raising funds to increase scholarships. Rames also worked with the legislature and others in several major new construction and renovation projects.

Prior to her interim appointment, Rames served as the vice president for student affairs from 2000 until June 2015 at South Dakota State University (SDSU) in Brookings. As the senior student affairs officer, Rames oversaw numerous university divisions and initiatives, including, but not limited to, enrollment management, student success, strategic planning, fundraising/fiscal management, diversity and inclusion, collaborative partnerships, leadership development, and increasing efficiency and effectiveness for students.

Rames served as an assistant professor of education at SDSU, teaching courses in administration and leadership in student affairs; serving on master's and doctoral students' graduate committees; and conducting research in financial trends in higher education, student retention and completion, and affordability and access to higher education. Rames also served as the interim associate vice president of student affairs (1997-1999) and the interim director for diversity enhancement (1999) at SDSU.

Prior to her arrival at SDSU, Rames worked at Aims Community College in Greeley, Colo., and the University of Wyoming in Laramie. Her scholarly presentations include topics such as student services, retention efforts, and working with today's college students.

Rames and her husband, Steve, have two children - Matthew and Jessica.

## Mike Powicki *Director of Athletics*

Mike Powicki is in his 14th year (2025-26) as Athletic Director at Wayne State College. Powicki began his duties at Wayne State College on July 23, 2012 and has been instrumental in improvements to athletic facilities and staffing during his 13 years at the institution.

Construction began in the summer of 2023 and was completed in the spring of 2025 on a \$30 million Athletic and Recreation (ARC) project that includes the addition of the Wildcat Dome (air-supported structure), major renovations to the Recreation Center and auxiliary varsity only weight room and creation of the Bebee Family Atrium. It was the largest athletic construction project in the history of Wayne State College and the largest amount of money raised for a facility project on the WSC campus at over \$5.6 million. Plans are in the works to move forward with Phase III of the project that includes converting the Gardner Indoor Athletic Complex into a practice gym with a wood court and complete renovation of the Rice Auditorium lobby.

With completion of the ARC project nearly \$45 million has been invested into facility improvements, staffing and operations enhancements during Powicki's tenure at Wayne State with more improvements planned to enhance Wildcat athletics.

Wayne State student athletes continued to excel in the 2024-25 school year as all 15 Wildcat sports posted a cumulative grade point average above 3.00, finishing with a cumulative athletic department grade point average of 3.458. 71 student-athletes maintained a perfect 4.0 GPA during the spring 2025 semester. 278 student-athletes earned the Edward Jones Presidential Scholar Athlete Award, 155 were named to the NSIC All-Academic Team and three students received the NSIC Elite 18 Award as the top scholar athlete at a conference championship event - Quentin Dreyer/Men's Indoor Track and Field, Abigail Brodersen/Women's Golf and Nate Cunningham was a repeat winner in baseball. WSC also saw senior volleyball player Taya Beller become the first female student athlete to be named CSC Academic All-American three straight years following her Second Team selection in 2024.

In 2023-24, the Wayne State volleyball team started the season sweeping Nebraska-Kearney at Volleyball Day in Nebraska in front of an all-time women's sporting event crowd of 92,003 fans at Memorial Stadium in Lincoln. WSC went on to win a second straight NSIC regular season title, hosted the Northern Sun Conference volleyball tournament in Rice Auditorium and won a second NCAA Central Region title resulting in a trip to the Elite 8 in Moon Township, Pa. Wayne State was also one of just nine schools in NCAA Division II to earn a Make-A-Wish reveal as part of fundraising and work by the WSC Student Athlete Advisory Committee and made that wish come true at the 2024 WSC Ameritas Honors Banquet.

The 2021-22 school year saw two more projects created to benefit Wildcat athletics. The Rice Auditorium Stage Conversion Project, totaling over \$1 million, enclosed the former stage and created an open-air room to provide premium fan seating and in-game hospitality area for Wildcat volleyball and men's and women's basketball games in Rice Auditorium along with providing a multi-use area for student-athlete recruitment and team meetings. Another project was field turf installed on the WSC Soccer/Rugby Pitch.

Powicki was instrumental in the addition of two sports to Wayne State athletics in 2019-20 with the addition of beach volleyball and the re-instatement of the women's golf program. He also orchestrated the renovation of the former natatorium into the Indoor Athletic Complex that will benefit all Wildcat athletic programs. Powicki also helped orchestrate the largest single scholarship gift in the history of Wayne State as the Gardner Foundation announced on October 3, 2019 a \$1.8 million gift to the school. Included in the gift was a one-time donation of \$300,000 toward the Indoor Athletic Complex along with \$150,000 toward athletic operations and \$925,000 toward athletic scholarships to WSC.

The Bob Cunningham Field Press Box Replacement project covering \$3.9 million was done in 2018. The project increased the amount of work space for media and staff working home events at Cunningham Field. The new facility also provides universal space on the lower level that will give WSC athletics an opportunity to host special events and create additional revenue through corporate sponsorships and donor stewardship.

In the fall of 2018, new Daktronics video scoreboards and a sound system totaling over \$200,000 were installed in Rice Auditorium to enhance the game day experience for Wildcat fans and student-athletes.

The first major athletic project that was completed under the guidance of Powicki was the Bob Cunningham Field/Memorial Stadium Renovation project. The project began in May, 2013 and was highlighted by installation of artificial turf, ornamental fencing, press box graphics and new goal posts. The \$1.6 million project also included the widening, lengthening and re-sodding of the Wildcat Soccer Pitch, along with installing new irrigation, facility fencing, scoreboard and making the facility ADA accessible. The Dr. LeRoy Simpson Track at Memorial Stadium was re-surfaced and painted in the summer of 2014 as the final phase of the project.

Past boards/committees Powicki has served on include the NCAA Division II Athletic Directors Association Board and the NCAA Division II Central Regional Advisory Committee for baseball. He was honored April 25, 2024 with the Community Service Engagement Award during the Dr. Ron Holt Civic Engagement Award dinner. Powicki currently serves locally as the President of the Wayne Area Economic Development/Chamber of Commerce Board of Directors, the Wayne Kiwanis Board (Past-President) and currently serves as the Chair of the Wayne Community Development Authority.

Prior to arriving at Wayne State, Powicki served as Assistant Athletic Director at Minnesota State University in Mankato, Minnesota. He was the Assistant Athletic Director for Marketing and Corporate Partnerships from 2008-10 and was promoted to Assistant Director of Athletics for Development and Strategic Partnerships in 2010 where he served in that role until July 2012 when he arrived at Wayne State.

Powicki also served as Associate Athletic Director for External Affairs at Upper Iowa University from 2004-2008 where he was a part of the Peacocks transition from NCAA Division III to NCAA Division II status and into the Northern Sun Intercollegiate Conference. While at Upper Iowa, Powicki monitored all team operations, recruiting and fundraising budgets. Powicki oversaw the UIU Recreation and Fitness Center staff, budget and overall operation.

Powicki obtained his bachelor degree from the University of Iowa in exercise science in and earned his masters degree in exercise and sport science/sport administration from Wisconsin-La Crosse.

Mike has two daughters - Faith and Elle (pronounced L) - and resides in Wayne.

# WAYNE STATE FACILITIES

## **Rice Auditorium**

Rice Auditorium serves as the home for the Wildcat volleyball squad as well as men's and women's basketball teams. Recent upgrades to the arena include the stage conversion project in 2022, new baskets and rebranded playing surface in 2019 and a new scoreboard, videoboard and sound system in the fall of 2018.

The gymnasium area seats approximately 2,500 for basketball games and volleyball matches. Named for John D. Rice, Wayne State College president from 1951-56, Rice Auditorium was the site of the 1999 NCAA Division II North Central Regional Men's Basketball Championships, the 2006 NSIC Red Baron Women's Basketball Classic, 2012 NCAA Division II Central Regional Women's Basketball Championships, 2022 NCAA Division II Central Region Volleyball Championships and 2023 NSIC Volleyball Championships.

## **Memorial Stadium / Bob Cunningham Field**

Memorial Stadium has been "Home of the Wildcats" since 1931 when the college purchased 11 acres of land for athletic fields. The grandstand was constructed in 1933. The stadium was officially designated Memorial Stadium followed World War II in honor of the Wayne State students who served in the war. Bob Cunningham Field was named in 1993 for the WSC three-sport Hall of Fame standout (1936-39).

The press box underwent a complete renovation with replacement done in 2018. The new structure is 5,220 square feet and includes an elevator along with club level for corporate events.

The main stadium has seating for 2,500 fans while the bleachers on the east side of the field can seat an additional 750 fans. During the summer of 2013, Cunningham Field underwent a renovation with synthetic field turf replacing the grass surface.

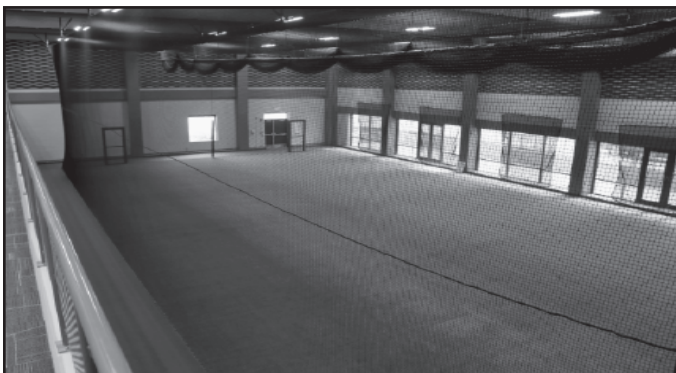

## **LeRoy Simpson Track**

The track at Memorial Stadium/Bob Cunningham Field was named the LeRoy Simpson Track on October 8, 2011 in honor and recognition of the man who started the women's track program at WSC and coached cross country and track and field at Wayne State from 1968-1997.

LeRoy Simpson Track received a new surface in the summer of 2014, replacing the original surface that was installed as part of the Tim and Leslie Bebee Plaza Project at Cunningham Field in 2003.

## **Kirk Gardner Indoor Athletic Complex**

The Kirk Gardner Indoor Athletic Complex was completed in September, 2020 and has benefitted all athletic teams at Wayne State College including softball. The space in the former Carlson Natatorium turned the indoor swimming pool area into an indoor turf sports facility.

The facility features three batting cages along with putting greens and volleyball net hook ups along with employee offices on the balcony above that overlooks the practice area.

# WAYNE STATE FACILITIES

## **Wayne Country Club**

The Wayne Country Club is home to the Wayne State College women's golf team. The course, a par-72 6,384 yard layout from the blue tees, has hosted numerous collegiate and Nebraska Golf Association events over the years and is located right next to the Wayne State College campus (north side). The 11th hole, a 390-yard par-4, was chosen by the Nebraska Golf Association as one of the 18 most challenging holes in the state.

The Wayne Country Club opened in 1947 on the north side of Wayne with the course expanding to 18 holes following the purchase of extra land (south side of 21st Street) in 1968. In 2018, the Wayne Country Club completed a \$518,000 new clubhouse that seats approximately 200 people for golf outings and events in the Wayne area.

## **Wayne State Soccer Complex**

Located east of Memorial Stadium and adjacent to the Pete Chapman Baseball Complex, the WSC Soccer Complex made its debut in the fall of 1997, in time for the inaugural Wildcat soccer season. The most recent improvements to the facility happened in 2022 when new field turf was installed replacing the natural grass surface.

During the spring and summer of 2013, the Wayne State Soccer Complex underwent major renovations that were part of the \$1.5 million athletic improvement project. Improvements to the soccer field included a new scoreboard, fencing and widened playing surface.

## **Pete Chapman Softball Complex**

Located north of Memorial Stadium, the softball complex opened in the spring of 1996. In the spring of 2006, the facility was named the Pete Chapman Softball Complex in honor of the late Wayne State College athletic director/football coach and his contributions to the Wildcat athletic department.

The Pete Chapman Softball Complex has evolved into one of the nicest facilities in the Central Region. Improvements made over the years include a concrete pad/walkway to the facility from the Rec Center parking lot, enclosed pitching cage and bullpen areas for both teams, a new wood fence in the summer of 2009 and digital scoreboard for the 2011 season.

The Pete Chapman Softball Complex hosted the 2010 NCAA Central Regional Softball Tournament.

## **Pete Chapman Baseball Complex**

Located north of Memorial Stadium, the baseball complex opened in the spring of 1996 after playing its home games off campus at the local American Legion Field. In the spring of 2006, the facility was named the Pete Chapman Baseball Complex in honor of the late Wayne State College athletic director/football coach and his contributions to the Wildcat athletic department.

The baseball field received a facelift in the summer of 2004 with the additions of locker rooms, restrooms, a concession stand and press box. A new wood fence was installed on the baseball field in the summer of 2005 followed by a new 10-inning scoreboard placed in right-center field in the fall of 2007. The Pete Chapman Baseball Complex hosted the NSIC Baseball Tournament in 2005, 2006, 2007 and 2008.

# ATHLETIC TRAINING SERVICES

## **Muffin Morris** *Head Athletic Trainer*

Dr. Muffin Morris is in her 18th year (2025-26) at Wayne State College as the Head Athletic Trainer. She oversees athletic training for all 15 sports at Wayne State College and is the head athletic trainer for football and men's basketball.

She also serves as an advisor to the WSC Student Athlete Advisory Committee and worked three years (2013-16) as senior women's administrator.

Prior to arriving at Wayne State, Morris worked four years at the University of South Dakota. She served as a graduate assistant athletic trainer and worked with football, swimming/diving, track and field/cross country and volleyball programs with the Coyotes.

Morris, a native of Chariton, Iowa, earned her bachelor's degree from Buena Vista University in athletic training in 2004. She received her master's degree from the University of South Dakota in 2006 in health, physical education and recreation and obtained her doctorate degree in adult/higher education from the University of South Dakota on July 31, 2008.

Morris resides in Wayne.

## **Dr. Joseph Carreau** *Board Eligible Orthopaedic Surgeon*

Dr. Joseph Carreau joined CNOS in 2016 after completing fellowship in Orthopaedic Sports Medicine at the University of Iowa. He is originally from Colorado where he attended Colorado State University for his undergraduate education. Thereafter, he pursued medical school at Creighton University in Omaha, Nebraska and in 2005 traveled to San Diego to complete his orthopaedic surgery residency at the University of California, San Diego. There he received extensive training

in adult and pediatric trauma and joint replacement surgery. He developed a special interest in advanced arthroscopy and the treatment of athletic injuries, thus chose to pursue fellowship training in Sports Medicine through the University of Iowa.

At the University of Iowa, Dr. Carreau was trained by national leaders in the practice of advanced arthroscopic techniques, cartilage transplantation, shoulder instability, patellofemoral problems, ligamentous injury of the knee and shoulder replacement surgery. He also received extensive training in the treatment of all athletes at the University of Iowa and was assistant team physician to the Hawkeye Football Team during their historic 2015 season.

Carreau currently serves as Orthopaedic team physician to the Wayne State Wildcats and assists with multiple local high schools. Dr. Carreau has published papers on various orthopaedic topics and is a member of the American Academy of Orthopaedic Surgery, the American Orthopaedic Society for Sports Medicine and the Arthroscopy Association of North America. Dr. Carreau and his wife have four children. He is an avid fisherman and enjoys the outdoors.

## **Dr. Michael Nguyen** *Team Orthopedist*

Dr. Michael Nguyen joined CNOS as a Primary Care Sports Medicine Physician after completing his fellowship training in Sports Medicine at Morristown Medical Center in Morristown, N.J. He initially trained in family medicine in Waterloo, Iowa through the University of Iowa. He earned his medical degree as well as his MS in Hyperbaric Medicine from Saba University School of Medicine in Saba, Netherland-Antilles. Dr. Nguyen also earned a MS in Health Sciences Research from Texas State University

at San Marcos.

Utilizing his specialized training, Dr. Nguyen will focus on treating patients with orthopaedic injuries and conditions. His expertise includes treating sports medicine issues, concussions, osteoporosis and other musculoskeletal injuries using a comprehensive approach. Prior to joining CNOS Dr. Nguyen practiced at Atlantic Sports Health in Morristown, N.J. During his fellowship in N.J., Dr. Nguyen cared for athletes of all ages, both amateur and elite. He helped cover the N.Y. Jets football team, mixed martial arts events, as well as major triathlons and marathons in the tri-state area. He worked as an ER physician at Grundy Memorial Hospital in Grundy Center, Iowa and Waverly Health Center in Waverly, Iowa as well as several other vtowns across the state.

## **Ralph Barclay Wildcat Sports Medicine Center**

The Ralph Barclay Sports Medicine Center opened December 1, 2005 and brings a state-of-the-art athletic training facility to its campus. The 4,000 plus square foot center is located next to the Wayne State College Recreation Center and will serve as the hub of treatment and rehabilitation services.

Dedicated to quality care, the Ralph Barclay Sports Medicine Center provides the finest in sports rehabilitation and athletic training services to Wayne State student-athletes.

The Ralph Barclay Sports Medicine Center represents excellence; a total commitment by Wayne State College to the health of its' students. The facility was named in honor of Dr. Ralph Barclay, who spent 33 years as a coach and professor at Wayne State. He was chairman of the Health, Physical Education and Recreation Division and in recognition of his significant commitment to the college, then WSC President Richard Collings and alumnus Regg Swanson made the request to the Nebraska State College Board of Trustees to officially name the center in Ralph Barclay's honor.

# WEIGHT ROOM/LOCKER ROOM

## **Wildcat Strength/Conditioning Center**

Recognizing the importance of first-class facilities for their student athletes, the Wayne State College athletic department completed a state-of-the-art renovation to its athletic facilities in the 2008-09 school year, including a new weight room constructed at Memorial Stadium.

All Wayne State student athletes have utilized the benefits of new weight room equipment that features 18 platforms and racks, dumbbells and selectorized machines. The facility allows 72 student athletes to work out at the same time.

The project has enhanced Wayne State's ability to attract high quality student athletes and provide current team members the resources necessary to compete at the NCAA Division II level.

## **Football Locker Room**

As part of the \$4.5 million state-of-the-art renovation to Memorial Stadium and Rice Auditorium, the Wayne State College football team received a new locker room at the start of the 2009 season. The locker room features custom-built wooden lockers made by Wayne-based Heritage Industries along with new showers and restroom facilities for the Wildcat football players.

# PRESSBOX / ERNEST AND LYLA SWANSON CLUB ROOM

*The press box is 5,220 square foot and includes an elevator and provides space for all of the existing functions of the press box while increasing the size of several spaces to meet current and future needs. The new space provides more working space for game-day staff and a better working environment for local and regional media. The first event hosted in the new facility was the Wildcat home football game vs. Winona State on Thursday, August 30, 2018.*

*The Ernest and Lyla Swanson Club Room was formally dedicated during a ceremony held on October 28, 2018. The facility features a club level where Wildcat boosters can enjoy a climate controlled view of the game. The new space will also provide Wayne State athletics and other groups on campus the opportunity to host special events.*

# **HEAD COACH LOGAN MASTERS**

Former Wildcat standout receiver Logan Masters enters his fourth season (2025) as head football coach at Wayne State College. He was promoted to head coach of the Wildcat football program on February 11, 2022 and is the 23rd head coach in the 108-year history of Wayne State football.

The Wildcats finished the 2024 season at 7-4 overall and 6-4 (fifth place) in the Northern Sun Conference. It was the fourth straight season WSC football has won seven or more games, a feat never accomplished in the 108-year

history of the program. Quarterback Nick Bohn became just the third player in school history to reach 10,000 yards of total offense while three-time All-NSIC First Team offensive lineman Jett Janssen was voted a finalist for the Gene Upshaw Award as the top Division II lineman.

Under Masters in 2023, the Wildcats finished 8-3 overall and 7-3 in the NSIC, just missing the NCAA Division II playoffs after being listed in every regional ranking. Highlighting the 2023 campaign were a pair of home wins over nationally ranked teams, beating #17 Minnesota Duluth on homecoming 28-18 and a 14-12 victory over #12 Augustana in a late October snow storm. Coupled with a nine-win season in 2022, it marked just the third time in Wildcat history that a WSC football team won eight or more games in back-to-back seasons, joining the 2008 (9-3) and 2009 (8-3) teams and the 1948 (8-1) and 1949 (9-0) Wildcat squads to achieve the rare feat. Masters coached 12 All-NSIC performers including NSIC Newcomer of the Year Kendrick Watkins-Hogue to go with three players that received All-Super Region 4 honors.

It was a memorable first season on the Wildcat sidelines for Masters, who guided Wayne State to a first-ever Northern Sun Conference overall championship with a 9-2 regular season record while also leading the 'Cats to the NCAA Division II playoffs for just the second time in school history. Wayne State was a perfect 6-0 at home and the nine wins matches the most wins in school history for a single season. Masters, who coached nine All-NSIC selections and pair of All-Super Region 4 performers, was rewarded with NSIC Coach of the Year honors in his first season as head coach at WSC as the 'Cats closed with a 9-3 record following a first round NCAA Division II playoff setback at #19 Minnesota State 26-9.

Masters served the previous two years (2020 and 2021) as offensive coordinator, coaching WSC to a 7-4 record in the 2021 and the schools' first national ranking in a decade after a 5-1 start that included road wins at #11 Minnesota Duluth and #11 Minnesota State within three weeks of each other. Under Masters in 2021 the WSC offense ranked third in the NSIC in rushing offense (182.1 yards per game) and the 414.5 yards per game in total offense were the most by a Wildcat offense since 2014.

Masters returned to the Wildcat sidelines after spending three seasons (2017-19) at Chadron State College where he was offensive coordinator and quarterbacks coach in 2019 and served as wide receivers coach and game operations manager the previous two years. He coached Chadron State's first-ever 3,000 yard passer in 2019 and was a part of three straight winning seasons with the Eagles (6-5 in 2019, 7-3 in 2018 and 6-5 in 2017).

Masters got his coaching start working six years on the Wayne State sidelines from 2010-16. He started as tight ends coach in 2010, was a graduate assistant/wide receivers coach in 2011-12, served as wide receivers coach in 2013 and '14 and was promoted to offensive coordinator in 2015 when John McMenamin departed WSC for Central Missouri and served in that role for two more years before moving on to Chadron State College.

A native of Storm Lake, Iowa, Masters attended Wayne State College and had a standout playing career at wide receiver from 2006-09, helping the Wildcats make two post season appearances while setting nearly every receiving record at WSC. He finished his career as the all-time leader in receptions (258) and receiving yards (3,863) and caught at least two passes in every game (46) he played in a Wildcat uniform.

As a senior, he was First Team All-NSIC South Division and one of 24 candidates for the Harlon Hill Trophy, given to the top player in NCAA Division II. In his junior season (2008), Masters hauled in a career-best 80 catches for 1,179 yards and was First Team All-NSIC South Division and Daktronics First Team All-Super Region #3 while helping WSC to a 9-3 record and the schools' first-ever trip to the NCAA Division II playoffs.

Masters, inducted into the WSC Athletic Hall of Fame in 2021 and the NSIC Hall of Fame in 2023, and his wife Amber reside in Wayne with their four sons - Lincoln, Langston, Leyton and Lawyer.

# WILDCAT ASSISTANT COACHES

**Scott McLaughlin**  
*Defensive Coordinator*

Scott McLaughlin is in his 19th year (2025) as an Assistant Football Coach and 11th season as Defensive Coordinator at Wayne State College. McLaughlin also works with the Wildcat linebackers. McLaughlin was promoted to defensive coordinator following the 2014 season after serving six seasons as special teams coordinator and linebackers coach. He also worked with the defensive line for four

seasons prior to being special teams coordinator.

Under McLaughlin, Wayne State's defense ranked fifth in the NSIC during the 2024 season allowing 327.5 yards per game and posted two shutouts in a season (30-0 at UMary and 21-0 vs. Concordia-St. Paul) for the first time since 2006 when WSC blanked Minnesota Crookston (28-0) and Northern State (7-0) in back-to-back weeks.

The Wildcats were 8-3 in the 2023 season and 7-3 in conference play. Under McLaughlin, the WSC defense led the NSIC and ranked third in NCAA Division II in turnover margin at +18 and was first in the NSIC in interceptions (19) while ranking second with 10 fumble recoveries.

In the 2022 season, McLaughlin's Wildcat defense ranked fourth overall in the Northern Sun Conference allowing just 303.8 yards per game as WSC finished the season at 9-3 overall while collecting its first-ever NSIC overall championship to go with second-ever NCAA Division II playoff appearance. Wayne State's defense ranked #1 in the NSIC in passing defense allowing just 170.3 yards per game and #1 in defense efficiency rating allowing opponents to complete as NSIC-low 50.9 percent of its passes.

Wayne State's defense ranked sixth in the NSIC during the 2021 season allowing 375.5 yards per game as the Wildcats posted a 7-4 record for the first seven-win season in a decade.

In 2018, the Wildcat defense notched its first shutout since the 2011 season with a 34-0 victory at Minot State. Under McLaughlin, Wayne State ranked second in the NSIC in pass defense allowing just 199.8 yards per game and featured the NSIC's top tackler in junior linebacker Tyler Thomsen, who averaged 10.9 tackles per contest.

Under McLaughlin in 2017 the Wildcat defense tied for the most interceptions (24) in NCAA Division II in the regular season and created 32 total turnovers to rank third nationally while helping WSC to a 6-5 record.

Scott is a graduate of the University of Nebraska-Omaha and played defensive line for the Mavericks. He also served as a student assistant at UNO and worked as the team's video coordinator for three seasons before coming to Wayne State College.

McLaughlin earned a bachelor's degree from the University of Nebraska-Omaha in continuing education and received his master's degree at Wayne State College in sport management in May, 2009.

Scott and his wife Lindsay reside in Wayne with their sons Cooper and Noah.

**Brody Rohach**  
*Offensive Coordinator*

Former Wayne State quarterback Brody Rohach is in his second season on the Wildcat coaching staff and will serve the 2025 season as offensive coordinator after coaching wide receivers in 2024, helping the Wildcats to a 7-4 record.

Prior to arriving in Wayne, Rohach served as tight ends coach at Division I Northern Iowa in the 2023

season.

Rohach acted as quarterbacks coach and academic coordinator at Sioux Falls in 2022 helping the Cougars to an 8-3 record. He served as offensive coordinator at Waldorf University in Iowa for two seasons (2020-21) where he coached 15 All-Conference players in two seasons and had a 13-6 record. Other coaching stops for Rohach include offensive/recruiting coordinator at Coe College in Iowa from 2018-2020, wide receivers coach and recruiting coordinator at Buena Vista University in 2017 and graduate assistant running backs coach at Central Missouri from 2015-17.

Rohach played three seasons at Wayne State from 2012-14 at quarterback after starting his collegiate career at Division I San Diego and earned two NSIC All-Academic Team honors as a Wildcat.

# WILDCAT ASSISTANT COACHES

**D'Mauria Martin**  
*Special Teams Coordinator /  
Defensive Backs Coach*

D'Mauria Martin is in his first season at Wayne State serving as special teams coordinator and defensive backs coach.

Martin spent the previous two years as special teams coordinator and linebackers coach at Briar Cliff. Prior to that Martin served the 2022 season

as an assistant coach at Chadron State working with the team's cornerback room. He began his coaching career at Concordia University in Seward where he was graduate assistant defensive back coach from 2019-21 after serving as a volunteer coach in 2018.

As a player Martin was a four-year starter at Concordia where he was First Team All-GPAC twice and honorable mention as a sophomore. During his career he recorded 136 tackles with 30 pass breakups and seven interceptions highlighted by a three interception game as a senior in 2017 to set a single game school record.

Martin earned his bachelor degree from Concordia Seward in recreation and sports studies and obtained a masters degree in coaching and athletic administration from Concordia Irvine.

**Will Anglin**  
*Defensive Line Coach*

Will Anglin is in his third season (2025) at Wayne State, serving as a coaching assistant and working with the defensive line.

Anglin coached a Wildcat defensive line in 2024 that ranked fourth in the NSIC with 27 sacks, anchored by All-NSIC First Team and D2CCA

All-Super Region 4 Second Team selection Carter Sitzman who led the NSIC in tackles for loss (15.5/57 yds) and was tied for second in sacks with seven for 37 yards.

Anglin came to WSC after coaching one season (2022) at Alderson Broaddus in West Virginia where he served as cornerbacks coach and recruiting coordinator.

Other coaching stops for Anglin include three years (2019-21) at Louisiana Christian, one year (2018) and a graduate assistant coach for two years at Northwestern State in Louisiana.

At Louisiana Christian, Anglin was the special teams coordinator in 2021 coaching the #1 ranked kick return and #7 punt return team in the nation. He was the defensive backs coach two seasons (2020, 21) coaching three All-Conference players and served as linebackers coach in 2019 coaching one All-Conference performer.

Anglin is a native of Shreveport, Louisiana and attended Northwestern State where he played safety and earned a bachelor's degree in health and human performance. He also obtained a master's degree at Northwestern State in sports administration while also working as a graduate assistant coach.

A graduate of C.E. Boyd High School in Shreveport, Anglin competed in Olympic weightlifting in the Junior Olympics winning the gold medal as a national champion.

Will and his wife Catie reside in Wayne.

# WILDCAT ASSISTANT COACHES

**Kaleb Gaster**  
*Offensive Line Coach*

Kaleb Gaster is in his third season (2025) at Wayne State College and will serve as a coaching assistant working with the Wildcat offensive line after working with running backs (2024) and tight ends and running backs in the 2023 season with the Wildcats as

a graduate assistant coach the previous two seasons.

Gaster comes to Wayne State after graduating from Western Colorado where he was a member of the Mountaineer football team for six years. He played offensive line, earned four letters and was Rocky Mountain Athletic Conference (RMAC) All-Academic First Team in 2022.

Gaster hails from Colorado Springs, Colorado and attended Mesa Ridge High School where he was an All-State offensive lineman along with All-Conference and All-Area Gazette selection during his senior season. He was a three year starter and served as team captain during his junior and senior seasons.

Gaster earned a master's degree from Wayne State College in sport management and resides in Wayne.

**Zach Morel**  
*Running Backs Coach*

Zach Morel is in his first season at Wayne State serving as running backs coach.

Morel comes to WSC after spending the past two seasons as wide receivers coach at MidAmerica Nazarene in Kansas where both seasons he helped the team to 9-2 records and a NAIA playoff

berth in 2024.

Morel attended Waldorf College in Iowa where he was a receiver and punter, earning North Star Athletic Association Honorable Mention while also selected to the 2021 NAIA Senior All-Star Game. A native of Oceanside, California, Morel began his collegiate career at Palomar Community College.

**Tanner Johnson**  
*Tight Ends Coach*

Tanner Johnson is in his second year (2025) as a football coaching assistant at Wayne State College, working with tight ends.

Johnson is familiar with Northern Sun Conference football, coming to

Wayne after a playing career (tight end) at Winona State and Minnesota State. A native of Appleton, Wisconsin, Johnson played his last two seasons at Winona State. He appeared in all 12 games during the 2022 season and was an All-NSIC Academic Team selection.

Johnson began his collegiate football career at Minnesota State where he spent three years (2019-21), appearing in all 26 games during two seasons that included the 2019 NCAA Division II national championship game. He recorded 11 catches for 81 yards and one TD during his time in Mankato.

**Isaiah Powell-Majors**  
*Defensive Backs Coach*

Isaiah Powell-Major is in his second year (2025) as a graduate assistant coach with the Wildcat football program and will coach defensive backs.

Powell-Major comes to WSC after completing a collegiate playing career as a defensive back at Fairmont State and Seton Hill (Pa.). As a senior in 2023, Powell-Major recorded 36 tackles in 11 games with three interceptions that included a new school record 97-yard return for touchdown vs. Concord (N.C.). He also finished with 18 passes defended to go with one forced fumble and one fumble recovery.

A native of Elk Ridge, Maryland, Powell-Major began his collegiate career at Seton Hill.

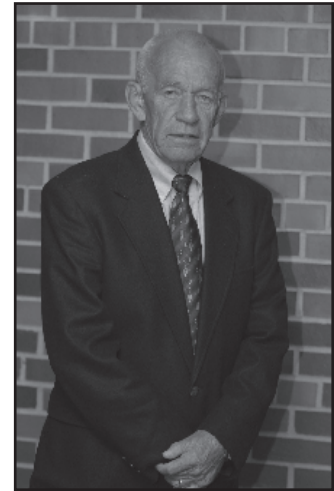

Powell-Major is pursuing a master's degree at Wayne State in organization/sport management.

# WILDCAT COACHING HISTORY

**Dan McLaughlin (2005-19) is the all-time wins leader at Wayne State posting a 79-88 record in 15 years as head coach. He rebuilt the Wildcat program and turned WSC into a contender in the NSIC resulting in a trip to the Mineral Water Bowl in 2007 and the school's lone trip to the NCAA Division II playoffs in 2008.**

**The late Del Stoltenberg, inducted into the WSC Athletic Hall of Fame in 2004, was the second-longest tenured coach in Wayne State football history, serving 14 seasons (1969-82).**

### **2025 Wildcat Coaching Staff**

# 2025 SEASON OUTLOOK

Despite losing six of seven All-Northern Sun Conference performers to graduation or the transfer portal and returning just 10 starters from last season, goals are high again for the Wayne State football team entering the 2025 football season.

Logan Masters enters his fourth season on the Wildcat sidelines and has records of 24-10 overall and 22-9 in NSIC play. The 'Cats are coming off a 7-4 campaign last season (6-4 NSIC to tie for fifth place), marking the fourth straight year that WSC football has won seven or more games in a season and a feat that has never been accomplished in the 108-year history of the program until now.

WSC returns just four starters on the offensive side of the ball and seven on defense where the 'Cats recorded two shutout wins last season for the first time since the 2006 season – 30-0 at UMary October 19th and 21-0 over Concordia-St. Paul to end the season.

The Wildcats need to replace four-year starting quarterback Nick Bohn and three-time All-NSIC left tackle Jett Janssen on the offensive line along with All-NSIC First Team punter Trevor Marshall and two-time All-NSIC First Team linebacker Dexter Larsen.

"I am excited about the togetherness of our football team. We have a great group of core guys who know what it takes for us to be successful and they have done a really good job of bringing the newcomers in. We're excited to get back on the field together to keep growing as a football team."

Junior defensive end Carter Sitzman was voted by league coaches as the NSIC South Division Pre-season Defensive Player of the Year and the Wildcat Player to Watch on Defense while senior center Will Washenberger was tabbed Wayne State's Offensive Player to Watch.

"Carter is one of the best returning players in our league and has had a great offseason," remarked Coach Masters. "His work ethic and competitive spirit makes Carter a special player. Carter has really stepped up his role as leader in our program this offseason."

Sitzman is coming off a stellar sophomore season where he was named D2CCA All-Super

Region 4 First Team and All-NSIC First Team after leading the NSIC in tackles for loss (15.5 for 57 yds) and sacks per game (7.0 for 37 yds). He was third on the team in tackles with 54 and was listed on this year's D2Football.com Elite 100 Watch List for 2025.

Washenberger will enter his third year as the starting center on the Wildcat offensive line and is the most-experienced returner on the offensive side of the ball.

"Will is a tremendous player and leader for our football program," commented Masters. "He is a three-year starter and our leader on the offensive side of the ball. His work ethic and how he handles himself on and off the field is what every coach wants in a young man."

Other returning starters for the Wildcats on offense include senior right guard Jake Stier, senior left tackle Tierel Tompkins and junior tight end Dane Peterson.

Redshirt sophomore Bennett Dannenbring takes over at quarterback replacing four-year starter Nick Bohn, who finished his Wildcat career ranked third in total offense with 10,076 yards and passing yards at 8.559. Redshirt freshman Brady McGill is expected to serve in a backup role.

At running back, redshirt junior Dawson Forgy has the most experience and is coming off a shortened season where he sustained a season-ending injury early in the fourth game of the season. Sophomore Akeem Knox had a strong finish to the season – 162 yards on 30 carries vs. Concordia-St. Paul – is the team's top returning rusher with 435 yards on 105 carries averaging 4.1 yards per attempt. Sophomore Brennan Hayes also gained experience due to injuries last year and had 335 yards in just six games averaging 8.8 yards per carry highlighted by a 137-yard effort at UMary.

The wide receiving group was hit hard by graduation as the 'Cats lost their top four and six of seven receivers from one year ago. Sophomore Keaten Bonderson played in seven games and has big-play speed, shown by his 39.8 yard per catch average last season with four grabs for 159 yards and two scores. Winona State transfer Ty Johnson is expected to see immediate action while sophomores Curtis Witte and Alex Phelps and senior Colton

# 2025 SEASON OUTLOOK

Andrews expected to see playing time at wide receiver.

At tight end, Wayne State returns junior starter Dane Petersen with sophomore Tanner Houck and junior transfer Trevor Schwartz expected to rotate at the position.

The Wildcat offensive line returns the most talent on the offensive side of the ball with Washenberger, Tompkins and Stier back as starters.

Defensively, the 'Cats feature seven returning starters and six of their top nine tacklers back despite losing the top two tacklers – linebackers Dexter Larsen and Alex Schall – to graduation.

Three starters are back on the defensive front led by Sitzman at defensive end. Other returners include junior Luke Lambert (sixth last year with 43 tackles) and senior nose guard Kaden Sutton.

Other key returners on the defensive line include senior Trent Rasmussen, sophomore defensive end Jackson Bos (41 tackles, 10 TFL) and junior defensive end James Frank. South Dakota State transfer Max Chapman, a redshirt freshman from Creston, Iowa, could also contend for playing time.

The linebacker position features the return of fifth-year player Alex Kowalczyk, who had 28 tackles in just three games until suffering a season-ending injury early in the fourth contest at Winona State. He was the team's top tackler in 2021 and 2022 earning All-NSIC honors both seasons along with All-Region honors as a sophomore before suffering injuries in the last two seasons.

Junior Clyde Hinton – fourth in tackles last season with 44 – is a returning starter at Sam linebacker. Senior Isaac Robinson and redshirt freshmen Zach Smid and Dayne Mauk will also battle for time in the middle of the Wildcat defense.

The Wildcat lost a pair of longtime starters in safeties Jacob Byrd and Gerale Flye. Returning at cornerbacks are senior Marzion Cosby and Brayden Chaney, who had a strong finish to last season and finished with 42 tackles, four pass breakups and two interceptions for 58 return yards.

Junior Mitchell Andersen is expected to earn one of the starting safety spots this season while a number of players contend for the other safety position along with playing time.

Winona State transfer Ty Johnson, who led the NSIC in punt returns last season, will return punts and kickoffs for the Wildcats this season along with running

back Dawson Forgy.

Junior placekicker Boston Hensley is looking to stay healthy this year after missing several games in the middle part of last year's campaign. He still finished 31-33 on PAT kicks and was 6 of 6 on field goals. WSC needs to replace All-NSIC First Team punter Trevor Marshall, who averaged 44.1 yards per punt last season. The 'Cats will look to Sioux City East freshman Jacob Borrall, who was First Team All-State in Iowa last year as a senior, after averaging a net 42.9 yards per punt last fall.

With the addition of Jamestown in the Northern Sun Conference this season, NSIC football returns to divisional play with 10 overall conference games and six

contests in the South Division. Wayne State was picked to finish sixth overall and fourth in the South Division in the Preseason NSIC Football Coaches' Poll released August 5th.

Wayne State opens the 2025 season with in-state rival Nebraska-Kearney back on the schedule for the first time since 2011 as the two teams meet at Bob Cunningham Field in Wayne on Thursday evening, August 28th.

The Wildcats have six home games on the 2025 schedule with three of the contests against NCAA Division II playoff teams from one year ago while also being nationally ranked to start the 2025 campaign. Bemidji State is 16th, Minnesota State 11th and Augustana 23rd in the AFCA Division II Preseason Coaches Poll while the D2Football.Com Top 25 Media Poll finds Minnesota State fourth, Augustana 16th and Bemidji State 19th to start the season.

He led the NSIC in tackles for loss this season with 15.5 for 57 yards and was tied for second in sacks with 7.0 for 37 yards. Sitzman was third on the Wildcat defense in total tackles (54).*

*Trevor Marshall was voted All-NSIC First Team on special teams at punter after leading the NSIC in numerous punting categories last season. He led the league in punt average (44.1), punts over 50 yards (15) and punts inside-the-20 with 16. Marshall had 48 punts this season with only two touchbacks. He also recorded 23 kickoffs and averaged 59.7 yards per kickoff with nine touchbacks and just one kick out of bounds.*

# THE NORTHERN SUN INTERCOLLEGIATE CONFERENCE

## THE HISTORY OF THE NSIC

From its modest origin as a six-team alliance over nine decades ago, the Northern Sun Intercollegiate Conference has matured into a 15-team union of upper Midwest colleges and universities to form arguably the strongest affiliation in NCAA Division II.

The NSIC can trace its roots to 1932 when six schools, including Bemidji State University, Minnesota State University, Mankato, Minnesota State University Moorhead, St. Cloud State University, University of Minnesota Duluth and Winona State University signed on as charter members. All remain active subscribers of the league today.

Southwest Minnesota State University was added in 1969, followed by Northern State University in 1978, Wayne State College (NE) in 1998, Concordia University-St. Paul and the University of Minnesota Crookston in 1999, the University of Mary and Upper Iowa University in 2006, Augustana University in 2008, Minot State University & the University of Sioux Falls in 2012 and the University of Jamestown in 2025. Upper Iowa departed the league following the 2022-23 season, as the NSIC was a 15-team league through 2024-25 until the University of Jamestown joined on July 10, 2025 to bring the league back to 16 teams.

Minnesota State, St. Cloud State and Minnesota Duluth left the league to join the North Central Conference but returned to the NSIC in 2008. University of Minnesota, Morris and Michigan Tech University were once part of the NSIC family as well. Upper Iowa left the league following the 2022-23 season.

In 1992 the NSIC became a true athletic showcase for both men and women with the merger of the traditional Northern Intercollegiate Conference (NIC) and the Northern Sun Conference (NSC), the home of women's athletics since 1979.

Before NSIC affiliates became certified for championship competition in the National Collegiate Athletic Association (NCAA) in 1995, its member institutions filled prominent roles in the National Association of Intercollegiate Athletics (NAIA). NIC and NSC clubs annually dispatched qualified student-athletes to national tournaments and captured several NAIA teams and individual championships.

The NSIC continues to make a major imprint nationally, winning 27 national titles since 2006. Winona State men claimed NCAA II Basketball Championships in 2006 and 2008 and narrowly missed a third crown, falling in a last second shot in 2007. In addition, the Warriors established a NCAA II record of 57 consecutive victories.

Concordia University launched an ongoing streak of seven consecutive NCAA II Volleyball Championships in 2007. In 2008 the Golden Bears won 37 straight matches after a season opening loss on their way to a second consecutive title and scripted a marvelous encore in 2009 with a perfect 37-0 finish, a third straight national crown and a winning streak of 74 straight matches. In 2010 the Golden Bear extended that NCAA record win streak to 75 before dropping their second match of the season. They started 2010 with a 10-4 record before ripping off 22 straight wins on their way to their fourth straight national title. In 2011, after overcoming midseason injuries, the Golden Bears hit their stride. The Golden Bears knocked off No. 1 and undefeated Cal State San Bernardino to become the first team in the history of NCAA Division II women's volleyball, to capture a fifth consecutive NCAA Division II Championship. Then in 2012, the Golden Bears again made a late season and championship match surge as they defeated Tampa 3-2 after trailing 0-2 to win their sixth straight NCAA DII Volleyball National Championship. In 2013 Concordia-St. Paul won the NSIC regular season title, but was defeated in the NSIC Tournament Championship by Minnesota Duluth. But from there the Golden Bears ripped off six straight NCAA postseason wins, extending their streak to 42, on their way to a 3-0 sweep of BYU-Hawaii to win another NCAA National Championship. After a two year hiatus, the Golden Bears return to the top of Division II volleyball as they won the 2016 and 2017 national championships.

In a most surprising run, Minnesota Duluth completed a perfect 15-0 season by winning the 2008 NCAA Division II Football Championship. The Bulldogs, limited to only 24 scholarships by league rule, swept a field of fully-funded teams, including top ranked Grand Valley State and number three Northwest Missouri State. Two years later, in 2010, the Bulldogs repeated that feat, going 15-0 again to win the national championship. The Bulldogs became the first NCAA DII football squad to win two national championships with undefeated records.

Minnesota State added more luster to the league by finishing 32-2 and claiming the 2008-09 NCAA II Women's Basketball Championship. The Mavericks rolled to a wild 103-94 victory over Franklin Pierce to set a NCAA record for total points in the title game.

In 2017 the Maverick softball team went 64-7 to win the National Championship. The Mavericks went 10-1 in NCAA play, including 5-0 in Salem Virginia as they defeated Angelo State 5-1 in the championship game.

The Mavericks added their third team national championship in 2021-22 when they took home the women's indoor track & field championship. Makayla Jackson took home individual national championships in the long jump and the 60m dash, while Denisha Cartwright won the 60m hurdles title, helping the Mavericks score 56 team points.

In 2023-24, Minnesota State became just the second institution in NCAA Division II history to win both men's and women's basketball national titles. The men's team used a last second three pointer by Kyreese Willingham, assisted by his brother Malik, to defeat Nova Southeastern 88-85 while the women avenged three regular season losses in their playoff run, including defeating Texas Women's University 89-73 in the title game.

Augustana got into the mix of national championships in 2011 when their women's cross country team turned in a true team performance in Spokane, Washington. All five Viking runners earned All-American status as Augustana won the first cross country national championship in NSIC history.

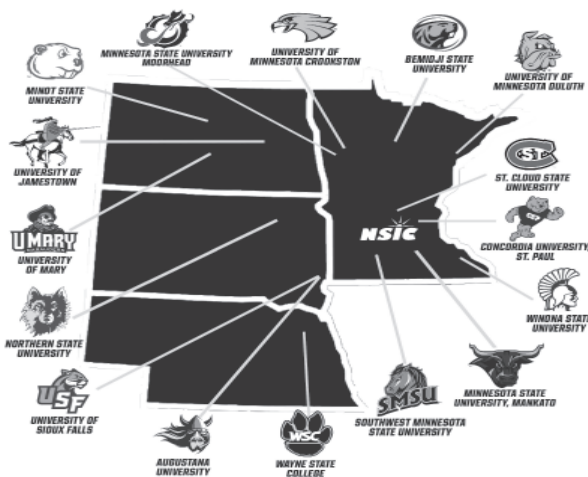

The Vikings men's basketball team won the 2015-16 National Championship after going 34-2 and defeating Lincoln Memorial 90-81 in Frisco, Texas. The 2018 Augustana baseball team became the first NSIC institution to win a national championship in baseball, as the Vikings had an impressive post season, going 8-1 in NCAA play and a perfect 4-0 in Cary, North Carolina to finish the season 52-9.

In 2019 it was the Augustana Softball team that made a run to the national championship as the Vikings went 61-11 and defeated Texas A&M Kingsville twice by the score of 6-4 to win the National Championship.

After multiple runner-up finishes, the St. Cloud State Huskies finally captured the national championship in wrestling in 2015. They repeated in 2016 and then took home the title again in 2018, 2019 & 2021.

Member schools continue to emphasize the educational, entertainment and unifying value of sports while pointing with pride to the many advantages to be gained by attending these colleges and universities. The NSIC is committed to providing rewarding experiences for its student-athletes, and while the challenges that loom are sizable, indeed, the NSIC is surely well positioned for the future.

**Wayne State head football coach Logan Masters was inducted into the NSIC Hall of Fame on July 11, 2023. Masters is the all-time leading receiver in Wildcat football history and one of the best all-time in the NSIC, ranking third in NSIC games with 207 catches for 3,118 yards and 20 TD's.**

**All four seasons he earned All-NSIC honors, starting with honorable mention as a freshman, All-NSIC Second Team as a sophomore and All-NSIC First Team as a junior and senior. Masters helped a Wildcat football turnaround that included a trip to the Mineral Water Bowl in his sophomore season and the school's first-ever trip to the NCAA Division II playoffs as a junior in 2008.**

**Masters closed his Wildcat career with 258 receptions for 3,863 yards averaging 15.04 yards per catch, all WSC school records.**

# EGG BOWL HISTORY

The Egg Bowl Game was started in 1989 by the Milton G. Waldbaum Company of Wakefield and its chief executive officer, the late Daniel Gardner, a longtime supporter of Wayne State athletics. The event was created as a fun and innovative way to promote the egg industry and great way to support Wayne State College athletics. A commemorative game ball is given to one player from each team competing in the annual game. The Milton G. Waldbaum Company later became Michael Foods and their egg industry associates have actively supported this event, entering its 36th year in 2025.

Wakefield graduate Luke Hoffman became the latest Wildcat football player to be inducted into the WSC Athletic Hall of Fame during last fall's 2023 induction ceremony on October 14th.

Hoffman started every game in his four-year career at linebacker for the Wildcats from 2005-2008. He led Wayne State in tackles as a freshman and sophomore and was second on the team as a junior and senior. Hoffman ranks third all-time in tackles at WSC with 385 and was a consistent performer on the Wildcat defense with 98, 100, 90 and 97 tackles in his four seasons.

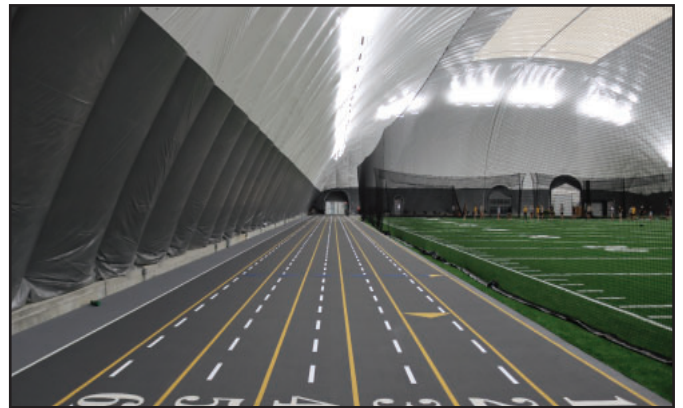

Hoffman helped turn around a WSC football program that went from 3-8 at the start of his career to 9-3 as a senior and the school's first-ever NCAA Division II playoff appearance (2008) along with playing in the Mineral Water Bowl in 2007 during his junior season.

Hoffman was First Team All-NSIC and First Team All-Super Region #3 as a senior. Academically, Luke was an ESPN The Magazine Academic All-District selection as a junior and senior and was First Team All-American as a senior with a 3.87 GPA majoring in elementary education.

# WILDCAT DOME

*The Wildcat Dome, the first phase of the \$32 million WSC Athletic and Recreation Complex Renovation and Addition Project, was completed in January, 2025 after 1 1/2 years of work. The facility is utilized by all Wildcat athletic programs and has especially enhanced the off-season workout program for Wildcat football with 90 yards of artificial turf surface allowing the team to practice indoors during bad weather and have more space for off-season workouts.*

*The new 103,000-square-foot air-supported structure has a 300-meter synthetic track (the only one in the state of Nebraska). The infield of the track will have a multi-functional artificial turf with a perimeter protective netting system and four baseball/softball hitting cages along with a practice putting area and two simulators for women's golf.*
