The Road to an NQS: The Road to Nationals Rankings were determined by team averages throughout the first half of the season. The March 1 poll was the first of the year determined by National Qualifying Scores (NQS). NQS determines the top 16 teams that are seeded on a national basis for the NCAA Regional Championships. Due to the limited number of meets for some teams in 2021, an NQS is calculated by taking a squad's top four scores instead of six. The top four scores, two of which must be from road meets, will be averaged and no score will be dropped.

WVU's fourth NQS of 195.769 is based on its results from the following meets:

- 196.100, March 14, WVU Coliseum
- 195.900, March 5, at Pitt
- 195.725, March 20, WVU Coliseum
- 195.350, Feb. 21, at Denver
