BAIN-SCHAEFFER BUFFALO STADIUM

THE BUFFALOES

FIRST UNITED FIELD at BAIN-SCHAEFFER BUFFALO STADIUM

First United Field at Bain-Schaeffer Buffalo Stadium seats 8,500 with an estimated total capacity of 12,000 when including overflow berm seating and standing-room-only space at the concourse level. The state-of-the-art stadium opened in 2019 and has been regarded as one of the best stadiums in NCAA Division II football.

The stadium features a video scoreboard structure, a ribbon board system, and a concourse that provides full circulation for patrons around the stadium. Along with great features around the stadium, the field itself is a Hellas Cushdrain field which helps reduce the impact on the head during tackles creating a safer game.

There are also seven suites, which also feature seating under the cover of the upper deck. The Fairly Group Club on the second level of the stadium offers a stunning game day and year-round event space. Overlooking midfield and covering more than 4,000 square feet, it features a 20-foot glass wall to the East and offers spectacular panoramas of the Texas Panhandle.

The stadium opened in 2019 under the name of Buffalo Stadium before being receiving its current name in September 2022. The stadium is named after Barbara and Ray Bain and Geneva and Stanly Schaeffer.

The field at the stadium was named First United Field in 2023 following a naming rights agreement between the university’s athletic department and First United Bank that will last until 2033.

HOME OF THE NJCAA DIVISION I CHAMPIONSHIP

The NJCAA has selected West Texas A&M as the host site for the 2024, 2025, 2026, and 2027 NJCAA Division I Football Championships.

“The NJCAA is excited for the future of the DI Football Championship in Amarillo and Canyon,” stated Brian Luckett, NJCAA Senior Vice President for External Affairs & Development. “West Texas A&M has an incredible facility with top of the line features that are going to play an integral role in the championship experience for NJCAA student-athletes, coaches, and fans.”

LONE STAR CONFERENCE

JOSH LYNN

POSITION

HEAD COACH

ALMA MATER

EASTERN NEW MEXICO ('02)

HOMETOWN

EUNICE, NEW MEXICO

Josh Lynn is in his third season at the helm of the West Texas A&M Football program after being named the 29th head coach in program history in December of 2022.

Lynn, widely regarded as one of the nation's up-and-coming head coaches, came to Canyon following six seasons at the University of Nebraska-Kearney where he led the Lopers to an overall record of 35-25 including a run to the Second Round of the 2021 NCAA Division II Playoffs. Lynn coached 61 all-conference selections during his time in Kearney while being named the MIAA Coach of the Year in 2021.

The Lopers won a single game the season prior to Lynn's arrival, since then he turned Kearney into a national contender with three winning seasons including 18 victories over the last two years.

UNK went 8-3 overall this past season as they were nationally and regionally ranked throughout the fall. Quarterback TJ Davis was once again a finalist for the Harlon Hill Trophy as the junior claimed MIAA Offensive Player of the Year accolades for the second time while being named an AFCA Second Team All-American.

2021 saw the Lopers finish 10-3 overall with a 9-2 mark in the MIAA, reaching the second round of the NCAA Playoffs. UNK was regionally and nationally ranked throughout the year and saw Davis finish as the Harlon Hill Trophy Runner Up while also being named the MIAA Offensive Player of the Year. Thirteen others were named All-MIAA with Davis, Darius Swanson and Corey Hoelck tabbed as All-Americans.

The 2020 season was canceled by the pandemic but UNK was one of a handful of DII schools to play in the fall. The Lopers won at Pittsburg State, 31-26, for the first time in 37 years while beating in-state rival Chadron State, 45-35, at home. It was the first meeting between UNK and CSC in a decade. Two other games were canceled due to COVID protocols, thus making UNK one of 13 unbeaten teams in DII for the 2020-21 fall/spring season. More importantly, the team posted a 3.04 cumulative GPA for the year, a rise of a half point since Lynn's arrival.

Another big step took place in 2019 as Kearney posted a 7-5 record, its first winning season in the MIAA era. The Lopers upset Northwest Missouri State, 24-17, as part of a three-game win streak and toppled Winona State, 50-33 in the Mineral Water Bowl to mark UNK's fourth-ever postseason victory.

Fourteen Lopers were named All-MIAA with Davis selected as the league's top freshmen. Senior Sal Silvio was again named All-Region with Josh Stoltenberg chosen as an honorable mention All-American. Hinwa Allieu signed with the NFL's Atlanta Falcons after earning first-team All-MIAA honors.

In 2018 the Lopers improved again, going 5-6 and beginning with back-to-back wins. They capped their most successful season since 2012 with a last second road victory in the finale at Washburn. Eleven Lopers were named All-MIAA as UNK was among the national leaders in rushing.

During his first season at UNK in 2017, the Lopers were among the MIAA leaders in total defense, rushing defense, fourth down conversion rate and fewest sacks allowed. Seven Lopers were named All-MIAA with 35 making the MIAA Academic Honor Roll and one tabbed Academic All-District.

Lynn is no stranger to the Lone Star Conference and West Texas. Prior to taking the reins at UNK, Lynn spent five seasons at rival Eastern New Mexico University where he directed the turnaround of his alma mater, which had not had a winning season since 2004 prior to his arrival. He led the Greyhounds to 27 victories including a pair of C.H.A.M.P.S. Heart of Texas Bowl appearances and a share of the 2013 Lone Star Conference Title.

During that time ENMU set numerous school records while ranking among the national leaders in a variety of categories including: total offense, rushing offense, passing efficiency, rushing defense and punt return yardage. At the same time, the Greyhounds registered the LSC's highest football team GPA.

During his final season in Portales, the Greyhounds went 7-5 and battled Fort Hays State in the Heart of Texas Bowl. Tying for third place in the LSC, the 'Hounds led the league in total offense (473.4 yards per game) and rushing offense (344.6 ypg) while ranking second in passing efficiency (160.5) and rushing defense (105.3 ypg). Three ENMU players were named first-team all-conference with junior Kamal Cass chosen as the LSC's Offensive Back of the Year and also garnering All-American honors.

The 'Hounds' bowl trip in 2013 was ENMU's first postseason appearance in 30 years, with the LSC Championship marking the program's first league crown since 1991. Lynn was named the LSC Coach of the Year while also being tabbed as the Region 4 Coach of the Year by two different outlets, he was also the runner up for the Liberty Mutual Division II National Coach of the Year award.

Prior to returning to Portales, Lynn spent seven years (2005-11) at New Mexico Military Institute. He was head coach in 2011, leading the Broncos to nine wins, a bowl berth and a national ranking of sixth in the NJCAA. Lynn was NMMI's defensive coordinator for four years before becoming assistant head coach and offensive coordinator in 2010. From 2005-09, NMMI was New Mexico's winningest collegiate program. The Broncos took part in the 2009 Salt City Bowl in Hutchinson, Kansas., the program's first postseason appearance in 11 years.
