## WHAT THEY ARE SAYING ABOUT

# Darian DeVries

"Darian DeVries is an excellent coach who has been a part of winning his entire career. He has an innovative offensive mind and his teams are hard-nosed. I believe the people of West Virginia will embrace his style, and his personality will fit the state like a glove." **Fran Fraschilla, ESPN College Basketball Analyst**

"Darian DeVries and his family were with us for 12 memorable years at Creighton. Darian has an innovative basketball mind and great enthusiasm for the game. He will work with alumni, fans and staff to represent West Virginia University in a first-class manner." **Dana Altman, Oregon Head Coach**

"Great hire. He's a great X and O guy. He's a great program builder. He's good without his son. If he comes without his son, he's going to be great for West Virginia. He's the kind of guy I could see staying there for a long time. If he brings his son with him, Tucker DeVries is one of those guys that was playing a level below where he could have which is fine, he took their team to the NCAA Tournament. But he can play in the Big 12, and he's a good enough player to be there." **Jay Wright, CBS Analyst and Naismith Memorial Basketball Hall of Fame member**

"I could not be more excited for Darian, Ashley, Tucker and Tatum. He's worked extremely hard to earn this opportunity. He's very deserving. The job he did at Drake speaks for itself. None of this surprises me because I fully understand the impact he had on our program, not only for me when he was here but prior to my arrival with coach Altman." **Greg McDermott, Creighton Head Coach**

"Darian DeVries is a proven leader and basketball coach, and one of the brightest young coaches in the game. He took his experience working under Dana Altman and Greg McDermott to another level as head coach at Drake, and there is no doubt he will be a success at West Virginia. Darian has put his time in and he is the real thing. West Virginia found the right coach in Darian DeVries." **Jay Bilas, ESPN**
