Washburn Golf 2022-23 Outlook

After two shortened seasons, Washburn golf was able to complete a full fall and spring season in 2021-22 and were able to continue some of its previous success. The Ichabods return nine players and add four to the 2022-23 squad in the form of two transfers and two freshmen under second year head coach Ronnie McHenry.

In the 21-22 season Washburn finished in the top-three of four tournaments, with one win at the Warrior Invitational. At the MIAA Championships the Ichabods finished seventh with two individuals Cade Uhlenhake and Dawson Wills, qualifying for the NCAA Central/Midwest Regional.

The pair were also named All-MIAA first team selections and Wills was named to the 2022 NCAA Division II PING All-Central Region team while Uhlenhake earned MIAA Scholar Athlete honors.

Wills and Uhlenhake highlight the group of nine returners and are joined by Jackson Wexler, Daniel Duffin, Kade Prentice and Caden Vanlandingham who each have more than 30 rounds of experience at Washburn. Cooper Ward, Michael Bessenbacher and Grant Brenneman round out the returning group for Washburn.

Jack Baker and Max Ullan each join the team as transfers in 2022-23, with Baker as a junior from Kansas State and Ullan as a graduate student from Gustavus Adolphus College. The pair played 31 combined rounds in the fall for the Ichabods and each hold average round finishes of under 76. James Hill and Zach Vandervoort join Washburn from the prep ranks and have played eight combined rounds in their Washburn careers so far.

In the fall of 2022, the Ichabods competed in six tournaments, finishing in the top-three of four of them, including winning the Ichabod Invitational in the team's only home tournament of the season. Wills is off to a strong start, averaging a career-best 72.29 strokes per round, and has finished in the top-five of two events. Uhlenhake is just behind, with a 72.35 average and has placed top-10 in four of the six events.

Prentice and Duffin are also both off to strong starts to their junior seasons, with averages of 74.06 and 74.44 respectively. Prentice has finished in the top-10 twice and once in the top-five.

The spring season will consist of four more tournaments, beginning with the Houston Classic in Humble, Tex., starting on Feb. 13. After four regular season tournaments the MIAA Men's Golf Championship will be hosted in Bolivar, Mo., from April 17-19, with the NCAA Midwest/Central Super Regional Championship taking place beginning May 11 in Winona, Minn.

Dawson Wills (left) and Cade Uhlenhake (right) were each named first team all-MIAA selections in 2021-22 and return for the 2022-23 season

RONNIE McHENRY

HEAD COACH
SECOND SEASON AT WASHBURN

Former Ichabod golfer Ronnie McHenry enters his second season as the head coach in 2022-23 after spending two seasons as the team's volunteer assistant.

In his first season McHenry helped lead Washburn to four top-three finishes and earned his first tournament win as head coach at The Warrior Invitational on Mar. 8, 2022. In the 2020-21 season, McHenry helped the Ichabods reach the NCAA National Championships and coached the Jack Nicklaus National Player of the Year Andrew Beckler.

In the fall of 2022 Washburn earned three more top-three finishes under McHenry and earned another tournament win at the Washburn Invitational Oct. 4, 2022.

As a student-athlete, McHenry was a member of the Washburn golf squad from 2012-16 and held the title of team captain for three of those seasons. He earned all-MIAA accolades at the conclusion of his junior season and received team MVP honors as a sophomore and junior. He recorded a 75.8 career stroke average after 112 rounds and played in 47 tournaments.

Off the course, McHenry was a four-time selection to the MIAA Academic Honor Roll and graduated with a bachelor's degree in business marketing & management. His father, Ron McHenry, is currently a volunteer assistant for the Golf team and was previously Washburn's head Women's Basketball coach. His sisters, Dani and Sami, both played basketball and volleyball at Washburn.

COACHING EXPERIENCE

>> Washburn University

PLAYING EXPERIENCE

>> Washburn, 2012-2016

EDUCATION

>> Washburn, 2016

RON McHENRY

**VOLUNTEER ASSISTANT COACH
FIRST SEASON**

Ron McHenry concluded his 22nd season as the Washburn women's basketball head coach in 2021-22 and joined the Washburn men's golf team in the fall of 2022 to serve as a volunteer assistant coach for his son, Ronnie.

McHenry, a national champion in 2004-05, is the program's winningest coach with a record of 490-180 (.731) in his 22 years at Washburn after becoming the head coach in the 2000-01 season. He's 294-128 (.697) in his career in MIAA games and 249-67 (.788) coaching in Lee Arena.

COACHING EXPERIENCE

>> Washburn University
Head Coach (1993-2000)

EDUCATION

>> Washburn, 1985
>> Wichita State, 1987

McHenry has won eight MIAA titles and seven MIAA tournament titles at Washburn. He's a four-time MIAA Coach of the Year and a two-time region coach of the year. McHenry was named the women's basketball head coach on May 8, 2000.

Prior to his appointment, McHenry spent the previous 11 seasons as a member of the men's basketball coaching staff under legendary coach Bob Chipman. He was a part of 243 wins while also guiding the men's golf team for eight seasons as head coach.

McHenry and his wife, Mischa, have three children, Dani, Sami and Ronnie. Ronnie was a member of the Washburn golf team (2012-16) and was named the Ichabods' head coach during the summer of 2021. McHenry's daughters Dani and Sami both played basketball and volleyball at Washburn. Dani is a Class of 2016 member of the Washburn Athletic Hall of Fame.

ABOUT WASHBURN

Washburn is a top-notch university in an urban setting where students are becoming their best selves.

Nestled in the heart of Topeka - the capital city with about 127 thousand residents - Washburn offers students from small towns a big-city feel, while providing students from major metropolitan areas a more manageable environment.

Washburn's beautiful campus - on 160 acres - is easy to navigate with

state-of-the art facilities. Our Tech campus on Huntoon offers industry-standard programs leading to in-demand jobs. And with our low student/faculty ratio and small classes, you're going to get to know your professors.

Internally, we're organized into five schools, the College of Arts & Sciences, the School of Applied Studies, the Business School, the School of Nursing, the School of Law and the Washburn Institute of Technology (Washburn Tech.)

THIS IS WASHBURN

- Affordable education: Tuition is charged per credit. If you're from Colorado, Missouri, Nebraska, Oklahoma or Texas, you'll pay resident tuition!
- Student/faculty ratio: 17:1. And 49 percent of undergraduate courses have fewer than 20 students.
- Courses taught by experienced faculty: 81 percent of Washburn's full-time faculty members hold doctorates or the highest degree awarded in their discipline. No courses are taught by graduate teaching assistants. This means undergraduate students work directly with professors in courses, research and other projects.
- Academic options: More than 200 courses of study are offered.
- Nationally recognized: U.S News and World Report has recognized Washburn for its low student debt upon graduation.
- Graduate with experience: More than 1,000 Washburn students participate in an internship each year. In several majors an internship or other hands-on experience in a professional work environment is required for graduation.

- Public or private? Washburn is publicly funded, independently governed and state coordinated. In addition to funding from city and county taxes, Washburn receives financial support from the State of Kansas.
- Academics are a priority: On-campus tutoring options, study centers and the First Year Experience program are

JuliAnn Mazachek

The Washburn University Board of Regents announced Jan. 11, 2023 that JuliAnn Mazachek has been chosen as the university's 15th president and first woman president.

Mazachek is returning to Topeka after serving as president of Midwestern State University in Wichita Falls, Texas since last May. Prior to her time at MSU Texas, Mazachek spent 30 years at Washburn University in various leadership roles.

Mazachek joined the Washburn family in 1992 as an assistant professor of accounting after earning a master's degree in business administration and a doctorate in accounting from the University of Kansas. She rose through the Washburn University School of Business and became dean in 1998.

In 2002, Mazachek was named president and CEO of the Washburn University Alumni Association and Foundation. In that role, she oversaw all aspects of fundraising, alumni and stewardship programs in addition to the investment management of nearly \$200 million in gift assets.

Mazachek was named interim vice president for academic affairs at Washburn University in 2016, a position she held permanently following a national search. As the chief academic officer, she provided leadership to Washburn University's six colleges and schools, overseeing the University's interdisciplinary programs, academic resources, support units, instructional programs and academic priorities.

During her career, Mazachek has won numerous awards and is considered a trusted leader in community affairs. While in Topeka, she served on several boards including Heritage National Bank, Greater Topeka Partnership and the Boy Scouts of America Jayhawk Area Council. She and her husband, Keith, have three adult children. Two of them are Washburn alumni, Garrett, '14, and Kara, '16, as are many members of their extended family.

Mazachek replaces Dr. Jerry Farley who served as the university's president for 25 years before retiring Sept. 30, 2022.

ATHLETIC LEADERSHIP

LOREN FERRE' - ATHLETIC DIRECTOR

Loren Ferré became Washburn's director of athletics in February of 1996 after a six-year appointment at Black Hills State University in Spearfish, S.D. Ferré is a dynamic leader who has implemented many internal changes within the athletic department since arriving on campus. While at Washburn all of the athletic facilities have been renovated or built from scratch including the \$20 million indoor athletic facility, one of the best venues in the country.

He has put increasing scholarships and departmental fund-raising at the top of his list. He has been at Washburn for 37 of the 43 MIAA titles won and 130 of the 140 NCAA appearances in school history. In 2005, Ferré was named the Central Region Athletic Director of the Year.

At Washburn, Ferré has been instrumental in the establishment of a strong Ichabod Club support team and the raising of funds for athletic scholarships.

While at BHSU, Ferré was also director of the Donald E. Young Sports Fitness Center, a 172,000 square foot, \$10.2 million facility. During his Black Hills tenure, the athletics department nearly tripled its outside revenue, including large increases in ticket sales and scholarship funding. All 10 varsity teams won a conference title in his final three years.

Before joining the staff at Black Hills State, Ferré spent 17 years at the University of North Texas. He was the director of the Coliseum (1987-90) and was the associate and assistant director since 1980. He held the post of event coordinator (1978-80).

Ferré is a 1971 graduate of Texas Christian University, earning a bachelor of arts degree. He earned a master's in journalism from North Texas in 1982.

Ferré also served a three-year term as Chair of the NCAA Division II Men's Basketball South Central Regional Chairman.

Ferré and his wife Sarah, have two daughters, Caitlin and Hope.

WASHBURN ATHLETIC FACILITIES

Washburn athletics has some of the finest facilities in not only the MIAA but in the nation. Below is a listing of the facilities and their capacities ...

Washburn Indoor Athletic Facility - OCTOBER 2020
1,500 // 200m Banked Indoor Track and Field Competition Venue
and 110-yard Turf Practice Field

Yager Stadium at Moore Bowl
7,200 // Home of football and soccer

Lee Arena
3,907 // Home of men's and women's basketball and volleyball

Falley Field
800 // Home of baseball

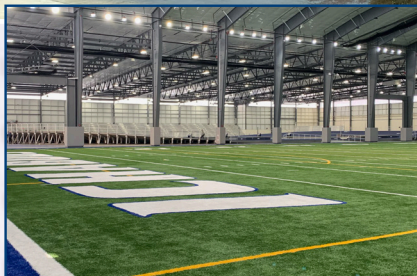

Washburn Tennis Complex
100 // Home of men's and women's tennis

Washburn Softball Complex
500 // Home of softball

The Capitol Federal Savings Strength & Condition Center
12,000 square foot training center

WASHBURN FACILITIES

WASHBURN ATHLETIC FACILITIES

WASHBURN FACILITIES

THE STRENGTH AND CONDITIONING CENTER AS WELL AS THE ATHLETIC TRAINING FACILITIES HELP WASHBURN STUDENT-ATHLETES BE READY FOR THE COURT AND THE FIELD...

- The Whiting Field house expansion project was a \$7.2 million renovation completed prior to the 2010-11 school year and is one of the largest training facilities in the MIAA.
- There are more than 12,000 square feet of workout space inside the weight room facility.
- There are 21 weight platforms for multiple teams to use at the same time.
- A 39-yard warm up lane made from field turf gives student athletes an area to jog and loosen up and cool down after their workouts.
- The Washburn Athletic Training center was renovated in 2012 and features a Hydroworx aquatic therapy pool along with additional therapy and injury prevention equipment and treatment options.

CONDITIONING AREA

OPENED IN FALL OF 2020

This \$20 million state-of-the-art facility was unanimously approved by the Washburn Board of Regents in December 2017 and has since received more than \$6 million in donations for its construction. The facility will be located in the southwest end of campus along 21st Street between the baseball and softball fields.

The facility has two distinct areas. One side is a 100-yard turf field for use by Washburn's football, soccer, baseball and softball teams. The other side... well, that'll be specifically for the cross country and track & field teams.

Separated by drop down netting, the indoor track & field side rivals most NCAA Division I facilities, let alone Division II. This climate controlled facility allows student-athletes complete freedom to train at optimal levels throughout the year. Other features of the track & field side include a 60-meter runway located in the infield, along with designated lanes for jumps and pole vault all surrounded by a 200-meter banked track - the only one in Division II and one of just 28 in all of the NCAA.

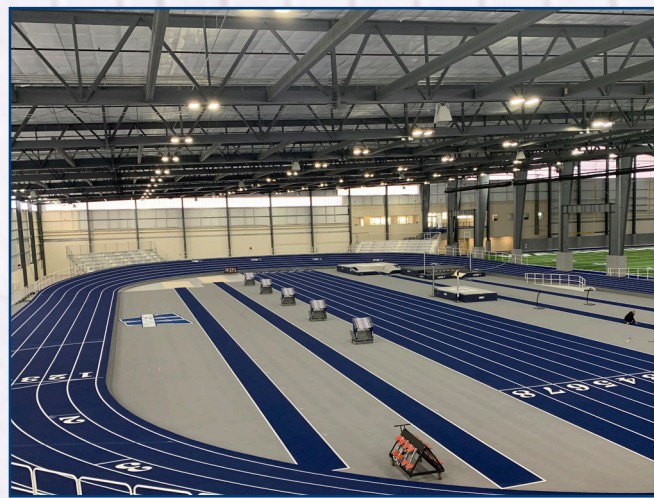

What about seating you ask, well, there will be plenty of it - 1,500 seats to be exact, allowing Washburn the ability to host regional and national championships right in Topeka, Kansas.

'BODS CARE

- The Washburn Student Athlete Advisory Committee holds an annual “Bowling with the Bods” event for the Special Olympics where student-athletes from every Washburn team participate. In addition, student-athletes from various teams take part in different volunteering engagements throughout the year, including:
- Veteran’s Hospital
- Animal Shelters
- Special Olympics
- Gear Up Topeka Soccer Camps
- Food Bank Can Collection
- Lowman Hill Elementary (Topeka) School and Field Day Events
- Harvesters Community Food Network
- The Washburn ‘Bods Care program Bods Care expands programming for the SAAC organization by bringing in speakers, organizing career development seminars, and expanding outreach of our student-athletes.

ICHABODS IN THE COMMUNITY

IN THE COMMUNITY

ABOUT TOPEKA

Topeka is the capital city in Kansas, and the largest among all MIAA schools with more than 125,000 people calling #TopCity home ...

- There are more than 3,500 hotel rooms and over 200 restaurants available in Topeka.
- Just minutes from the Washburn campus, the Topeka Zoo features over 250 animals and one of the first indoor tropical rain forests in the United States.
- There are many historical places to visit, including the Brown vs. Board of Education site, the State Capitol building and the Kansas Museum of History.
- Events such as the Apple Festival and Railroad Festival show off Topeka's history, as well as events like Fiesta Mexicana, Germanfest, Juneteenth, the Mulvane Art Festival and many more that give a taste of the many diverse backgrounds we have living here.
- The Kansas Governor's Residence is the smallest occupied governor's residence in the United States, but sits on the largest piece of property. More than 200 acres of nature, jogging and walking trails, and ponds surround the residence and are open to the public.
- Heartland Park is a major drag racing and road racing course.
- With unique boutiques, specialty shops and the recently updated West Ridge mall, Topeka is a shopper's paradise.
- From a late-night meal, to live music and excitement, Topeka has a variety of venues, bars and clubs to explore. Catch the big game at a sports bar with great appetizers and drink specials. Kick up your heels to country music classics on a big dance floor. Hear the best in up-and-coming bands at a neighborhood dive bar, or take a short road trip to the casinos located just north of the city.
- Topeka gives visitors from small towns a big-city feel, while providing students from major metropolitan areas a more manageable environment.

ABOUT TOPEKA

CAPITAL CITY

The 2022-23 Washburn University Golf Media Guide is intended to provide information for writers, broadcasters, sports editors, sports information personnel and fans who follow the Ichabods. Material in the guide was current as of the printing deadline of Feb. 16, 2023.

ATHLETIC COMMUNICATIONS OFFICE

The Washburn University Sports Information Office is located in room 253 inside Whiting Field House. Office hours are from 8:30 a.m. to 5 p.m., Monday through Friday. Phone: 785-670-1791; Fax: 785-670-1091. You may e-mail the SID office at athletics@washburn.edu

INTERVIEW POLICIES

Post meet interviews with coach Ronnie McHenry are available to media personnel at the conclusion of the meet. Players will be made available at the end of their competition for the day for interviews.

ICHABODS ON THE INTERNET

For the most up-to-the minute coverage of Ichabod golf on the World Wide Web, go to wusports.com, the official web site of the Washburn University Athletic Department.

In addition to updated results, statistics and game stories, you can find photos, player and coach biographies, schedule and roster information and weekly releases on the Ichabod golf program.

MEDIA INFORMATION

WASHBURN ATHLETIC COMMUNICATIONS OFFICE

Gene Cassell is in his 24th season as Washburn's Assistant Athletic Director for Athletic Communications after starting in December 1998. Cassell is a 1997 graduate from Northwest Missouri State University, where he graduated with a BS in journalism with a

minor in broadcasting. He also graduated with his master's degree in communication and leadership from Washburn in December 2020.

Besides overseeing the media relations of Washburn's 18 athletic teams, he is the Chairman of CoSIDA and Publications Contest Committee and served five years as a D2SIDA Regional Representative. He is the regional coordinator for the D2CCA all-region volleyball team, a former member of the Don Hansen Football Gazette all-region committee and served 17-years on the MIAA Basketball Tournament Committee. Cassell is also the winningest golf coach in Washburn history leading them to a win at the Central Christian Challenge event then promptly retiring from the position with a 1-0 career record.

The WU Athletic Communications office has received 195 citations for excellence for office publications, including 87 best in the nation, 58 second-place finishes and 25 best covers in the nation since Cassell arrived at Washburn.

Cassell and his wife, Regina, live in Topeka with their two sons, Jacob and Jared. The family dog, Zelda, is also an original Ichadog for Washburn Athletics. Regina is the director of student publications and is a senior professor in the Washburn mass media department.

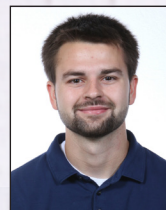

Joy Smith joined the Washburn Athletic Department in August, 2019 as a full-time assistant after spending the previous 10 months as an intern in the office. She is responsible for the media relations efforts of volleyball, women's basketball and the baseball team.

Before arriving at Washburn, Smith interned at the University of Central Missouri's Athletic Department for the 2017-18 school year. She covered cross country, track and field and assisted with eight other varsity teams, including the 2017 Division II Women's Soccer National Champions and the 2018 Division II Women's Basketball National Champions.

Smith graduated from Central Missouri with a bachelor's of science in sport management with a minor in business administration.

The Blue Springs, Mo., native resides in Topeka, Kan.

Kyle Manthe joins the Washburn Athletic department as an athletic communications intern in 2022. Manthe earned his bachelor's degree in Mass Media from Washburn in 2022.

During his time at Washburn, Manthe worked at the Washburn Review for two years and served as the sports editor for 2021-22 and also worked as a sports information student intern in Spring 2022. Manthe is originally from Topeka where he has also worked as a contributor at Top Sports News and board operator at 580 WIBW radio.
