Lee Arena has served as home to the Lady Blues since 1984 and in the last six years is has provided them with a very strong home court advantage. Washburn is 140-94 all-time at home for a .598 winning percentage and in the last five years the Lady Blues have gone 76-12 (.863).

Lee Arena Facts	
Capacity	3,904
Surface	Hardwood
1st Volleyball Match	1984
Result	W, 3-0 vs Bethany

The arena, which is also home to men's and women's basketball, has a capacity of 4,179, twice that of Whiting Fieldhouse, which served as the home court prior to 1984. During most home matches only the east chairback seats are used, giving the arena a capacity of about 1,000. The Lady Blues finished second in NCAA Division II in total attendance in 2006 with 9,195 fans in 16 matches. Their average of 575 fans a match was the sixth highest.

Lee Arena served as host to the Lady Blues' first NCAA postseason appearance as they played in the South Central Region tournament in 2002. In 2007 Washburn went on the road to win the South Central Region and then was granted the right to host the NCAA National Championship. In the quarterfinal the Lady Blues set a school record with 2,231 fans as they beat No. 1 Tampa. Over 2,000 fans showed up the following night in the semifinal.

On July 6, 1999, Lee Arena was fitted with a new court design. The previous design was the original found on the court when Lee Arena opened for a basketball game on Nov. 17, 1984. The new court, which was designed by sports information director Gene Cassell, features major changes, including a filled-in 3-point circle and an enlarged Washburn "W" in the center of the court.

The arena was built as part of the \$8.4 million Kelsey H. and Edna B. Petro Allied Health Center, the largest building on campus covering more than 126,000 square feet. Lee Arena is named after former Washburn baseball coach and player Bob Lee and his wife, Sallee, to recognize their \$250,000 donation.

Whiting Field House Renovations

Class Rooms | Locker Rooms | Weight Room | Practice Courts | Offices

The 80-year-old Whiting Field House has been undergoing a complete renovation that will turn the 2,500 seat basketball court into a three-story, multi-use building that will benefit the entire campus. The project is scheduled for completion in 2009.

Other improvements to the building include a 9,258 square foot weight room, a 1,335 square foot Hall of Fame and trophy case area in the north entryway, additional classrooms and offices and practice courts for basketball and volleyball.

Whiting Field House Quick Facts

- Whiting was built in 1928 at a cost of \$225,000.
- The building was dedicated on December 18, 1928 during a game in which the Ihabods defeated Kansas, 25-24. Jayhawk coach Forrest "Phog" Allen referred to the building as "the finest field house in the state."
- In 1984 Lee Arena replaced Whiting as the home to Ihabods and Lady Blues basketball and Lady Blues volleyball. Since then Whiting has served as a practice facility for nearly all Washburn sports and as office and classroom space.

Dirt was all that remained after the Whiting court was removed.

Workers remove a brick wall that stood between the stage and the court. A giant blue, tin wall also divided the two areas.

The new wood lockers being placed in the football locker room. When completed, all sports at Washburn will have updated locker facilities.

"This is another major piece of our renovation plans of athletic facilities,"

Loren Ferré'
Athletic Director

Since he arrived at Washburn in 1996, Ferré has seen a new soccer field built, renovations to softball facilities, tennis courts, Lee Arena, Falley Field and the construction of Yager Stadium at Moore Bowl followed by new field turf and a track.

2008 Volleyball Media Guide

Just because the Lady Blues made tremendous strides last year with a No. 3 national finish after a school-record trip through the NCAA tournament, that doesn't mean 2008 will automatically be a repeat performance.

"We lost a lot of talent after last year," said seventh-year head coach Chris Herron. "We kept some very good players and we rebuilt, but the MIAA has great coaches and everyone is getting stronger."

Washburn went 38-4 last year and will return two All-Americans after advancing to the NCAA semifinal. The Lady Blues lose an All-American and two other all-MIAA players but return experience at every position with a very strong recruiting class to fill in the holes.

The Outside Hitters

Returning	Kills	K/S	Att. Pct.
Caitlin Conley	217	2.01	.186
Monica Miesner	495	3.46	.249
Ashley Shepard	22	1.69	.130
Total	734	4.89	.225
Lost	178	1.19	.178

Newcomers: Jennifer Kolarik, Courtney Wallman

Monica Miesner

One starting spot at outside hitter should be easy to fill while the second will be battled over by two returning sophomores and two freshmen.

The Lady Blues' most decorated returning player will be senior Monica Miesner, a two-time All-American after earning a second team American Volleyball Coaches Association honor last year. Miesner joined the Washburn 1,000 kill club last year and will enter the year in the top 10 in kills with 1,229 and digs with 1,399. Miesner was second on the team with 3.46 kills per set and 4.41 digs.

"Monica's a terrific player with an excellent volleyball IQ," Herron said. "She's tough and tenacious even though she can be quiet off the floor. She clearly may be our best player this year."

Sophomores Ashley Shepard and Caitlin Conley will look for the other starting spot as an outside hitter in what Herron said could be a spirited battle after they both had a successful spring and summer.

Conley had a good freshman year after playing in more than two thirds of the sets and finishing fifth on the team with 217 kills and 2.01 per set.

Shepard will return after missing most of last year with a medical redshirt after injuries from a torn ACL in 2006 forced her to the bench early in 2007. In 2006, her freshman year, she was fourth on the team with 271 kills.

Herron is also bringing in two freshmen, Jennifer Kolarik and Courtney Wallman, who will look for immediate playing time at outside hitter. Kolarik is from Overland Park, Kansas, where she helped Bishop Miege High School to top three finishes all four years, including a state title her freshman year. Wallman is from Filley, Nebraska, and was the team leader in kills her last two years at Beatrice High School, earning a second team all-state honor her final year.

"You never know where your freshmen could end up. These two are very talented and athletic and have the potential to work into the rotation quickly," Herron said. "We have a lot of people to look at in the outside hitter spot and I expect excellent competition."

Ali Ward

Filling the shoes of three-time All-American Tessa Jones won't be easy, but Herron returns one sophomore to the spot and brings in an NCAA Division I transfer and a high school standout who is already an All-American.

Ali Ward will begin her second year at WU after having the best spring of any Lady Blue in terms of improvement. Along with her skills, Ward improved her fitness with a four-inch increase in her vertical leap since fall.

"Ali knew last year that she wasn't where we wanted her and she improved dramatically since then," said Herron.

Mollie Lacey comes to Washburn from Lincoln, Nebraska, and Pius X High School. She ended her prep career with an AVCA High School Senior All-America award and was just one of two recipients of that award to commit to an NCAA II school.

"We're very lucky and happy to have Mollie," Herron said. "She's an extremely tal-

ented and fast kid with a great opportunity to play early on."

Lacey helped her high school to state titles her final two years, earning all-state honors both years. Her senior year she set the school record with 452 kills and had a career-record 160 blocks.

After spending a season at Texas A&M, Breanna Lewis will return to Topeka and join the Lady Blues. She played in just six matches last year and will be a freshman after taking a medical redshirt. Lewis, the tallest on the team at 6-5, was a two-time all-state player at Seaman High School and she hit .451 her senior year with 3.64 kills per set.

"We like her height and her blocking," said Herron. "We hope that she uses that to give her a dominating presence that players on the other side of the net will notice."

Newcomers: Mollie Lacey, Jessica Wade

Stephanie Nitz

The Lady Blues will return two with experience to the middle hitter spot while two freshmen will also look to earn playing time at the spot.

Senior Stephanie Nitz will return to the middle after a great spring. Herron noted an improvement in her work ethic since last year and said that she has shown confidence and maturation and should be able to accept a leadership role. Nitz led the team and was fifth in the MIAA with 1.25 blocks per set as she earned all-conference honorable mention. She was fourth on the team with 2.32 kills per set and third with a .299 attack percentage.

Sophomore Kelci Wigger saw limited playing time throughout her first year but managed to get into almost every match and finished with 0.50 blocks a set.

"She works hard in the weight room and she understands the system and what's expected of her," said Herron. She should get playing time early and if she works hard she could sustain that.

Freshman Jessica Wade is a native of Siloam Springs, Arkansas, where she helped

2008 Volleyball Media Guide

Siloam Springs High School to three state titles and was named state tournament MVP her senior year. Her last two years she was named all-state. If she can adjust to the speed of the college game and increase her intensity then she will battle for playing time.

Herron might also play Lacey in the middle as she excelled there in high school. "We'll see what we've got and then build our system around it," he said.

Molly Smith

The battle to wear the libero jersey will be fought by two defensive specialists from last year's team and two players who are new to the position on the college level.

Senior Stephanie Holub and sophomore Molly Smith earned playing time as defensive specialists last year as Erica Cowhick, the school's leader in every dig record, played her final season as libero. Smith played in all 42 matches while Holub entered just half of them as she fought an injury.

"Both of them had a great spring and it should be a nice battle between these two," Herron said. "Stephanie's a senior but Molly earned valuable experience on the court with Cowhick for a year."

Smith averaged 2.15 digs a set and led the team with 36 service aces while Holub accounted for 0.87 digs a set.

Carolyn Raynes will begin her senior year with the opportunity to move from setter to a defensive specialist after showing her ability to play well and attack from the back row. In her career as a setter she has averaged 1.27 digs and 0.72 kills a set.

Kolarik could also see some time as a defender while playing primarily as an outside

hitter. Herron noted her great ball control and hopes she can use that on the back row.

Newcomers: Amanda Guess		

Kate Hampson

Herron will have strong depth at setter with an All-American returning and a freshman who was her team MVP. With two strong candidates to lead the offense, Herron may switch to a 6-2 system to get them both in and leave three attackers on the front row.

Kate Hampson returns as the only junior on the team. She earned Daktronics second team All-America honor last year and her 1,928 assists was a school record. She moved to third in her career with 3,200, just 615 away from the school record.

"Kate has made the team hers and she's not afraid to lead it," Herron said.

Herron's only problem is that freshman Amanda Guess has the same personality and plays faster while Hampson plays stronger and taller.

"It's a good problem to have and once again, we'll see what we've got and build the system around that."

Guess was a three-time all-conference honoree at Blue Springs High School in Blue Springs, Missouri. Last year she was team MVP and averaged 9.1 assists and 2.6 digs per set.

Raynes may also get back into the setting mix as she plays her final year. She's 12th at WU with 953 assists and needs 206 to move into the top 10.

The Schedule

The Lady Blues will go on the road to play

in three tournaments to start the season and the Lady Blues Classic will stand as the only non-conference matches played in Lee Arena.

With Nebraska-Omaha joining the conference, each of the 11 teams will play each other twice, the postseason tournament will not be played and the league will not be divided into divisions, making the regular season winner the champion.

Winning the MIAA will not be easy and it won't necessarily mean automatic success in the postseason. Last year the conference had five schools make the NCAA tournament and all five finished in the top 25 poll. Pittsburg State, which had the fifth best record in the conference, finished 18th in the nation and Washburn, with the second best conference record, led three MIAA teams in the national top 10 at No. 3.

"When you add UNO to the mix you get another top-25 team that you have to play twice," Herron said. "The talent level in the league gets better each year and it's because of great coaches recruiting great players."

Midway through the year Washburn will host the Lady Blues Classic, a 10-team event that features five teams that played in last year's NCAA tournament. Washburn will then play its final 15 matches of the regular season before hoping to receive its fifth straight berth in the NCAA tournament and sixth in seven years under Herron. The NCAA South Central Region tournament will be played from November 20-23 and then the three rounds of the NCAA national tournament will be played December 4-6.

New Rules - 25-point sets with 12 subs

NCAA women's volleyball will no longer play 30-point games. Instead, teams will play to 25 points and the term game will be changed to set. If needed, the fifth set will still be played to 15 and all sets still must be won by at least two points.

Along with those changes, coaches will only be allowed to use 12 subs per set instead of the 15 previously allowed.

Regionalization Changes Postseason Play

Washburn and the MIAA will now be grouped with the Heartland Conference and the Lone Star Conference in all sports when the NCAA region tournament berths are announced at the end of the season. The region will still be called the South Central Region.

Chris Herron led the Lady Blues to their highest-ever national finish in 2007 and after his first six years the Lady Blues have won their first three conference championships and went to their first five NCAA tournaments. Herron has garnered three MIAA coach of the year awards and has seen his players claim All-America honors nine times and all-region status 26 times.

Last year, after leading Washburn to the national semifinal and a No. 3 ranking in the final poll, Herron was named the American Volleyball Coaches Association South Central Region coach of the year.

Washburn had a .389 winning percentage as an NCAA II team before Herron started in 2002. Since then he has turned that around with an .829 winning percentage. He has built the team into the second winningest MIAA program since 2002 and he has turned a team that had just three winning seasons in the last 15 years before he got here to one that has become a dominant force in the region and nation.

The Willard, Mo., native is 184-38 (.829) in his six years at Washburn and 259-67 (.794) in nine years as a college coach, working three seasons at Benedictine before coming to Washburn.

The Lady Blues finished 38-4 in 2007 with a national semifinal finish. They went 12-1 in the MIAA to win the regular season championship and won the NCAA South Central Region as a No. 2 seed. They were given the right to host the final three rounds of the NCAA tournament and defeated No. 1 Tampa in the quarterfinal after falling behind 2-0 in front of a school-record 2,231 fans. The following night they fell to No. 15 Western Washington 3-1 to end the season.

2007 REVIEW

Members of the 2007 Lady Blues are honored during a basketball game as they present their MIAA and NCAA South Central Region trophy to the University.

2007 Season Review

NCAA National Semifinalists • South Central Region Champions • MIAA West Champions
38-4 Overall • 12-1 MIAA • 17-1 in Lee Arena • No. 3 Final National Ranking
3 All-Americans • 4 All-Region • 6 All-MIAA

With two All-Americans returning and a strong senior class of three talented leaders, the 2007 Lady Blues volleyball team was looking like it would be another successful one from the beginning. In the end, the Lady Blues broke numerous school records, both as a team and as individuals, and finished the year further into the NCAA tournament than ever before.

The Lady Blues finished the season 38-4 with a No. 3 national ranking, their highest in school history. After winning their first NCAA South Central Region tournament they went on to host the NCAA II Women's Volleyball National Championship. They overcame a 2-0 deficit against No. 1 Tampa in the quarter-final to beat the defending champion in five sets in front of a school-record crowd. After that they lost 3-1 in the semifinal to Western Washington to finish the season third.

Washburn cruised through the regular season with very few setbacks and tons of accomplishments. After opening the year 5-0 with only one set loss, the Lady Blues dropped their first match of the year to Nebraska-Kearney. They bounced back from that by winning a school-record 27 straight matches. In the process they also set a record by winning 29 straight sets and by sweeping eight straight opponents.

The Lady Blues won seven MIAA player of the week awards during the season and Tessa Jones became the second WU player to earn an AVCA national player of the week honor.

The honors continued in the postseason as Jones became the school's first AVCA first team All-American. Monica Miesner

joined her on the AVCA team and Jones and Hampson became Washburn's first Daktronics All-Americans. The three also earned all-region honors and Chris Herron was named region coach of the year. Erica Cowhick earned a spot on the AVCA all-region team.

The Lady Blues achieved another first with Jones being named the MIAA MVP. Her and Miesner were named to the all-conference first team and Cowhick and Mandi Cox were named to the second team. Hampson and Stephanie Nitz were named all-MIAA honorable mention and Herron earned his third coach of the year award.

Though the season ended in disappointment just one match from playing for a national championship, the Lady Blues took the program to a higher level than it had ever been and the three seniors, Cowhick, Cox and Jones, helped bring the team more success in the last four years than it had ever achieved.

Here's a detailed look at the 2007 season and all of its successes:

August 14

The Lady Blues earned a **No. 14 ranking** in the CSTV/American Volleyball Coaches Association preseason poll. Washburn, which finished 23rd last year, was one of three MIAA teams ranked with Truman earning a No. 7 vote and Central Missouri coming in at 12th. Tampa was picked to repeat after winning the national championship last year.

August 24

The Lady Blues won their **10th straight**

opening day match with a 3-0 win over Augustana in the Nova Southeastern Sharks Volleyball Classic. Later in the day they topped Lynn 3-1. Down 26-21 in the opener against AC, Washburn scored eight straight points to come back and win.

August 31

The Lady Blues **dropped their first match of the year** to undefeated Nebraska-Kearney in the first match of the Rockhurst Classic. They bounced back from that loss by going on to set a school record with 27 straight wins. The first in that streak came later in the day against Minnesota State.

September 3

In the first CSTV/AVCA national poll of the year the Lady Blues **moved up four spots** from their preseason ranking to No. 12 in the nation after an 8-1 start. It was their 42nd straight week in the national poll.

September 4

Washburn won its **home opener** against Missouri Science and Technology 3-0 and in the process head coach Chris Herron moved into a tie for second at Washburn with his 155th career win.

September 7

Already the school's career digs leader, Erica Cowhick had her 80th career match with 10 or more digs to put her all alone in first at Washburn in **double-figure dig matches**. She achieved the milestone with 12 digs in a 3-0 win over Henderson State in the Harding Lady Bison Classic.

September 7

Tessa Jones became the 11th member of Washburn's **1,000 kill club** as she totaled 14 of them in a 3-0 win against Harding in the Lady Bison Classic. Jones entered the match one kill shy of the milestone and quickly earned it on Washburn's third point of the match.

Tessa Jones

September 10

Setter Kate Hampson was named the **MIAA specialist of the week** after she averaged 13.27 assists per set and helped lead the Lady Blue offense to a .325 attack percentage during the 5-0 week, sweeping every match.

September 14

Tessa Jones pounded down a season-high 24 kills and she and Monica Miesner had double-doubles as the Lady Blues beat a top-10 opponent for the first time in two years with a **3-1 win over No. 5 Florida Southern** at Lee Arena. The Lady Blues entered the match ranked eighth in the country.

September 17

Jones was named the Sports Imports/AVCA **national player of the week** and the MIAA hitter of the week for her efforts in a pair of wins over Florida Southern and Fort Hays State. She had a season-high 24 kills and 28 points against FSC and she added nine kills and 11 points at Fort Hays State to finish the week averaging 4.71 kills and 5.57 points per set.

September 26

In another top-25 battle, the Lady Blues overcame a 2-1 deficit against **No. 23 Emporia State** in five matches at home. Monica Miesner had 20 kills and 20 digs and Erica Cowhick became the fourth MIAA player to reach 2,000 career digs. The win was Washburn's 14th straight.

October 1

Kate Hampson and Monica Miesner **swept the MIAA player of the week honors** after their efforts the previous week. Hampson reached 60 assists in a pair of wins and averaged 14.33 per set while Miesner had 28 kills in a match and averaged 6.50 points per set.

October 2

No. 5 Washburn gave No. 6 Truman a 2-0 lead but the Lady Blues won the next three

sets on the road to **take down the Bulldogs**.

The win gave Chris Herron his 167th win, tying him for first all-time at WU.

October 5

In the first day of the Lady Blues Fall Classic Washburn swept a pair of wins and gave Chris Herron **the school's career coaching record**. The win also tied Washburn's match winning streak record at 18 straight.

October 6

In two matches on the same day two Lady Blues became the **12th and 13th players to reach 1,000 kills** at Washburn. Mandi Cox did it with 11 kills in the morning match against Dallas Baptist and then Monica Miesner reached the milestone with 14 against No. 17 West Texas A&M. Miesner also became the seventh member of Washburn's 1,000 kill/1,000 dig club.

October 10

Now ranked **No. 1 in the first NCAA South Central Region** poll and No. 5 in the nation, the Lady Blues won another top-10 battle, 3-0 against No. 9 Central Missouri.

October 15

Erica Cowhick averaged 8.00 digs per set in a pair of wins the previous week to earn **MIAA specialist of the week** honors. During the week she moved into third all-time in MIAA career digs.

Erica Cowhick

October 22

A pair of double-doubles and a .500 attack percentage helped Monica Miesner earn the **MIAA hitter of the week** award after the Lady Blues swept a pair of matches the previous week. Miesner averaged 5.00 points per set with 4.83 kills and 5.12 digs.

October 23

Washburn defeated Rockhurst 3-1 in Lee Arena. The win was the **25th straight**, but the loss in the third set ended a streak of 29 straight set wins. It also ended a streak of eight straight 3-0 sweeps. Both of those numbers were school records.

October 27

Monica Miesner led the Lady Blues with 20 kills and 19 digs as No. 5 Washburn defeated Missouri Southern 3-1 to clinch the **top spot in the MIAA West Division** for the second straight year.

October 29

After spending the last four weeks ranked fifth in NCAA Division II, the Lady Blues moved up a spot to **No. 4 in the AVCA national poll**. The ranking was the highest in school history and the 50th straight for Washburn. Also on this day Kate Hampson was named the MIAA specialist of the week for the third time.

October 30

Washburn's **school-record 27-match winning streak** came to an end in a 3-0 loss at 17th-ranked Emporia State. The record ended up being nine more matches than the previous record of 18, set in 2005.

November 2

Seniors Mandi Cox, Erica Cowhick and Tessa Jones were honored on **Senior Day** as Washburn swept Southwest Baptist. Cox led the team with a career-high .750 attack percentage while Jones equaled Cox's team-leading kill total of 12 and hit .611 and Erica Cowhick had 17 digs. The Lady Blues finished the regular season with a 33-2 record and 12-1 mark in the MIAA.

November 9

After sweeping Missouri Western at home in the first round of the MIAA postseason tournament, the **Lady Blues fell in the second round** against Pittsburg State. Washburn forced set five after falling behind 2-0, but the Gorillas hung on for a 3-2 win.

November 12

Washburn received its **fourth straight bid to the NCAA tournament** and fifth in coach Chris Herron's six years. The Lady Blues earned the No. 2 seed.

November 12

Tessa Jones became the first Lady Blue to be named the MIAA MVP as the **all-conference honors** were announced. She joined Monica Miesner as first team all-MIAA honorees and Erica Cowhick and Mandi Cox were named to the second team. Kate Hampson and Stephanie Nitz earned honorable mention and Chris Herron was named coach of the year.

November 14

Kate Hampson and Tessa Jones were named

Stephanie Nitz

to the **Daktronics all-South Central Region** first team and Monica Miesner was named to the second team.

November 15

Washburn survived two close sets in the **first round of the NCAA tournament** and then finally got some momentum for an easy win in set three in a 3-0 victory over West Georgia. Jones had 17 kills and now with 570 this year she passed Dani McHenry's single-season total of 558 in 2003 for second place.

November 16

The Lady Blues earned another sweep as they **beat Central Missouri in the second round of the NCAA tournament**, sending them to their first ever region title match.

November 17

Playing against fourth-ranked Truman in front of 869 raucous Bulldog fans, the Lady Blues overcame a 1-0 deficit to win 3-1 in the **region title match** and send them to their first national tournament. Tessa Jones led the attack with 18 kills and set Washburn's single-season record with 606 kills this season.

November 19

The Lady Blues were rewarded for their 37-3 record by the NCAA as they were made the **host school** for the eight-team NCAA Women's Volleyball National Championship.

November 20

Tessa Jones and Monica Miesner were named to the **AVCA all-South Central Region** first team while Erica Cowhick earned honorable mention. Head coach Chris Herron was named the region's coach of the year.

November 26

Tessa Jones earned her third All-America honor as she became **Washburn's first AVCA first team All-American** and Monica Miesner earned her second award as she was put on the second team.

November 29

The national honors continued as Tessa Jones and Kate Hampson were named to the **Daktronics All-America** team. Both earned second team spots, becoming the school's first Daktronics All-Americans.

November 29

A school-record 2,231 fans packed Lee Arena as Washburn **defeated No. 1 Tampa** 3-2 in the national quarterfinal. The No. 4 Lady Blues fell behind 2-0 to the defending national champions but with the help of Tessa Jones, who tied a school record with 30 kills, the Lady Blues came back to win their fifth five-set match of the year. In set four the two teams were tied 28-28 before the Lady Blues won 31-29. They stormed out in set five to a 6-0 lead with Jones slamming down four of the kills and they held on for a 15-8 win.

November 30

With a chance to play for a national championship and in front of another 2,000 fans in Lee Arena, the Lady Blues came up short against 15th-ranked Western Washington 3-1 in the national semifinal. The loss **ended their season at 38-4** overall and 17-1 at home. The Lady Blues were 10-3 against ranked teams and 6-0 against top-10 teams. She also finished her career fourth in kills with 1,511, fourth in kills per set with 3.97 and third in attack percentage with a .286 mark.

December 3

In the final CSTV/AVCA national poll the Lady Blues were **ranked No. 3**, their highest ranking in school history. The Mid-America Intercollegiate Athletics Association, an 11-member conference of NCAA Division II institutions in Missouri, Nebraska and Kansas, was first organized in 1912 as the Missouri Intercollegiate Athletic Association.

Over the past 20 years, the league has undergone several changes, highlighted by increased participation in national championships.

The MIAA has gained the reputation of being one of the top NCAA Division II conferences in the nation. MIAA student-athletes have won 13 national team championships and more than 100 individual national titles.

The MIAA currently conducts conference championships in eight men's and nine women's sports. Men's championships include football, cross country, basketball, indoor and outdoor track and field, baseball, tennis, and golf. Women's champions are determined in volleyball, soccer, cross country, golf, basketball, indoor and outdoor track and field, softball and tennis.

MIAA Commissioner Jim Johnson succeeded Ralph McFillen on July 1, 2007. Johnson spent two seasons as athletic director at Texas A&M-Commerce before becoming the MIAA's third full-time commissioner.

Johnson spent nearly two years (2003-05) at what is now the University of Central Missouri as associate athletics director for development. While in Warrensburg, he also served as the institution's government relations director. Like his predecessor, Johnson has experience in the NCAA national office. He was in membership services from 1997-02, working as membership coordinator and Division II governance liaison.

McFillen, formerly of the Metro and Gulf South conferences, succeeded Ken B. Jones as commissioner of the MIAA in July 1997. Matt Newbery, previously the assistant sports information director at Pittsburg State University, is assistant to the commissioner for media relations and in his 13th year with the MIAA. Natasha Oakes, a former all-MIAA track performer at Emporia State University, was added as the third full-time staffer in July 2005 as assistant to the commissioner for compliance.

The History of Washburn Volleyball

While the recent success of the Washburn volleyball team may overshadow its beginnings, there were still many successes early in the Lady Blues' history.

Credited with kick-starting Washburn women's athletics, Janet Nuzman fielded the first competitive volleyball team in Lady Blues' history in 1969. The results were typical of a fledgling team as the 11 women finished with a 3-9 record, but those ladies helped pave the way for what would become a very successful program.

As women's athletics were growing and defining themselves throughout the 1960s and 1970s, Nuzman had to move the team between six different national and regional affiliations during the first 10 years and it wasn't until 1980 that Nuzman had scholarship money to give out.

The Lady Blues won their first championship by winning the 1978 KAIW Small College state playoffs. They repeated that feat in 1981 and Nuzman finished her coaching career after that year with a 143-208 overall record.

They moved to the Central States Intercollegiate Conference in 1976 and played in their first NAIA tournament in 1984 under coach Linda Moley. In 1985 they set a school record with 45 wins that still stands today and in 1986 they won the NAIA District 10 championship.

The team joined NCAA Division II and the Mid-America Intercollegiate Athletics Conference in 1989 and struggled with the tougher competition. In 1997 the team had its first winning season as a Division II school.

In 2002 Chris Herron took over as head coach and he led the Lady Blues to an MIAA title and their first trip to the NCAA tournament in his first season. During Herron's tenure he has won two conference championships with five trips to the NCAA tournament.

Here's a look at the Lady Blues' success leading up to their first MIAA titles and NCAA tournament appearances:

1969 Coach Janet Nuzman fielded the first Lady Blues volleyball team. The team, made up of 10 women from Kansas and one from Iran, finished the year 3-9.

Washburn competed in the Association of Kansas Women's Intercollegiate Sports (AKWIS) the first two years along with Kansas State, Kansas, Kansas State Teacher's College (Emporia State), Fort Hays State and Mt. St. Scholastica.

1971 The Lady Blues switched to the newly-formed Eastern Kansas State Intercollegiate Volleyball League (EKSIVL) with Benedictine, Kansas, Kansas State Teacher's College and Kansas State.

1972 Washburn once again switched affiliations and played in the Kansas Association of Intercollegiate Athletics for Women (KAIW). Benedictine, Fort Hays State, Marymount, Ottawa, Newman and Pittsburg State also played in the league.

1976 Still belonging to the KAIW, Washburn now joined the Central States Intercollegiate Conference (CSIC) and remained in it until jumping to NCAA II and the Mid-America Intercollegiate Athletics Association in 1990. Kearney State (Nebraska-Kearney), Pittsburg State, Missouri Western State, Emporia State, Missouri Southern State, Wayne State (Neb.) and Fort Hays State were also CSIC members. During their first year in the conference, Carol Williams was named to the all-CSIC second team and Tina Martin and Mary Vaughn earned honorable mention.

1978 Washburn finished first in the KAIW Small College Playoffs and went on to a fifth-place finish in the AIAW Region 6 tournament. WU was 23-19 overall and finished fifth in the CSIC at 7-7. Carol Williams earned her second straight all-CSIC first team award.

1980 The first volleyball scholarships were awarded and Nuzman had \$1,500 dollars to divide between the 15 players on her squad.

1981 Despite finishing the year 12-32 with a 1-13 CSIC record, the Lady Blues once again won the KAIW Small College State Playoffs and advanced to the AIAW Region 6 tournament.

1984 Now under the direction of coach Linda Moley, who started in 1982, this Lady Blues team posted the best winning percentage to date at .711 (42-17). Sharon Lord and Sally Tracy were both named first-team all-district while Lord was further honored as second-team all-CSIC.

1985 The Lady Blues set a school record for wins in a season with 45. That record still stands today. Tami Dall sweeps first-team honors at the district and conference level. Vicki Jarnagin repeats as both first-team all-district and second-team all-conference.

1986 Now playing in the NAIA, the Lady Blues won their first-ever NAIA District 10 championship as Linda Moley was named district coach of the year. Washburn finished 42-25 after losing a bi-district championship match to Southern Nazarene. Marilee Baumchen and Vicki Jarnagin were both named first-team all-district while Baumchen was further honored as first-team all-CSIC. Jarnagin was a second-team all-CSIC pick. The 42 wins tied for second most wins in a season.

1988 With second-year coach Kelly Stauffer-Osborn, Washburn plays host to the 20-team NAIA national volleyball tournament in Lee Arena.

1990 Washburn enters its first MIAA postseason tournament as the fifth-seeded team. Shanna Haslett becomes the first Washburn player named first-team all-MIAA while Susan Waller is a second-team pick.

1993 The Lady Blues proved to be one of the best defensive teams in not only the MIAA, but also NCAA Division II. Washburn led the MIAA in digs per set (21.53) while also finishing first in that category in NCAA Division II national stats compiled by the American Volleyball Coaches Association (AVCA).

1997 First year head coach Allison Jones led the Lady Blues to a second straight winning season and the highest ever finish in the MIAA (fourth).

Now playing in the NAIA, the Lady Blues won their first-ever NAIA District 10 championship as Linda Moley was named district coach of the year. Washburn finished 42-25 after losing a bi-district championship match to Southern Nazarene. Marilee Baumchen and Vicki Jarnagin were both named first-team all-district while Baumchen was further honored as first-team all-CSIC. Jarnagin was a second-team all-CSIC pick. The 42 wins tied for second most wins in a season.

2003 AVCA HM All-American
2004 AVCA 3rd Team All-American

Dani McHenry became the first AVCA All-American in Washburn history when she earned honorable mention honors in 2003. The next year she was named a third-team selection. McHenry played three years at Washburn after transferring from Kansas. During her tenure she had 1,491 kills to put her fifth all-time at WU.

McHenry married former WU baseball player Jesse Schmidt in 2006 and returned to Washburn as a full-time assistant coach in 2008.

While at Washburn she helped lead the Lady Blues to their first NCAA tournament appearance in 2002. To go with her All-America honors, McHenry also earned first-team all-region recognition twice and three first-team all-MIAA honors.

McHenry's numbers were consistently strong during her three years with the Lady Blues. She had at least 20 double-doubles every year and after having 23 double-figure kill matches her first year she had over 30 each of her last two years. She also had close to 30 double-figure dig matches every year at WU. Her 558 kills her junior year is the fourth highest season total in Washburn history. She also is second all-time in career kills per set with 4.01.

McHenry also played basketball under her father, head coach Ron McHenry, for four years. When she ended that career in 2005-06, she helped the Lady Blues to a national championship and four MIAA titles.

McHenry earned her bachelor's degree in business at Washburn in the fall of 2005 and a master's from Kansas in 2008.

Jones repeated in 2006 and then in 2007 she became the school's first AVCA first team All-American. She also joined Kate Hampson as the school's first Daktronics All-Americans.

Jones finished her career fourth in school history with 1,511 kills and first during the rally scoring era. She also holds the top single-season mark at Washburn with 657 kills and 4.47 per set in 2007, her final year.

Jones tied the school record in the NCAA national quarterfinal with 30 kills against No. 1 Tampa as the Lady Blues won 3-1 in front of a

school-record crowd.

She is also third at WU with a .286 career attack percentage and third with 1,777.0 points in her career. In the final match of her career she recorded 21 kills to give her 87 double-figure kill matches. That total put her one match ahead of fellow All-American Dani McHenry for first place in school history.

On top of her four All-America awards, Jones was a three-time all-MIAA player and she was named conference MVP her final season.

Jones came to Washburn in 2005 after one season at Kansas. She played her entire Lady Blues career under head coach Chris Herron and her brother, former assistant coach Trent Jones.

2007 NCAA South Central Region Champions

Head Coach: Chris Herron
38-4 • 12-1 MIAA

With the help of All-Americans Tessa Jones, Monica Miesner and Kate Hampson, the Lady Blues went on the road and won the NCAA South Central Region tournament at Truman as the No. 2 seed. Washburn defeated West Georgia and Central Missouri in the first two rounds and then beat top-seeded Truman 3-1 in front of a raucous Bulldog crowd.

The win propelled the Lady Blues into uncharted waters as they had never made it past the second round of the tournament. It also gave them their first tournament championship since winning the 1986 NAIA District 10 title. They went on to host the national tournament and finished in a tie for third as semifinalists. Jones and Miesner earned AVCA All-America honors while Jones and Hampson were named the school's first Daktronics All-Americans. Erica Cowhick joined the three with all-region honors and Mandi Cox and Stephanie Nitz joined them on the all-MIAA team. Jones became Washburn's first MIAA MVP and Chris Herron earned his third conference coach of the year award and his first AVCA region coach of the year honor.

Andi Moran had 72 assists, the second most by a Lady Blue since rally scoring began in 2001.

The Lady Blues finished 15-1 in the conference with the only loss coming from No. 8 Truman. Overall Washburn finished the year 35-3 with a school-record .921 winning percentage.

Miesner and Jones each earned AVCA All-America honors and Moran, Miesner, Jones and Mandi Cox earned all-region honors. Erica Cowhick joined Jones and Miesner on the all-MIAA first team. Head coach Chris Herron earned his second MIAA coach of the year award.

Washburn University was established in February 1865 as Lincoln College by a charter issued by the State of Kansas and the General Association of Congregational Ministers and Churches of Kansas. A two-story brick building on the northeast corner of 10th and Jackson Streets was soon erected and the first classes began in January 1866. In 1868, the school was renamed Washburn College, in recognition of a \$25,000 donation by Ichabod Washburn, a church deacon and resident of Worcester, Mass.

The university was granted a permanent location in 1865 when Topekan Col. John Ritchie donated a 160-acre site, which at the time was a considerable distance southwest of the city. Construction on the first building began in 1872, with occupancy taking place in 1874. For the next two decades, college President Peter MacVicar conducted an aggressive devel-

opment campaign. His efforts resulted in the establishment of numerous Victorian limestone structures which characterized the campus for the next 90 years.

Expansion of the school was constant. The School of Law was organized in 1903, as was a School of Fine Arts and a medical school, which educated physicians until 1913. During the next three decades structures such as the Mulvane Art Museum, Benton Hall and Whiting Field House were added to the campus. In June 1966, a tornado struck Topeka and several historic buildings on campus were demolished. The Washburn community rallied and financial support from friends and alumni made possible the rebuilding of many school facilities during the coming years. Today, university facilities offer more than one million square feet of modern academic and support space.

In 1941, the citizens of Topeka en-

dorsed Washburn by voting to establish a municipal university, supported in part by the city and governed by a local board of regents. In 1952, the Washburn Board of Regents officially changed the name of the school to Washburn University of Topeka. In 1999, the university's primary funding was moved from city property tax to county sales tax sources, with the school retaining status as a municipal subdivision of the state. In addition to local financial support, Washburn has received state funds since 1961, which have been coordinated by the Kansas Board of Regents since 1991. Washburn is governed by its own nine member Board of Regents.

Washburn provides broadly-based liberal arts and professional education through more than 200 certificate, associate, baccalaureate, master's and juris doctor programs through the College of Arts and Sciences and the Schools of Law, Business, Nursing and Applied Studies. Ninety-seven percent of the faculty hold a doctorate or the highest degree available in their discipline.

Dr. Jerry B. Farley
University President

Jerry Farley became the 14th President of Washburn University in 1997 following an extensive career in finance and business affairs at several Oklahoma higher education institutions. Aside from a full schedule of Washburn responsibilities, Dr. Farley speaks and teaches around the United States on topics related to Higher Education Finance, Auditing, Management and Leadership. He is a C.P.A. and has been the president and chair of the board of several state and national professional organizations. He has authored or co-authored numerous

articles and books on finance and accounting.

Dr. Farley holds a degree in finance and accounting, an MBA, and a Ph.D. in Higher Education Administration - all from the University of Oklahoma.

Serving on local and state boards has always been a priority for Dr. Farley. He is past president of the Topeka Chamber of Commerce. He has served on the board of directors of Red Cross, American Cancer Society, Boy Scouts, United Way and economic development corporations including Go Topeka.

He is the recipient of awards for outstanding contributions in public service, accounting, and higher education.

Loren Ferré'
Athletic Director

Loren Ferré became Washburn's director of athletics in February of 1996 after a six-year appointment at Black Hills State University in Spearfish, S.D. Ferré is a dynamic leader who has implemented many internal changes within the athletic department since arriving on campus. He has put increasing scholarships and departmental fund-raising at the top of his list. He has been at Washburn for 27 of the 33 MIAA Titles won and 52 of the 62 NCAA appearances in school history.

In 2005, Ferré was named the Central Region Athletic Director of the Year.

At Washburn, Ferré has been instrumental in the establishment of a strong Ichabod Club support team and the raising of funds for athletic scholarships.

While at BHSU, Ferré was also director of the Donald E. Young Sports Fitness Center, a 172,000 square foot, \$10.2 million facility. During his Black Hills tenure, the athletics department nearly tripled its outside revenue, including large increases in ticket sales and scholarship funding. All 10 varsity teams won a conference title in his final three years.
