I. MANUAL FORMAT

GENERAL PRINCIPLES

General principles that are considered of particular importance in helping the user understand the rationale for the detailed regulations that follow are presented at the beginning of appropriate articles.

DEFINITIONS AND APPLICATIONS

Following the general principles in most articles is a section in which definitions and applications are provided for a number of the more important words or terms used in that article.

DECIMAL NUMBERING WITH TOPIC HEADINGS

The decimal numbering system provides efficiency and flexibility. Section headings, to at least the fourth subsection level, and for further subsections where appropriate, assist the user in identifying the section content, thus facilitating ready access to pertinent regulations. This system also facilitates a “hanging indentation” presentation, which helps the reader relate the subsections to the basic section.

BYLAWS, ARTICLE 10

III. VOTING REQUIREMENTS FOR MANUAL

The Manual attempts to present all regulations on a given subject in logical order. As a result, different paragraphs in the same sections may carry different voting requirements. The following terms designate voting requirements currently in effect for sections in the Manual:

- **Constitution** — Legislation that is derived from the Constitution Articles 1 through 6. All such constitutional provisions in the legislation require a two-thirds majority vote of the total membership (present and voting) for adoption or amendment.
- **Common provision** — Legislation that is derived from the common bylaws (9, 10, 12 and 13) in the 1988-89 Manual. All such legislation is identified by a pound sign [#] and requires a majority vote of each of the three divisions, voting separately, for adoption or amendment.
- **Division dominant** — A division dominant provision is one that applies to all members of a division and is of sufficient importance to the division that it requires a two-thirds majority vote of all delegates present and voting at a division's annual or special Convention. Division dominant provisions are identified by a diamond symbol [◆].

Note: The authorization for adoption and amendment of each of the administrative bylaws (31 and 32) is set forth in a note at the beginning of each of those bylaws, as provided in Articles 9.2.2.1, 9.2.2.2 and 9.2.2.3

V. DIAGRAMS AND TABLES

Diagrams and tables are included as supplements to the text to help present the content of certain regulations in a clear and concise manner. They are presented as “Figures” and are listed on page viii. All diagrams and tables related to a given article of the constitution or a particular bylaw have been placed at the back of the article or bylaw.

VI. LEGISLATION THAT IS SHADED

Legislation that was adopted at the NCAA Convention is set off by a gray background and contains the date of adoption or revision. Incorporations of interpretations, noncontroversial amendments and modifications of wording approved by the Council are set off by a gray background and include an adoption or revision date.

VII. NOTATION OF LEGISLATION WITH DELAYED EFFECTIVE DATE

Legislation with a delayed effective date (e.g., legislation that did not have an immediate effective date) is enclosed in a box and set off by a gray background. The effective date will be reflected at the end of the bylaw. The legislation currently applicable appears before the delayed legislation. Because this Manual is effective August 1 the only legislation that will be shown in this manner is that which is to be effective on any date after August 1.

Preamble

The National Collegiate Athletic Association is a voluntary, self-governing organization of four-year colleges, universities and conferences committed to the well-being and development of student-athletes, to sound academic standards and the academic success of student-athletes, and to diversity, equity and inclusion. Member institutions and conferences believe that intercollegiate athletics programs provide student-athletes with the opportunity to participate in sports and compete as a vital, co-curricular part of their educational experience. The member schools and conferences likewise are committed to integrity and sportsmanship in their athletics programs and to institutional control of and responsibility for those programs. The basic purpose of the Association is to support and promote healthy and safe intercollegiate athletics, including national championships, as an integral part of the education program and the student-athlete as an integral part of the student body.

(Adopted: 1/20/22 effective 8/1/22)

Principles.

A The Primacy of the Academic Experience. Intercollegiate student-athletes are matriculated, degree-seeking students in good standing with their institutions who choose voluntarily to participate in NCAA sports. It is the responsibility of each member institution to establish and maintain an environment in which a student-athlete's activities are conducted with the appropriate primary emphasis on the student-athlete's academic experience. Intercollegiate athletics programs shall be maintained as a vital component of each institution's broader educational program. The admission, academic standing and academic progress of student-athletes shall be consistent with the policies and standards adopted by the institution. *(Adopted: 1/20/22 effective 8/1/22)*

B The Collegiate Student-Athlete Model. Student-athletes may not be compensated by a member institution for participating in a sport but may receive educational and other benefits in accordance with guidelines established by their NCAA division. *(Adopted: 1/20/22 effective 8/1/22)*

C Integrity and Sportsmanship. It is the responsibility of each member to conduct its athletics program in a manner that promotes the ideals of higher education, human development and the integrity of intercollegiate athletics. All individuals associated with intercollegiate athletics programs and events should adhere to such fundamental values as respect, fairness, civility, honesty, responsibility, academic integrity, ethical conduct and the rules of their conferences. *(Adopted: 1/20/22 effective 8/1/22)*

D Student-Athlete Well-Being. Each member institution shall facilitate an environment that reinforces physical and mental health within athletics by ensuring access to appropriate resources and open engagement with respect to physical and mental health. Each institution is responsible for ensuring that coaches and administrators exhibit fairness, openness and honesty in their relationship with student-athletes. Student-athletes shall not be discriminated against or disparaged because of their physical or mental health. *(Adopted: 1/20/22 effective 8/1/22)*

E Institutional Control. It is the responsibility of each member institution to monitor and control its athletics program and to provide education and training to ensure compliance with the rules established by the Association, its division and conference. It is the responsibility of each member institution to report all rules violations to its NCAA division and conference in a timely manner and to cooperate fully with enforcement efforts. Responsibility for maintaining institutional control ultimately rests with the institution's campus president or chancellor. *(Adopted: 1/20/22 effective 8/1/22)*

F Diversity, Equity and Inclusion. The Association is committed to diversity, equity and inclusion. The Association, divisions, conferences and member institutions shall create diverse and inclusive environments and shall provide education and training with respect to the creation of such environments and an atmosphere of respect for and sensitivity to the dignity of every person. The Association, divisions, conferences and member institutions shall commit to promoting diversity and inclusion in athletics activities and events, hiring practices, professional and coaching relationships, leadership and advancement opportunities. *(Adopted: 1/20/22 effective 8/1/22)*

H Recruiting Standards. Divisional bylaws shall be designed to promote informed decisions and balance the interests of prospective and current (or transfer) student-athletes, their educational institutions and intercollegiate athletics as a whole. *(Adopted: 1/20/22 effective 8/1/22)*

A The Association. *(Adopted: 1/20/22 effective 8/1/22)*

1 The membership of the NCAA encompasses public and private institutions and conferences of widely varying mission, size, resources and opportunities. Accordingly, Association-wide governance must reflect these differences through the delegation of authorities and responsibilities to the divisions, conferences and individual member institutions except where necessary to promote and maintain the Association's core principles. *(Adopted: 1/20/22 effective 8/1/22)*

2 The Association shall: *(Adopted: 1/20/22 effective 8/1/22)*

The student-athlete is considered an integral part of the student body, thus maintaining a clear line of demarcation between college athletics and professional sports.

12.01.3 "Individual" versus "Student-Athlete." NCAA amateur status may be lost as a result of activities before enrollment in college. 12.02.5 Professional Athletics Team. A professional team is any organized team that:

- (a) Provides any of its players more than actual and necessary expenses for participation on the team, except as otherwise permitted by NCAA legislation. If a student-athlete's name or picture appears on commercial items (e.g., T-shirts, sweatshirts, serving trays, playing cards, posters) or is used to promote a commercial product sold by an individual or agency without the student-athlete's knowledge or permission, the student-athlete (or the institution acting on behalf of the student-athlete) is required to take steps to stop such an activity in order to retain their eligibility for intercollegiate athletics. Such steps are not required when a student-athlete's photograph is sold by an individual or agency (e.g., private photographer, news agency) for private use. (*Adopted: 1/14/02, Revised: 4/17/07, 9/1/20*)

- (b) Sales and distribution activities have the written approval of the member institution's athletics director, the member conference's commissioner or the NCAA; and
- (c) If the third party advertises the availability of the photograph, the third party is precluded from using the name or picture of an enrolled student-athlete in any poster or other advertisement to promote the sale or distribution of the film/photograph; and there shall be no indication in the make-up or wording of the advertisement that squad members, individually or collectively, or the institution, the conference or the NCAA endorses the product or services of the advertiser.

12.5.1.10 Promotion of NCAA and Conference Championships. The NCAA [or a third party acting on behalf of the NCAA (e.g., host institution, conference, local organizing committee)] may use the name or picture of a student-athlete to generally promote NCAA championships. Recruiting.

13.01 General Principles.

13.01.1 Scope and Application. The regulations set forth in this bylaw apply to athletics-based recruiting and shall not limit an institution's admissions office from the recruitment of prospective students generally. (*Adopted: 5/28/08*)

13.01.2 Entertainment. A member institution may provide entertainment, at a scale comparable to that of normal student life and not excessive in nature. (*Revised: 3/24/05*)

13.01.3 Institutional Responsibility in Recruitment. A member of an institution's athletics staff or a representative of its athletics interests shall not recruit a prospective student-athlete except as permitted by this Association, the institution and the member conference, if any.

13.01.4 Recruiting by Representatives of Athletics Interests. Representatives of an institution's athletics interests (as defined in Bylaw 13.02.9) may make in-person, on- or off-campus recruiting contacts with a prospective student-athlete; however, such off-campus contacts may not occur until the conclusion of the prospective student-athlete's sophomore year in high school.

13.01.5 U.S. Service Academy Exceptions. Exceptions to recruiting regulations for the U.S. service academies are set forth in Bylaw 13.15.

13.01.6 Eligibility Effects of Recruiting Violation. The recruitment of a prospective student-athlete by a member institution or any representative of its athletics interests in violation of the Association's legislation, as acknowledged by the institution or established through the Association's enforcement procedures, shall result in the student-athlete's becoming ineligible to represent that institution in intercollegiate athletics. The Committee on Student-Athlete Reinstatement may restore the eligibility of a student involved in such a violation only when circumstances clearly warrant restoration. A student is responsible for their involvement in a violation of NCAA regulations during the student's recruitment and involvement in a major violation (see Bylaw 19.02.2.3) may cause the student to become permanently ineligible for intercollegiate athletics competition at that institution. (*Revised: 4/20/21*)

13.02 Definitions and Applications.

13.02.1 Business Day. A business day is any weekday that is not recognized as a national holiday, including any weekday that an institution is closed for other reasons (e.g., holiday break). (*Adopted: 1/12/11*)

13.02.3 Contact. A contact is any in-person face-to-face encounter between a prospective student-athlete or the prospective student-athlete's relatives, guardian(s) or individual of a comparable relationship and an institutional athletics department staff member or athletics representative during which any dialogue occurs in excess of an exchange of a greeting. Any such face-to-face encounter that is prearranged (e.g., position themselves in a location where contact is possible) or that takes place on the grounds of the prospective student-athlete's educational institution or at the site of organized competition or practice involving the prospective student-athlete or the prospective student-athlete's high school, preparatory school, two-year college or all-star team shall be considered a contact, regardless of the conversation that occurs. Any communication (e.g., in-person face-to-face or electronic communication) with a prospective student-athlete at the site of organized competition involving the prospective student-athlete by athletics personnel who are attending the competition or who are aware of the competition also shall be considered a contact. (*Adopted: 1/13/03, Revised: 1/12/04, 4/7/05, 1/9/06, 12/19/13, 4/20/21, 8/4/21*)

In addition, a student who has not started classes for the ninth grade becomes a prospective student-athlete if the institution provides such an individual (or the individual's relatives or friends) any financial assistance or other benefits that the institution does not provide to prospective students generally. An individual remains a prospective student-athlete until one of the following occurs (whichever occurs earlier):

- (c) The content of any electronic transmission that is sent to a public group that may include prospective student-athletes must be the same for all members of the group (e.g., news alerts, admissions and alumni information, scores) and of a general nature.

13.02.10.5 Exception -- After Receipt of Financial Deposit. On or after January 1 of a prospective student-athlete's senior year in high school, there shall be no limit on the forms of electronically transmitted correspondence that may be sent by an institution to a prospective student-athlete, provided the institution has received a financial deposit in response to the institution's offer of admission or for institutions that do not require a paid acceptance or financial deposit, the institution has received a commitment from the prospective student-athlete that is required of all incoming students. 13.02.10.7 Exception - Virtual Recruiting Presentations with Multiple Prospective Student-Athletes. 13.1.1.2.1.1 Privacy and Disclosure Requirements. During the initial 30-day period, the institution in receipt of the form shall not notify the student-athlete's current institution of the contact. At the completion of the initial 30-day period, if the student-athlete decides to transfer to the institution in receipt of the form, the institution in receipt of the form shall notify the student-athlete's current institution within a seven-day period of the form's expiration date that the self-release was issued. At the completion of the initial 30-day period, if the student-athlete decides not to pursue the transfer, the institution in receipt of the form shall not notify the student-athlete's current institution of the contact at any time. If the student-athlete is undecided at the end of the 30-day period, the initial contact must remain private unless and until the student-athlete issues a second permission to contact form. Upon receipt of the second permission to contact form, the institution in receipt of the form shall notify the student-athlete's current institution within seven days that a second release was issued. **[D]** *(Revised: 1/10/05, 10/16/18)*

13.1.1.2.2 Hearing Opportunity. If the institution decides to deny a student-athlete's request to permit any other institution to contact the student-athlete about transferring, the institution shall inform the student-athlete in writing that they, on request, shall be provided a hearing conducted by an institutional entity or committee outside of the athletics department (e.g., the office of student affairs; office of the dean of students; or a committee composed of the faculty athletics representative, student-athletes and nonathletics faculty/staff members). The student-athlete shall be informed of this hearing opportunity within seven business days of the request for permission to contact. Within 15 business days (see Bylaw 13.02.1) of receipt of the student-athlete's written request for a hearing, the institution shall conduct and provide written results of the hearing to the student-athlete. The student-athlete shall be provided the opportunity to actively participate (e.g., in-person, via telephone) in the hearing. If the institution fails to conduct the hearing or provide the written results to the student-athlete within 15 business days, permission to contact the student-athlete shall be granted by default and the institution shall provide written permission to the student-athlete. *(Adopted: 1/11/94, Revised: 10/17/06, 1/12/11, 10/16/18, 4/20/21)*

13.1.1.2.3 Student-Athlete Withdrawn from Four-Year College. A member institution may contact a student-athlete who has withdrawn officially from a four-year collegiate institution without obtaining permission from the first institution. **[D]** *(Revised: 1/9/06, 10/16/18)*

13.1.1.2.4 Transfer from Institution on Probation. It is not necessary for an institution to obtain permission in writing to recruit a student-athlete at an institution that has been placed on probation with sanctions that preclude it from competing in postseason competition during the remaining seasons of the student-athlete's eligibility. However, the student-athlete's institution must be notified of the recruitment and may establish reasonable restrictions related to the contact (e.g., no visits during class time), provided such restrictions do not preclude the opportunity for the student-athlete to discuss transfer possibilities with the other institution [see Bylaw 14.13.1.2-(c)]. **[D]** *(Adopted: 1/10/92, Revised: 1/19/12, 10/16/18)*

13.1.1.2.5 Transfer While Ineligible Due to Positive Drug Test. If a student-athlete who is declared ineligible due to a positive drug test administered by the NCAA transfers to another NCAA institution, the institution from which the student-athlete transferred must notify the new institution of the student-athlete's ineligibility (see Bylaw 18.4.1.5.4). **[D]** *(Adopted: 1/14/97 effective 8/1/97, Revised: 10/16/18)*

An institution may not pay any costs incurred by an athletics talent scout or a representative of its athletics interests in studying or recruiting prospective student-athletes. An institution may not provide any such person a fee or honorarium and thereby claim the person as a staff member entitled to expense money. **[D]** *(Revised: 12/5/14)*

13.1.2.1.1 Employment Prohibition. An institution may not employ an individual for the primary purpose of recruiting or evaluating prospective student-athletes and designate the individual as a coach if they do not reside in the institution's general locale. Such an individual would be considered an athletics talent scout rather than a regular institutional staff member. *(Revised: 12/5/14, 4/20/21)*

13.1.2.1.2 Expense Prohibition. An institution may not pay expenses (other than meals provided in the institution's home community) for representatives of its athletics interests to visit its campus for the purpose of becoming familiar with the institution's academic and athletics programs and campus facilities in order to represent the institution better when recruiting prospective student-athletes. The provision of such expenses would be considered payment of costs incurred by athletics talent scouts. **[D]** *(Revised: 12/5/14)*

13.1.3 Contact Restrictions at Specified Sites.

13.1.3.1 Practice or Competition Site. Recruiting contact may not be made with a prospective student-athlete before any athletics competition in which the prospective student-athlete is a participant on that day of competition until the

prospective student-athlete is released for that day by the appropriate institutional authority (e.g., prospective student-athlete's coach or comparable authority). Further, any electronic communications (See Bylaw 13.02.10) may not be made with a prospective student-athlete at the site of organized competition involving the prospective student-athlete by athletics personnel who are attending the competition or who are aware of the competition. **[D]** (Revised: 1/11/89, 1/10/91, 1/11/94, 1/9/96 effective 7/1/96, 12/19/13, 1/17/15, 1/21/15, 1/16/16, 8/4/21)

13.1.3.1.1 Exception -- Official/Unofficial Visit -- Contact on Institution's Campus on Day of Competition Prior to Competition. Athletics staff members are permitted to have on campus contact prior to competition with a prospective student-athlete, provided the prospective student-athlete is not scheduled to compete on that day on the institution's campus. **[D]** (Adopted: 1/16/16, Revised: 10/16/18)

13.1.3.1.2 Contact with Prospective Student-Athlete's Relatives or Guardians at Practice or Competition Site. Recruiting contact may be made with the relatives, guardian(s) or individual of a comparable relationship of a contactable prospective student-athlete (see Bylaw 13.1.1) at the site of the prospective student-athlete's practice or competition, including during the conduct of a competition. **[D]** (Adopted: 7/21/09, Revised: 10/16/18)

An institution's staff member or any representative of its athletics interests shall not be involved, directly or indirectly, in making arrangements for or giving or offering to give any financial aid or other benefits to the prospective student-athlete or the prospective student-athlete's relatives or friends, other than expressly permitted by NCAA regulations. Receipt of a benefit by prospective student-athletes or their relatives or friends is not a violation of NCAA legislation if it is demonstrated that the same benefit is generally available to the institution's prospective students or their relatives or friends or to a particular segment of the prospective student body determined on a basis unrelated to athletics ability. **[R]** (Revised: 1/13/98, 1/10/05, 1/9/06, 10/15/08)

13.2.3 Awards to Prospective Student-Athletes. A member institution may only provide a prospective student-athlete with awards presented at regularly scheduled high school, preparatory school and two-year college athletics contests or matches. The awards are limited in value to \$50 and may bear the institution's name and logo. (Adopted: 1/10/91, Revised: 4/7/05)

13.2.4 Employment of Prospective Student-Athletes.

13.2.4.2 Transportation to Summer Job. An institution or its representatives shall not provide a prospective student-athlete free transportation to and from a summer job unless it is the employer's established policy to transport all employees to and from the job site.

13.2.5 Life-Threatening Injury or Illness. An institution may present a prospective student-athlete with a donation to a charity on behalf of the prospective student-athlete or provide other reasonable tokens of support (e.g., flowers) in the event of

the prospective student-athlete's relative's death or life-threatening injury or illness, provided the prospective student-athlete has signed a written offer of admission and/or financial aid with the institution. *(Adopted: 1/9/06)*

13.2.6 Use of Athletics Training-Room Services. 13.4 Recruiting Materials.

13.4.1 General Regulations. Institutions are permitted to provide to prospective student-athletes, prospective student-athlete's relatives [or guardian(s)] and to coaches of prospective student-athletes any official academic, admissions, athletics and student-services publications or electronic media published or produced by the institution. Institutions are also permitted to provide other information of a general nature that is available to all students or prospective students. *(Revised: 1/11/89, 7/24/07, 4/21/09, 4/29/09)*

13.4.1.1 Timing of Recruiting Materials. There are no restrictions on the timing for providing recruiting materials to prospective student-athletes. *(Adopted: 4/20/09)*

13.4.2.1.1 Exception -- Nonathletics Institutional Advertisements. An institution (or a third party acting on behalf of the institution) may produce a nonathletics institutional advertisement or promotion at an athletics event featuring prospective student-athletes (or during broadcasts of such events), provided: **[D]** *(Revised: 1/15/11 effective 8/1/11, 10/16/18)*

- (a) The funds generated by the advertisements or promotional material are not used for a high school or a two-year college's athletics program;
- (b) The institution's athletics department is not involved in the advertisements or promotional material; and
- (c) The advertisements or promotional material do not contain athletics information.

13.4.2.1.2 Exception -- College/High School Shared Home Facility. A member institution may advertise and upgrade its home facility even if that facility is also the home facility for prospective student-athletes (e.g., high school football stadium). *(Revised: 1/9/06)*

13.4.2.2 Miscellaneous Promotions. Member institutions and their representatives of athletics interests are prohibited from financing, arranging or using recruiting aids (e.g., newspaper advertisements, bumper stickers, message buttons) designed to publicize the institution's interest in a particular prospective student-athlete. **[D]** *(Revised: 1/13/98)*

13.5 Transportation.

13.5.1 General Restrictions. An institution may not provide transportation to a prospective student-athlete other than on the official paid visit or, on an unofficial visit, to view a practice or competition site and other institutional facilities when accompanied by an institutional staff member. However, an institution may not provide transportation to attend one of the institution's home contests (on or off campus) during the unofficial visit. **[R]** *(Revised: 1/11/89, 1/13/98, 1/9/06)*

13.5.2 Transportation on Official Paid Visit.

13.5.2.1 General Regulations. A member institution may pay the prospective student-athlete's actual round-trip transportation costs for their official visit to its campus, provided a direct route between the prospective student-athlete's home and the institution's campus is used. *(Revised: 1/11/00 effective 8/1/00, 4/20/21)*

13.5.2.2 Automobile Transportation. When a prospective student-athlete travels by automobile on an official visit, the institution may pay round-trip expenses to the individual incurring the expense (except the prospective student-athlete's coach, see Bylaw 13.8.1.1) at the same mileage rate it allows its own personnel. Any automobile may be used by the prospective student-athlete, provided the automobile is not owned or operated or its use arranged by the institution or any representative of its athletics interests. **[R]** *(Revised: 1/11/94)*

13.5.2.2.1 Use of Automobile. The institution or representatives of its athletics interests shall not provide an automobile for use during the official visit by the prospective student-athlete or by a student host. **[R]**

13.5.2.2.2 Coach Accompanying Prospective Student-Athlete. Coaching staff members (except as permitted in Bylaw 13.5.2.4) shall not accompany a prospective student-athlete in the coach's sport to or from an official visit unless the prospective student-athlete travels only by automobile. All transportation must occur within the state in which the institution is located, or if outside the state, within 100 miles of the institution's main campus. On completion of the 48-hour period, the coach shall terminate contact with the prospective student-athlete and their parent(s), guardians, spouse or individual of a comparable relationship immediately (see Bylaw 13.6.2.1). *(Adopted: 1/10/95 effective 8/1/95, Revised: 1/14/97 effective 8/1/97, 1/9/06, 10/20/06, 4/20/21)*

13.5.2.4 From Airport. During the official visit, any member of an institution's athletics department staff may provide ground transportation for a prospective student-athlete and the prospective student-athlete's parents, guardians, spouse or individual of a comparable relationship between the campus and any bus or train station or airport. **[R]** *(Revised: 1/9/06)*

13.5.2.5 To/From Site of Competition. A prospective student-athlete may be transported to campus for an official visit from the site of their athletics competition or the reverse arrangement, provided only actual transportation expenses are paid and the cost of the transportation does not exceed the cost of transportation between the prospective student-athlete's home or educational institution and the institution's campus. *(Revised: 4/20/21)*

13.5.2.6 From Educational Institution. An institution may pay actual transportation costs for the prospective student-athlete to return to their home after an official visit that originated at the prospective student-athlete's educational institution, provided the cost of the transportation to the legal residence does not exceed the cost of transportation to the educational institution. *(Revised: 4/20/21)*

13.5.2.7 Visiting Two or More Institutions. Two or more institutions to which a prospective student-athlete is making official visits on the same trip may provide travel expenses, provided there is no duplication of expenses, only actual and necessary expenses are provided, and the 48-hour visit limitation is observed at each institution. **[R]**

13.5.2.8 Transportation of Prospective Student-Athlete's Relatives, Friends, Guardian(s), Spouse or Individual of a Comparable Relationship. An institution shall not permit its athletics department staff members or representatives of its athletics interests to pay, provide or arrange for the payment of transportation costs incurred by relatives, friends, guardian(s), spouse or individual of a comparable relationship of a prospective student-athlete to visit the campus or elsewhere; however, an institution may: **[R]** *(Revised: 1/9/06)*

- (a) Provide automobile-mileage reimbursement to a prospective student-athlete on an official visit, even if relatives or friends accompany the prospective student-athlete; and *(Revised: 1/11/94, 1/9/06)*
- (b) Provide transportation between its campus and the airport for the relatives, guardian(s) or individual of a comparable relationship of a prospective student-athlete making an official visit. *(Revised: 1/9/06)*

13.5.3 Transportation on Unofficial Visit. During any unofficial recruiting visit, the institution may provide the prospective student-athlete with transportation to view practice and competition sites in the prospective student-athlete's sport and other institutional facilities. An institutional staff member must accompany the prospective student-athlete during such a trip. Payment of any other transportation expenses, including providing transportation to attend one of the institution's home contests (on or off campus) is not permissible. However, the institution may provide transportation for a prospective student-athlete to attend home athletics contests if that transportation is available to prospective students generally. **[R]** *(Revised: 1/11/89, 1/11/90, 1/11/00, 1/8/05, 5/4/05, 1/9/06)*

However, it is permissible for any member of the institution's staff to provide transportation from any bus or train station or airport to the campus on the occasion of the student-athlete's initial arrival at the institution to attend classes. **[R]** *(Revised: 1/11/12)*

13.6 Official Visit.

13.6.1 Limitations on Official Visit.

13.6.1.1 One-Visit Limitation. A member institution may finance only one visit to its campus for a prospective student-athlete. *(Revised: 1/9/06)*

13.6.1.1.1 First Opportunity to Visit. A prospective student-athlete may not be provided an official visit earlier than January 1 of the prospective student-athlete's junior year in high school. *(Revised: 1/17/15 effective 8/1/15)*

13.6.1.2 Post-High School Visits. The one-visit limitation applies separately to the period in which the prospective student-athlete is in high school and to the period beginning October 15 after the prospective student-athlete's completion of high school. **[D]** *(Revised: 1/10/05)*

13.6.1.2.1 Transfer Student. If a student-athlete attending a four-year institution desires to transfer and that institution provides the permission required (per Bylaw 13.1.1.2), it is permissible for a second institution to provide the student-athlete one official visit to that institution's campus.

13.6.2 Length of Official Visit. An official visit to an institution shall not exceed 48 hours. A prospective student-athlete may remain in the locale in which the institution is located after the permissible 48-hour period for reasons unrelated to the official visit, provided that at the completion of the 48-hour visit, the individual departs the institution's campus, and the institution does not pay any expenses thereafter, including the cost of return transportation to the prospective student-athlete's home. Additionally, if the prospective student-athlete does not return home before attending the institution, the one-way transportation to the campus would be considered a violation of Bylaw 13.5.4, which prohibits transportation to enroll. **[D]** *(Revised: 1/9/96 effective 8/1/96, 1/10/05)*

13.6.2.1 48-Hour Period Defined. The 48-hour period of the official visit begins at the time the prospective student-athlete arrives on the institution's campus, rather than with the initiation of the prospective student-athlete's transportation by a coach or the time of the prospective student-athlete's arrival at the airport or elsewhere in the community. The prospective student-athlete's transportation to and from the campus must be without delay for personal reasons or entertainment purposes. The institution may not pay any expenses for entertainment (other than the actual and reasonable cost of meals) in conjunction with the prospective student-athlete's transportation. At the completion of the 48-hour visit, the prospective student-athlete must depart the institution's campus immediately; otherwise, the institution may not pay any expenses incurred by the prospective student-athlete upon departure from the institution's campus, including the cost of the prospective student-athlete's transportation home.

13.6.2.2 Exception to 48-Hour Period for Extenuating Circumstances. An official visit may extend beyond 48 hours for reasons beyond the control of the prospective student-athlete and the institution (e.g., inclement weather conditions, natural disaster, flight delays or cancellations, airport security activity). In such instances, the institution shall submit a report to the conference office after the visit (or, in the case of independent institutions, to the NCAA national office), noting the details of the circumstances. *(Adopted: 10/19/09)*

13.6.3 Transportation on Official Visit. For regulations relating to transportation on the official visit, see Bylaw 13.5.2.

13.6.4 Accommodations on Official Visit. A prospective student-athlete on an official visit shall be provided lodging and take meals as regular students normally do. Local commercial facilities may be used but at a scale comparable to that of normal student life and only within a 30-mile radius of the institution's campus. (See Bylaw 13.6.5.6 for restrictions on meals provided to prospective student-athletes on official visits.) **[D]** *(Revised: 1/13/03)*

13.6.5 Entertainment/Tickets on Official Visit.

13.6.5.1 General Restrictions. An institution may provide entertainment, which may not be excessive, on the official visit only for a prospective student-athlete and the prospective student-athlete's parents, guardian(s), spouse or individual of a comparable relationship and only within a 30-mile radius of the institution's main campus. It is not permissible to entertain other relatives or friends (including dates) of a prospective student-athlete at any time at any site. **[R]** *(Revised: 1/13/98, 1/8/01, 1/9/06)*

13.6.5.1.1 Meals and Lodging While in Transit. It is permissible for an institution to pay a prospective student-athlete's actual costs for reasonable expenses (e.g., meals, lodging) incurred while traveling to and from campus on the official visit.

13.6.5.2 Complimentary Admissions. During the official visit, complimentary admissions to a home athletics event may be provided to a prospective student-athlete and the individuals accompanying the prospective student-athlete. Seating shall be provided in the general seating area of the facility used for conducting the event. **[R]** *(Revised: 1/10/90 effective 8/1/90, 1/11/94, 1/13/98, 1/12/04, 1/9/06, 8/3/06, 1/15/14, 3/27/14)*

13.6.5.2.1 Conference Tournaments. An institution may provide complimentary admissions to a prospective student-athlete for a postseason conference tournament only if the institution participates in the tournament, and it is held on the institution's campus. **[R]** *(Revised: 1/10/91 effective 8/1/91)*

13.6.5.2.2 NCAA Championships or Other Postseason Contests. The provision of complimentary or reduced-cost admissions to prospective student-athletes for an NCAA championship (all rounds) or other postseason contests (e.g., NAIA championship) constitutes excessive entertainment and is prohibited. **[R]** *(Revised: 1/10/92)*

13.6.5.2.3 Purchase of Game Tickets in Same Locale. An institution may reserve tickets, only for the use of immediate family members accompanying a prospective student-athlete during an official visit and for seat locations adjacent to the complimentary seats being provided to the prospective student-athlete. These tickets must be purchased at face value. **[R]** *(Adopted: 1/10/92)*

13.6.5.3 Parking. An institution may arrange special on-campus parking for prospective student-athletes during an official visit. *(Adopted: 1/10/92)*

13.6.5.4 Cash to Prospective Student-Athlete. The institution or representatives of its athletics interests shall not provide cash to a prospective student-athlete for entertainment purposes.

13.6.5.5 Student Host. The institution may provide the following to a student host entertaining a prospective student-athlete:

- (a) A maximum of \$40 for each day of the visit to cover all actual costs of entertaining the prospective student-athlete (and the prospective student-athlete's parents, guardian(s), spouse or individual of a comparable relationship) and the student host(s), excluding the cost of meals and admission to campus athletics events. These funds may not be used for the purchase of souvenirs such as T-shirts or other institutional mementos. It is permissible to provide the student host with an additional \$20 per day for each additional prospective student-athlete the host entertains. Neither the student host(s) nor the prospective student-athlete may contribute funds toward the cost of the entertainment; *(Revised: 1/10/90 effective 8/1/90, 1/9/96 effective 8/1/96, 1/9/06, 10/22/13, 12/19/13)*
- (b) A complimentary meal, provided the student host is accompanying the prospective student-athlete during the prospective student-athlete's official visit; and *(Adopted: 1/10/92)*
- (c) A complimentary admission to a campus athletics event, provided the ticket is used to accompany a prospective student-athlete to that event during the prospective student-athlete's official visit.

13.6.5.5.1 Multiple Hosts. If several students host a prospective student-athlete, the \$40-per-day entertainment money may be used to cover the actual and necessary expenses incurred by the prospective student-athlete and all hosts. Only one student host per prospective student-athlete may be provided a free meal if restaurant facilities are used. **[D]** *(Revised: 1/10/92, 1/16/93, 1/9/96 effective 8/1/96, 1/13/03, 10/22/13)*

13.6.5.6 Meals on Official Visit. The cost of actual meals, not to exceed three per day, on the official visit for a prospective student-athlete and the individuals accompanying the prospective student-athlete need not be included in the \$40-per-day entertainment expense. A dessert or after-meal snack also may be excluded. **[R]** *(Adopted: 1/10/92, Revised: 1/11/94 effective 8/1/94, 1/10/95 effective 8/1/95, 1/9/06, 8/3/06, 10/22/13, 10/21/14)*

13.6.5.6.1 Entertainment at Staff Member's Home. A luncheon, dinner or brunch at the home of an institutional staff member (e.g., the athletics director, a coach, a faculty member or the institution's president) may be held for a prospective student-athlete on an official visit, provided the entertainment is on a scale comparable to that of normal student life, is not excessive in nature and occurs on only one occasion. **[R]** *(Revised: 1/9/96)*

13.6.5.6.2 Meal Location. Meals provided for a prospective student-athlete and the individuals accompanying the prospective student-athlete on an official visit must occur on campus. It is permissible for the meals to be purchased from off-campus vendors (e.g., restaurants, caterers) as long as the meal is on a scale comparable to normal student life. If all on-campus dining facilities are closed, the institution may provide meals off-campus. If an institution normally participates in home competition at a site that is not located on the institution's campus, the meal may occur at that site. **[D]** *(Adopted: 1/10/92, Revised: 1/11/94 effective 8/1/94, 1/10/95 effective 8/1/95, 1/14/97, 1/9/06, 10/26/15)*

13.6.5.6.2.2 Meal Served at Other On-Campus Facility. An institution may provide a meal, provided the meal is prepared at any on-campus location in an on-campus dining facility. **[R]** *(Revised: 1/10/95)*

13.6.5.6.2.3 Pre- or Postgame Meal or Snack. An institution that provides a pre- or postgame meal or snack to its student-athletes as a benefit incidental to participation may provide that meal or snack to a prospective student-athlete and the prospective student-athlete's parents, guardian(s), spouse or individual of a comparable relationship as one of the three permissible official visit meals. **[R]** *(Revised: 1/10/95, 8/3/06)*

13.6.6 Lodging for Additional Persons. Additional persons (e.g., prospective student-athlete's brother, sister, friend) may stay in the same room as the prospective student-athlete or parents, guardian(s), spouse or individual of a comparable relationship of the prospective student-athlete, but the institution shall not pay the costs resulting from the additional occupants. The additional occupants shall not be prospective student-athletes being recruited by the institution. 13.14.1.6 Ticket Sales. It is not permissible for a member institution to compensate a high school, preparatory school or two-year college for selling tickets to the institution's athletics contests. Specifically, the member institution may not provide such forms of compensation as a guarantee, a percentage of the income realized from the sale of the tickets or any other form of commission for providing such services.

13.14.2 Permissible Expenses.

13.14.2.1 Institution Providing Items to Athletics Youth Groups for Fundraising. An institution may provide items to assist in the fundraising efforts of athletics youth groups composed of individuals who have not started classes for the ninth grade without causing such individuals to become prospective student-athletes per Bylaw [13.02.7](#). *(Adopted: 1/10/95, Revised: 1/9/06)*

13.14.2.2 Advertisements and Upgrades for College/High School Shared Home Facility. A member institution may advertise and upgrade its home facility even if that facility is also the home facility for prospective student-athletes (e.g., high school football stadium). *(Revised: 1/9/06)*

Eligibility: Academic and General Requirements.

14.01 General Principles.

14.01.1 Institutional Responsibility. An institution shall not permit a student-athlete to represent it in intercollegiate athletics competition unless the student-athlete meets all applicable eligibility requirements and the institution has certified the student-athlete's eligibility. Violations of this bylaw in which the institution fails to certify the student-athlete's eligibility before allowing the student-athlete to represent the institution in intercollegiate competition shall be considered an institutional violation per Bylaw 20.15.2; however, such violations shall not affect the student-athlete's eligibility, provided all the necessary information to certify the student-athlete's eligibility was available to the institution and the student-athlete would have been otherwise eligible for competition. *(Revised: 10/22/07)*

14.01.2 Academic Status. To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete shall be enrolled in at least a minimum full-time program of studies, be in good academic standing and maintain satisfactory progress toward a baccalaureate or equivalent degree. A student-athlete enrolled in a two-year degree program shall be eligible only if that student-athlete was admitted to the institution under the same standards as four-year degree-seeking students and if the two-year degree program is not a terminal program. A waiver of the minimum full-time enrollment requirement may be granted for a student enrolled in the final term of the baccalaureate program (see Bylaw 14.1.7.1.7.1). Also, a student may represent the institution while enrolled as a graduate or professional student or while enrolled and seeking a second baccalaureate degree at the same institution (see Bylaw 14.1.8). *(Revised: 1/10/05)*

14.01.2.1 Good Academic Standing. To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete shall be in good academic standing as determined by the academic authorities who determine the meaning of such phrases for all students of the institution, subject to controlling legislation of the conference(s) or similar association of which the institution is a member. *(Revised: 8/18/06)*

14.01.2.2 Institutional Responsibility for Eligibility Certification. The president or chancellor is responsible for approving the procedures for certifying the eligibility of an institution's student-athletes under NCAA legislation. The president or chancellor may designate an individual on the institution's staff to administer proper certification of eligibility. Certification of eligibility must occur before allowing a student-athlete to represent the institution in intercollegiate competition (see Bylaw 14.01.1). *(Revised: 10/3/05)*

14.01.3 Compliance with Other NCAA and Conference Legislation. To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete shall be in compliance with all applicable provisions of the constitution and bylaws of the Association and all rules and regulations of the institution. A student-athlete's violation of a conference rule does not affect the student-athlete's eligibility; however, the violation shall be considered an institutional violation per Bylaw 20.15.2. Specific attention is called to legislation affecting eligibility in the following areas. *(Revised: 1/4/07)*

14.01.3.1 Amateurism. A student-athlete shall not be eligible for participation in an intercollegiate sport if the individual takes or has taken pay, or has accepted the promise of pay in any form, for participation in that sport, or if the individual has violated any of the other regulations related to amateurism set forth in Bylaw 12.

14.01.3.2 Awards, Benefits and Expenses. Receipt by a student-athlete of nonpermissible awards, extra benefits, or excessive or improper expenses not authorized by NCAA legislation violates the Association's amateurism principle and renders the student-athlete ineligible for athletics participation in the sport for which the improper award, benefit or expense was received (see Bylaw 16).

14.01.3.3 Ethical Conduct. A prospective or enrolled student-athlete who is found to have engaged in unethical conduct (see Bylaw 10.1) shall be ineligible for intercollegiate competition in all sports. Unethical conduct consists of, but is not limited to: *(Revised: 1/10/90)*

- (a) Fraudulence in connection with entrance or placement examinations;
- (b) Engaging in any athletics competition under an assumed name or with intent otherwise to deceive;
- (c) Dishonesty in evading or violating NCAA regulations; or

- (d) Knowingly furnishing the NCAA or the individual's institution false or misleading information concerning the student's involvement in or knowledge of matters relevant to a possible violation of NCAA regulations [see Bylaw 10.1-(d)]. (*Revised: 1/10/90*)

14.01.3.4 Financial Aid. A student-athlete who receives financial assistance other than that authorized by the Association shall not be eligible for intercollegiate athletics competition (see Bylaw 15).

14.01.3.5 Recruitment. Solicitation of a student-athlete's enrollment by the certifying institution or any representative of its athletics interests in violation of the Association's legislation shall render the student-athlete ineligible to represent that institution in intercollegiate athletics. A student-athlete is responsible during their recruitment for involvement in a violation of NCAA regulations, and the Committee on Student-Athlete Reinstatement may restore the eligibility of a student involved in such violation only when circumstances clearly warrant restoration. The eligibility of a student-athlete involved in a major violation shall not be restored other than through an exception authorized by the Committee on Student-Athlete Reinstatement in a unique case on the basis of specifically stated reasons (see Bylaw 13). (*Revised: 4/20/21*)

14.02 Definitions and Applications.

14.02.1 Branch School. A branch school is an educational institution that usually offers two years of college work, does not award degrees independently and is wholly controlled and operated by a four-year, degree-granting parent institution.

14.02.2 Collegiate Institution. A collegiate institution (for purposes of NCAA legislation) is an institution of higher education that:

- (a) Is accredited at the college level by an agency or association recognized by the Secretary of the Department of Education and legally authorized to offer at least a one-year program of study creditable toward a degree; (*Revised: 1/10/90, 1/13/03*)
- (b) Conducts an intercollegiate athletics program, even though the institution is not accredited at the college level and authorized to offer at least a one-year program of study creditable toward a degree; or (*Revised: 1/13/03*)
- (c) Is located in a foreign country.

14.02.3 Education-Impacting Disability. An education-impacting disability is a current impairment that has a substantial educational impact on a student's academic performance. (*Adopted: 10/20/08*)

14.02.4 Exception. An exception is the granting of relief from the application of a specific regulation (e.g., the residence requirement for a transfer student to become eligible for competition). Formal approval by the Management Council or an NCAA committee is not required. The action granting the exception may be taken solely by the certifying institution, based on evidence that the conditions on which the exception is authorized have been met (see Bylaw 14.02.12 for definition of "waiver").

14.02.5 Good Academic Standing and Satisfactory Progress. The phrases "good academic standing" and "satisfactory progress" are to be interpreted at each member institution by the academic officials who determine the meaning and application of such phrases for all students, subject to the controlling regulations of the institution; the conference(s) (or similar associations), if any, of which the institution is a member; and applicable NCAA legislation (see Bylaw 14.4.).

14.02.6 Intercollegiate Competition. Intercollegiate competition is considered to have occurred when a student-athlete in either a two-year or a four-year collegiate institution does either of the following: (*Revised: 1/10/95, 4/29/04, 1/21/25*)

- (a) Competes while representing the institution in any contest against outside competition, regardless of how the competition is classified (e.g., scrimmage, exhibition or joint practice session with another institution's team) or whether the student is enrolled in a minimum full-time program of studies; or (*Revised: 1/10/91, 4/29/04, 1/21/25*)
- (b) Competes and receives expenses (e.g., transportation, meals, housing, entry fees or uniforms, apparel or equipment purchased and still in use by the institution) from the institution for the competition (see Bylaw 16.11.1.8 for regulations governing the use of equipment during the summer). (*Revised: 12/1/23, 1/21/25*)

14.02.6.1 Exempted Events. Participation in events listed in Bylaws 16.8.1.3-(a) and (b) is exempted from the application of this legislation. (*Revised: 1/10/92*)

14.02.6.2 Club Team. Participation on either a two-year or a four-year collegiate institution's club team is exempted from the application of this legislation, provided the institution does not sponsor the sport on the varsity intercollegiate level. (*Adopted: 1/12/04, Revised: 5/14/09*)

14.02.7 National Team. A national team is one selected, organized and sponsored by the appropriate national governing bodies of the U.S. Olympic and Paralympic Committee (or, for student-athletes representing another nation, the equivalent organization of that nation, or for student-athletes competing in a non-Olympic or Paralympic sport, the equivalent organization of that sport). The selection for such a team shall be made on a national qualification basis, either through a defined selective process or by actual tryouts, publicly announced in advance. In addition, the international competition in

question shall require that the entrants officially represent their respective nations, although it is not necessary to require team scoring by nation. *(Revised: 1/22/20 effective 8/1/20)*

14.02.8 Outside Competition. Outside competition is competition against any other athletics outside team (including an alumni team) or individual that does not represent the intercollegiate athletics program of the same institution.

14.02.9 Participation in Intercollegiate Athletics. Participation in intercollegiate athletics occurs when a student-athlete either practices in a sport (see Bylaw 17.02.1.1) or competes in a sport, as defined in Bylaw 14.02.6. Eligibility rules for competition may differ from those for practice.

14.02.10 Residence. Residence is enrollment in a full-time academic program (as defined by the institution) at a collegiate institution during a regular term of an academic year. A summer term may not be used to satisfy an academic term or year of residence. Any student-athlete admitted after the 12th class day may not use that semester or quarter for the purpose of satisfying an academic term or year of residence. *(Revised: 5/7/10)*

14.02.10.1 Academic Year of Residence. To satisfy an academic year of residence, a student shall: *(Adopted: 5/7/10)*

- (a) Be enrolled in and complete a minimum full-time program of studies for two full semesters or three full quarters; or
- (b) Be enrolled in a minimum full-time program of studies for two semesters or three quarters and pass a number of hours (including hours earned at the certifying institution during a summer term) that is at least equal to the sum total of the minimum load of each of the required terms. *(Revised: 5/22/13)*

14.02.11 Transfer Student. A transfer student-athlete is an individual who meets any one of the conditions set forth in Bylaw 14.5.2.

14.02.12 Waiver. A waiver is an action exempting an individual or institution from the application of a specific regulation. A waiver requires formal approval (e.g., by the Management Council, an NCAA committee or a conference, as specified in the legislation) based on evidence of compliance with the specified conditions or criteria under which the waiver is authorized (see Bylaw 14.02.4, for definition of "exception").

14.1 General Eligibility Requirements.

14.1.1 Postseason and Regular-Season Competition. To be eligible for regular-season competition and NCAA championships, the student-athlete shall meet all applicable NCAA and Division III eligibility requirements.

14.1.1.1 Ineligibility for Use of Banned Drugs. A student-athlete who is found to have used a substance on the list of banned drugs, as set forth in Bylaw 31.2.3.1, shall be declared ineligible for further participation in postseason and regular-season competition in accordance with the ineligibility provisions in Bylaw 18.4.1.5.1. *(Adopted: 1/10/90 effective 8/1/90)*

14.1.2 Validity of Academic Credentials. As a condition and obligation of membership, an institution is responsible for determining the validity of a student-athlete's academic record. *(Revised: 1/20/18 effective 8/1/18)*

14.1.2.1 Academic Misconduct - Pre-Enrollment A prospective student-athlete, student-athlete, current or former institutional staff member (see bylaw 14.10.1) or a representative of an institution's athletics interest shall not: *(Adopted: 1/20/18 effective 8/1/18)*

- (a) Arrange for a false or inaccurate academic record (e.g., courses, grades, credits, transcripts and test scores) for a prospective student-athlete; or *(Adopted: 1/20/18 effective 8/1/18)*
- (b) Provide false, inaccurate or incomplete information to the NCAA or institution regarding a prospective student-athlete's academic record. *(Adopted: 1/20/18 effective 8/1/18)*

14.1.3 Student-Athlete Statement.

14.1.3.1 Content and Purpose. Before participation in intercollegiate competition each academic year, a student-athlete shall sign a statement in a form prescribed by the Management Council in which the student-athlete submits information related to eligibility, recruitment, financial aid, amateur status, previous positive drug tests administered by any other athletics organization and involvement in organized gambling activities related to intercollegiate and professional athletics competition under the Association's governing legislation. Failure to complete and sign the statement shall result in the student-athlete's ineligibility for participation in all intercollegiate competition. Violations of this bylaw do not affect a student-athlete's eligibility if the violation occurred due to an institutional administrative error or oversight, and the student-athlete subsequently signs the form; however, the violation shall be considered an institutional violation per Bylaw 20.15.2. **[D]** *(Revised: 1/10/92 effective 8/1/92, 1/14/97, 2/19/97, 12/5/14)*

- (d) The statement shall be kept on file by the athletics director and shall be available for examination on request by an authorized representative of the NCAA.

14.1.3.3 Institutional Responsibility -- Notification of Positive Test. The institution shall promptly notify in writing the NCAA chief medical officer for student-athlete affairs regarding a student-athlete's disclosure of a previous positive test for banned substances administered by any other athletics organization. *(Adopted: 1/14/97 effective 8/1/97)*

14.1.4 Drug-Testing Consent Form.

14.1.4.1 Content and Purpose. Each academic year, a student-athlete shall sign a form prescribed by the Management Council in which the student consents to be tested for the use of drugs prohibited by NCAA legislation. Failure to complete and sign the consent form before competition shall result in the student-athlete's ineligibility for participation (i.e., practice and competition) in all intercollegiate athletics. *(Adopted: 1/10/92 effective 8/1/92, Revised: 1/16/93, 1/10/95 effective 8/1/95, 1/14/97, 4/13/10)*

- (b) The athletics director or the athletics director's designee shall disseminate the list of banned drug classes to all student-athletes and educate them about products that might contain banned drugs. All student-athletes are to be notified that the list may change during the academic year, that updates may be found on the NCAA website (i.e., www.ncaa.org) and informed of the appropriate athletics department procedures for disseminating updates to the list; and
- (c) The consent forms shall be kept on file by the athletics director and shall be available for examination on request by an authorized representative of the NCAA. **[D]** *(Revised: 12/5/14)*

14.1.4.3 Effect of Violation. A violation of Bylaw 14.1.4 or its subsections shall be considered an institutional violation per Bylaw 20.15.2; however, the student-athlete's eligibility shall not be affected provided the student-athlete signs the consent form. *(Adopted: 4/13/10)*

14.1.5 Student-Athlete Health Insurance Portability and Accountability Act (HIPAA) Authorization/Buckley Amendment Consent Form -- Disclosure of Protected Health Information.

14.1.5.1 Content and Purpose. The authorization/consent by the student-athlete is voluntary and is not required for the student-athlete to be eligible to participate. **[D]** *(Revised: 7/22/03 effective 8/1/04)*

14.1.5.2 Administration. The following procedures shall be used in administering the form: **[D]** *(Adopted: 4/15/03 effective 8/1/04, Revised: 1/12/04 effective 8/1/04, 4/13/10)*

- (b) Signing the authorization/consent shall be voluntary and is not required by the student-athlete's institution for medical treatment, payment for treatment, enrollment in a health plan or for any benefits (if applicable) and is not required for the student-athlete to be eligible to participate; and
- (c) Any signed authorization/consent forms shall be kept on file by the athletics director.

14.1.6 Admission and Enrollment.

14.1.6.1 Admission. A student-athlete shall not represent an institution in intercollegiate athletics competition unless the student has been admitted as a regularly enrolled student to a program of studies leading to a baccalaureate or equivalent

degree in accordance with the regular, published entrance or admissions policies of that institution. *(Revised: 5/2/06, 4/19/16)*

14.1.7 Full-Time Enrollment.

14.1.7.1 Requirement for Practice or Competition. To be eligible for practice or competition, a student-athlete shall be enrolled in at least a minimum full-time program of studies leading to a baccalaureate or equivalent degree as defined by the institution. For purposes of this bylaw and its subsections, to be eligible for competition, a student-athlete shall be enrolled in not less than 12-semester or quarter hours, regardless of the institution's definition of minimum full-time program of studies. For practice only, a violation of this bylaw shall be considered an institutional violation per Bylaw 20.15.2; however, it shall not affect the student-athlete's eligibility. **[D]** *(Revised: 1/10/92, 1/11/00, 1/10/05, 10/20/09, 12/5/14, 7/22/20 effective 8/1/20)*

14.1.7.1.1 Drop/Add Course. A student-athlete no longer shall be considered enrolled in a minimum full-time program of studies (after dropping a course that places the student below full-time status) when the dropped course becomes official in accordance with procedures determined by the institution for all students. A student-athlete who is adding a course to reach full-time status shall become eligible for practice and competition once the course has been approved by the appropriate department head (or designated representative) and submitted to the registrar. *(Adopted: 1/10/92, Revised: 10/18/04, 10/20/09)*

14.1.7.1.2 Withdrawal or Dismissal. A student-athlete who withdraws or is dismissed from an institution is considered to be a prospective student-athlete eligible for recruitment by other NCAA member institutions and may not continue to practice with the original institution's team. *(Adopted: 10/20/09)*

14.1.7.1.3 Concurrent Courses at Two Institutions. Courses taken concurrently at a second institution may be counted toward meeting the minimum full-time enrollment requirement, provided; *(Adopted: 10/20/09)*

- (a) The certifying institution officially recognizes the student's combined hours as full-time enrollment; and
- (b) Courses taken at the second institution will be included on the student's transcript at the institution from which the student is seeking the degree.

14.1.7.1.4 Cooperative Educational Exchange Program. A student-athlete may represent the certifying institution in intercollegiate athletics even though at the time of competition the student is enrolled in another institution in a cooperative educational exchange program, provided: *(Adopted: 10/20/09)*

- (a) The certifying institution considers the student to be regularly enrolled in a minimum full-time program of studies; and
- (b) All work is placed on the student's transcript and accepted toward their undergraduate degree at the certifying institution. *(Revised: 4/20/21)*

14.1.7.1.5 Extension Courses. A student-athlete may use a combination of hours taken in residence during a regular term and extension courses taken from the certifying institution during that term to meet the minimum full-time enrollment requirement, provided the institution considers enrollment in such extension courses as regular course enrollment for all students during the term time. *(Revised: 1/11/94 effective 8/1/94, 10/20/09)*

14.1.7.1.6 Alternative Coursework. Enrollment in nontraditional coursework (e.g., distance-learning, correspondence, extension, internet/virtual courses) may be counted to satisfy the full-time enrollment requirements for practice or competition in a manner that is consistent with established institutional policy used to determine the full-time enrollment status for all students. *(Adopted: 4/21/21)*

14.1.7.1.7 Exceptions.

14.1.7.1.7.1 Final Semester/Quarter -- Practice or Competition. A student-athlete may practice or compete while enrolled in less than a minimum full-time program of studies, provided the student is enrolled in the final semester or quarter of the baccalaureate or graduate program or a minor or undergraduate certificate program and the institution certifies that the student is carrying (for credit) the courses necessary to complete degree, minor or certificate requirements. To qualify for this exception, a minor or undergraduate certificate program must be officially designated (pursuant to institutional policy) by the student-athlete before the conclusion of the institution's first day of classes for the applicable term. For a student-athlete who competes while eligible pursuant to this exception, the student-athlete shall forfeit eligibility in all sports, unless the student completes all degree, minor or certificate requirements during that semester or quarter and is eligible to receive the baccalaureate or graduate diploma on the institution's next degree-granting date. *(Adopted: 4/8/16, Revised: 7/22/20 effective 8/1/20)*

14.1.7.1.7.1.1 Final Term Before Experiential Learning Requirement. A student-athlete may practice or compete while enrolled in less than a minimum full-time program of studies in the final semester or quarter of the student's baccalaureate degree program before participating in an experiential learning requirement (e.g., student teaching, internship, clinical, capstone project) in the following term, provided the student-athlete is carrying (for credit) all courses necessary to complete degree requirements as determined by the faculty of the institution, other than the experiential learning requirement. For a student-athlete who competes while eligible pursuant to this exception, the student-athlete shall forfeit eligibility in all sports, unless the student completes all other degree requirements during that semester or quarter and participates in the experiential learning requirement no later than the next regular academic term. A student-athlete who uses this exception is not permitted to use the final semester/quarter exception the following semester or quarter (see bylaw 14.1.7.1.7.4, for eligibility when enrolled in an experiential learning requirement). *(Adopted: 1/26/19 effective 8/1/19)*

14.1.7.1.7.2 Enrolled in Graduate Program -- Practice or Competition. A student-athlete may practice or compete while enrolled in a full-time graduate program as defined by the institution for all graduate students, except as permitted in Bylaw 14.1.7.1.7.1 (see Bylaw 14.1.8). *(Adopted: 4/8/16)*

14.1.7.1.7.3 First Five Days of Classes -- Practice. A student-athlete may practice, but not compete, during the institution's first five days of classes, if the student-athlete is enrolled in less than a minimum full-time program of studies, provided the student-athlete is otherwise eligible under all institutional, conference and NCAA requirements. *(Adopted: 4/8/16)*

14.1.7.1.7.4 Cooperative Educational Work Experience Program -- Practice or Competition. A student may represent the certifying institution in intercollegiate athletics while they are enrolled in a cooperative educational program (e.g., co-op, internship, practicum, student-teaching) offered by the institution that is a part of the student's academic program, provided the student is considered to be enrolled in a full-time program of studies, regardless of the credit value of the program. *(Adopted: 4/8/16, Revised: 4/21/21)*

14.1.7.1.7.5 Before Initial Enrollment -- Practice or Competition. A student-athlete may practice or compete during the official vacation period immediately before initial enrollment, provided the student: *(Adopted: 10/20/09)*

- (a) Has been accepted by the institution for enrollment in a regular, full-time program of studies at the time of the individual's initial participation;
- (b) Is no longer enrolled in the previous educational institution; and
- (c) Is eligible under all institutional and NCAA requirements.

14.1.7.1.7.6 Eligibility Between Terms -- Practice or Competition. To be eligible for competition or practice that takes place between terms, the student-athlete shall: *(Adopted: 10/20/09)*

- (a) Have been registered for the required minimum full-time load (see Bylaw 14.1.7.1) at the conclusion of the term immediately before the date of competition, if the student is continuing enrollment; or
- (b) Be accepted for enrollment as a regular full-time student for the regular term immediately after the date of competition if the student is either continuing enrollment or beginning enrollment (see Bylaw 14.1.7.1.7.5). *(Revised: 1/11/89)*

14.1.7.1.7.7 Eligibility After Completion of Degree Requirements. A student-athlete who was eligible during the term in which degree work was completed may continue to practice and compete (through the conclusion of the season) after the final day of that term, only if:

- (a) A postseason event (e.g., NCAA championship, NAIA championship, NCCAA championship) in the student-athlete's sport begins within 60 days after the end of the term in which the student-athlete completes degree requirements;
- (b) The student-athlete completed their degree requirements in fewer than four consecutive years from their initial collegiate enrollment and has been charged with a season of participation for that year prior to the completion of degree requirements; or *(Revised: 5/18/17, 4/21/21)*
- (c) The student-athlete is continuing enrollment pursuant to Bylaw 14.1.8 (see Bylaw 14.1.7.1.7.6).

14.1.7.1.8 Waivers of the Full-Time Enrollment Requirement for Practice or Competition. Waivers may be granted for the following: *(Adopted: 10/20/09)*

14.1.7.1.8.1 Nontraditional Academic Calendars or Nonrequired Cooperative Education Programs -- 12-Hour Requirement Only. The Management Council, or a committee designated by the Management Council to act for it, may waive the 12-hour requirement for a student-athlete enrolled in an institution that determines enrollment hours on a basis other than traditional semester or quarter hours or that conducts a nonrequired cooperative educational work experience program if it is determined that at the time of competition the student-athlete is enrolled in a comparable minimum academic load. *(Revised: 4/11/06, 10/20/09, 7/26/11)*

14.1.7.1.8.2 Student-Athlete with Education-Impacting Disabilities -- 12-Hour Requirement Only. The Management Council, or a committee designated by the Management Council to act for it, may waive the 12-hour requirement for a student-athlete when objective evidence demonstrates that an institution defines full-time enrollment for that student-athlete to be fewer than 12 hours to accommodate for the student's education-impacting disability. *(Adopted: 1/10/95, Revised: 4/11/06, 10/20/08, 10/20/09)*

14.1.7.1.8.3 Olympic, Paralympic, Pan American, Parapan American, World Championships, World Cup, World University Games, World University Championships or World Youth Championships -- Practice or Competition. The Management Council, or a committee designated by the Management Council to act for it, may waive the minimum full-time enrollment requirement for any participant in the junior or elite levels of the Olympic, Paralympic, Pan American, Parapan American, World Championships, World Cup, World University Games, World University Championships or World Youth Championships who, because of such participation, may lose eligibility for practice and competition in any sport. *(Adopted: 1/10/95, Revised: 4/11/06, 10/20/08, 10/20/09, 10/17/11, 1/22/20 effective 8/1/20)*

14.1.7.1.8.4 U.S. Olympic and Paralympic Committee or National Governing Body -- Practice Only. A student with eligibility remaining who is not enrolled or who is enrolled in less than a minimum full-time program of studies, or a former student-athlete, may participate on a regular basis in organized practice sessions, provided the following conditions are met: *(Adopted: 1/9/96, Revised: 1/14/97 effective 8/1/97, 10/20/09, 1/22/20 effective 8/1/20)*

- (a) The practice sessions take place at the institution(s) the individual previously attended as an undergraduate, or currently attends or previously attended as a graduate student, except that a former student-athlete who has graduated and has no eligibility remaining may participate in practice sessions at an institution other than the one they previously attended; *(Revised: 1/14/97 effective 8/1/97, 10/20/09, 7/26/11, 4/21/21)*
- (b) For former student-athletes, the practice sessions involve an individual sport or rowing (for student-athletes with eligibility remaining, the practice session may include any sport);

Unless specified otherwise, the Management Council or a committee designated by the Management Council to act for it, may waive the full-time enrollment requirement for practice and competition, including the 12-hour minimum enrollment requirement for competition. *(Adopted: 4/11/06)*

14.1.8 Graduate Student/Postbaccalaureate Participation. A student who has graduated from an NCAA Division III institution may participate as a graduate or postbaccalaureate student at the Division III institution they most recently attended as an undergraduate or another Division III institution, provided: *(Revised: 1/10/90, 1/16/93 effective 8/1/93, 7/22/08, 10/20/09, 1/20/18, 4/20/21)*

- (a) The student is enrolled and seeking a second baccalaureate or graduate degree;
- (b) The student has eligibility remaining; and
- (c) The student's participation occurs within the applicable 10-semester/15-quarter period set forth in Bylaw 14.2.

14.1.8.1 Graduates of a non-NCAA Division III Institution. A student who has graduated from a non-NCAA Division III institution may participate as a graduate or postbaccalaureate student provided they meet the criteria set forth in Bylaw 14.1.8(a) through (c) and additionally meet the following: *(Adopted: 7/23/24 effective 8/1/24)*

- (b) The student-athlete has seasons of participation remaining based on Bylaw 14.2.4.1 (minimum amount of participation), regardless of where (e.g., other NCAA division, NAIA) the participation occurred; and *(Adopted: 7/23/24 effective 8/1/24)*
- (c) The student-athlete maintained continuous full-time enrollment (e.g. no breaks in enrollment or part-time status). *(Adopted: 7/23/24 effective 8/1/24)*

14.1.8.2 International Student Exception. The remaining eligibility of a student who has received a foreign postsecondary degree that is identified as a "baccalaureate" but is not equivalent to a U.S. baccalaureate and who is entering an undergraduate program must be reviewed on a case-by-case basis by the Management Council and the International Student Records Committee. *(Adopted: 1/16/93, Revised: 4/23/09)*

14.1.9 Change in Eligibility Status. If a student-athlete's academic eligibility changes at the end of a quarter or semester, the student-athlete shall become eligible or ineligible to compete on the date their eligibility officially is certified by the appropriate institutional authority. In a case in which the student becomes eligible at the end of the term, the earliest date on which the student can become eligible to compete is the day after the date of the last scheduled examination listed in the institution's official calendar for the term that is ending. In a case in which the student becomes ineligible, the ineligibility shall become effective not later than the first day of classes of the following semester or quarter. In any case, if the student-athlete is academically eligible to compete at the time of the student-athlete's or the institution's first participation in an NCAA championship, they shall remain eligible for the remainder of the championship. *(Revised: 4/20/21)*

14.1.10 Male Practice Player Eligibility. A male student who practices with a women's team is considered to be a student-athlete in that women's sport. The male student-athlete must be certified as eligible under all applicable NCAA eligibility requirements to participate (e.g., the individual must be enrolled in a minimum full-time program of studies, sign a student-athlete statement and drug-testing consent form and have eligibility remaining under the 10-semester rule). The male student-athlete is subject to all other NCAA legislated restrictions. See Bylaw 14.2.4.8 for use of a season of participation and Bylaw 16.8.1.4 for benefits that a male practice player may receive. *(Adopted: 10/17/06, Revised: 4/17/07, 7/24/07)*

14.1.10.1 Limitations on the Involvement of Male Practice Players -- Team Sports. The use of male practice players in a women's team sport is subject to the following limitations: *(Adopted: 1/14/08 effective 8/1/08)*

- (a) Male practice players shall only be permitted to practice in the traditional segment in the women's sport;
- (b) The involvement of male practice players is limited to one practice per week; and
- (c) The number of male practice players who are involved during any particular practice shall not exceed half the number of student-athletes of a typical starting unit in that sport. Any computation of half of the starting unit that results in a fractional portion of a player shall be rounded up to the next whole number.

14.1.11 Recognized Foreign Exchange/Study Abroad Program. A student-athlete who participates in a formal and established educational foreign exchange or study abroad program recognized by the certifying institution's academic authorities shall not be considered a transfer student-athlete upon return to the certifying institution. A student-athlete who also participates (practices or competes) in athletics while participating in the recognized study abroad program does not use a season of participation nor is considered to have engaged in impermissible outside competition. All amateurism regulations still apply. *(Adopted: 1/19/13)*

14.2 Seasons of Participation: 10-Semester/15-Quarter Rule. A student-athlete shall not engage in more than four seasons of intercollegiate participation in any one sport (see Bylaw 14.2.4.1). *(Revised: 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04)*

14.2.1 Collegiate Enrollment Concurrent with Service Assignment. Any time in which a student-athlete is enrolled for a minimum full-time program of studies as a regular student in a collegiate institution while simultaneously on active duty in the U.S. military, on an official religious mission or with a recognized foreign aid service of the U.S. government shall count against the 10 semesters/15 quarters in which the four seasons of participation must be completed. *(Revised: 5/7/10)*

14.2.2 Ten-Semester/15-Quarter Rule. A student-athlete shall complete their seasons of participation during the first 10 semesters or 15 quarters in which the student is enrolled in a collegiate institution in at least a minimum full-time program of studies, as determined by the regulations of that institution. For an institution that conducts registration other than on a

traditional semester or quarter basis, the Management Council shall determine an equivalent enrollment period. *(Revised: 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04, 4/20/21)*

14.2.2.1 Use of Semester or Quarter. A student-athlete is considered to have used a semester or quarter under this rule when the student attends any class while officially registered in a collegiate institution (domestic or foreign) in a regular term of an academic year for a minimum full-time program of studies, as determined by the institution, even if the student-athlete drops to part-time status at any time during the term, including their first day of attendance (see Bylaw 14.2.3). *(Revised: 1/9/06, 4/20/21)*

14.2.2.2 Fraction of 10 Semesters/15 Quarters Remaining. A student-athlete whose combination of semesters and quarters of previous enrollment leaves them with any fraction of the 10th semester or 15th quarter of eligibility at the beginning of their final semester or quarter may remain eligible for the entire semester or quarter. *(Adopted: 4/11/11, Revised: 4/20/21)*

14.2.2.3 Pregnancy Exception. A member institution may approve a two-semester or three-quarter extension of this 10-semester/15-quarter period of eligibility for a student-athlete for reasons of pregnancy. *(Revised: 4/20/21)*

14.2.2.4 Ten-Semester/15-Quarter Rule Waiver. The Committee on Student-Athlete Reinstatement, by a two-thirds majority of its members present and voting, may approve waivers to the 10-semester/15-quarter rule as it deems appropriate. *(Revised: 4/13/10)*

14.2.2.4.1 Waiver Criteria. A waiver of the 10-semester/15-quarter period of eligibility is designed to provide a student-athlete with the opportunity to engage in four seasons of intercollegiate participation within a 10-semester/15-quarter period. This waiver may be granted, based upon objective evidence, for reasons that are beyond the control of the student-athlete and the institution, which deprive the student-athlete of the opportunity to participate for more than one season in their sport within the 10-semester/15-quarter period. The Committee on Student-Athlete Reinstatement reserves the right to review requests that do not meet the more-than-one-season criteria detailed in this bylaw for extraordinary circumstances or extreme hardship. *(Revised: 4/17/91, 1/11/94, 8/10/94, 10/12/95, 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04, 4/13/10, 4/20/21)*

14.2.2.4.1.1 Circumstances Beyond Control. Circumstances considered to be beyond the control of the student-athlete or the institution and do not cause a participation opportunity to be used shall include, but are not limited to, the following: *(Adopted: 8/10/94, Revised: 10/12/95)*

- (a) Situations clearly supported by contemporaneous medical documentation, which states that a student-athlete is unable to participate in intercollegiate competition as a result of incapacitating physical or mental circumstances;
- (b) The student-athlete is unable to participate in intercollegiate athletics as a result of a life-threatening or incapacitating injury or illness suffered by a member of the student-athlete's immediate family, which clearly is supported by contemporaneous medical documentation; *(Revised: 1/9/06)*
- (c) Reliance by the student-athlete on written, contemporaneous, clearly erroneous academic advice provided to the student-athlete from a specific academic authority from a collegiate institution regarding the academic status of the student-athlete or prospective student-athlete, which directly leads to that individual not being eligible to participate and, but for the clearly erroneous advice, the student-athlete would have established eligibility for intercollegiate competition; *(Revised: 10/9/96 effective 8/1/97)*
- (d) Natural disaster (e.g., earthquakes, floods); and
- (e) Extreme financial difficulties as a result of a specific event (e.g., layoff, death in the family) experienced by the student-athlete or by an individual on whom the student-athlete is legally dependent, which prohibit the student-athlete from participating in intercollegiate athletics. These circumstances must be clearly supported by objective documentation (e.g., decree of bankruptcy, proof of termination) and must be beyond the control of the student-athlete or the individual on whom the student-athlete is legally dependent. *(Adopted: 10/12/95, Revised: 10/28/97)*

14.2.2.4.1.2 Circumstances Within Control. Circumstances that are considered to be within the control of the student-athlete or the institution and cause a participation opportunity to be used include, but are not limited to, the following: *(Adopted: 8/10/94, Revised: 10/12/95)*

- (a) A student-athlete's decision to attend an institution that does not sponsor their sport or decision not to participate at an institution that does sponsor their sport; *(Revised: 4/20/21)*
- (b) An inability to participate due to failure to meet institutional/conference or NCAA academic requirements, disciplinary reasons or incarceration culminating in or resulting from a conviction; *(Revised: 10/12/95)*

- (c) Reliance by a student-athlete on misinformation from a coaching staff member;
- (d) Redshirt year;
- (e) An inability to participate as a result of an academic year of residence (see Bylaw 14.02.10) or fulfilling a condition for restoration of eligibility; and
- (f) A student-athlete's lack of understanding regarding the specific starting date of their 10-semester/15-quarter period of eligibility. (*Adopted: 10/9/96 effective 8/1/97, Revised: 4/20/21*)

14.2.2.4.2 Practice While Waiver is Pending. A student-athlete, who has exhausted their 10-semester/15-quarter period of eligibility, may practice, but not compete, provided the institution has filed a 10-semester/15-quarter extension waiver request with the NCAA national office. If the request is denied, the student-athlete must cease all practice activities upon the institution's notification of the denial and may not continue to practice during the appellate process. (*Adopted: 7/21/09, Revised: 4/13/10, 4/20/21, 4/20/23*)

14.2.2.4.3 Use of Additional Terms. Any additional terms (semesters or quarters) provided as part of a 10-semester/15-quarter rules waiver must be used by the student-athlete in consecutive regular academic terms at the certifying institution. (*Adopted: 10/22/19*)

14.2.3 Additional Applications of the 10-Semester/15-Quarter Rule.

14.2.3.1 Athletics Competition. Even though a student is enrolled for less than a minimum full-time program of studies at a collegiate institution, a student shall use a semester or quarter under the 10-semester/15-quarter period of eligibility if the individual represents the institution in intercollegiate athletics. (*Revised: 4/7/05*)

14.2.3.2 Nonrecognized College. Enrollment in a postsecondary, noncollegiate institution (e.g., technical school, seminary or business college) in the United States that is not accredited at the college level by an agency or association recognized by the Secretary of the Department of Education and legally authorized to offer at least a one-year program of study creditable toward a degree, constitutes enrollment in the application of the 10-semester/15-quarter rule only if: (*Revised: 1/10/90, 1/13/03*)

- (a) The student is enrolled in a minimum full-time program of studies at such an institution that conducts an intercollegiate athletics program; or
- (b) The student, whether enrolled for a minimum full-time program of studies or not, represents the institution in intercollegiate athletics.

14.2.3.3 Joint College/High School Program. A student-athlete's eligibility under the 10-semester/15-quarter rule does not begin while a student is enrolled in a collegiate institution in a joint high school/college academic program for outstanding high school students, in which the courses count as both high school graduation credit and college credit, provided the student has not officially graduated from high school and does not participate in intercollegiate athletics while enrolled in the joint program. (*Revised: 1/14/02*)

14.2.3.4 Vocational Program. A student-athlete's eligibility under the 10-semester/15-quarter rule does not begin while the student is enrolled in a minimum full-time program of studies as a part of a special vocational program that combines enrollment in regular college courses and participation in vocational training courses, provided the student is not considered to be regularly matriculated by the institution, does not go through the customary registration and testing procedures required of all regular entering students and is not eligible for the institution's extracurricular activities, including athletics.

14.2.4 Criteria for Determining Season of Eligibility.

14.2.4.1 Minimum Amount of Participation. A season of intercollegiate participation shall be counted in the student-athlete's sport when a student-athlete participates (practices or competes) during or after the first contest in the traditional segment following the student-athlete's initial participation of that academic year at that institution or when the student-athlete engages in intercollegiate competition during the nontraditional segment in that sport. This provision is applicable to intercollegiate athletics participation (practice or competition) conducted by a Division III collegiate institution at the varsity, junior varsity or freshman team level. (See Bylaw 14.1.11, for student-athletes participating in a recognized foreign exchange/study abroad program). (*Revised: 1/11/94, 1/11/00 effective 8/1/00, 1/8/01, 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04, 9/21/05, 11/16/05, 1/8/07 effective 8/1/07 for participation occurring on or after 8/1/07, 10/15/08, 1/19/13*)

14.2.4.1.1 Exceptions. A season of participation shall not be counted:

- (a) During the traditional segment when a student-athlete participates in a preseason scrimmage or preseason exhibition conducted before the first contest following the student-athlete's initial participation of that academic

year at that institution; *(Adopted: 1/12/04 effective 8/1/04 for athletics participation occurring on or after 8/1/04, Revised: 1/10/05, 1/8/07 effective 8/1/07 for participation occurring on or after 8/1/07)*

- (b) During the traditional segment when a student-athlete participates in an alumni contest conducted before the first regular-season contest following the student-athlete's initial participation of that academic year at that institution; and *(Revised: 12/20/12, Adopted: 1/16/13)*
- (c) In baseball, field hockey, lacrosse, soccer, softball and volleyball, when a student-athlete participates (practices or competes) during the nontraditional segment. *(Adopted: 1/17/09 effective 8/1/09, Revised: 1/16/10 effective for participation occurring on or after 8/1/05)*
- (d) During the traditional segment when an international student (see Bylaw 12.1.1.1) practices during the temporary certification period per Bylaw 12.1.1.4.1, even if such practice occurs during or after the first contest in the traditional segment. *(Adopted: 7/23/24)*

14.2.4.1.2 Exception -- Pending Subcommittee for Legislative Relief Waiver. A student-athlete who is eligible for practice may practice, but not compete, after the first contest or date of competition without using a season of participation while a Subcommittee for Legislative Relief waiver is pending. To be eligible for this exception, the institution must have received official notification that the national office has received the institution's completed waiver application and all relevant supporting documentation. If the waiver request is denied, the student-athlete must cease practicing immediately on notification to the institution of the decision or the student-athlete shall be charged with the use of a season of participation. If the institution chooses to appeal a waiver denial, the student-athlete shall not resume practice until the institution receives official notification that any information required for appeal has been received. If the subcommittee denies the appeal, the student-athlete must cease practicing immediately upon notification to the institution of the decision or the student-athlete shall be charged with the use of a season of participation. *(Adopted: 8/28/08, Revised: 7/19/16)*

14.2.4.1.3 Student Managers and Student Coaches. A season of participation shall be counted when a student manager or student coach participates as a team member in practice or other physical activities during the time frame set forth in Bylaw 14.2.4.1. A student coach or student manager's role should be limited to performing traditional coaching or managerial duties. *(Adopted: 7/21/09)*

14.2.4.1.4 Transfer from a Non-Division III Institution. The season of participation standard does not apply to a transfer student-athlete's previous participation at a non-Division III institution. A transfer student-athlete is subject to the legislation that applied to the previous institution during the term(s) of participation. *(Adopted: 5/18/17)*

14.2.4.2 Track and Field and Cross Country. For the purposes of determining a season of intercollegiate participation, cross country, indoor track and field, and outdoor track and field shall be considered separate sports. *(Revised: 1/10/90, 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04)*

14.2.4.2.1 Participation on Triathlon Team. Participation in triathlon shall not use a season of participation in cross country, swimming or track and field. *(Adopted: 4/15/14)*

14.2.4.3 Volleyball and Beach Volleyball. For the purposes of determining a season of intercollegiate participation, volleyball and beach volleyball shall be considered separate sports. *(Adopted: 1/17/15 effective 8/1/15, Revised: 8/19/15)*

14.2.4.4 Participation in Organized Competition Before Initial Collegiate Enrollment. An individual who does not enroll in a collegiate institution as a full-time student by October 1 or March 1 (whichever occurs earlier) immediately after one calendar year has elapsed following their high school graduation date (or the international equivalent as specified in the NCAA Guide to International Academic Standards for Athletics Eligibility) shall use a season of intercollegiate participation for each consecutive 12-month period after October 1 or March 1 and before the initial collegiate enrollment in which the individual participates in activities that meet the criteria set forth in Bylaw 14.2.4.4.2. *(Adopted: 1/14/02 effective 8/1/02, Revised: 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04, 1/15/14, 4/20/21, 7/23/24 effective 8/1/24)*

14.2.4.4.1 Academic Year of Residence. An individual who uses a season(s) of participation in a particular sport, per Bylaw 14.2.4.4.2, shall fulfill an academic year of residence (see Bylaw 14.02.10) before being eligible to represent the institution in intercollegiate competition in that sport. *(Adopted: 1/14/02 effective 8/1/02, Revised: 1/12/04)*

14.2.4.4.2 Activities Constituting Use of Season. An individual shall use a season of participation per Bylaw 14.2.4.4 if the individual engages in activities that meet any of the following criteria: *(Adopted: 1/14/02 effective 8/1/02, Revised: 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04)*

- (a) Any team competition or training in which pay in any form is provided to any of the participants above actual and necessary expenses;

- (b) Any individual competition or training in which the individual accepts pay in any form based on their place finish or any competition or training in which the individual accepts pay in any form above actual and necessary expenses; *(Revised: 4/20/21)*
- (c) Any competition pursuant to the signing of a contract with a professional team for athletics participation or entering a professional draft; or *(Revised: 2/16/18 effective 2/9/18)*
- (d) Any competition funded by a representative of an institution's athletics interests that is not open to all participants. *(Adopted: 1/14/02 effective 8/1/02)*

14.2.4.4.2.1 Competition Exceptions. A maximum one-time, one-year exception for participation in the following activities:

- (a) **Preparatory School Exception.** Participation in organized competition while enrolled in a postgraduate college preparatory school shall be exempted; and
- (b) **Athletics Activity Exception.**
 - (1) Official Pan American, Parapan American, World Championships, World Cup, World University Games (Universiade), World University Championships, Olympic and Paralympic training, tryouts and competition or the junior level equivalents (e.g., Youth Olympic Games, U20 World Cup, junior national teams); *(Revised: 10/17/11, 1/22/20 effective 8/1/20, 10/18/22)*
 - (2) Officially recognized training and competition directly qualifying participants for final Olympic and Paralympic tryouts or the junior level equivalents (e.g., Youth Olympic Games, U20 World Cup, junior national teams); or *(Revised: 1/22/20 effective 8/1/20, 10/18/22)*
 - (3) Official tryouts and competition involving national teams sponsored by the appropriate national governing bodies of the U.S. Olympic and Paralympic Committee (or for student-athletes representing another nation, the equivalent organization of that nation, or for student-athletes competing in a non-Olympic or Paralympic sport, the equivalent organization of that sport) or junior level equivalents (e.g., Youth Olympic, U20 World Cup, junior national teams). *(Adopted: 1/14/02 effective 8/1/02, Revised: 1/22/20 effective 8/1/20, 10/18/22)*

14.2.4.4.2.2 Service Exceptions. Participation in organized competition during time spent in the armed services, on official religious missions or with recognized foreign aid services of the U.S. government and the period between completion of the service commitment and the first opportunity to enroll as a full-time student in a regular academic term is exempt from the application of Bylaw 14.2.4.4. *(Adopted: 10/20/20)*

14.2.4.4.3 Volleyball and Beach Volleyball. Volleyball and beach volleyball are considered the same sport for the purposes of Bylaw 14.2.4.4. *(Adopted: 1/17/15 effective 8/1/15, Revised: 8/19/15)*

14.2.4.5 Intercollegiate Participation. A student-athlete is considered to have engaged in a season of intercollegiate participation when they compete in an athletics event involving any one of the conditions characterizing intercollegiate participation (per Bylaws 14.02.6 and 14.2.4.1). *(Revised: 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04, 4/20/21)*

14.2.4.6 International Competition/Summers. Competition by a student-athlete representing an institution in international competition during the summer-vacation period shall not affect the student-athlete's seasons of participation, provided the competition has been certified by the institution per Bylaw 17.32.1 or sanctioned by the Management Council, by a two-thirds majority of its members present and voting, and the request for Management Council sanction has been made by the institution at least 30 days before the competition. *(Revised: 1/11/00 effective 8/1/00)*

14.2.4.7 Foreign-Tour Competition. A student-athlete who did not participate during the institution's season just completed and who represents the institution in a certified foreign tour after that intercollegiate season and before the start of the next academic year shall not be charged with a season of participation for the preceding season. *(Revised: 1/9/06)*

14.2.4.8 Male Practice Player. A male student who practices with a women's team in a sport that is also sponsored as a men's sport by the NCAA or is considered the same sport under amateurism regulations, is charged with a season of participation in the men's sport. If a male student practices with a women's team in a sport that has no equivalent men's sponsored sport, the male student is charged with a season of participation in the women's sport. *(Adopted: 4/11/06)*

14.2.5 Hardship Waiver. A student-athlete may be granted an additional year of participation (per Bylaw 14.2.4) by the conference or the Committee on Student-Athlete Reinstatement for reasons of "hardship." Hardship is defined as an incapacity resulting from a season-ending injury or illness (including a mental health condition) that has occurred under all of the following conditions: *(Revised: 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04, 8/23/07, 7/23/25)*

- (a) The season-ending injury or illness occurs before the completion of the first half of the traditional playing season in that sport for the season being waived and results in incapacity to compete for the remainder of the traditional playing season. The first half of the traditional playing season is measured by the maximum contest or date of competition (whichever is applicable to that sport) limitation in each sport as set forth in Bylaw 17 plus one contest or date of competition (excluding exempted scrimmages, exhibitions and/or joint practices). For cross country and indoor and outdoor track and field, see Bylaw 14.2.5.2.5.1; and *(Revised: 1/10/05 for any competition occurring on or after 8/1/04, 1/9/06, 8/23/07, 1/16/10 effective for injuries or illnesses that occur before 8/1/10, 4/13/10, 7/24/19)*
- (b) The season-ending injury or illness occurs when the student-athlete has not competed in more contests or dates of competition than a number equivalent to one-third of the standard denominator, where the standard denominator is determined by the maximum number of contests or dates of competition plus one contest or date of competition (see Bylaw 14.2.5.2.5.1). For cross country and indoor and outdoor track and field, see Bylaw 14.2.5.2.5.1. Only competition (excluding exempted scrimmages, exhibition contests and/or joint practices) against outside participants during the traditional playing season, or, if so designated, during the official NCAA championship playing season in that sport (e.g., spring baseball, fall soccer), shall be countable under this limitation in calculating the number of contests or dates of competition in which the student-athlete has competed. [See Figure 14-1] *(Revised: 1/10/92, 1/14/97 effective 8/1/97, 1/10/05 for any competition occurring on or after 8/1/04, 4/7/05, 1/9/06, 8/23/07, 1/16/10 effective for injuries or illnesses that occur before 8/1/10, 4/13/10, 10/18/16, 7/24/19)*

14.2.5.1 Administration of Hardship Waiver. The hardship waiver shall be administered by the member conferences of the Association or, in the case of an independent member institution, by the Committee on Student-Athlete Reinstatement. An institution may appeal a decision by its conference to the Committee on Student-Athlete Reinstatement. *(Revised: 1/12/04)*

14.2.5.2 Criteria for Administration of Hardship Waiver. The following criteria are to be employed in the administration of the hardship waiver: *(Revised: 12/5/06)*

14.2.5.2.1 Nature of Injury/Illness. It is not necessary for the incapacitating, season-ending injury or illness to be the direct result of the student's participation in the institution's organized practice or game competition. *(Revised: 8/23/07, 10/19/10)*

14.2.5.2.2 Medical Documentation. Contemporaneous or other appropriate medical documentation from a physician (i.e., a medical doctor), who administered care at the time of the injury or illness, that establishes the student-athlete's inability to compete for the remainder of the traditional playing season as a result of that injury or illness shall be submitted with any hardship-waiver request. Chiropractic records do not constitute medical documentation for purposes of administering a hardship-waiver request. *(Adopted: 1/12/99, Revised: 1/9/04, 1/10/05, 8/23/07, 10/20/08, 10/20/09, 7/23/25)*

14.2.5.2.2.1 Exception for Mental Health Condition. Where the assertion for the hardship waiver is based on a mental health condition, the information submitted may be contemporaneous or noncontemporaneous medical documentation provided by an individual who is licensed to diagnose the mental health condition (e.g., psychiatrist, psychologist). *(Adopted: 7/23/25)*

14.2.5.2.3 First-Half-of-Season Calculation. In determining if an injury or illness occurs in the first half of the traditional season, any computation that results in a fractional portion of a contest or date of competition shall be rounded up to the next whole number. The first contest or date of competition immediately following the rounded value is the first contest or date of competition in the second half of the season (e.g., 50 percent of a sport with a standard denominator of 11 contests -- 5.5 contests -- shall be considered 6 contests and an injury or illness must have occurred prior to the start of the seventh contest). [See Figure 14-1] *(Revised: 1/14/97 effective 8/1/97, 10/19/21 Immediate, [For any incapacitating injury or illness, or other extenuating circumstance occurring on or after August 1, 2021], 11/11/21, 4/15/22)*

14.2.5.2.4 Reinjury in Second Half of Season. A student-athlete who suffers an injury in the first half of the traditional season, enters competition during the second half of the traditional season and then is unable to participate further as a result of aggravating the original injury does not qualify for the hardship waiver. *(Revised: 8/23/07)*

14.2.5.2.5 Percent Calculation. The following requirements are to be met in determining the percent calculation under this waiver provision: (Note: The percent calculation requirements set forth in Bylaws 14.2.5 and 14.2.5.2.3 apply only to the waiver provisions of this section and do not apply to the maximum- and minimum-contests requirements in Bylaw 20.)

14.2.5.2.5.1 Denominator in Percent Computation. The denominator in the institution's percent calculation shall be based on the maximum contest or date of competition (whichever is applicable to that sport)

limitation in each sport (as set forth in Bylaw 17) plus one contest or date of competition. For the sport of cross country, the denominator in the institution's percent calculation shall be based on the maximum dates of competition (as set forth in Bylaw 17) plus two dates of competition. For indoor and outdoor track and field, the denominator in the institution's percent calculation shall be nine for each sport. [See Figure 14-1] *(Revised: 1/14/97 effective 8/1/97, 4/15/98, 1/10/05 for any competition occurring on or after 8/1/04, 1/16/10 effective for injuries or illnesses that occur before 8/1/10, 4/13/10)*

14.2.5.2.5.2 Fraction in Percent Computation. Any computation of the percent limitation that results in a fractional portion of a contest or date of competition shall be rounded to the next whole number (e.g., 33 percent of the standard basketball denominator of 26 -- 8.6 games -- shall be considered nine games). *(Revised: 1/14/97 effective 8/1/97, 2/23/11)*

14.2.5.2.6 Foreign-Tour Competition. A student-athlete who qualifies for a hardship for the previous academic year would not use a season of participation if the student-athlete represents the institution on a certified foreign tour during the summer-vacation period at the conclusion of that academic year. *(Adopted: 1/10/92, Revised: 1/12/04 effective 8/1/04, 1/9/06)*

14.2.5.2.7 Transfer Student-Athletes. The hardship-waiver criteria for a transfer student-athlete who suffers an injury or illness while attending an NCAA Division I or Division II institution may be based on the rule that would be most favorable to the student-athlete (the rule applicable to the division in which the injury or illness occurred or the Division III rule). The application of a particular division's legislation must include all the applicable elements of that division's legislation, as opposed to selected elements of the legislation of each division. *(Adopted: 4/11/11)*

14.2.5.3 Eligibility for Practice. A student-athlete who meets the criteria for receipt of a hardship waiver may practice and/or participate in rehabilitative activities for the remainder of the season and still qualify for a hardship waiver. A student-athlete who competes in that sport during the remainder of the season shall use a season of participation, unless the competition meets an exception per Bylaw 14.2.4.1.1. *(Adopted: 8/23/07, Revised: 10/20/09, 3/4/16)*

14.2.5.4 Practice While Waiver is Pending. A student-athlete, who has exhausted their seasons of participation but suffered a hardship during one or more of those seasons, may practice, but not compete, provided the institution has filed a hardship waiver request with the conference office or, in the case of an independent member institution, the Committee on Student-Athlete Reinstatement. If the request is denied, the student-athlete must cease all practice activities upon the institution's notification of the denial and may not continue to practice during the appellate process. *(Adopted: 4/20/23)*

14.2.6 Season-of-Participation Waiver -- Participation While Ineligible. In conjunction with a request for restoration of eligibility and any conditions imposed thereon per Bylaw 14.12, a student-athlete may be granted an additional season of participation by the Committee on Student-Athlete Reinstatement when they engaged in a limited amount of participation as a result of a good-faith, erroneous formal declaration of eligibility by the institution's appropriate certifying authority or a student-athlete's good-faith, erroneous reliance on a coaching staff member's decision to put the student-athlete into participation before the coaching staff member receiving a formal declaration of the student-athlete's eligibility from the institution's appropriate certifying authority. The participation must have occurred under all of the following conditions: *(Adopted: 1/16/93, Revised: 1/12/99, 1/13/03, 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04, 4/20/21)*

- (a) The participation occurred while the student-athlete was representing an NCAA member institution; *(Revised: 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04)*
- (b) The participation occurred within 60 days of the date the student-athlete first reported for athletics participation; *(Revised: 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04)*
- (c) The student-athlete did not participate in more than two events or 10 percent (whichever number is greater) of the institution's completed or scheduled (not exceeding the maximum limitations in each sport as set forth in Bylaw 17 as set before the first scheduled contest or date of competition) events in their sport. All competition (including a scrimmage) against outside participants shall be countable under this limitation in calculating both the number of events in which the student-athlete participated and the number of completed or scheduled events during that season (traditional and nontraditional) in the sport; *(Revised: 1/10/05 for any competition occurring on or after 8/1/04, 1/9/06, 4/20/21)*
- (d) The student-athlete was involved innocently and inadvertently in the erroneous determination or declaration of eligibility, which permitted the student-athlete to participate while ineligible; and *(Revised: 1/12/99, 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04)*
- (e) In the case of a coaching staff member's erroneous decision, the student-athlete had reason to believe they would be eligible to participate and the student-athlete did not contribute to the coaching staff member's erroneous decision to allow the student-athlete to participate. *(Adopted: 1/12/99, Revised: 4/20/21)*

14.2.6.1 Percent Calculation. The requirements specified in Bylaw 14.2.5.2.5 shall apply to the 10-percent calculation specified in this waiver. *(Adopted: 1/16/93)*

14.2.6.2 Practice While Waiver is Pending. A student-athlete, who has exhausted their seasons of participation, may practice, but not compete, provided the institution has filed a season-of-participation waiver request. If such a request is denied, the student-athlete must cease all practice activities upon the institution's notification of the denial and may not continue to practice during the appellate process. *(Adopted: 4/20/23)*

14.2.7 Season-of-Participation Waiver -- Participation While Eligible. A student-athlete may be granted an additional season of participation by the Committee on Student-Athlete Reinstatement when, due to extenuating circumstances (per Bylaw 14.2.7.1.2), the student-athlete, while eligible, engaged in a limited amount of participation. The participation must have occurred under all of the following conditions: *(Adopted: 1/13/03 effective 8/1/03 for competition occurring on or after 8/1/03, Revised: 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04, 6/22/05)*

- (a) The participation occurred within the first half of the traditional segment; and *(Revised: 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04)*
- (b) The student-athlete did not compete in more contests or dates of competition than a number equivalent to one-third of the standard denominator, where the standard denominator is determined by the maximum number of contests or dates of competition plus one contest or date of competition. All competition (including a scrimmage) against outside participants shall be countable under this limitation in calculating the number of contests or dates of competition in which the student-athlete participated. *(Revised: 1/10/05 for competition occurring on or after 8/1/04, 1/9/06, 6/11/14, 10/18/16 effective 10/18/16)*

14.2.7.1 Administrative Criteria. The following criteria shall be employed in the administration of this season-of-participation waiver: *(Adopted: 1/13/03 effective 8/1/03 for competition occurring on or after 8/1/03, Revised: 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04)*

14.2.7.1.1 Percent Calculation. The requirements specified in Bylaw 14.2.5.2.5 shall apply to the percent calculation specified in this waiver. *(Adopted: 1/13/03 effective 8/1/03 for competition occurring on or after 8/1/03)*

14.2.7.1.2 Extenuating Circumstances. Extenuating circumstances include, but are not limited to, the following: *(Adopted: 1/13/03 effective 8/1/03 for competition occurring on or after 8/1/03)*

- (a) The student-athlete is unable to compete as a result of a life-threatening injury or illness suffered by a member of the student-athlete's immediate family, which clearly is supported by contemporaneous medical documentation; *(Revised: 1/10/05)*
- (b) The student-athlete is unable to compete as a result of extreme financial difficulties as a result of a specific event (e.g., layoff, death in family) experienced by the student-athlete or an individual on whom the student-athlete is legally dependent. These circumstances must be clearly supported by objective documentation (e.g., decree of bankruptcy, proof of termination) and must be beyond the control of the student-athlete or the individual on whom the student-athlete is legally dependent; and *(Revised: 1/10/05)*
- (c) The student-athlete's institution dropped the sport (in which the student has practiced or competed) from its intercollegiate program.

14.2.7.1.3 Review Authority. In cases in which a student-athlete does not meet the extenuating circumstances listed in Bylaw 14.2.7.1.2, the Committee on Student-Athlete Reinstatement shall have authority to review and grant waivers based on additional documented extenuating circumstances. *(Adopted: 1/13/03 effective 8/1/03 for competition occurring on or after 8/1/03)*

14.2.7.2 Practice While Waiver is Pending. A student-athlete, who has exhausted their seasons of participation, may practice, but not compete, provided the institution has filed a season-of-participation waiver request. If such a request is denied, the student-athlete must cease all practice activities upon the institution's notification of the denial and may not continue to practice during the appellate process. *(Adopted: 4/20/23)*

14.4 Satisfactory-Progress Requirements.

14.4.1 Satisfactory-Progress Requirements. To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete shall maintain satisfactory progress toward a baccalaureate or equivalent degree at that institution as determined by the regulations of that institution. As a general requirement, "satisfactory progress" is to be interpreted at each member institution by the academic authorities who determine the meaning of such phrases for all students, subject to controlling legislation of the conference(s) or similar association of which the institution is a member. (See Bylaw 20.8.4.11 regarding the obligations of members to publish their satisfactory-progress requirements for student-athletes and Bylaw 14.01.2 for the requirements for student-athletes enrolled in two-year degree programs.) *(Revised: 1/10/05, 8/18/06)*

14.4.1.1 Exchange Student. A foreign exchange student as defined in Bylaw 14.5.1.2.1 shall maintain satisfactory progress toward a baccalaureate or equivalent degree at the student's preceding educational institution.

14.4.1.2 Temporary Student. A student-athlete having the status of temporary, transient or exchange student shall not represent an institution in intercollegiate athletics competition unless such status is specifically allowed and governed by provisions adopted by the membership.

14.4.1.3 Prior Approval -- Summer Courses at Other Institutions. Prior approval by appropriate academic officials of the certifying institution is required if courses taken during another institution's summer term are to be used in determining the student's academic status (i.e., good academic standing and satisfactory progress). Under limited circumstances, the Management Council may grant waivers for student-athletes who did not request or receive prior approval.

14.4.1.4 Correspondence, Extension, Credit-by-Examination and Online Courses. Use of correspondence, extension, credit-by-examination and online courses for purposes of academic standing or satisfactory progress shall be determined by the regulations of the certifying institution, regardless of whether the courses are taken through the certifying institution or through another institution. *(Adopted: 1/14/08 effective 8/1/08)*

14.4.1.5 Waiver -- Olympic and Paralympic Games. The Management Council may waive this general satisfactory-progress requirement for any participant in the Olympic and Paralympic Games who, because of such participation, may lose eligibility for practice and competition in any sport. *(Revised: 1/22/20 effective 8/1/20)*

14.5 Transfer Regulations.

14.5.1 General Principle. A student who transfers (see Bylaw 14.5.2) to a member institution from any collegiate institution is required to satisfy the applicable transfer requirements or qualify for an exception as set forth in this bylaw before being eligible to compete for or to receive travel expenses from the member institution. (see Bylaw 16.8.1.2). *(Revised: 1/10/91 effective 8/1/91, 5/7/10, 8/5/24)*

14.5.1.1 Disciplinary Suspension. A student who transfers to any NCAA institution from a collegiate institution while the student is disqualified or suspended from the previous institution for disciplinary reasons (as opposed to academic reasons) must complete one calendar year of residence at the certifying institution. *(Revised: 1/14/97 effective 8/1/97)*

14.5.1.1.1 Exception. A student who transfers to the certifying institution and for a consecutive two-year period immediately before the date on which the student begins participation (practice and/or competition), the student has neither practiced nor competed in the involved sport in intercollegiate competition and has neither practiced nor competed in organized noncollegiate amateur competition while enrolled as a full-time student in a collegiate institution is not required to complete one calendar year of residence. This two-year period does not include any period of time before the student's initial collegiate enrollment. *(Adopted: 1/16/10 effective 8/1/10, Revised: 8/5/24)*

14.5.1.2 International Transfer Student-Athlete. A transfer student from a foreign collegiate institution (college, university or two-year college), except one entering as an exchange student (Bylaw 14.5.1.2.1), shall comply with the applicable four-year transfer requirements set forth Bylaw 14.5.5. *(Revised: 8/5/24)*

14.5.1.2.1 Exchange Student Exception. A student who transfers to the certifying institution shall be immediately eligible if the student is enrolled in the certifying institution for a specified period of time as a foreign or domestic exchange student participating in a formal and established educational exchange program (e.g., sponsored by the U.S. Department of State, Rotary International, the Ford Foundation, the Institute of International Education) recognized by the institution's academic authorities. *(Revised: 7/22/08, 8/5/24)*

14.5.2 Conditions Affecting Transfer Status. A transfer student is an individual who transfers from a collegiate institution after having met any one of the following conditions at that institution:

- (a) The student was officially registered and enrolled in a minimum, full-time program of studies in any quarter or semester of an academic year, as certified by the registrar or admissions office and attended class; *(Revised: 1/9/06)*
- (b) The student attended a class or classes in any quarter or semester in which the student was enrolled in a minimum full-time program of studies, even if the enrollment was on a provisional basis and the student was later determined by the institution not to be admissible;
- (c) The student is or was enrolled in an institution in a minimum full-time program of studies in a night school that is considered to have regular terms (semesters or quarters) the same as the institution's day school and the student is or was considered by the institution to be a regularly matriculated student;
- (d) The student attended a branch school that does not conduct an intercollegiate athletics program, but the student had been enrolled in another collegiate institution before attendance at the branch school;

- (e) The student attended a branch school that conducted an intercollegiate athletics program and transfers to an institution other than the parent institution;
- (f) The student reported for a regular squad practice (including practice or conditioning activities that occurred before certification), announced by the institution through any member of its athletics department staff, before the beginning of any quarter or semester, as certified by the athletics director. Participation only in picture-day activities would not constitute "regular practice;" or
- (g) The student participated in practice or competed in a given sport even though the student was enrolled in less than a minimum full-time program of studies.

14.5.3 Conditions Not Constituting Transfer Status. Unless otherwise covered by conditions set forth in Bylaw 14.5.2, a student-athlete is not considered a transfer under the following enrollment conditions:

14.5.3.1 Summer School, Extension Courses or Night School. The student has been enrolled in or attended classes only in a summer school, extension course or night school, unless the night school is considered by the institution to be a regular term (semester or quarter) the same as its day school, the student is enrolled for a minimum full-time load in this regular night term and the student is considered by the institution to be a regularly enrolled student.

14.5.3.2 Second Campus of Institution. The student is in residence at an institution's campus that is not in the same city as the institution's main campus, provided the campus at which the student is in residence does not conduct an intercollegiate athletics program, classes on the campus are taught by the same instructors who teach classes on the main campus, the credits received by all class enrollees are considered as regular credits by the institution's main campus and the degrees awarded to all students come from the institution's main campus.

14.5.3.3 Academic Exchange Program. The student participates in a regular academic exchange program between two four-year institutions that requires a participant to complete a specified period of time at each institution and the program provides for the student-athlete to receive at least two baccalaureate or equivalent degrees at the conclusion of this joint academic program.

14.5.4 Two-Year College Transfers. A student who transfers to a member institution from a two-year college or from a branch school that conducts an intercollegiate athletics program is eligible for intercollegiate competition provided one of the following applies: (*Revised: 1/10/92, 4/14/06, 5/7/10, 8/5/24*)

- (a) The student has never practiced nor competed in intercollegiate athletics; (*Adopted: 8/5/24*)
- (b) The student has not been enrolled full time at a four-year collegiate institution and would have been academically eligible had they remained at their institution; (*Adopted: 8/5/24*)
- (c) The student transfers from a four-year institution to a two-year college and then to the certifying institution; and (*Adopted: 8/5/24*)
 - (1) The student would have been academically eligible at the time of transfer from the previous four-year institution (see Bylaw 14.5.2) had they remained at the previous four-year institution; or (*Adopted: 8/5/24*)
 - (2) The student-athlete successfully completed at least 24-semester or 36-quarter hours of transferable-degree credit at the two-year college and spent at least two full-time semesters or three full-time quarters of attendance at the two-year college. The credit hour and term requirements may be satisfied by combining attendance at multiple two-year colleges; or (*Adopted: 8/5/24*)
- (d) Two-Year Nonparticipation. For a consecutive two-year period immediately before the date on which the student begins participation (practice and/or competition), the student has neither practiced nor competed in the involved sport in intercollegiate competition and has neither practiced nor competed in organized noncollegiate amateur competition while enrolled as a full-time student in a collegiate institution. This two-year period does not include any period of time before the student's initial collegiate enrollment. (*Adopted: 8/5/24*)

14.5.4.1 Regaining Eligibility. An undergraduate transfer student who does not satisfy any of the conditions set forth in Bylaw 14.5.4 may become eligible to compete at the certifying institution after the conclusion of the first regular term of full-time enrollment following transfer by meeting all applicable eligibility requirements of the certifying institution. (*Adopted: 8/5/24*)

14.5.5 Four-Year College Transfers. See Bylaw 13.1.1.2 for prohibition against contacting student-athletes of another four-year collegiate institution without permission.

14.5.5.1 General Rule. An undergraduate transfer student from a four-year institution is eligible for intercollegiate competition provided one of the following applies: (*Revised: 1/10/91 effective 8/1/91, 5/7/10, 1/19/13, 4/20/21, 8/5/24*)

- (a) The student has never practiced nor competed in intercollegiate athletics; (*Adopted: 8/5/24*)

- (b) The student would have been academically eligible at the time of transfer to the certifying institution (see Bylaw 14.5.2), had they remained at the previous institution; or *(Adopted: 8/5/24)*
- (c) Two year nonparticipation. For a consecutive two-year period immediately before the date on which the student begins participation (practice and/or competition), the student has neither practiced nor competed in the involved sport in intercollegiate competition and has neither practiced nor competed in organized noncollegiate amateur competition while enrolled as a full-time student in a collegiate institution. This two-year period does not include any period of time before the student's initial collegiate enrollment. *(Adopted: 8/5/24)*

14.5.5.1.1 Regaining Eligibility. An undergraduate transfer student who does not satisfy any of the conditions set forth in Bylaw 14.5.5 may become eligible to compete at the certifying institution after the conclusion of the first regular term of full-time enrollment following transfer by meeting all applicable eligibility requirements of the certifying institution. *(Adopted: 8/5/24)*

14.7 Outside Competition, Effects on Eligibility. The eligibility of a student-athlete who engages in outside competition (see Bylaw 17.02.10) is affected as set forth in the following regulations.

14.7.1 Outside Competition. A student-athlete becomes ineligible for intercollegiate competition in that sport until eligibility is restored by the Committee on Student-Athlete Reinstatement if, after enrollment in college and during any year in which the student-athlete is a member of an intercollegiate squad or team, they compete or have competed as a member of any outside team in any noncollegiate, amateur competition (e.g., tournament play, exhibition games or other activity) during the institution's intercollegiate season in the sport (see Bylaw 14.7.3 for exceptions and waivers) unless restored to eligibility before that time by the Committee on Student-Athlete Reinstatement. (See Bylaw 14.1.11, for student-athletes participating in a recognized foreign exchange/study abroad program). *(Revised: 1/16/93, 1/11/94, 1/13/03 effective 8/1/03, 12/20/04, 1/10/05, 1/19/13, 4/20/21)*

14.7.1.1 Defining Intercollegiate Season. For the purposes of defining when outside competition is prohibited, the institution's intercollegiate season will be defined as follows: *(Adopted: 7/18/23 effective 8/1/23)*

- (a) **Sports with Fall NCAA Championships.** The season is the traditional segment. For football, the season is the traditional season. *(Adopted: 7/18/23 effective 8/1/23)*
- (b) **Sports with a Winter NCAA Championship.**
The season is the period of time between the date of the institution's first scheduled contest to the institution's final contest. *(Adopted: 7/18/23 effective 8/1/23)*
- (c) **Sports with Spring NCAA Championships, except for Golf, Rowing and Tennis.** The season is the traditional segment. *(Adopted: 7/18/23 effective 8/1/23)*
- (d) **Period Sports (Golf, Rowing and Tennis).** The season is from the institution's start date to the end date for each period. *(Adopted: 7/18/23 effective 8/1/23)*

14.7.1.1.1 Additional Restriction -- Men's and Women's Wrestling. In men's and women's wrestling, a student-athlete may compete outside of the institution's intercollegiate season as a member of an outside team in any noncollegiate, amateur competition, except during the period between the beginning of the institution's academic year and November 1. The number of student-athletes from any one institution shall not exceed the applicable limits set forth in Bylaw 17.32.2. *(Adopted: 7/26/11 effective 8/1/11, Revised: 1/27/20 effective 8/1/20)*

14.7.1.3 Volleyball and Beach Volleyball. Volleyball and beach volleyball are considered the same sport for the purposes of Bylaw 14.7. *(Adopted: 1/17/15 effective 8/1/15, Revised: 8/19/15)*

14.7.2 Additional Applications of Outside-Competition Regulations.

14.7.2.1 Definition of Team Member. A student-athlete is considered to be a member of the institution's team in a sport in any specified year when the student meets any of the conditions set forth in Bylaw 14.7.2.2 and/or reports for practice or competition in that sport in that year. Thereafter, for purposes of this rule, the student-athlete is considered to be a member of that team for the remainder of the season.

14.7.2.1.1 Exception. A student-athlete who fails to make the institution's team after participation only in limited preseason tryouts shall not be considered a member of the team for purposes of this regulation. *(Adopted: 1/16/93)*

14.7.2.2 Eligibility Status. A student-athlete is considered to be a member of the institution's team and therefore bound by this regulation in that sport, if the student-athlete:

- (a) Is ineligible to compete but practiced with a squad or team in the sport; or
- (b) Is eligible to compete but was not permitted to do so, other than taking part in practice sessions with the squad or team in the sport.

14.7.2.2.1 Exception. A student-athlete who fails to make the institution's team after participation only in limited preseason tryouts shall not be considered a member of the team for purposes of this regulation. *(Adopted: 1/16/93)*

14.7.2.3 Competition between Segments. If an institution conducts separate fall and spring practice or playing segments in a sport, it is permissible for a student-athlete to participate in that sport on an outside team during the period between the two segments without affecting their eligibility. *(Revised: 1/10/91 effective 8/1/91, 1/16/93, 4/20/21)*

14.7.2.4 Postseason Competition. An institution's intercollegiate season includes any scheduled participation in the conference championship in the sport in question but excludes the period between the last regularly scheduled competition and the NCAA championship in that sport.

14.7.2.5 Competition as Individual/Not Representing Institution. It is permissible for a student-athlete to participate in outside competition as an individual during the academic year in the student-athlete's sport, as long as the student-athlete represents only themselves in the competition and does not engage in such competition as a member of or receive expenses from an outside team. *(Revised: 4/20/21)*

14.7.2.5.1 No Competition Between Beginning of Academic Year and November 1 -- Men's and Women's Wrestling. In men's and women's wrestling, a student-athlete shall not participate in outside competition as an individual between the beginning of the institution's academic year and November 1. *(Adopted: 7/26/11 effective 8/1/11, Revised: 1/27/20 effective 8/1/20)*

14.7.2.6 Exempt Teams. In the individual sports (see Bylaw 17.02.13.2), such units as "pro-am" golf teams, doubles tennis teams and relay teams in track and field are not considered to be outside teams for purposes of this legislation.

14.7.3 Exceptions -- All Sports.

- (a) **High School Alumni Game.** A student-athlete may compete in one game a year involving players from the student-athlete's former high school and its alumni team. In sports other than basketball, this game must take place during an official vacation period of the institution's academic year.
- (b) **Olympic and Paralympic Games.** A student-athlete may participate in the official Olympic and Paralympic Games, in final tryouts that directly qualify competitors for the Olympic and Paralympic Games and in officially recognized competition directly qualifying participants for final Olympic and Paralympic Games tryouts. *(Revised: 1/14/97 effective 8/1/97, 1/22/20 effective 8/1/20)*
- (c) **Official Pan American and Parapan American Games Tryouts and Competition.** A student-athlete may participate in official Pan American and Parapan American Games tryouts and competition, including junior-level tryouts and competition. *(Adopted: 1/14/97 effective 8/1/97, Revised: 4/11/06, 1/22/20 effective 8/1/20)*
- (d) **National Teams.** A student-athlete may participate in official tryouts and competition involving national teams sponsored by the appropriate national governing bodies of the U.S. Olympic and Paralympic Committee (or, for the student-athletes representing another nation, the equivalent organization of that nation or, for student-athletes competing in a non-Olympic or Paralympic sport, the equivalent organization of that sport). *(Adopted: 1/14/97 effective 8/1/97, Revised: 1/22/20 effective 8/1/20)*
- (e) **Official World Championships, World University Games (Universiade), World University Championships, World Youth Championships and World Cup Tryouts and Competition.** A student-athlete may participate in official World Championships, World University Games (Universiade), World University Championships, World Youth Championships and World Cup tryouts and competition (including junior levels). *(Adopted: 1/14/97 effective 8/1/97, Revised: 1/14/02, 4/11/06, 10/17/11)*
- (f) **Multisport Events.** A student-athlete may participate in officially recognized state and national multisport events. *(Adopted: 1/14/97 effective 8/1/97)*
- (g) **Triathlons.** A student-athlete, other than a triathlon student-athlete, may compete, as an individual or part of a team, in triathlons at any time during the calendar year subject to Bylaw 12 limitations. If a student-athlete competes on a triathlon team, they must compete in all three legs of the triathlon to satisfy this exception. *(Adopted: 1/15/11, Revised: 4/11/11, 5/15/14, 4/20/21)*

14.7.3.1 National-Team Criteria. A national team shall meet the following criteria: *(Adopted: 1/14/97 effective 8/1/97, Revised: 12/5/06, 4/13/10)*

- (a) It is designated by the U.S. Olympic and Paralympic Committee, national governing body or other organizations recognized by the U.S. Olympic and Paralympic Committee (or, for student-athletes representing another nation, the equivalent organization of that nation or for student-athletes competing in a non-Olympic or Paralympic sport, the equivalent organization in that sport); *(Revised: 4/17/13, 1/22/20 effective 8/1/20)*

- (b) Selection for such a team is made on a national qualification basis either through a defined selective process or actual tryouts, publicly announced; and
- (c) The international competition in question requires that the entries officially represent their respective nations, although it is not necessary to require team scoring by nation. *(Revised: 12/5/06)*

14.8 U.S. Service Academies, Special Eligibility Provisions.

14.8.1 Ten-Semester/15-Quarter Rule. The Committee on Student-Athlete Reinstatement may approve waivers to the 10-semester/15-quarter rule (see Bylaw 14.2) for student-athletes of the national service academies who have exhausted eligibility in one sport but wish to compete in another sport or sports in which they have eligibility remaining. *(Revised: 1/13/03)*

14.8.2 Transfer Status. A student who has attended as a freshman (plebe) only in the official summer-enrollment program of one of the national service academies is not considered a transfer in the application of the transfer regulations of Bylaw 14.5.

14.9 Post-Enrollment Academic Misconduct and Impermissible Academic Assistance. All institutional staff members and student-athletes are expected to act with honesty and integrity in all academic matters. *(Adopted: 1/20/18 effective 8/1/18)*

14.9.1 Institutional Staff Member - Defined For purposes of Bylaw 14.10, an institutional staff member is any individual, excluding a student employee, who performs work for the institution or the athletics department, regardless of whether they receive compensation for such work. *(Adopted: 1/20/18 effective 8/1/18, Revised: 4/20/21)*

14.9.1.1 Student Employee. For purposes of Bylaw 14.10, a student employee is an institutional staff member if: *(Adopted: 1/20/18 effective 8/1/18)*

- (a) The student has institutional responsibilities to provide academic services to student-athletes; or *(Adopted: 1/20/18 effective 8/1/18, Revised: 4/20/21)*
- (b) The student engages in academic misconduct or provides impermissible academic assistance at the direction of a nonstudent employee, an institutional staff member per Bylaw 14.9.1.1-(a) or a representative of the institution's athletics interests. *(Adopted: 1/20/18 effective 8/1/18, Revised: 4/20/21)*

14.9.2 Academic Misconduct - Post Enrollment. *(Adopted: 1/20/18 effective 8/1/18)*

- (a) **Conduct Violating Institutional Policy.** A student-athlete, a current or former institutional staff member or a representative of an institution's athletics interest shall not engage in any conduct constituting a violation or breach (as determined by the institution) of an institutional policy regarding academic honesty or integrity (e.g., academic offense, academic honor code violation, plagiarism, academic fraud) under any of the following circumstances: *(Adopted: 1/20/18 effective 8/1/18)*
 - (1) The conduct involves a student-athlete and either a current or former institutional staff member or representative of an institution's athletics interests; *(Adopted: 1/20/18 effective 8/1/18)*
 - (2) The conduct results in an erroneous declaration of eligibility to participate in intercollegiate athletics and the student-athlete subsequently competes for the institution while ineligible; or *(Adopted: 1/20/18 effective 8/1/18)*
 - (3) The conduct involves the alteration or falsification of a student-athlete's transcript or academic record. *(Adopted: 1/20/18 effective 8/1/18)*
- (b) **Other Conduct.** A current or former institutional staff member or a representative of an institution's athletics interest shall not alter or falsify a student-athlete's transcript or academic record regardless if the alteration or falsification constitutes a breach of an institutional policy regarding academic integrity (e.g., academic offense, academic honor code violation, plagiarism, academic fraud). *(Adopted: 1/20/18 effective 8/1/18)*

14.9.3 Impermissible Academic Assistance. A current or former institutional staff member or a representative of an institution's athletics interests shall not provide the following: *(Adopted: 1/20/18 effective 8/1/18)*

- (a) Substantial assistance that is not generally available to an institution's students and is not otherwise expressly authorized in Bylaw 16.3, which results in the certification of a student-athlete's eligibility to participate in intercollegiate athletics; or *(Adopted: 1/20/18 effective 8/1/18)*
- (b) An academic exception that results in a grade change, academic credit or fulfillment of a graduation requirement when such an exception is not generally available to the institution's students and the exception results in the certification of a student-athlete's eligibility to participate in intercollegiate athletics. *(Adopted: 1/20/18 effective 8/1/18)*

14.9.3.1 Application. If an institution determines, pursuant to its policies and procedures, that academic misconduct has occurred, a violation of Bylaw 14.10.3 shall not be cited by the institution or through an enforcement investigation. If an

institution determines, pursuant to its policies and procedures, that academic misconduct has not occurred, the conduct in question may still constitute a violation of Bylaw 14.10.3 (*Adopted: 1/20/18 effective 8/1/18*)

14.9.4 Policies and Procedures. An institution shall: (*Adopted: 1/20/18 effective 8/1/18*)

- (a) Have written institutional policies and procedures regarding academic misconduct applicable to the general student-body, including student-athletes. The policies and procedures must be approved through the institution's normal process for approving such policies and must be kept on file or be accessible on the institution's website; and (*Adopted: 1/20/18 effective 8/1/18*)
- (b) Investigate and adjudicate alleged academic misconduct in accordance with established policies regardless of whether the misconduct is reported to the NCAA or whether the student-athlete acted alone or in concert with others. (*Adopted: 1/20/18 effective 8/1/18*)

14.9.4.1 Exception. An institution may establish a policy that permits an expedited investigation and adjudication of academic misconduct by a student-athlete, provided other applicable policies and procedures are observed and the policy for expedited review is approved through the institution's normal process for approving such policies and is approved by the institution's president or chancellor (or their designee). Further, the policy that permits an expedited review must be kept on file or must be accessible on the institution's website. (*Adopted: 1/20/18 effective 8/1/18, Revised: 4/20/21*)

14.10 Ineligibility.

14.10.1 Obligation of Member Institution to Withhold Student-Athlete from Competition. If a student-athlete is ineligible under the provisions of the constitution, bylaws or other regulations of the Association, the institution shall be obligated to apply immediately the applicable rule and to withhold the student-athlete from all intercollegiate competition. The institution may appeal to the Committee on Student-Athlete Reinstatement for restoration of the student-athlete's eligibility as provided in Bylaw 14.12 if it concludes that the circumstances warrant restoration.

14.10.2 Ineligibility Resulting from Recruiting Violation. An institution shall not enter a student-athlete (as an individual or as a member of a team) in any intercollegiate competition if it is acknowledged by the institution or established through the Association's enforcement procedures that the institution or representative(s) of its athletics interests violated the Association's legislation in the recruiting of the student-athlete. The institution may appeal to the Committee on Student-Athlete Reinstatement for restoration of the student-athlete's eligibility as provided in Bylaw 14.12 if it concludes that circumstances warrant restoration.

14.10.2.1 Payment of Legal Fees during Appeal. A member institution may provide actual and necessary expenses for a prospective student-athlete to attend proceedings conducted by the institution, its athletics conference or the NCAA that relate to the prospective student-athlete's eligibility to participate in intercollegiate athletics, provided the prospective student-athlete has been accepted for enrollment by the institution and has provided written confirmation of their intent to enroll at the institution. The cost of legal representation in such proceedings also may be provided by the institution (or a representative of its athletics interests). (*Revised: 4/20/21*)

14.10.3 Application of Ineligibility Ruling Pending Appeal. Once an official interpretation (per Bylaw 9.4.1.2) applicable to a member institution has been issued and results in the ineligibility of a student-athlete, it is necessary for the institution to apply the rule to the eligibility of the student-athlete, even if review of the interpretation (per Bylaws 9.4.1.2 or 9.4.1.4) at the request of the institution is pending. Failure to withhold such a student-athlete from competition is a violation of the conditions and obligations of membership.

14.10.4 Ineligible Participation.

14.10.4.1 Loss of Eligibility. A student-athlete shall be denied eligibility for intercollegiate competition in a sport if they participate in intercollegiate competition in that sport while ineligible under this bylaw or other applicable NCAA legislation. The certifying institution may appeal to the Committee on Student-Athlete Reinstatement for restoration of the student-athlete's eligibility if it concludes that the circumstances warrant restoration (see Bylaw 14.12). (*Revised: 4/20/21*)

14.12 Restoration of Eligibility.

14.12.1 Basis for Appeal. When a student-athlete is determined to be ineligible under any applicable provision of the constitution, bylaws or other regulations of the Association, the member institution, having applied the applicable rule and having withheld the student-athlete from all intercollegiate competition, may appeal to the Committee on Student-Athlete Reinstatement for restoration of the student's eligibility, provided the institution concludes that the circumstances warrant restoration of eligibility.

14.12.2 Participation in Appeal Hearing. Any appeal to restore a student-athlete's eligibility shall be submitted in the name of the institution by the president or chancellor (or an individual designated by the president or chancellor), faculty

athletics representative, senior woman administrator or athletics director (for the men's or women's program). At least one of those individuals must participate in any hearing of the appeal that involves direct participation by the student-athlete or other individuals representing the institution or the student. *(Revised: 1/11/94, 10/3/05)*

14.12.3 Student Responsibility, Relationship to Restoration of Eligibility. A student-athlete is responsible for their involvement in a secondary or major violation of NCAA regulations (as defined in Bylaws 19.02.2.2 and 19.02.2.3), and the Committee on Student-Athlete Reinstatement may restore the eligibility of a student involved in any violation only when circumstances clearly warrant restoration. The eligibility of a student-athlete involved in a major violation shall not be restored other than through an exception authorized by the Committee on Student-Athlete Reinstatement in a unique case on the basis of specifically stated reasons. *(Revised: 4/20/21)*

14.13 Additional Waivers for Eligibility Requirements. Conditions under which exceptions are permitted or waivers may be granted to specific eligibility requirements in this bylaw are noted in other sections of this bylaw. Other than these, there shall be no waiver by the Association of any of the provisions of this bylaw except as follows.

14.13.1 Management Council Waivers. The Management Council, by a two-thirds majority of its members present and voting, may waive specific provisions of this bylaw as follows.

14.13.1.1 Academic and General Requirements. The academic and general eligibility requirements may be waived under the following conditions or circumstances:

- (a) For student-athletes in times of national emergency;
- (b) For member institutions that have instituted a trimester or other accelerated academic program, provided any member institution applying for a waiver shall demonstrate a reasonable need for such waiver. Further, the Management Council shall grant no waiver that permits a student-athlete to engage in more than four seasons of intercollegiate participation. Under the waiver allowed, if a student in an accelerated academic program completes the requirements for a degree before completing eligibility, the student may participate in competition that begins within 90 days after completion of the requirements for the degree. The Management Council shall include a report of each such exception in its annual report to the Convention; and *(Revised: 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04)*
- (c) For institutions that have suffered extraordinary personnel losses from one or more of their intercollegiate athletics teams due to accident or illness of a disastrous nature.

14.13.1.2 Residence Requirement. The one-year residence requirement for student-athletes may be waived under the following conditions or circumstances:

- (a) For a student-athlete who transfers to a member institution for reasons of health. Such request for a waiver may be initiated by any member institution and shall be supported by contemporaneous medical documentation and medical recommendations of the institution's team physician and/or the student-athlete's personal physician; *(Revised: 1/9/06)*
- (b) For a student-athlete who transfers to a member institution after loss of eligibility due to a violation of the regulation prohibiting pay for participation in intercollegiate athletics (see Bylaw 12.1) or a violation of recruiting regulations (see Bylaw 13.01.6). The Management Council may waive these requirements only upon a determination of the innocence or inadvertent involvement of the student-athlete in the violation; and
- (c) On the recommendation of the Committee on Infractions, for a student-athlete who transfers to a member institution to continue the student-athlete's opportunity for full participation in a sport because the student-athlete's original institution was placed on probation by the NCAA with sanctions that would preclude the institution's team in that sport from participating in postseason competition during all of the remaining seasons of the student-athlete's eligibility (see Bylaw 13.1.1.2.4). *(Revised: 1/10/92)*

15.02.2.1 Institutional Financial Aid. The following sources of financial aid are considered to be institutional financial aid:

- (b) Aid from government or private sources for which the institution is responsible for selecting the recipient or determining the amount of aid, or providing matching or supplementary funds for a previously determined recipient.

15.02.2.2 Other Permissible Financial Aid. The following sources of financial aid are also permitted:

- (a) Financial aid received from anyone on whom the student-athlete is naturally or legally dependent;
- (b) Financial aid awarded solely on basis having no relationship to athletics leadership, ability, participation or performance; *(Revised: 8/22/06, 4/30/09)*

- (c) Financial aid awarded through an established and continuing outside program (e.g., National Merit Scholar) in which athletics participation is not a major criterion;
- (d) Financial aid awarded through an established and continuing outside program (e.g., National Football Foundation) for the recognition of outstanding high school graduates, in which athletics participation may be a major criterion, as outlined in Bylaw 15.1.2.2; and
- (e) Educational expenses awarded by the U.S. Olympic and Paralympic Committee or a U.S. national governing body (or for international student-athletes, expenses awarded by the equivalent organization of a foreign country). (*Adopted: 1/10/95 effective 8/1/95, Revised: 1/22/20 effective 8/1/20*)

15.02.3 Cost of Attendance. The cost of attendance is defined by federal regulations and may include tuition and fees, housing and food, required course-related books, transportation and other expenses incidental to attendance at the institution. (*Revised: 1/11/89 effective 8/1/89, 5/7/07, 7/20/22, 12/1/23*)

15.1 Elements of Financial Aid.

15.1.1 Financial Assistance. Financial assistance, whether estimated or actual, is all types of financial aid the student-athlete can receive that must be counted as defined in General Provisions for the Federal Perkins Loan Program, Federal Work-Study Program and Federal Supplemental Educational Opportunity Grant Program, 34 C.F.R. § 673.5(c). (<https://www.ecfr.gov/>). (*Revised: 1/11/89, 4/30/09, 7/24/19, 7/20/22*)

15.1.2 Financial Aid from Outside Sources.

15.1.2.1 Report of Aid from Outside Sources. All financial assistance received by the student-athlete from sources outside the institution shall be reported to the institution's financial aid office. (*Adopted: 1/8/01 effective 8/1/02, Revised: 4/30/09, 7/20/22*)

15.1.2.2 Athletics Leadership, Ability, Participation or Performance. A student-athlete may receive financial aid through an established and continuing program for the recognition of high school graduates, which may consider athletics leadership, ability, participation or performance, provided the following conditions are met: (*Revised: 1/10/05, 8/22/06, 4/15/14, 1/21/17 effective 8/1/17, 7/20/22*)

- (a) The award shall be made on only one occasion but may be disbursed over multiple years; (*Revised: 8/22/06 4/30/09, 4/15/14*)
- (b) The donor of the aid shall not limit the recipient's choice of institutions to a specific institution; and (*Revised: 1/21/17 effective 8/1/17*)
- (c) There shall be no direct connection between the donor and the student-athlete's institution. (*Revised: 4/15/14*)

15.1.2.2.1 Eligibility Effects of Improper Aid from Outside Organization. It is not permissible for a student-athlete to receive financial aid, directly or indirectly, from a source outside the institution (e.g., a foreign government, a sports association, a high school booster club) for expenses related to attendance at a member institution, if the award of such financial aid is based in any degree upon the recipient's athletics leadership, ability, participation or performance, except as permitted in Bylaw 15.1.2.2. Receipt of financial aid from such a source renders the student-athlete ineligible for all intercollegiate athletics participation. (*Revised: 8/22/06, 4/30/09*)

15.1.2.3 Educational Expenses -- U.S. Olympic and Paralympic Committee and National Governing Body. A student-athlete may receive educational expenses awarded by the U.S. Olympic and Paralympic Committee or a U.S. national governing body (or for international student-athletes, expenses awarded by the equivalent organization of a foreign country). The amount of the financial assistance shall be subject to the following limitations: (*Adopted: 1/10/95 effective 8/1/95, Revised: 1/4/07, 1/22/20 effective 8/1/20*)

- (a) Disbursement of the aid shall be through the member institution for the recipient's educational expenses while attending that institution; and
- (b) The recipient's choice of institutions shall not be restricted by the U.S. Olympic and Paralympic Committee or national governing body (or, for international student-athletes, expenses awarded by the equivalent organization of a foreign country). (*Revised: 1/4/07, 1/22/20 effective 8/1/20*)

15.1.3 Summer Financial Aid. Summer financial aid may be awarded to student-athletes in accordance with institutional policies applicable to the general student body. (*Adopted: 1/11/00 effective 8/1/00*)

15.1.3.1 Olympic or Paralympic Games Waivers. Waivers of the restriction that financial aid may be used only to attend the awarding institution's summer term or summer school may be approved by the Management Council, by a two-thirds majority of its members present and voting, for member institutions that have summer terms or summer schools curtailed because of the use of their facilities for the Olympic and Paralympic Games. (*Revised: 1/22/20 effective 8/1/20*)

15.2 Terms and Conditions of Awarding Institutional Financial Aid.

15.2.1 Eligibility of Student-Athletes for Financial Aid. A student-athlete must meet institutional regulations applicable to the general student body to be eligible for institutional financial aid (see Bylaws 15.01.5 and 15.01.8). *(Revised: 1/12/99 effective 8/1/99)*

15.2.1.1 Withdrawal from Institution. A student-athlete who withdraws from the institution may not receive financial aid during the remainder of the term.

The composition of the financial aid package offered to a student-athlete shall be consistent with the established policy of the institution's financial aid office, regular institutional agency, office or committee for all students (see Bylaw 15.01.4) and shall meet all of the following criteria: *(Revised: 5/7/07, 7/20/22)*

- (a) A member institution shall not consider athletics leadership, ability, participation or performance as a criterion in the formulation of the financial aid package; *(Revised: 8/22/06, 4/30/09)*
- (b) The financial aid procedures used for a student-athlete shall be the same as the existing official financial aid policies of the institution; and
- (c) The financial aid package for a particular student-athlete, group of student-athletes or team of student-athletes cannot be clearly distinguishable from the general pattern of all financial aid for all recipients at the institution. *(Revised: 7/22/14)*

15.3.1.1 Financial Aid Reporting Process. An institution shall submit an annual report that includes data regarding the financial aid packages awarded by the institution to freshmen and incoming transfer student-athletes and to other incoming students. The policies and procedures of the financial aid reporting process shall be established by the Financial Aid Committee and subject to approval by the Management Council. *(Adopted: 1/12/04 effective 8/1/05, Revised: 1/9/06, 4/14/08)*

15.3.1.1.1 Late Submission. An institution that submits its annual electronic report after the due date will be subject to a loss of eligibility for championships. The period of ineligibility shall last until the report is submitted. *(Revised: 1/9/06 effective 8/1/06, 8/3/06)*

15.3.1.1.1.1 Appeal Opportunity. An institution may appeal the application of this penalty to the Financial Aid Committee, subject to final approval by the Management Council. *(Revised: 1/9/06)*

15.3.1.1.2 Failure to Submit the Annual Financial Aid Report.

15.3.1.1.2.1 Penalty Period. A penalty period of not less than three academic years shall apply to an institution that fails to submit the annual financial aid report subject to the conditions set forth in this bylaw. The penalty period begins once a first failure (see Bylaw 15.3.1.1.2.1.1) occurs. *(Adopted: 10/19/10 effective 8/1/11)*

15.3.1.1.2.1.1 First Failure. An institution shall be placed on probation for the length of the penalty period beginning with the next academic year after the failed submission. During the first year of the penalty period, the institution shall be subject to the probationary year conditions in Bylaw 20.02.3.1.2.1. *(Adopted: 10/19/10 effective 8/1/11)*

15.3.1.1.2.1.2 Second Failure. An institution shall be placed in restricted membership in accordance with Bylaw 20.02.3.1.2.2 for one academic year beginning with the next academic year after a second failure is discovered during the penalty period. Failure to meet any of the following requirements shall be considered a second failure: *(Adopted: 10/19/10 effective 8/1/11)*

- (a) Annual financial aid report;
- (b) Sports-sponsorship requirement; or
- (c) Conditions of probation (see Bylaw 20.02.3.1.2.1).

Failure to meet any of the requirements in Bylaw 15.3.1.1.2.1.2 shall be considered a third failure. *(Adopted: 10/19/10 effective 8/1/11)*

15.3.1.1.3 Waiver. The Management Council, on the recommendation of the Membership Committee, may grant waivers of Bylaw 15.3.1.1.2 if it deems that extenuating circumstances warrant such action. *(Adopted: 1/9/06 effective 8/1/06)*

15.3.2 Administration by Regular Institutional Agency. All forms of financial assistance for student-athletes shall be handled through the regular institutional agency or committee that administers financial aid for all students.

15.3.3 Written Offer of Aid. Financial assistance may be offered in writing or through secure electronic medium, only by the institution's financial aid office or comparable campus office. *(Revised: 4/30/09, 7/20/22)*

15.3.4 Athletics Staff Involvement. Members of the athletics staff of a member institution shall not be permitted to arrange or modify the financial aid package (as assembled by the financial aid officer or financial aid committee) and are prohibited from serving as members of member institutions' financial aid committees and from being involved in any manner in the review of the institutional financial assistance to be awarded to a student-athlete.

15.3.5 Matrix-Rating System. In instances in which admissions officers use a matrix-rating system where, as part of the admissions process, any consideration of athletics leadership, ability, participation or performance is used in the matrix, such consideration must be excluded before review of the student-athlete's application for financial aid. *(Revised: 8/22/06, 5/7/07, 4/30/09)*

15.3.6 Adjustments to Financial Aid Package. Adjustments to the composition of the financial aid package for a prospective student-athlete may be made after the initial packaging for the student has been completed, provided such adjustments fit within the packaging guidelines for all of the institution's prospective students and there is no athletics department involvement in the process. *(Adopted: 1/10/92)*

15.3.7 Membership Reclassification. An institution petitioning to reclassify its membership to Division I or II in the next academic year may offer financial aid based on athletics to enrolled student-athletes and to prospective student-athletes who will enroll in the institution after the review of its request for reclassification of division membership, provided: *(Revised: 1/8/01 effective 8/1/02, 1/12/04, 7/20/22)*

- (a) The financial aid based on athletics is not actually awarded until the institution has been accepted by the appropriate divisional body to begin the reclassification process; *(Revised: 1/12/04, 7/20/22)*
- (b) The institution officially has applied for the reclassification at the time it offers the aid;
- (c) Any offer of athletically related financial aid of the recipient states in writing that the awarding of such aid is contingent upon the institution's acceptance by the appropriate divisional body to begin the reclassification process; *(Revised: 7/20/22)*
- (d) The institution agrees to notify each potential recipient promptly if its application is denied; and *(Revised: 1/12/04)*
- (e) The institution notifies all of its opponents that it is providing athletics aid (see Bylaw 20.6.9.1 regarding Division III championships eligibility). *(Revised: 1/12/04)*

Awards, Benefits and Expenses for Enrolled Student-Athletes.

16.01 General Principles.

16.01.1 Exception for Benefits Available to Other Students. The receipt of a benefit by a student-athlete or their relatives or friends that is not authorized by NCAA legislation is not a violation if it is demonstrated that the same benefit generally is available to the institution's students, their relatives or friends or to a particular segment of the student body determined on a basis unrelated to athletics ability. *(Revised: 1/10/91, 10/15/08, 4/20/21)*

16.01.2 Pay for Unspecified Expenses. A payment to a student-athlete for unspecified, unitemized, excessive or improper expenses is not permitted.

16.01.3 Eligibility Ramifications -- Restitution for Receipt of Improper Benefits. Unless otherwise noted, for violations of all Bylaw 16 provisions in which the value of the benefit is \$200 or less, the eligibility of the student-athlete shall not be affected conditioned on the student-athlete repaying the value of the benefit to a charity of their choice. The student-athlete, however, shall remain ineligible from the time the institution has knowledge of the receipt of the impermissible benefit until the individual repays the benefit. Violations of these bylaws remain institutional violations per Bylaw 20.15.2 and shall be submitted to the enforcement staff. Documentation of the individual's repayment shall be kept on file by the institution. For violations of Bylaw 16 in which there is no monetary value to the benefit, violations shall be considered institutional violations per Bylaw 20.15.2; however, such violations shall not affect the student-athlete's eligibility. *(Adopted: 1/8/01, Revised: 10/18/04, 1/9/06, 4/14/17, 4/20/21, 11/6/23)*

16.01.4 Eligibility Effect of Violation. Receipt by a student-athlete of an award, benefit or expense allowance not authorized by NCAA legislation renders the student-athlete ineligible to compete while representing the institution in the sport for which the improper award, benefit or expense was received. If the student-athlete receives an extra benefit not authorized by NCAA legislation or an improper award or expense allowance in conjunction with competition that involves the use of overall athletics skill (e.g., "superstars" competition), the individual is ineligible in all sports.

16.02 Definitions and Applications.

16.02.1 Award. An award is an item given in recognition of athletics participation or performance. Such awards are subject to the limitations set forth in Bylaw 16.1.

16.02.2 Excessive Expense. An excessive expense is one not specifically authorized under regulations of the Association concerning awards, benefits and expenses.

16.02.3 Extra Benefit. An extra benefit is any special arrangement by an institutional employee or a representative of the institution's athletics interests to provide a student-athlete or the student-athlete's relative or friend a benefit not expressly authorized by NCAA legislation. Receipt of a benefit by student-athletes or their relatives or friends is not a violation of NCAA legislation if it is demonstrated that the same benefit is generally available to the institution's students or their relatives or friends or to a particular segment of the student body determined on a basis unrelated to athletics ability. *(Revised: 1/10/91, 10/15/08)*

16.02.4 Pay. Pay is the receipt of funds, awards or benefits not permitted by governing legislation of the Association for participation in athletics (see Bylaw 12.1 for explanation of forms of pay prohibited under the Association's amateur-status regulations).

16.1 Awards.

16.1.1 Application of Awards Legislation.

16.1.1.1 Awards Received for Participation While Representing the Institution. The awards limitations of Bylaw 16.1 apply to awards received by a student-athlete for participation in competition while representing their institution. *(Revised: 7/22/14, 4/20/21)*

16.1.1.2 Awards Received for Participation While Not Representing the Institution. Awards received by a student-athlete for participation in competition while not representing the institution shall conform to the regulations of the recognized amateur organization that governs the competition and may not include cash (or cash equivalents). Such awards may include gift certificates or gift cards that are not redeemable for cash and items that are not personalized, provided the awards are permitted by the rules of the amateur sports organization. **[R]** *(Revised: 7/21/09, 7/22/14)*

16.1.1.2.1 Exception -- Individual Sports -- Prize Money Outside the Playing Season During the Institution's Official Summer Vacation Period. In individual sports, a student-athlete may accept prize money that does not exceed their actual and necessary expenses, pursuant to Bylaw 12.1.6.1-(b). (*Adopted: 1/15/11, Revised: 4/20/21*)

16.1.1.2.2 Olympic and Paralympic Games. It is permissible for a student-athlete to receive a nonmonetary award associated with participation in the Olympic and Paralympic Games at any time regardless of when the games are held or whether the student-athlete is enrolled during the academic year. (*Adopted: 1/8/01, Revised: 1/22/20 effective 8/1/20*)

16.1.1.3 After Completion of Athletics Eligibility. Awards limitations apply to enrolled student-athletes who have exhausted their intercollegiate athletics eligibility. An institution shall be held responsible through the Association's enforcement procedures for the provision of improper awards to graduating seniors by the institution or its booster organizations.

16.1.2 Uniformity of Awards. Awards presented by a member institution, conference or other approved agency must be uniform for all team members receiving the award. A member institution, conference or other approved agency may provide different participation awards based on the year or class (e.g., freshman, sophomore, first-year participant, second-year participant) of a student-athlete, provided the awards are uniform for all recipients within a given year or class. **[R]** (*Revised: 10/17/11*)

16.1.3 Nonpermissible Awards. The following awards are prohibited unless received per Bylaw 16.1.1.2, except that receipt of a cash award is not permitted under any circumstance. **[R]** (*Revised: 3/23/15*)

16.1.3.1 Cash or Equivalent. An individual may not receive a cash award for athletics participation. An individual may not receive a cash-equivalent award (i.e., an item that is negotiable for cash or trade or other services, benefits or merchandise) for athletics participation. **[R]**

16.1.3.2 Gift Certificates or Gift Cards Redeemable for Cash. Gift certificates or gift cards that are redeemable for cash shall be prohibited. **[R]** (*Revised: 1/10/90, 1/9/96 effective 8/1/96, 7/21/09*)

16.1.3.3 Country Club or Sports-Club Memberships. An award of a country club or sports-club membership is strictly prohibited, even if the cost of the membership is below the maximum award value permitted by NCAA legislation. **[R]**

16.1.3.4 Transfer of Nonpermissible Award. Cash or any other award that an individual could not receive under NCAA legislation may not be forwarded in the individual's name to a different individual or agency (e.g., a collegiate institution). **[R]**

16.1.4 Types of Awards, Awarding Agencies, Maximum Value and Numbers of Awards. Athletics awards given to individual student-athletes shall be limited to those approved or administered by an institution, its conference or an approved agency as specified in the following subsections and shall be limited to normal retail value and number as specified in this section. Each of the following subsections is independent of the others so that it is permissible for an individual student-athlete to receive the awards described in all subsections. The value of an award may not exceed specified value limits and a student-athlete may not contribute to its purchase in order to meet those limits. **[R]** (*Revised: 1/11/00 effective 8/1/00*)

16.1.4.1 Participation Awards. Awards for participation in intercollegiate athletics may be presented each year, limited in value and number as specified in Figure 16-1. Awards for participation in special events may be provided only to student-athletes eligible to participate in the competition. **[R]** (*Revised: 1/10/05*)

16.1.4.2 Awards for Winning Conference and National Championships. Awards for winning an individual or team conference or national championship may be presented each year, limited in value and number as specified in Figure 16-2. Awards for winning a conference or national championship in a team sport may be provided only to student-athletes who were eligible to participate in the championship event. The total value of any single award received for a conference or national championship may not exceed the value in Figure 16-2, and each permissible awarding agency is subject to a separate limit per award. Each permissible awarding agency may provide only a single award for each championship to each student-athlete. Separate awards may be presented to both the regular-season conference champion and the postseason conference champion (with a separate limitation), but if the same institution wins both the regular-season and postseason conference championship, the combined value of both awards shall not exceed the value in Figure 16-2. **[R]** (*Revised: 1/10/05*)

16.1.4.3 Special Achievement Awards. Awards may be provided each year to individual student-athletes and teams to recognize special achievements, honors and distinctions, limited in value and number as specified in Figure 16-3. **[R]** (*Revised: 1/9/96 effective 8/1/96, 1/10/05*)

16.1.4.3.1 Conference Postgraduate Scholarship Award. A student-athlete may receive a conference postgraduate scholarship award, provided the following conditions are met: *(Adopted: 1/19/13)*

- (a) Academic performance and community involvement shall be considered in granting the award;
- (b) Athletics leadership, ability, participation or performance and other considerations may be considered in granting the award;
- (c) The student-athlete shall have exhausted eligibility in their sport and forfeits eligibility in all other sports upon acceptance of the award; *(Revised: 4/20/21)*
- (d) The conference may provide the award to one individual in a male sport and one individual in a female sport recipient per year; *(Revised: 4/20/21)*
- (e) Athletics department personnel from member institutions shall not comprise the selection committee unless all institutions within the conference are represented on the selection committee. The selection committee shall also include at least one member of the member conference staff;
- (f) The award must be made directly to the institution of the recipient's postgraduate studies; *(Revised: 1/16/13)*
- (g) The maximum value of the scholarship shall not exceed the value of the NCAA postgraduate scholarship; and
- (h) The award may only be used for expenses associated with graduate degree courses that apply toward completion of a graduate degree program and may not be used to pursue a second baccalaureate or certification program. *(Revised: 12/19/13)*

16.1.4.4 Local Civic Organization and Booster Clubs. A local civic organization (e.g., Rotary Club, Touchdown Club) and booster clubs may provide awards to an individual student-athlete or member institution's team(s). The following regulations shall apply to such an event: *(Adopted: 1/10/92, Revised: 10/20/20, 7/23/25)*

- (a) All awards must be approved by the institution and must be counted in the institution's limit for institutional awards; *(Revised: 7/23/25)*
- (b) The organization may not recognize or provide awards to prospective student-athletes at the banquet; and *(Revised: 7/23/25)*
- (c) Student-athletes may receive actual and necessary expenses to attend the event. *(Adopted: 7/23/25)*

16.1.5 Purchase Restrictions.

16.1.5.1 Assignment of Normal Retail Value. Normal retail value shall be assigned as the value of an award when determining whether an award meets specified value limits, even when a member institution receives institutional awards from an athletics representative or organization free of charge or at a special reduced rate. Normal retail value is the cost to the institution that is based solely on volume and is available to all purchasers of a similar volume and that does not involve an obligation to make additional purchases to enable the supplier to recover the costs for the original purchase. *(Adopted: 1/16/93)*

16.1.5.2 Supplementary Purchase Arrangement. An institution may not enter into a supplementary purchase arrangement with an awards supplier whereby the supplier agrees to sell an award (e.g., a watch or ring) at a price below the maximum amount specified by NCAA legislation with the understanding that the institution will make additional purchases of other unrelated items to enable the supplier to recover the costs for the original purchase. Such an arrangement would exceed the specific value limitations placed on permissible awards. **[R]**

16.1.5.3 Combining Values. An institution may not combine the value limits of awards given in a sport during the same season, or given to student-athletes who participate in more than one sport, to provide an award more expensive than permissible under separate application to some or all of its participating student-athletes. **[R]**

16.1.5.4 Student-Athlete Contribution to Purchase. The value of an award may not exceed specified value limits, and a student-athlete may not contribute to its purchase in order to meet those limits. **[R]**

16.1.6 Institutional Awards Banquets. An institution may conduct awards banquets to commemorate the athletics and/or academic accomplishments of its student-athletes. *(Revised: 1/9/96 effective 8/1/96)*

16.1.7 Expenses to Receive Noninstitutional Awards. A conference, an institution, the U.S. Olympic and Paralympic Committee, a national governing body (or the international equivalents) or the awarding agency may provide actual and necessary expenses for a student-athlete to receive a noninstitutional award or recognition for athletics or academic accomplishments. Actual and necessary expenses may be provided for the student-athlete's parents (or legal guardians), spouse or other relatives or individuals of a comparable relationship to attend the recognition event or awards presentation. **[R]** *(Revised: 7/22/14, 1/22/20 effective 8/1/20)*

16.1.7.1 All-Star Contest. An institution may not provide expenses to a student-athlete to participate in an All-Star contest or similar competitive event. [R] (Revised: 1/9/06, 1/12/11, 5/4/11, 7/22/14)

16.2 Complimentary Admissions and Ticket Benefits.

16.2.1 Permissible Procedures.

16.2.1.1 Institutional Contests in the Student-Athlete's Sport. An institution may provide four complimentary admissions per home or away contest to a student-athlete in the sport in which the individual participates (either practices or competes), regardless of whether the student-athlete competes in the contest. Complimentary tickets shall be distributed only to persons designated by the student-athlete. Violations of this bylaw that are the result of institutional error shall be considered institutional violations per Bylaw 20.15.2; however, such violations shall not affect the student-athlete's eligibility. (Revised: 1/11/00 effective 8/1/00, 10/22/07)

16.2.1.1.1 Exception -- NCAA Championships and Bowl Games. An institution may provide each student-athlete who participates in or is a member of a team participating in an NCAA championship or bowl game with six complimentary admissions to all contests at the site at which the student-athlete (or team) participates. (Adopted: 1/9/96 effective 8/1/96)

16.2.1.1.2 Tournaments. Complimentary admissions may be provided to members of the institution's team for all contests in a tournament in which the team is participating, rather than only for the games in which the institution's team participates. However, the contests must be at the site at which the institution's team participates.

16.2.1.2 Institution's Home Contests in Other Sports. An institution may provide admission for each student-athlete to all of the institution's regular-season home intercollegiate athletics contests in sports other than that in which the student-athlete is a participant, via a printed student-athlete pass or gate list. Proof of identity shall be required upon admission. Violations of this bylaw that are the result of institutional error shall be considered institutional violations per Bylaw 20.15.2; however, such violations shall not affect the student-athlete's eligibility. (Revised: 10/22/07)

16.2.1.2.1 Exception -- Recognition of Student-Athlete. An institution may provide complimentary admissions (in a number determined appropriate by the institution) to a student-athlete who is being recognized during an institution's regular-season intercollegiate athletics contest in a sport other than that in which the student-athlete participates. [D] (Revised: 1/9/06, 12/5/14, 1/14/15)

16.2.2 Nonpermissible Procedures.

16.2.2.1 Sale of Complimentary Admissions. A student-athlete may not receive payment from any source for their complimentary admissions and may not exchange or assign them for any item of value. (Revised: 4/20/21)

16.2.2.2 Payment to Third Party. Individuals designated by the student-athlete to receive complimentary admissions are not permitted to receive any type of payment for these admissions or to exchange or assign them for any item of value. Receipt of payment for complimentary admissions by such designated individuals is prohibited and considered an extra benefit not available to the general student body, which would render the student-athlete ineligible for participation in intercollegiate athletics. [R]

16.2.2.3 Student-Athlete Ticket Purchases. An institution may not provide a special arrangement to sell a student-athlete ticket(s) to an athletics event. Tickets shall be available for purchase by student-athletes according to the same purchasing procedures used for other students. [R]

17.02.3 Contest, Countable, Institutional. A countable contest for a member institution, in those sports for which the limitations are based on the number of contests, is any contest by the member institution against an outside team in that sport, unless a specific exemption for a particular contest is set forth in this bylaw. An institution shall define each contest as varsity or subvarsity (e.g., junior varsity) and may not change the classification of that contest once the contest has commenced. Contests, including scrimmages, exhibitions or joint practices, by separate squads of the same team against different outside teams shall each count as one contest. During the traditional segment, countable contest limitations apply separately to multiple teams (e.g., varsity, subvarsity and freshman) of the same sport. During the nontraditional segment, all teams (e.g., varsity, subvarsity and freshman) of the same sport shall be treated as one team for purpose of the countable contest limitations. *(Revised: 4/17/12 effective 8/1/12, 1/16/13, 10/10/14, 5/19/16)*

17.02.4 Contest, Countable, Individual Student-Athlete. 17.02.5 Date of Competition. A date of competition is a single date on which any contest(s), with another institution or an outside team or individual, takes place (see Bylaw 17.02.2). *(Revised: 1/10/91, 1/13/03)*

17.02.6 Date of Competition, Countable, Institutional. A countable date of competition for a member institution, in those sports for which the limitations are based on the number of dates of competition, is a single date on which the institution's team engages in competition against an outside team, unless a specific exemption for a particular date of competition is set forth in this bylaw. An institution shall define each contest as varsity or subvarsity (e.g., junior varsity) and may not change the classification of that contest once the contest has commenced. Each date of competition shall be defined as varsity and/or subvarsity (e.g., junior varsity) depending upon the classification of the contests played on that date. During the traditional segment, countable date of competition limitations apply separately to multiple teams (e.g., varsity, subvarsity and freshman) of the same sport. During the nontraditional segment, all teams (e.g., varsity, subvarsity and freshman) of the same sport shall be treated as one team for purposes of the countable date of competition limitations. *(Revised: 1/16/13, 5/19/16)*

17.02.6.1 Required Minimum Number of Student-Athletes. For individual sports, a member institution shall be considered to have participated in a date of competition that constitutes a date of competition if the minimum number of student-athletes participating on one or more teams, at one or more sites, on behalf of the institution on that date equals or exceeds the minimum number established for that sport, unless otherwise restricted in this bylaw for a particular sport (e.g., golf, tennis) (see Bylaw 20.11.4.8 for listings of minimum numbers of student-athletes per sport).

17.02.7 Date of Competition, Countable, Individual Student-Athlete. A countable date of competition for a student-athlete is any day on which a student-athlete competes while representing the institution (see Bylaw 17.02.9) individually or as a member of the varsity, subvarsity or freshman team unless a specific exemption for a particular date of competition is set forth in this bylaw.

17.02.8 Postponed/Canceled Contest Due to Inclement Weather. A contest that is postponed or canceled due to inclement weather or a comparable factor only counts against an institution's or student-athlete's maximum limitations if the results are considered final under the applicable playing rules of the sport in question. *(Adopted: 9/18/15)*

17.02.9 Intercollegiate Competition. Intercollegiate competition is considered to have occurred when a student-athlete in either a two-year or a four-year collegiate institution does either of the following: *(Revised: 1/10/95, 1/21/25)*

- (a) Competes while representing the institution in any contest against outside competition, regardless of how the competition is classified (e.g., scrimmage, exhibition or joint practice session with another institution's team) or whether the student is enrolled in a minimum full-time program of studies; or *(Revised: 1/10/91, 1/21/25)*
- (b) Competes and receives expenses (e.g., transportation, meals, housing, entry fees or uniforms, apparel or equipment purchased and still in use by the institution) from the institution for the competition (see Bylaw 16.11.1.8 for regulations governing the use of equipment during the summer). *(Revised: 12/1/23, 1/21/25)*

17.02.11 Outside Team. An outside team is any team that does not represent the intercollegiate athletics program of the institution or a team that includes individuals other than eligible student-athletes of the institution (e.g., members of the coaching staff, ineligible student-athletes, members of the faculty).

17.02.12 Fall Preseason Practice Formula -- Sports Other Than Football. In cross country, field hockey, golf, rowing, rugby, soccer, tennis and women's volleyball, the first permissible date for preseason practice shall be determined by the application of 16 units in the preseason practice formula, as specified in this section. *(Adopted: 1/10/91 effective 8/1/92, Revised: 1/10/92, 1/12/04, 5/4/09, 7/20/10)*

17.02.12.1 Unit -- Defined. A "unit" is a numerical value assigned to a particular calendar day within the application of the preseason practice formula that is used to determine the first permissible practice date for fall sports other than football. The number of units assigned to a particular day does not determine or limit the number of practices that may be conducted on that day. *(Adopted: 5/4/09)*

17.02.12.2 Determining the First Permissible Practice Date for Fall Sports Other Than Football -- Application of the 16 Units. To determine the first permissible practice date, an institution shall count back a total of 16 units on a calendar starting no earlier than the day before the first permissible contest date (see Bylaw 17.02.12.2.1) as follows: *(Adopted: 5/4/09, Revised: 1/17/23 effective 8/1/23)*

- (a) Never assign any units to Sundays on the calendar; it is permissible to practice on Sundays;
- (b) Never assign any units to calendar days during the preseason when all institutional dormitories are closed, the institution's team must leave campus and practice is not conducted;
- (c) The first six units: assign one unit to each of the six calendar days (not including Sunday) before the first permissible intercollegiate competition (see Bylaw 17.02.12.2.1); *(Revised: 1/17/23 effective 8/1/23)*
- (d) The remaining 10 units:
 - (1) Assign one unit to each calendar day (not including Sundays) that occurs on or after the opening day of classes for the fall term (see Bylaw 17.02.12.2.2), and
 - (2) Assign two units to each calendar day before the opening day of classes for the fall term (not including Sundays) until the sum of units on the calendar reaches 16;
- (e) The date on which the total count of units on the calendar reaches 16 is the first permissible date for preseason practice (see Bylaw 17.02.12.2.3).

17.02.12.2.1 First Permissible Contest Date. The assignment of units for counting using the preseason practice formula may begin no earlier than the day before the first permissible contest date. It is not permissible to determine the starting date for preseason practice by counting back from the first scheduled preseason exhibition, scrimmage or joint practice season. *(Adopted: 5/4/09, Revised: 1/17/23 effective 8/1/23)*

17.02.12.2.2 Opening Day of Classes. The opening day of classes is defined as the first day of classes as listed in the member institution's official catalog. Required freshman orientation is not considered to be the opening day of classes for the academic year. *(Adopted: 1/10/91 effective 8/1/92, Revised: 5/4/09)*

17.02.12.2.3 Remainder of One Counting Unit. If the 16th and 17th unit is on the same day, it is permissible to begin practice on that day since it is the day in which the total count of units reaches 16. *(Adopted: 5/4/09)*

17.02.12.2.4 Football Preseason Practice Formula. Do not use the preseason practice formula detailed within this section for the sport of football. Instead, use the formula in Bylaw 17.11.3.1. *(Adopted: 5/4/09)*

17.02.12.2.5 Men's Water Polo. In the sport of men's water polo, the first permissible date for preseason practice shall be determined by the application of 21 units in the preseason practice formula. The 21 units shall be applied in the same manner as set forth in Bylaw 17.02.12.2-(a)-(e) with the exception that there are 15 remaining units after applying Bylaw 17.02.12.2-(c). The remaining 15 units shall be assigned in the manner described in Bylaw 17.02.12.2-(d) Nos. (1) and (2). *(Adopted: 5/4/09)*

17.02.13 Varsity Intercollegiate Sport. A varsity intercollegiate sport is a sport that has been accorded that status by the institution's president or chancellor or committee responsible for intercollegiate athletics policy and that satisfies the following conditions: *(Revised: 10/3/05)*

17.32.2.1 Institutional Foreign-Tour Limitations. A member institution shall be charged with its foreign-tour opportunity in a sport and its once-in-three-years limitation if the institution is represented by more than the number of student-athletes specified under Bylaw [17.32.2](#) on an outside team participating in a foreign tour in that sport. *(Revised: 1/9/06, 1/17/09)*

17.33 Playing Rules. Member institutions shall conduct all of their intercollegiate competition in accordance with the playing rules of the Association in all sports for which the NCAA, or an outside organization (see Bylaw [31.1.6](#)), develops playing rules. Division III member institutions may be exempt from applying playing rules that the Division III Management Council determines places an unreasonable financial burden on Division III institutions or is otherwise incompatible with Division III philosophical principles, Management Council may not exempt institutions from following a rule if such would create an unsafe environment for student-athletes. It is not mandatory that those rules be used in institutional scrimmages, exhibitions or other forms of practice with outside competition. *(Revised: 4/17/12 effective 8/1/12, 1/17/25)*

Championships.

18.01 General Principles.

18.01.1 Purpose of NCAA Championships. NCAA championships are intended to provide national-level competition among the best eligible student-athletes and teams of member institutions, with consideration also for approved regional structures for certain championships.

18.01.2 Postseason Competition Not Sponsored by a Collegiate Entity. Competition by member institutions in postseason contests that are not sponsored, promoted, managed and controlled by a collegiate entity shall conform to the requirements set forth in this article and all other applicable legislation of the Association, which may include penalties for violations of these requirements by sponsoring agencies.

18.02 Definitions and Applications.

18.02.1 Championships.

18.02.1.1 National Collegiate Championship. A National Collegiate Championship for a particular sport is postseason competition conducted by the Association for eligible student-athletes and teams of active member institutions to determine the NCAA champion in that sport for all divisions that do not have a separate division championship in that sport. A National Collegiate Championship is established or continued in accordance with the criteria set forth in Bylaws 18.2.3 and 18.2.4.

18.02.1.2 Division Championship. A division championship for a particular sport is postseason competition conducted by the Association for eligible student-athletes or teams of active member institutions to determine the division champion in that sport. A division championship is established or continued in accordance with the criteria set forth in Bylaws 18.2.3 and 18.2.4.

18.02.2 Mixed Team. A mixed team is a varsity intercollegiate sports team on which at least one individual of each gender competes (see Bylaw 18.2.8.3). *(Revised: 1/11/94)*

18.02.3 Open Date. An open date is a regular weekend playing date before the end of an institution's regular football schedule on which an institution is not playing a game, or a date approved by the Management Council, by a two-thirds majority of its members present and voting, to enable an institution to assist financially in meeting an unforeseen hardship situation resulting directly from the institution's intercollegiate athletics activities.

18.1 Regulations and Authority for Conduct of Championships. All NCAA championships shall be conducted in accordance with this bylaw and the policies and procedures established by the Championships Committee, the Management Council, the Presidents Council and/or the Board of Governors, which shall establish and revise the policies and procedures governing the administration of NCAA championships, including selection processes, formats and distribution of revenues to participating institutions. NCAA championships shall be under the control, direction and supervision of the appropriate sport committees, subject to the requirements, standards and conditions prescribed in Bylaw 31. *(Revised: 1/10/91, 8/22/07, 2/10/15)*

18.2 Criteria for Establishment or Continuation of Championships. The establishment or continuation of an NCAA championship in a given sport shall be determined on the basis of the requirements in the following bylaws, with sponsorship of a sport based on the Association's records as of September 30 each year.

18.2.1 National Collegiate Championship. A National Collegiate Championship for which any active member in good standing is eligible (per Bylaw 20.8) may be established by action of all three divisions acting through each division's governance structure, subject to the requirements, standards and conditions regarding the required number of members sponsoring the sport as prescribed in this bylaw. *(Revised: 1/14/97 effective 8/1/97)*

18.2.2 Division Championship. A division championship in a particular sport may be established by a majority vote of all members of that division present and voting at an annual Convention subject to the requirements, standards and conditions regarding the required number of members sponsoring the sport as prescribed in this bylaw. *(Revised: 1/9/96 effective 8/1/97)*

18.2.3 Championships Existing during 1993-94. A National Collegiate Championship or a division championship that existed during the 1993-94 academic year may be continued if at least 40 member institutions sponsor the sport. *(Adopted: 1/11/94 effective 8/1/94)*

18.2.3.1 National Collegiate and Division Championship in Same Sport. If a National Collegiate Championship and a division championship exist in the same sport, sponsorship of the sport in the division in which the division championship is conducted shall not count toward the minimum sponsorship number for the National Collegiate Championship. *(Adopted: 1/11/94 effective 8/1/94)*

18.2.4 Minimum Sponsorship for Championships.

18.2.4.1 Men's Sports. A National Collegiate Championship or a division championship may be established in a men's sport if at least 50 institutions sponsor the sport. *(Adopted: 1/11/94 effective 8/1/94, Revised: 10/20/08)*

18.2.4.2 Women's Sports. A National Collegiate Championship or a division championship may be established in a women's sport if at least 40 institutions sponsor the sport. *(Adopted: 1/11/94 effective 8/1/94, Revised: 1/13/98 effective 8/1/98, 1/12/99, 1/13/03, 10/20/08)*

18.2.4.2.1 Exception -- Establishment of Division III Championship. A Division III championship in an emerging women's team sport may be sponsored if at least 28 institutions sponsor the sport. *(Adopted: 1/8/01 effective 8/1/01, Revised: 11/11/19)*

18.2.4.3 Sponsorship Criteria.

18.2.4.3.1 Minimum Period. In men's sports, the applicable minimum sponsorship number must exist for two consecutive academic years in order for a championship to be established. Legislation to establish the championship may be proposed during the second year in which the minimum sponsorship number exists. In women's sports, the applicable minimum sponsorship number must exist for one academic year in order for a championship to be established. Legislation to establish the championship may be proposed during the year in which the minimum sponsorship number exists. Varsity sports sponsored before August 1, 1994, shall count toward the applicable minimum-year sponsorship requirement. *(Adopted: 1/11/94 effective 8/1/94, Revised: 1/11/00 effective 8/1/00)*

18.2.4.3.2 National Collegiate and Division Championship in Same Sport. If a National Collegiate Championship and a division championship exist in the same sport, sponsorship of the sport in the division in which the division championship is conducted shall not count toward the minimum sponsorship number for the National Collegiate Championship. *(Adopted: 1/11/94 effective 8/1/94)*

18.2.5 Establishment of Single Championship in Sport. If only one championship is established or continued in accordance with Bylaws 18.2.3 and 18.2.4, it shall be a National Collegiate Championship for which any active member institution in good standing can be eligible.

18.2.6 Establishment of Two Championships in Sport. If a National Collegiate Championship and one division championship exist in the same sport, only the members of the division sponsoring the division championship may participate in the division championship, and that division's membership may not participate in the National Collegiate Championship in that sport.

18.2.7 Establishment of Three Championships in Sport. If a National Collegiate Championship and two division championships exist in the same sport, the National Collegiate Championship automatically shall become a division championship for the remaining division that does not sponsor a division championship in that sport.

18.2.8 Determination of Sponsorship Requirements.

18.2.8.1 Single-Gender Athletics Programs. For purposes of meeting the required minimums set forth in Bylaws 18.2.3 and 18.2.4, member institutions sponsoring no varsity intercollegiate athletics programs for men shall not be included in making calculations concerning men's championships, and member institutions sponsoring no varsity intercollegiate athletics programs for women shall not be included in making calculations concerning women's championships.

18.2.8.2 Separate Men's and Women's Teams, Same Sport. For purposes of meeting the required minimums set forth in Bylaws 18.2.3 and 18.2.4 for a combined men's and women's championship, separate varsity intercollegiate men's and women's teams in the same sport at a member institution shall be counted separately.

18.2.8.3 Mixed Team. For purposes of meeting the required minimums set forth in Bylaws 18.2.3 and 18.2.4, a mixed team (as defined in Bylaw 18.02.2) shall be counted as one team. A mixed team shall count toward the minimum-sponsorship percentage for men's championships.

18.2.9 Subdivision Requirements. If a division subdivides for the administration of a sport, resulting in less than the applicable minimum number of the division's active members sponsoring the sport on a varsity intercollegiate basis in that subdivision, the subdivision shall meet the requirement within three years of the date the subdivision was created. It may establish and conduct a championship in the interim. *(Revised: 1/11/94 effective 8/1/94)*

18.2.10 Failure to Meet Minimum Sponsorship Requirements. A championship shall be discontinued automatically at the conclusion of the academic year in which it falls below the applicable minimum sponsorship number set forth in Bylaw 18.2.3 or 18.2.4. *(Revised: 1/11/94 effective 8/1/94)*

18.2.10.1 Exception -- Olympic or Paralympic Sports. A National Collegiate Championship or a division championship in any Olympic or Paralympic sport shall be exempt from the minimum-sponsorship-percentage requirements of Bylaws 18.2.3 and 18.2.4. The membership may adopt specific legislation to discontinue the championship in an Olympic or Paralympic sport. *(Adopted: 1/14/97 effective 8/1/97, Revised: 12/5/06, 1/22/20 effective 8/1/20)*

18.4.1.1 Institution's Responsibility. It is the responsibility of an institution to withhold from all intercollegiate competition a student-athlete who is ineligible under any NCAA legislation as set forth in Bylaw 14.10.1.

18.4.1.2 Committee on Student-Athlete Reinstatement Authority. The Committee on Student-Athlete Reinstatement shall have initial authority to determine all matters pertaining to the eligibility of student-athletes competing in the various NCAA championships and to act upon all appeals concerning the eligibility of student-athletes submitted by member institutions (see Bylaw 14.12).

18.4.1.3 Protest of Eligibility Status. If a student-athlete has been certified by the institution as eligible to compete in an NCAA championship and the student-athlete's eligibility is protested, the Committee on Student-Athlete Reinstatement shall not rule on such a protest received during the period beginning 24 hours before the event and ending with the conclusion of the event (see Bylaw 31.2.2.2 regarding protests received during a break in the continuity of a championship).

18.4.1.4 Amateur-Status Certification. If requested by the Championships Committee, the student-athlete shall certify their amateur standing under the provisions of Bylaw 12 by signing an affidavit that is administered by the chair of the games committee and taken on a form prescribed by the Championships Committee. *(Revised: 4/20/21)*

18.4.1.5 Ineligibility for Use of Banned Drugs. A student-athlete who, as a result of a drug test administered by the NCAA, tests positive for use of a substance in a banned drug class, as set forth in Bylaw 31.2.3.1, shall be declared ineligible for further participation in postseason and regular-season competition in accordance with the ineligibility provisions in this bylaw. *(Revised: 1/10/90 effective 8/1/90, 1/18/14 effective 8/1/14 for any NCAA drug test administered on or after 8/1/14, 6/19/14, 9/26/16)*

18.4.1.5.1 Penalty -- Banned Drug Classes Other Than Narcotics. A student-athlete who, as a result of a drug test administered by the NCAA, tests positive for use of a substance in a banned drug class other than narcotics (in accordance with the testing methods authorized by the Board of Governors), shall be charged with the loss of one season of participation in all sports, in addition to the use of a season of participation, pursuant to Bylaw 14.2.4.1, during the same academic year. The student-athlete shall remain ineligible for all regular-season and postseason competition during the time period ending one calendar year (i.e., 365 days) after the collection of the student-athlete's positive drug-test specimen and until they test negative (in accordance with the testing methods authorized by the Board of Governors). *(Revised: 1/10/90 effective 8/1/90, 1/16/93, 1/9/96 effective 8/1/96, 1/14/97 effective 8/1/97, 1/8/01, 4/15/03, 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04, 10/18/04 effective 8/1/05, 6/3/05, 6/9/05, 7/24/07, 1/18/14 effective 8/1/14 for any NCAA drug test administered on or after 8/1/14, 10/21/14, 2/10/15, 1/16/16 effective 8/1/16 for all drug tests administered on or after 8/1/16, 9/26/16, 1/26/17, 10/16/18 effective 8/1/19, 4/20/21, 4/22/24 Immediate)*

18.4.1.5.1.1 Second Positive Test. If a student-athlete who previously tested positive for the use of a substance in a banned drug class other than narcotics tests positive a second time for the use of a substance in a banned drug class other than narcotics, they shall lose all remaining regular-season and postseason eligibility in all sports. If a student-athlete who previously tested positive for the use of a substance in a banned drug class other than narcotics tests positive for the use of substance in the banned drug class narcotics, they shall be ineligible for competition for 50 percent of a season in all sports (i.e., 50 percent of the Bylaw 17 maximum regular-season contests or dates of competition). The student-athlete shall remain ineligible from the time the institution is notified of the test result until the prescribed penalty is fulfilled and they test negative (in accordance with the testing methods authorized by the Board of Governors). *(Adopted: 1/10/05 effective 8/1/05 for drug tests conducted on or after 8/1/05, Revised: 6/9/05, 1/16/16 effective 8/1/16 for all drug tests administered on or after 8/1/16, 9/26/16, 1/26/17, 10/16/18 effective 8/1/19, 4/20/21, 6/7/22 effective 8/1/22 August 1, 2022; for penalties served August 1, 2022, or later., 4/22/24 Immediate)*

A student-athlete who is involved in a case of clearly observed tampering with an NCAA drug test sample (e.g., urine substitution and related methods), as documented per NCAA drug-testing protocol by a drug-testing crew member, shall be charged with the loss of two seasons of participation in all sports if the season of competition has not yet begun for that student-athlete or the equivalent of two full seasons of participation in all sports if the student-athlete is involved in tampering with a drug-test sample during their season of participation (the remainder of contests in the current season and contests in the following two seasons up to the period of time in the initial season in which the student-athlete was declared ineligible). The student-athlete shall remain ineligible for all regular-season and postseason competition during the time period ending two calendar years (i.e., 730 days) after the student-athlete was involved in the tampering with a drug test sample and until they test negative (in accordance with the testing methods authorized by the Board of Governors). (Adopted: 1/14/12 effective 8/1/12, Revised: 7/12/12, 9/26/16, 4/16/19, 4/20/21)

18.4.1.5.4 Transfers. If a student-athlete transfers to another NCAA institution while ineligible, the institution from which the student-athlete transferred must notify the student-athlete's new institution that the student-athlete is ineligible. If the student-athlete transfers to a non-NCAA institution while ineligible and competes in intercollegiate competition during the prescribed period of ineligibility, the student-athlete will be ineligible for all NCAA regular-season and postseason competition until the student-athlete does not compete in intercollegiate competition for the entirety of the prescribed penalty. Furthermore, the student-athlete must retest negative (in accordance with the testing methods authorized by the Board of Governors). (Revised: 1/10/05 effective 8/1/05, 1/18/14 effective 8/1/14, 2/10/15, 1/16/16 effective 8/1/16 for all drug tests administered on or after 8/1/16, 9/26/16)

The committee determination shall be final, binding and conclusive and shall not be subject to further review by any other authority. (Adopted: 9/26/16, Revised: 4/20/21, 7/21/21)

18.4.1.5.6 Banned Drugs and Drug-Testing Methods. The Board of Governors shall adopt a list of banned drug classes and shall authorize methods for drug testing of student-athletes on a year-round basis. The list of banned drug classes and the procedure for informing member institutions about authorized methods for drug testing are set forth in Bylaw 31.2.3. (Revised: 1/10/90 effective 8/1/90, 6/3/05, 2/10/15, 9/26/16)

18.4.1.5.7 Non-NCAA Athletics Organization's Positive Drug Test. The Board of Governors shall authorize methods for drug testing any student-athlete who has disclosed in the student-athlete statement (see Bylaw 14.1.3.1) that they have a positive drug test administered by a non-NCAA athletics organization that has adopted the World Anti-Doping Agency (WADA) code. A student-athlete under drug-testing suspension from a national or international sports governing body that has adopted the WADA code shall not participate in NCAA intercollegiate competition for the duration of the suspension. (Adopted: 1/14/97 effective 8/1/97, Revised: 1/10/05 effective 8/1/05, 2/10/15, 6/20/17, 4/20/21)

- (a) Have at least six active members that sponsor the applicable sport in any division; and
- (b) Meet all applicable requirements for conference automatic qualification into any National Collegiate Championship as set forth in Bylaw [31.3.3.2](#).

18.6 Playing Rules for Championships. In sports in which the Association maintains rules committees, the rules adopted by said committees shall govern the conduct of all NCAA-sponsored events in those sports. In those sports in which the Association does not maintain rules committees, the rules to be used are specified in Bylaw [31.1.6](#).

Infractions Program.

19.01 General Principles.

19.01.1 Mission of NCAA infractions Program. It shall be the mission of the NCAA infractions program to eliminate violations of NCAA rules and prescribe appropriate penalties should violations occur. The program is committed to fairness of procedures and the timely and equitable resolution of infractions cases. The achievement of these objectives is essential to the conduct of a viable and effective infractions program. Further, an important consideration in prescribing penalties is to provide fairness to uninvolved student-athletes, coaches, administrators, competitors and other institutions. *(Adopted: 1/11/94, Revised: 4/15/14, 5/18/15)*

19.01.2 Exemplary Conduct. Individuals employed by or associated with member institutions for the administration, the conduct or the coaching of intercollegiate athletics are, in the final analysis, teachers of young people. Their responsibility is an affirmative one and they must do more than avoid improper conduct or questionable acts. Their own moral values must be so certain and positive that those younger and more pliable will be influenced by a fine example. Much more is expected of them than of the less critically placed citizen.

19.01.3 Responsibility to Cooperate. All representatives of member institutions shall cooperate fully with the NCAA enforcement staff, Committee on Infractions, Infractions Appeals Committee and Management Council to further the objectives of the Association and its infractions program. The enforcement policies and procedures are an essential part of the intercollegiate athletics program of each member institution and require full and complete disclosure by all institutional representatives of any relevant information requested by the NCAA enforcement staff, Committee on Infractions or Infractions Appeals Committee during the course of an inquiry. *(Revised: 4/15/14, 5/18/15)*

19.01.4 Violations by Institutional Staff Members. Institutional staff members found in violation of the bylaws shall be subject to disciplinary or corrective action as set forth in the provisions of the NCAA enforcement procedures, whether such violations occurred at the certifying institution or during the individual's previous employment at another member institution. *(Revised: 4/15/14)*

19.01.5 Nature of Penalty Structure. As a guiding principle, a penalty prescribed under NCAA enforcement policies and procedures should be broad and severe if the violation or violations reflect a general disregard for the governing rules; in those instances in which the violation or violations are isolated and of relative insignificance, then the NCAA penalty shall be specific and limited. Previous violations of NCAA legislation shall be a contributing factor in determining the degree of penalty. *(Revised: 4/15/14)*

19.02 Definitions and Applications.

19.02.1 Show-Cause Order. A show-cause order is one that requires a member institution to demonstrate to the satisfaction of the Committee on Infractions (or the Infractions Appeals Committee per Bylaw 19.2) why it should not be subject to a penalty (or additional penalty) for not taking appropriate disciplinary or corrective action with regard to an institutional staff member or representative of the institution's athletics interests identified by the committee as having been involved in a violation of the bylaws that has been found by the committee. *(Revised: 1/10/95, 1/12/04, 4/15/14, 6/2/17)*

19.02.2 Types of Violations.

19.02.2.1 Application of Violation Structure. The classification of a violation attaches to the conduct, not to the individual. Therefore, an institution shall be held responsible for violations committed by staff members at the same classification. Further, if violations from multiple classifications are identified, the case shall be processed pursuant to procedures applicable to the most serious violation(s) alleged. *(Adopted: 2/18/25)*

19.02.2.1.1 Exception for Limited Sports Wagering Violations. Violations of Bylaw 10.3 involving behaviors that compromise or are intended to compromise the integrity of collegiate contests and/or lack of institutional oversight shall be processed at the same classification for the involved individual and the institution. In all other instances, violations of Bylaw 10.3 may be processed at different classification for the involved individual and institution. *(Adopted: 2/18/25)*

19.02.2.2 Violation, Secondary. A secondary violation is a violation that is isolated or inadvertent in nature, provides or is intended to provide only a minimal recruiting or competitive or other advantage and does not include any significant impermissible benefits, including but not limited to, extra benefits, recruiting inducements, preferential treatment or

financial aid. Multiple secondary violations by a member institution collectively may be considered as a major violation. *(Revised: 1/11/94, 7/20/10)*

19.02.2.3 Violation, Major. All violations other than secondary violations are major violations, specifically including those that provide an extensive recruiting or competitive advantage. *(Revised: 1/11/94)*

19.02.3 New Information. New information is information that could not reasonably be ascertained before the Committee on Infractions hearing. *(Adopted: 1/6/96, Revised: 6/1/16)*

19.1 Committee on Infractions. The Management Council shall appoint a Committee on Infractions, which shall be responsible for administration of the NCAA infractions program.

19.1.1 Composition of Committee. The Committee on Infractions shall be composed of five members, including one member from the Management Council and one member from the general public. One of the members shall serve as chair and one member shall serve as vice chair. *(Revised: 1/16/93, 1/14/97 effective 8/1/97, 1/14/02)*

19.1.1.1 Quorum. Three members present and voting shall constitute a quorum to conduct committee business, it being understood that the chair shall make a special effort to have full committee attendance when major infractions cases involving violations are to be considered. *(Revised: 1/14/97 effective 8/1/97)*

19.1.2 Authority of Committee on Infractions. Disciplinary or corrective actions other than suspension or termination of membership may be effected by members of the Committee on Infractions present and voting at any duly called meeting, provided the call of such a meeting shall have contained notice of the situation presenting the disciplinary problem. Actions of the committee in cases involving major violations, however, shall be subject to review by the Infractions Appeals Committee per Bylaw 19.2, on appeal. *(Revised: 1/16/93, 1/10/95, 1/14/97 effective 8/1/97, 1/12/04)*

19.1.2.1 Authority of Vice President of Enforcement. On review of information developed by the enforcement staff or self-reported by the member institution, the vice president of enforcement, or their designee, shall identify the case as involving alleged major or secondary violations, or multiple secondary violations that should be viewed as a major violation. Disciplinary or corrective actions in the case of secondary violations may be effected by the vice president of enforcement or their designee. Said actions shall be taken in accordance with the provisions of the enforcement policies and procedures and shall be subject to review by the Committee on Infractions. *(Revised: 1/14/97 effective 8/1/97, 1/12/04, 4/15/14, 5/18/15, 4/20/21)*

19.1.2.2 Authority of Committee Chair. In the interim between meetings of the committee, the chair shall be empowered to act on behalf of the committee, subject to committee approval at its next meeting. If at any time at a meeting or between meetings the chair is unavailable to act as such, the vice chair is empowered to exercise the functions of the chair. For each hearing, the committee chair or chair's designee shall serve as the committee's appeals advocate for any appeal of a decision of the committee. If scheduling or availability issues prevent the appeals advocate from serving, the chair may designate another committee member to serve as a substitute. *(Revised: 1/14/97 effective 8/1/97, 1/14/02)*

19.1.2.3 Temporary Substitutes. If it appears that one or more members of the committee will be unable to participate in the hearing of a case, the chair may request the Management Council to designate a former member or members of the committee to rejoin the committee for purposes of the consideration and disposition of that case. *(Adopted: 1/14/97 effective 8/1/97)*

19.1.3 Duties of Committee. The duties of the committee shall be as follows: *(Revised: 1/14/97 effective 8/1/97, 4/25/03)*

- (a) Consider complaints that may be filed with the Association charging the failure of any member to maintain the academic or athletics standards required for membership or the failure of any member to meet the conditions and obligations of membership in the Association; *(Revised: 1/14/97 effective 8/1/97)*
- (b) Adopt, formulate and revise, in accordance with the requirements of Bylaw 19.3, a statement of its established internal operating procedures and enforcement policies and procedures, including investigative guidelines (see Bylaw 32); *(Revised: 7/23/18)*
- (c) Review and approve the enforcement staff's internal operating procedures, including amendments by the enforcement staff to the procedures; *(Adopted: 7/23/18)*
- (d) Find facts related to alleged violations and/or conclude whether the facts constitute one or more violations of the bylaws; *(Revised: 1/14/97 effective 8/1/97)*
- (e) Upon concluding that one or more violations occurred, prescribe an appropriate penalty or show-cause requirement on a member found to be involved in a major violation (or, on appeal, on a member found to be involved in a secondary violation), or recommend to the Management Council suspension or termination of membership; and

- (f) Carry out any other duties directly related to the administration of the infractions program. *(Revised: 1/14/97 effective 8/1/97, 5/18/15)*

19.2 Appeals Committee.

19.2.1 Authority of Infractions Appeals Committee. The Infractions Appeals Committee shall hear and act on an institution's or involved individual's appeal of the findings and/or penalties of major violations by the Committee on Infractions. The committee may establish or amend enforcement policies and procedures set forth in Bylaw 32 that relate directly to the infractions appeals process, subject to review and approval by the Management Council. *(Adopted: 1/10/95, Revised: 1/14/97 effective 8/1/97, 1/17/08, 10/19/10)*

19.2.1.1 Composition. The Infractions Appeals Committee shall consist of five members. One member shall be a member of the Presidents Council and shall serve as chair. One member shall be a member of the Management Council. One member shall be from the general public who shall not be associated with a collegiate institution, conference, or professional or similar organization, or represent coaches or athletes in any capacity. Two positions shall be from the membership. *(Adopted: 4/15/14)*

19.2.1.2 Term of Office. A member shall serve a three-year term, which shall commence on the first day of September after the member's election. A member may be reappointed but shall not serve more than six years. The terms of the members who are serving as the representatives of the Presidents Council or Management Council shall coincide with their terms on those bodies. When possible, terms shall be staggered to ensure that vacancies occur in proper sequence. *(Adopted: 4/15/14)*

19.3 Establishment and Revision of Enforcement Policies and Procedures.

19.3.1 Amendment by Committee and Approval by Management Council. The Committee on Infractions may formulate and revise its internal operating procedures and the enforcement policies and procedures (See Bylaw 32) and review and approve the enforcement staff's internal operating procedures, including amendments by the enforcement staff to the procedures, in regard to issues other than those concerning institutional penalties, restitution and committee duties and structure. Amendments to the committee's and enforcement staff's internal operating procedures shall be immediately effective when approved by the committee but are subject to review and approval by the Management Council. A member institution shall be provided notice of alleged NCAA rules violations for which it is charged before any penalty is prescribed, as well as the opportunity to appear before the committee and the opportunity to appeal the committee's conclusions of major violations or penalties (see Bylaws 19.4 and 19.5). The committee's and enforcement staff internal operating procedures and enforcement policies and procedures governing the administration of the Association's infractions program, as set forth in Bylaw 32, are subject to review and approval by the Management Council. *(Revised: 4/15/14, 5/18/15, 7/23/18)*

19.3.1.1 Notification to Membership. To the extent that the committee's or the enforcement staff's internal operating procedures and the enforcement policies and procedures are revised, any member institution involved in the processing of an infractions case shall be notified immediately of the change and the general membership shall be advised through the NCAA website. *(Revised: 7/23/18)*

19.4 Notice of Charges and Opportunity to Appear.

19.4.1 For Major Violations. A member under investigation for major violations shall be given the following:

- (a) Notice of any specific allegations against it and the facts upon which such allegations are based; and *(Revised: 5/18/15)*
- (b) An opportunity to appear before the Committee on Infractions (or the Infractions Appeals Committee per Bylaw 19.2.1) to answer such allegations by the production of factual information (see Bylaw 19.6). *(Revised: 1/16/93, 1/10/95, 1/12/04, 5/18/15, 6/1/16)*

19.4.2 For Secondary Violations. A member under investigation for secondary violations shall be given the following:

- (a) Notice of any specific allegations against it and the facts on which such allegations are based; and *(Revised: 5/18/15)*
- (b) An opportunity to provide a written response to the vice president of enforcement or their designee (or to appear before the Committee on Infractions on appeal) to answer such allegations by the production of factual information (see Bylaw 19.6). *(Revised: 4/15/14, 5/18/15, 6/1/16, 6/2/17, 4/20/21)*

19.4.3 New Findings. When an institution and involved individual appears before the committee to discuss a response to the notice of allegations, the hearing shall be directed toward the general scope of the notice of allegations but shall not preclude the committee from concluding a violation(s) occurred resulting from information developed or discussed during the hearing. *(Revised: 4/25/03, 4/15/14)*

19.5 Penalties.

19.5.1 Penalties for Secondary Violations. The vice president of enforcement or their designee, on approval by the chair or another member of the Committee on Infractions designated by the chair, or the committee may determine that no penalty is warranted in a secondary case, that an institutional- or conference-determined penalty is satisfactory or, if appropriate, prescribe a penalty. The disciplinary measures may include but are not limited to: *(Revised: 1/11/94, 1/17/08, 4/15/14, 4/20/21)*

- (a) Termination of the recruitment of a prospective student-athlete by the institution or, if the prospective student-athlete enrolls (or has enrolled) in the institution, permanent ineligibility to represent the institution in intercollegiate competition (unless eligibility is restored by the Committee on Student-Athlete Reinstatement on appeal);
- (b) Forfeit/vacate contests in which an ineligible student-athlete participated. Per Bylaw 18.1 and Administrative Regulation 31.2.1, the Championships Committee shall nullify each contest for certain violations resulting in a student-athlete competing while ineligible, regardless of whether forfeiture is required; *(Revised: 6/3/05 effective 8/1/15)*
- (c) Prohibition of the head coach or other staff members in the involved sport from participating in recruiting activities for up to one year; *(Revised: 1/11/94)*
- (d) An institutional fine for each violation, with a monetary penalty of up to \$5,000; *(Adopted: 1/17/15 effective 8/1/15)*
- (e) Institutional recertification that its current athletics policies and practices conform to all requirements of NCAA legislation;
- (f) Suspension of the head coach or other staff members for one or more competitions; *(Adopted: 1/11/94)*
- (g) Public reprimand (to be invoked only in situations in which the Committee on Infractions or the vice president of enforcement or their designee, on approval by the committee, determines that a penalty, in addition to any institutional- or conference-determined penalty, is warranted); *(Adopted: 1/11/94, Revised: 4/15/14, 4/20/21)*
- (h) Requirement that a member institution that has been found in violation, or that has an athletics department staff member who has been found in violation of the provisions of NCAA legislation while representing another institution, show cause why a penalty or an additional penalty should not be prescribed if it does not take appropriate disciplinary or corrective action against the athletics department staff member involved, any other institutional employee, if the circumstances warrant, or representatives of the institution's athletics interests; and *(Adopted: 1/11/94, Revised: 4/15/14)*
- (i) Other penalties, disciplinary measures and corrective actions, as appropriate.

19.5.2 Penalties, Disciplinary Measures and Corrective Actions for Major Violations. The Committee on Infractions has the authority to determine the penalties, disciplinary measures and corrective actions that are prescribed for an institution for major violations. The Infractions Appeals Committee shall hear and act on an institution's appeal per Bylaw 19.2. The committee(s) may consider institutional- or conference-imposed penalties and, where appropriate, include those in the penalties. Institutional- or conference-imposed penalties shall not displace or substitute for the committee's judgment regarding penalties. Penalties, disciplinary measures and corrective actions for major violations shall include those penalties, disciplinary measures and corrective actions prescribed for secondary violations and may include any and all of the following: *(Adopted: 1/11/12, Revised: 4/15/14, 5/18/15)*

- (a) Public reprimand and censure.
- (b) Probation for up to five years. Conditions of probation shall be determined on a case-by-case basis. A failure to satisfy the conditions of probation may result in additional conclusions of violation(s), including the failure to cooperate, lack of institutional control and/or violations of conditions for membership, and shall result in a reconsideration of the initial penalties prescribed, including an extension of the probationary period and prescription of additional penalties. Conditions of probation shall include, but are not limited to, the following: *(Revised: 4/15/14)*
 - (1) Annual written reports shall be submitted to the office of the Committee on Infractions for review. These reports shall detail compliance with probationary conditions; and *(Revised: 9/26/16)*
 - (2) At the conclusion of probation, the institution's president or chancellor shall affirm in writing that current athletics policies and procedures conform to all requirements of NCAA legislation and that all conditions of probation have been satisfied. *(Revised: 9/26/16)*
- (c) Information regarding the violations committed, the term of probation and penalties must be noted on the home page of the institution's athletics website, in the media guide for the involved sport(s) and in recruiting materials provided to prospective student-athletes in the involved sport(s). Such information must be displayed and provided to prospective student-athletes for the full term of probation. Information to prospective student-athletes must be provided as soon as practicable after the prospective student-athlete is recruited pursuant to Bylaw 13.02.8 and, in all instances, before the prospective student-athlete signs a financial aid agreement or initially enrolls at the institution, whichever is earlier.
- (d) Ineligibility for postseason competition in the involved sport(s), particularly in situations in which:
 - (1) The individual(s) involved in the violation(s) remain active in the sport program;

- (2) A significant competitive advantage resulted from the violation(s);
 - (3) The violation(s) indicate a lack of institutional control or failure to monitor the involved sport(s) or athletics program;
 - (4) The violation(s) include academic misconduct; or (*Revised: 5/18/15*)
 - (5) The institution is a repeat violator.
- (e) Pursuant to Bylaw 14.13.1.2-(c), a recommendation to the Management Council that it waive the one-year residence requirement and permit full athletics participation in a sport for a student-athlete who transfers to another member institution when the Committee on Infractions renders the student-athlete's previous institution's team in that sport ineligible for postseason competition during all of the remaining seasons of the student-athlete's eligibility. No student-athlete will be allowed such a waiver unless the student-athlete would have been eligible for participation had they remained at the previous institution. (*Revised: 4/20/21*)
 - (f) Ineligibility for participation in or hosting outside, invitational and/or NCAA championship competition in the involved sport(s).
 - (g) Vacation of records in a case in which a student-athlete(s) has competed while ineligible, particularly in a case involving academic misconduct, serious intentional violations, a large number of violations, direct or knowing involvement of a coach or institutional administrator, competition while academically ineligible, competition while ineligible in conjunction with a finding of failure to monitor or lack of institutional control or a case in which vacation or a similar penalty would be prescribed if the underlying violation(s) were secondary. Records to be vacated may include one or more of the following, as applicable: (*Revised: 4/15/14*)
 - (1) Individual records and performances in individual sports, including reconfiguration of the institution's team point totals after vacation of individual records and performances; (*Revised: 5/18/15*)
 - (2) Relay, doubles and similar team records in individual sports when one or more team members compete while ineligible, including reconfiguration of the institution team point totals after vacation of relay, doubles or similar results;

 - (o) Ineligibility of institutional staff members to serve on the Presidents Council, Management Council, Board of Governors or other committees of the Association, including as representatives of their institution or conference. (*Revised: 4/15/14, 2/10/15*)
 - (p) Requirement that the institution take disciplinary action against an institutional staff member(s) who knowingly committed or condoned a major violation, including suspension of the head coach or the staff member(s) for one or more competition(s), and other disciplinary action(s) approved by the Committee on Infractions.
 - (q) Issuance of a show-cause order per Bylaw 19.5.2.2 against an institutional staff member if that staff member has committed unethical conduct (see Bylaw 10.1) or other serious violations.
 - (r) Pursuant to the provisions of Bylaw 19.5.2.6, exclusion of an individual or entity, including disassociation of a representative of an institution's athletics interests, from involvement in an institution's athletics program on a permanent basis or for a specified period of time.
 - (s) Other penalties, corrective actions and disciplinary measures, as appropriate.

19.5.2.1 Opportunity to Appear. In the event the committee considers additional penalties to be prescribed on an institution in accordance with Bylaw 19.5.2-(s) above, the involved institution shall be provided the opportunity to appear

before the committee; further, the institution shall be provided the opportunity to appeal (per Bylaw 19.6.2) any additional penalty prescribed by the committee. *(Revised: 1/11/12, 4/15/14)*

19.5.2.2 Show-Cause Order. If a determination is made by the committee that an institution has not taken appropriate disciplinary or corrective actions regarding an individual found in violation of the bylaws, the committee may issue an order that the institution take additional disciplinary or corrective action, including but not limited to restriction of some or all athletically related duties unless the institution appears before the committee to show cause why the additional penalties should not be applied. Decisions regarding disciplinary or corrective actions involving personnel shall be made by the institution, but the determination of whether the action satisfies the institution's obligation of NCAA membership shall rest solely with the Committee on Infractions. *(Adopted: 1/11/12, Revised: 4/15/14)*

19.5.2.2.1 Obligation to Comply. If an institutional staff member who is subject to a show-cause order is employed by an institution other than the institution at which the violation(s) occurred, that institution must comply with the penalties prescribed unless and until it can show cause to the satisfaction of the Committee on Infractions (or the Infractions Appeals Committee per Bylaw 19.2) why it need not comply. Failure to comply with the penalties may subject the institution to conclusions of violations, including a failure to cooperate and lack of institutional control, as well as other penalties, corrective actions and disciplinary measures, as appropriate. *(Adopted: 1/11/12, Revised: 4/15/14)*

19.5.2.2.1.1 Hearing Opportunity. If the individual is employed by another member institution, the institution may show cause why it need not comply with an order either by written submission or in an appearance before the Committee on Infractions. *(Adopted: 1/11/12)*

19.5.2.3 Repeat Violators.

19.5.2.3.1 Time Period. An institution shall be considered a "repeat" violator if the Committee on Infractions concludes that a major violation has occurred within five years of the starting date of a major penalty. For this provision to apply, at least one major violation must have occurred within five years after the starting date of the penalties in the previous case. It shall not be necessary that the Committee on Infractions' hearing be conducted or its report issued within the five-year period. *(Revised: 1/14/97 effective 8/1/97, 4/15/14)*

19.5.2.3.2 Repeat-Violator Penalties. In addition to the penalties identified for a major violation, the minimum penalty for a repeat violator, subject to exceptions authorized by the Committee on Infractions on the basis of specifically stated reasons, may include any or all of the following: *(Revised: 1/11/94)*

- (a) The prohibition of some or all outside competition in the sport involved in the latest major violation for one or two sports seasons and the prohibition of all coaching staff members in that sport from involvement directly or indirectly in any coaching activities at the institution during that period;
- (b) The elimination of all recruiting activities in the sport involved in the latest major violation in question for a two-year period;
- (c) The requirement that all institutional staff members serving on the Presidents Council, Management Council, Board of Governors or other committees of the Association resign those positions, it being understood that all institutional representatives shall be ineligible to serve on any NCAA committee for a period of four years; and *(Revised: 2/10/15)*
- (d) The requirement that the institution relinquish its voting privilege in the Association for a four-year period.

19.5.2.4 Probationary Periods.

19.5.2.4.1 Conditions of Probation. The committee (or the Infractions Appeals Committee per Bylaw 19.2) may identify possible conditions that an institution must satisfy during a probationary period. Such conditions shall be designed on a case-by-case basis to focus on the institution's administrative weaknesses detected in the case and shall include, but not be limited to, written reports from the institution pertaining to areas of concern to the committee (or the Infractions Appeals Committee per Bylaw 19.2), implementation of educational or deterrent programs and audits for specific programs or teams. If the institution fails to satisfy such conditions, the committee (or the Infractions Appeals Committee per Bylaw 19.2) may reconsider the penalties in the case and may extend the probationary period and/or prescribe additional penalties. *(Revised: 1/10/95, 4/25/03, 4/15/14, 3/3/17)*

19.5.2.4.2 Review Before Restoration of Membership Rights and Privileges. In the event the committee prescribes a penalty involving a probationary period, at the end of the probationary period, the institution's chancellor or president shall affirm in writing to the NCAA office of the Committees on Infractions that the institution's athletics policies and practices are in full compliance with NCAA legislation. The office of the Committees on Infractions shall review the written affirmation and will coordinate with the committee to restore the institution to full rights and privileges of membership in the Association. *(Revised: 1/10/95, 4/15/14, 9/26/16)*

19.5.2.5 Television Appearance Limitations. In some instances, an institution is rendered ineligible to appear on television programs. When an institution is banned from such television programs, the penalty shall specify that the institution may not enter into any contracts or agreements for such appearances until the institution's probationary status has been terminated and it has been restored to full rights and privileges of membership. *(Revised: 1/10/92)*

19.5.2.5.1 Closed-Circuit Telecast Exception. The Championships Committee is authorized to permit a closed-circuit telecast, limited to the campus of the opponent of the ineligible institution, it being understood that no rights fee is to be paid to the ineligible institution.

19.5.2.6 Disassociation of Representatives of Athletics Interests. The disassociation of relations with a representative of an institution's athletics interests may be prescribed on a permanent basis, for the duration of the applicable probationary period or for another specified period of time. When an institution is required to show cause why a representative of the institution's athletics interests should not be disassociated from its athletics program, such disassociation shall require that the institution:

- (a) Refrain from accepting any assistance from the individual that would aid in the recruitment of prospective student-athletes or the support of enrolled student-athletes;
- (b) Not accept financial assistance for the institution's athletics program from the individual;
- (c) Ensure that no athletics benefit or privilege be provided to the individual that is not generally available to the public at large; and
- (d) Take such other actions against the individual that the institution determines to be within its authority to eliminate the involvement of the individual in the institution's athletics program.

19.5.2.7 Notification to Regional Accrediting Agency. When an institution has been found to be in violation of NCAA legislation and the report reflects academic violations or questionable academic procedures, the NCAA president shall be authorized to forward a copy of the infractions decisions to the appropriate regional accrediting agency. *(Revised: 5/18/15)*

19.5.2.8 Review of Penalty.

19.5.2.8.1 New Information or Prejudicial Error. When a penalty has been prescribed and publicly announced and the appeal opportunity has been exhausted, there shall be no review of the penalty except on a showing of new information (per Bylaw 19.02.3) that is directly related to the conclusions or findings in the case or that there was a prejudicial error in the procedure that was followed in the processing of the case by the committee. Such new information may be submitted no later than one year following the conclusion of the case. *(Revised: 1/9/96, 4/15/14, 10/16/18)*

19.5.2.8.1.1 Review Process. Any institution or involved individual that initiates such a review shall be required to submit a brief of its appeal to the committee. The committee shall review the brief and decide by majority vote whether it shall grant a hearing of the appeal.

19.5.2.8.1.2 Institution or Conference Discipline as New Information. Disciplinary measures imposed by the institution or its conference, after the NCAA's action, may not be considered "new information" for the purposes of this section. *(Revised: 6/1/16, 10/16/18)*

19.5.2.8.1.3 No Calculation of New Penalty. If a hearing of the appeal is granted, the committee may reduce or eliminate any penalty but may not prescribe any new penalty. The committee's decision with respect to the penalty shall be final and conclusive for all purposes.

19.5.2.8.2 Reconsideration of Penalty. The institution shall be notified that should any portion of the penalty in the case be set aside for any reason other than by appropriate action of the Association, the penalty shall be reconsidered by the NCAA. In such cases, any extension or adjustment of a penalty shall be proposed by the Committee on Infractions after notice to the institution and hearing. Any such action by the committee shall be subject to appeal.

19.6 Rights of Member to Appeal.

19.6.1 Appeal of Secondary Violations. A member institution or involved individual subject to a show-cause shall have the right to appeal to the Committee on Infractions penalties prescribed by the vice president of enforcement or their designee in reference to secondary violations. To appeal, the member institution must submit a notice of appeal through the online reporting system for secondary violations within 15 days after receipt of the enforcement staff's decision. An institution that self-reports a violation may appeal a penalty prescribed by the enforcement staff but not the violation. An involved individual subject to a show-cause order must submit a written notice of appeal to the vice president of enforcement or their designee with 15 days after receipt of the enforcement staff's decision. An institution or involved individual subject to a show-cause order may request

the opportunity to appear in person or by video or telephone conference. If no such request is made, or if the request is denied, the Committee on Infractions will review the institution's appeal on the basis of the written record. The committee shall not deny an involved individual's request to appear in person if a show-cause order was prescribed. (*Revised: 1/14/97 effective 8/1/97, 4/15/14, 10/21/14, 5/18/15, 5/20/19, 4/20/21*)

19.6.1.1 Stay of Penalties. If a notice of appeal is filed within the deadline, unless ordered otherwise by the Committee on Infractions, any penalties prescribed by the enforcement staff that have been appealed shall be stayed during the pendency of the appeal. (*Adopted: 10/21/14*)

19.6.2 Appeal of Major Violations. A member shall have the right to give written notice of appeal of the committee's conclusion of major violations (subject to Bylaw [32.10.1](#)), the penalty, or both to the Infractions Appeals Committee per Bylaw [19.2](#). (*Revised: 1/16/93, 1/10/95, 4/25/03, 4/15/14*)

19.6.3 Appeal by an Institutional Staff Member. If any current or former institutional staff member participates in a hearing before the Committee on Infractions and is involved in a conclusion of a violation against that individual, the individual shall be given the opportunity to appeal any of the conclusions in question (subject to the conditions of Bylaw [32.10.1](#)) or the committee's decision to prescribe a show-cause order to the Infractions Appeals Committee. Under such circumstances, the individual and personal legal counsel may appear before the appeals committee at the time it considers the pertinent findings or conclusions. (*Revised: 1/16/93, 1/10/95, 1/6/96, 4/25/03, 4/15/14*)

19.6.4 Student-Athlete Appeal. If an institution concludes that continued application of the rule(s) would work an injustice on any student-athlete, an appeal shall be submitted to the Committee on Student-Athlete Reinstatement and promptly reviewed.

19.6.4.1 Obligation of Institution to Take Appropriate Action. When the committee (or the Infractions Appeals Committee per Bylaw [19.2](#)) concludes that there has been a violation of the bylaws affecting the eligibility of an individual student-athlete or student-athletes, the institution involved and its conference(s), if any, shall be notified of the violation and the name(s) of the student-athlete(s) involved, it being understood that if the institution fails to take appropriate action, the involved institution shall be cited to show cause under the Association's enforcement policies and procedures why it should not be disciplined for a failure to abide by the conditions and obligations of membership (declaration of ineligibility) if it permits the student-athlete to compete. (*Revised: 1/10/95, 4/25/03, 4/15/14, 5/18/15*)

19.7 Restitution. If a student-athlete who is ineligible under the terms of the bylaws or other legislation of the Association is permitted to participate in intercollegiate competition contrary to such NCAA legislation but in accordance with the terms of a court restraining order or injunction operative against the institution attended by such student-athlete or against the Association, or both, and said injunction is voluntarily vacated, stayed or reversed or it is finally determined by the courts that injunctive relief is not or was not justified, the Management Council may take any one or more of the following actions against such institution in the interest of restitution and fairness to competing institutions:

- (a) Require that individual records and performances achieved during participation by such ineligible student-athlete shall be vacated or stricken;
- (b) Require that team records and performances achieved during participation by such ineligible student-athlete shall be vacated or stricken;
- (c) Require that team victories achieved during participation by such ineligible student-athlete shall be abrogated and the games or events forfeited to the opposing institutions;
- (d) Require that individual awards earned during participation by such ineligible student-athlete shall be returned to the Association, the sponsor or the competing institution supplying same;
- (e) Require that team awards earned during participation by such ineligible student-athlete shall be returned to the Association, the sponsor or the competing institution supplying same;
- (f) Determine that the institution is ineligible for one or more NCAA championships in the sports and in the seasons in which such ineligible student-athlete participated;
- (g) Determine that the institution is ineligible for invitational and postseason meets and tournaments in the sports and in the seasons in which such ineligible student-athlete participated;
- (h) Require that the institution shall remit to the NCAA the institution's share of television receipts (other than the portion shared with other conference members) for appearing on any live television series or program if such ineligible student-athlete participates in the contest(s) selected for such telecast, or if the Management Council concludes that the institution would not have been selected for such telecast but for the participation of such ineligible student-athlete during the season of the telecast, any such funds thus remitted shall be devoted to the NCAA postgraduate scholarship program; and

- (i) Require that the institution that has been represented in an NCAA championship by such a student-athlete be assessed a financial penalty as determined by the Committee on Infractions. *(Revised: 1/8/01 effective 8/1/01)*

Division Membership.

20.01 General Principles.

20.01.1 Membership in the Association. Eligibility for membership in the Association; conditions, obligations and classes of Association membership; and procedures governing the termination, suspension and reinstatement of such membership are governed by Article [2-D](#).

20.01.2 Division Membership. Each active and provisional member institution and member conference is designated as a member of Division I, II or III for certain legislative and competitive purposes. In football, Division I is divided into Football Bowl Subdivision and NCAA Football Championship Subdivision. Multidivision classification is permitted under specified circumstances (see Bylaw [20.4](#)).

20.01.2 Classes of Membership. The NCAA offers three classes of membership: active, conference and provisional. Eligibility for and method of election to membership, obligations and conditions for continuing membership, voting rights and other membership privileges for each class are defined in this article. (*Adopted: 4/15/22 effective 8/1/22*)

20.01.4 Obligation to Meet Division Criteria. Division membership criteria constitute enforceable legislation. Each member institution shall comply with all applicable criteria of its division, and an institution that fails to do so shall be subject to the enforcement procedures, as well as to possible reclassification. (*Adopted: 4/15/22 effective 8/1/22*)

20.01.5 Assignment to Geographical Areas. Active and conference members are assigned to geographical areas for the purpose of representation on the Management Council, Presidents Council and various committees, as well as to facilitate the work of the Association. (*Adopted: 4/15/22 effective 8/1/22*)

20.01.6 Termination or Suspension of Membership. All rights and privileges of a member shall cease immediately upon termination or suspension of its membership. (*Adopted: 4/15/22 effective 8/1/22*)

20.02 Definitions and Applications.

20.02.1 Multidivision Classification. Multidivision classification is the procedure in which a member institution may petition to have a certain sport or sports classified in a division other than the division in which it holds membership (see Bylaw [20.4](#)).

20.02.2 Performance Criterion. A performance criterion is a requirement for membership or classification in a division that must be met by the member institution before the date that the requirement becomes effective (i.e., during the academic year before the effective date). Performance criteria include, but are not limited to, minimum sports sponsorship requirements, minimum scheduling requirements and minimum game-attendance requirements.

20.02.3 Membership Categories. (*Adopted: 1/11/94 effective 9/2/94, Revised: 1/14/97 effective 8/1/97 for institutions petitioning for provisional membership on or after 8/1/97, 8/1/01, 1/27/20 effective 8/1/20, 4/15/22 effective 8/1/22*)

20.02.3.1 Active Member. An active member is a four-year college or university or a two-year upper-level collegiate institution accredited by the appropriate regional accrediting agency and duly elected to active membership under the provisions of this article. Active members have the right to compete in NCAA championships, to vote on legislation and other issues before the Association and to enjoy other privileges of membership designated in the constitution and bylaws of the Association. (*Adopted: 4/15/22 effective 8/1/22*)

20.02.3.1.1 Athletics Consortium. An athletics consortium consists of one member institution and neighboring member or nonmember institutions (but not more than one nonmember institution), recognized and approved by Membership Committee). The student-athletes of the combined institutions are permitted to compete on the NCAA member institution's athletics teams, provided they meet the eligibility requirements of the NCAA and the member institution. (*Adopted: 4/15/22 effective 8/1/22*)

20.02.3.1.2 Membership Classification Status. (*Adopted: 4/15/22 effective 8/1/22*)

20.02.3.1.2.1 Probation. Membership probation is a membership classification status assigned to an institution that indicates that an institution's membership is not in good standing. The status of membership probation serves as a warning that certain conditions and obligations of membership have not been satisfied and failure to correct such deficiencies shall result in the institution's reclassification to the category of restricted membership. During the probationary year, the institution shall be required to complete an athletics program assessment using a form approved by the Membership Committee and shall also be provided with the guiding

principles to establish a model Division III athletics program. An institutional staff member(s) may also be required to attend an NCAA Regional Rules Seminar. An institution does not lose membership benefits as a result of being placed on membership probation. *(Adopted: 4/15/22 effective 8/1/22)*

20.02.3.1.2.2 Restricted. Restricted membership is a membership classification status assigned to an institution that fails to comply with the minimum requirements of its division (e.g., sports sponsorship) and has failed during its period of membership probation to rectify such deficiencies as identified by the Division III Membership Committee or Committee on Infractions. An institution placed in restricted membership shall lose eligibility for a number of membership privileges, including, but not limited to, championships eligibility, voting privileges and Division III grant and initiative funding while in this status. The institution must comply with all requirements involved with the associated penalty period. Failure to comply shall result in immediate forfeiture of membership in the Association. If the institution is placed in restricted membership without having served a probationary year, the institution shall be required to complete an athletics program assessment using a form approved by the Membership Committee and shall also be provided with the guiding principles to establish a model Division III athletics program. *(Adopted: 4/15/22 effective 8/1/22)*

20.02.3.2 Provisional Membership. Provisional membership is a prerequisite for active membership and shall not be less than a three-year period. During the third year of provisional membership, an institution shall administer its athletics programs in accordance with the constitution, bylaws and other legislation of the Association. *(Adopted: 4/15/22 effective 8/1/22)*

20.02.3.3 Member Conference. A member conference is a group of at least six colleges and/or universities that conducts competition among its members and determines a conference champion in one (single-sport conference) or more (multisport conference) sports (in which the NCAA conducts championships or for which it is responsible for providing playing rules for intercollegiate competition), duly elected to conference membership under the provisions of this article. A member conference is entitled to all of the privileges of active members except the right to compete in NCAA championships. *(Adopted: 4/15/22 effective 8/1/22, Revised: 1/17/25 effective 8/1/25)*

20.02.3.3.1 Single-Sport Conference. A single-sport conference is an NCAA Division III member conference that sponsors only one sport. A conference that sponsors one sport but sponsors both men's and women's competition in that sport, is not a single-sport conference. *(Adopted: 4/15/22 effective 8/1/22)*

20.02.4 Competitive Body. A competitive body is an athletics conference that conducts competition among its member institutions and determines a conference champion in one or more sports. *(Revised: 1/9/06, 1/8/07 effective 8/1/07 for any application of member penalties [probation or restricted membership status] based on the sports sponsorship audit shall be based on information reported for the 2006-07 year and beyond, 4/11/11, 9/26/16, 4/15/22 effective 8/1/22)*

20.02.5 Legislative Body. A legislative body is an athletics conference that develops and maintains rules and regulations governing the athletics programs and activities of its member institutions. *(Revised: 1/9/06, 1/8/07 effective 8/1/07, 7/20/10, 10/19/10 effective 8/1/11, 1/15/11 effective 8/1/11, 9/26/16, 4/15/22 effective 8/1/22)*

20.02.6 Emerging Sports for Women. The following shall be considered emerging sports for women: *(Adopted: 1/11/94 effective 9/1/94)*

20.11.1 Division III Philosophy Statement.

The purpose of the National Collegiate Athletic Association (NCAA) is to assist its members in developing the basis for consistent, equitable competition while minimizing infringement on the freedom of individual members to determine their own unique objectives and programs. The philosophy statement articulates principles that represent a commitment to Division III membership and shall serve as a guide for the preparation of legislation by the division and for planning and implementation of programs by institutions and conferences.

- (a) Division III members affirm the purposes and fundamental policy of the NCAA, as set forth in Constitution Article 1 with emphasis on:
 - (1) Division III members shall establish and maintain an environment in which a student-athlete's activities are conducted with the appropriate primary emphasis on the student-athlete's academic experience.
 - (2) Division III intercollegiate athletics shall be conducted in a manner designed to protect, support and enhance the physical and mental health and safety of student-athletes.
 - (3) Division III members shall be committed to the creation of diverse and inclusive environments with respect for and sensitivity to the dignity of every person.
 - (4) Division III athletics shall be conducted in a manner free of gender bias.
- (b) NCAA Constitution Article 2 establishes the independent authority of Division III to organize itself and determine its own governing structure and membership.
 - (1) Institutional presidents and chancellors have the ultimate responsibility and final authority for the conduct of Division III intercollegiate athletics at the national, conference and institutional levels.

- (2) Institutional and conference members determine policy at the national level through the Division III governance and legislative processes.

31.02.2 Championships Classification and Terminology.

31.02.2.1 Team Championships. Team championships are those conducted for the team sports (see Bylaws 17.02.13.1 or 31.3). The title of a team championship is always singular and is identified as a National Collegiate Championship or a division championship (e.g., National Collegiate Women's Water Polo Championship, Division I Men's Basketball Championship).

31.02.2.2 Individual-Team Championships. Individual-team championships are those conducted for the individual sports (see Bylaws 17.02.13.2 or 31.3). The title of an individual team championship is always plural, reflecting the fact that both individual and team championships are determined (e.g., National Collegiate Men's Gymnastics Championships, Division I Women's Tennis Championships).

31.02.3 Misconduct. Misconduct in an NCAA championship is any act of dishonesty, unsportsmanlike conduct, unprofessional behavior or breach of law that discredits the event or intercollegiate athletics and occurs from the time the championship field is announced through the end of the championship (including travel en route to, from or in the locale of the competition or practice). (*Revised: 8/15/89, 8/13/92, 10/20/08, 10/16/18 effective 8/1/19*)

31.02.4 Nullification. Nullification is a penalty imposed on an institution by the Championships Committee for permitting an ineligible student-athlete to participate in intercollegiate competition. (*Adopted: 1/17/15 effective 8/1/15*)

31.1 Administration of NCAA Championships.

31.1.1 Authority of Championships Committees and Sports Committees. As specified in Bylaw 18.2, all NCAA championships shall be conducted in accordance with the general policies established by the Championships Committee, the Management Council, the Presidents Council and/or Board of Governors and shall be under the control, direction and supervision of the appropriate sports committees, subject to the standards and conditions set forth in these executive regulations. Additional policies of an administrative nature are set forth in the respective championships handbooks and are to be followed in the administration of NCAA championships. (*Revised: 8/22/07, 2/10/15*)

31.1.1.1 Waivers. The Championships Committee shall possess final waiver authority on all championships issues. An appeal of a decision of a governing sports committee, or a subcommittee designated by it, concerning questions of

individual or institutional eligibility or the conduct of a championship will not be considered by the Championships Committee 48 hours immediately before the championship or at any time during the championship. During such period, the governing sports committee, or a subcommittee designated by it, shall be the final authority in acting upon appeals concerning the conduct of the championship, subject to the provisions of Bylaw 31.2 regarding institutional and individual eligibility questions.

31.1.2 Games Committee. The governing sports committee shall appoint a games committee to supervise actively the conduct of each championship session. The games committee conducting any NCAA championship shall limit participation to eligible student-athletes and may limit the number of entries or reject any application for entry in any event in order that the competition shall best promote the welfare and interest of the sport involved.

31.1.3 Sites and Dates. The governing sports committees recommend to the Championships Committee the sites and dates for all NCAA championships.

31.1.3.1 Championships Committee Approval. Championships Committee approval shall be obtained before final site commitments are made to the host institution or any other individual or organization associated with the management of an NCAA championship. However, in the sports of baseball, basketball, field hockey, football, ice hockey, lacrosse, soccer, softball and volleyball, the governing sports committees are authorized to select sites for preliminary rounds of competition without prior Championships Committee approval.

31.1.3.2 Site Selection. The governing sports committees shall evaluate prospective sites for NCAA championships in terms of the specific criteria approved by the Championships Committee. The division championships committees may assign specific priorities to these criteria for their respective championships. These shall be specified in the appropriate championships handbooks. A governing sports committee that desires to use additional criteria shall obtain Championships Committee approval before doing so.

31.1.3.2.1 Criteria for Site Determination. The following criteria are to be used in the evaluation of sites for all competition in NCAA championships:

- (a) Quality and availability of the facility and other necessary accommodations;
- (b) Geographical location (including such factors as rotation of sites, weather, accessibility and transportation costs);
- (c) Seeding; and
- (d) Attendance history and revenue potential, which shall be considered necessary to ensure fiscal responsibility.

31.1.3.2.2 Nonpredetermined Site. When a championship site is not predetermined, the governing sports committee may award the site to the higher-ranked team if the above criteria, and any priorities established by the respective division championships committee, are met.

31.1.3.2.3 On-Campus Versus Off-Campus Sites. No preference shall be given to on-campus versus off-campus sites. An institution that has been chosen to host a championship may conduct the competition on campus, or if appropriate on-campus facilities are not available, the host institution(s) may conduct competition in an off-campus venue in the immediate locale of the institution(s). In those instances in which it is advisable to conduct the competition at off-campus sites, the host institution(s) shall have complete control, supervision and management of the facility being used. *(Revised: 12/3/90, 1/8/05)*

31.1.3.2.4 Reconsideration of Host Institution. The Championships Committee may reconsider the designation of a host institution for an NCAA championship if that institution's team or individual student-athletes are not eligible to compete in the championship.

31.1.3.2.5 Nonrevenue Championship Site Assignment. For team championships that do not generate revenues, pairings shall be based primarily on the teams' geographical proximity to one another, regardless of their region, in order to avoid air travel in preliminary rounds whenever possible. Teams' seeding relative to one another may be taken into consideration when establishing pairings if such a pairing does not result in air travel that otherwise could be avoided. *(Revised: 8/4/94)*

31.1.3.3 Concluding Dates. NCAA championships competition shall be concluded not later than June 2 each year unless later dates are approved by the Championships Committee. (Note: The baseball championship has been granted waivers by the Championships Committee.)

31.1.4 Day of Competition. NCAA championships competition may be scheduled or conducted on any day, provided the governing sports committee has received the prior approval of the Championships Committee and the following regulations are applied. *(Revised: 1/12/99)*

31.1.4.1 Institutional Policy. If a participating institution has a written policy against competition on a particular day for religious reasons, it shall inform the NCAA national office before May 1 of the preceding academic year to be excused from competing on that day. The notification shall be valid for a period of two years. The championship schedule shall be adjusted to accommodate that institution. *(Revised: 1/12/99, 1/8/01, 4/25/03, 1/5/07 effective 8/1/07)*

31.1.4.2 Individual Championships. In individual championships, an athlete must compete according to the institution's policy regarding Sunday competition (i.e., if the institution has no policy against Sunday competition, the athlete shall compete on Sunday if required by the schedule).

31.1.4.3 Rescheduling, Emergency or Competitive Development. If an emergency develops that causes postponement of an NCAA championship, or if the competitive situation dictates a more expeditious completion of the meet or tournament, Sunday competition may be permitted, provided the competing institutions are agreeable and advance approval is obtained from the Championships Committee or the appropriate sports committee. *(Revised: 1/13/03)*

31.1.4.4 Noon Start Time. NCAA competition conducted on Sunday may not begin before noon, local time. The appropriate sports committee may waive the application of this legislation. *(Revised: 1/13/03)*

31.1.4.5 Commencement Exercises. The governing sports committee, in consultation with participating institutions, may reschedule, to the nearest possible date, team championships competition dates that are in direct conflict with commencement exercises or graduation dates for teams participating in Division III championships competition, provided the following conditions are met: *(Adopted: 1/8/01)*

- (a) Participating institutions have given prior notice, declared on the certification of eligibility to participate form, of commencement dates during which student-athletes would not be eligible for championships participation; *(Adopted: 1/8/01)*
- (b) The championship is not conducted at a predetermined finals site; and *(Adopted: 1/8/01)*
- (c) The committee shall make a good-faith effort to accommodate participating institutions in non-predetermined preliminary round contests with multiple teams participating at the same site. *(Adopted: 1/8/01)*

31.1.5 Size Policies and Limits. *(Revised: 10/18/22)*

31.1.5.1 Squad size. The number of student-athletes allowed to compete in the championship contest. The squad size is defined by the playing rules or the governing sports committee and approved by the Championships Committee. *(Adopted: 10/18/22)*

31.1.5.2 Bench size. The number of individuals allowed in the bench area. Student-athletes that are otherwise eligible for competition but are not part of the squad size may remain in the bench area in uniform provided the total number of individuals do not exceed the bench size. An institution that is advised that it is in violation of this regulation and that does not promptly conform to it automatically shall forfeit the competition. There shall be no inordinate delay of the competition to allow the institution to conform to the rule. The bench size is defined by the governing sports committee and approved by the Championships Committee. *(Adopted: 10/18/22)*

31.1.5.3 Travel party. The number of personnel (student-athletes and staff) the NCAA reimburses for championship travel. The travel party is defined by the governing sports committee and approved by the Championships Committee. *(Adopted: 10/18/22)*

31.1.6 Playing Rules.

31.1.6.1 Non-NCAA Rules, Men's Sports. In those men's sports in which the Association does not publish rules, the NCAA championships shall be conducted according to the following, except when those rules are superseded by modifications recommended by the appropriate governing sports committee and approved by the Playing Rules Oversight Panel (see Bylaw 18.6): *(Revised: 7/24/19)*

- (a) Fencing -- U.S. Fencing Association Rules;
- (b) Golf -- U.S. Golf Association Rules;
- (c) Gymnastics -- International Gymnastics Federation Rules;

31.1.6.2 Non-NCAA Rules, Women's Sports. In those women's sports in which the Association does not publish rules, the NCAA championships shall be conducted according to the following, except when those rules are superseded by

modifications recommended by the appropriate governing sports committee and approved by the Playing Rules Oversight Panel (see Bylaw 18.6): *(Revised: 5/31/11, 7/24/19)*

- (a) Fencing -- U.S. Fencing Association Rules;
- (b) Field Hockey -- International Field Hockey Rules;
- (c) Golf -- U.S. Golf Association Rules;

- (h) Tennis -- U.S. Tennis Association Rules.

31.1.7 Medical Disqualification. The student-athlete's team physician shall examine each student-athlete injured during NCAA competition and make a recommendation to the athlete, the coach and the chair of the governing sports committee, or the chair's designated representative, as to the advisability of continued participation or disqualification of the athlete. In the absence of said team physician, the NCAA tournament physician, as recommended by the host institution and approved by the governing sports committee, shall examine the injured athlete and make a recommendation as noted above. The chair of the governing sports committee, or the chair's designated representative, shall be responsible for enforcement of the medical recommendation if it involves disqualification.

31.1.8 Misconduct. Each games committee shall hold a pre-tournament meeting with the coaches of participating institutions to review and explain the policies related to misconduct (as defined in Bylaw 31.02.3).

31.1.8.1 Hearing Opportunity. An act of misconduct may be found upon an administrative hearing granted to the student-athlete or the institutional representative involved by the governing sports committee or the games committee authorized to act for it.

31.1.8.2 Misconduct Incidental to Competition. If the act of misconduct occurs during the competition, under normal circumstances, the individual shall be allowed to complete the competition in which they are participating at the time of the incident. An administrative hearing shall be held at the conclusion of the day's competition, during a break in the continuity of the championship (e.g., between rounds of a basketball tournament) when no competition is being conducted or at the conclusion of the championship. However, if the act of misconduct is so flagrant that it obviously violates the principles of fair play and sportsmanship, the games committee may immediately withdraw the student-athlete or institutional representative from the competition and conduct the hearing after this action. Other acts of misconduct should be dealt with in a timely manner by the governing sports committee. *(Revised: 8/13/92, 1/10/05, 4/20/21)*

31.1.8.3 Penalty for Misconduct. A governing sports committee (or the games committee authorized to act for it) may impose any one or a combination of the following penalties on an institution or any student-athlete or representative of an institution guilty of misconduct that occurs from the time the championship field is announced through the end of the championship (including travel en route to, from or in the locale of the competition or practice): *(Revised: 10/16/18 effective 8/1/19)*

- (a) Public or private reprimand of the individual;
- (b) Disqualification of the individual from further participation in the NCAA championship involved;
- (c) Banishment of the individual from participation in one or more future championships of the sport involved;
- (d) Cancellation of payment to the institution of the Association's travel guarantee for the individuals involved;
- (e) Withholding of all or a portion of the institution's share of revenue distribution;
- (f) Banishment of the institution from participation in one or more future championships in which its team in that sport otherwise would be eligible to participate;
- (g) Disqualification of an institution for a period of time from serving as host institution for one or more NCAA championships; *(Revised: 8/13/92)*
- (h) Cancellation of all or a portion of the honorarium for hosting an NCAA championship; and *(Revised: 8/13/92)*
- (i) Financial or other penalties different from (a) through (h) above, but only if they have prior approval of the Championships Committee. *(Revised: 8/13/92)*

31.1.8.4 Ban from Subsequent Championship. When a student-athlete or institutional representative is banned from participation in a future championship, such penalty shall be applied to the next tournament(s) in which the individual's team is involved and the individual otherwise is eligible to participate. In the case of an individual event, the penalty shall be applied to the next meet(s) or tournament(s) for which the individual qualifies and otherwise is eligible to participate.

31.1.8.5 Review of Action. Any action related to misconduct (as defined in Bylaw 31.02.3) may be reviewed by the governing sports committee on request of any institution participating in the championship. *(Revised: 10/16/18 effective 8/1/19)*

31.1.9 Awards. The Association has created standard participant and commemorative awards for individuals and teams that participate in NCAA championships. The number of such awards for each championship shall be determined by the governing sports committee, subject to the approval of the Championships Committee. These official NCAA awards shall be the only awards presented by the Association to teams and individuals for participation in NCAA championships competition and shall be the only awards presented at the site of an NCAA championship. "At the site" is intended to include the period from the time access to the site is available to spectators until all patrons have left the facility or area used for competition. *(Revised: 10/22/03, 3/4/05)*

31.1.9.1 Additional Awards. An institution may purchase standard participant or commemorative awards at the level in which the institution competed. The NCAA awards form shall be used to purchase additional awards. *(Revised: 3/4/05)*

31.1.9.2 Other Permissible Awards. The above provision places no restriction on the presentation of awards at banquets or meetings held in conjunction with the championship or at sites other than that of the championships competition itself.

31.1.10 Admission and Tickets. Admission shall be charged at all NCAA championships unless a governing sports committee determines that charging admission is not feasible because of facility configuration or the expense relative to the event's attendance history. Ticket prices shall be determined by the respective games committees with the approval of the governing sports committee.

31.1.11 Availability of Alcoholic Beverages. Alcoholic beverages shall not be sold or otherwise made available for public consumption at any championship event sponsored by or administered by the Association, nor shall any such beverages be brought to the site during the championship (i.e., during the period from the time access to the site is available to spectators until all patrons have left the facility or area used for competition).

31.1.11.1 Exception. Alcoholic beverages may be sold pursuant to Championships policy when a Division III championship is held in conjunction with the NCAA Division I championship in the same sport and conducted at the same venue as that championship. *(Adopted: 10/16/18)*

31.1.12 Failure to Adhere to Policies and Procedures.

31.1.12.1 Financial Penalties. A governing sports committee may assess a financial penalty against an institution for failure of any of its representatives to adhere to the policies and procedures governing championships administration, subject to review by and appeal to the Championships Committee. The institution may be assessed:

- (a) One hundred dollars per team or \$50 per individual, up to a \$600 maximum penalty, for failure to adhere to published procedures for the submission of regular season results, availability questionnaires and/or entry forms; *(Revised: 10/17/11)*
- (b) One hundred dollars, cancellation of all or a portion of the Association's travel guarantee or all or a portion of the institution's share of revenue distribution for failure to adhere to published managerial and administrative policies and procedures; *(Revised: 5/7/90)*
- (c) Cancellation of all or a portion of the honorarium for hosting an NCAA championship for failure to submit the financial report within 60 days after the competition, as specified in Bylaw 31.4.1.1; or *(Revised: 5/7/90)*
- (d) Financial or other penalties different from (a), (b) and (c) above, but only if they have prior approval of the Championships Committee. *(Revised: 5/7/90)*

31.1.12.2 Late-Entry Fines. Institutions shall not be charged entry fees for teams or student-athletes competing in NCAA championships, but governing sports committees may establish late-entry fines, subject to the approval of the Championships Committee.

31.2 Eligibility for Championships.

31.2.1 Institutional Eligibility. To be eligible to enter a team or an individual in NCAA championship competition, an institution shall recognize the sport involved as a varsity intercollegiate sport (see Bylaw 17.02.13) and shall: *(Revised: 4/13/10)*

- (a) Be an active member in the appropriate division, or have its sport so classified, and be eligible under the rules of the member conference of which it is a member and is not otherwise ineligible to participate in championships per the Association's enforcement or membership process;
- (b) Complete the following by:
 - (1) September 15 for fall championships;
 - (2) December 1 for winter championships; and
 - (3) March 1 for spring championships:
 - (i) Pay its membership dues for the current year;
 - (ii) Designate (in accordance with Bylaw 20) its athletics program as Division I, Division II or Division III for competition and possible eligibility for championships in those intercollegiate sports recognized by the NCAA;
 - (iii) Confirm its sponsorship of a varsity intercollegiate team in the sport by so reporting on the NCAA official information form; and
 - (iv) Submit its race and demographic information to the NCAA through the official information form.
- (c) Satisfy the Bylaw 20 minimum contests and participant requirements in the year of the championship for a team to be entered in an NCAA championship. An institution may enter individuals in a championship without satisfying the Bylaw 20 minimum contests and participant requirements but those individuals may not register a team score (see Bylaw 20.11.4.8); *(Revised: 7/24/12 effective 8/1/13)*
- (d) The institution's director of athletics shall certify annually the institution's compliance with Bylaw 32.2.1.7; *(Revised: 8/16/18 effective 8/1/19, 5/11/23 effective 8/1/23)*
- (e) Complete and submit a copy of the Integrated Postsecondary-Education Data System Graduation-Rate Survey (IPEDS GRS-1) to the NCAA national office on or before the applicable deadline established by federal regulations;
- (f) Refrain from entering a student-athlete as an individual or as a member of a team in an NCAA championship if it is acknowledged by the institution or established through the Association's enforcement procedures that the institution or representative(s) of its athletics interests violated NCAA regulations in the recruiting of the student-athlete. The institution may appeal to the Committee on Student-Athlete Reinstatement for restoration of the student-athlete's eligibility (see Bylaw 14.12);
- (g) Satisfy any additional requirements set forth in the applicable prechampionships handbooks; and
- (h) Satisfy in-region opponent competition requirements (see Bylaw 31.3.2). *(Revised: 1/16/13 effective 8/1/13, 4/15/14 effective 8/1/14)*

31.2.1.1 Commitment to Participate. Eligible members in a sport who are not also members of the National Association of Intercollegiate Athletics or the National Christian College Athletic Association will participate (if selected) in the NCAA championship or in no postseason competition in that sport. *(Revised: 8/12/91, 1/12/99 effective 8/1/99, 4/13/10)*

31.2.1.2 Joint-Declaration Program. The NCAA, the National Association of Intercollegiate Athletics (NAIA) and the NCAA and the National Christian College Athletic Association (NCCAA), respectively, will administer joint-declaration programs in those men's and women's sports in which there is a date conflict between the national championships of the NCAA and either the NAIA or NCCAA. In such championships, each institution that holds membership in the NCAA and either the NAIA or the NCCAA must declare by August 15 each year whether it will participate (if selected) in the NAIA or NCCAA championship, in the NCAA championship or in no postseason competition in that sport. An institution that fails to submit the joint-declaration form by the established deadline shall be ineligible to compete in the NCAA's and either the NAIA's or NCCAA's championships in the particular sport(s) that year. An appeal process exists for such institutions. An institution in the joint-declaration program may participate in the championship for which the institution declared, even when the championship occurs outside the permissible NCAA playing season. Institutions in the joint-declaration program must abide by all other NCAA regulations for all sports, including the length of the playing season. *(Revised: 1/12/99 effective 8/1/99, 1/9/04, 1/10/05, 4/13/10)*

31.2.1.3 National Collegiate Championships. In team sports in which the NCAA offers only one national championship, all active member institutions are eligible to compete in accordance with the requirements of division membership (see Bylaw 20.8.1) and institutional eligibility (per Bylaw 31.2.1). *(Revised: 4/13/10)*

31.2.1.4 Exclusion of Institution Reclassifying Entire Program to Division II or Single Sport to Division I. In all sports, any institution that has forwarded to the national office written notice of its intention to change its membership classification to Division I no longer shall be eligible to participate in any future Division III championship (see Bylaw 20.4.4.1). A member institution reclassifying to Division II that has forwarded its official reclassification application to the

national office per Bylaw 20.6.1 shall no longer be eligible to participate in any future Division III championship, once the institution commences the Division II reclassification process (i.e., start of the first candidacy year). (*Adopted: 4/13/10, Revised: 1/18/14*)

31.2.1.5 Eligibility of Participants. An institution shall advise the NCAA championships staff if a student-athlete who has participated in regular-season competition becomes ineligible before the date on which the governing sports committee selects championship participants, as indicated in the appropriate prechampionships manual. (*Revised: 5/1/92*)

31.2.1.5.1 Ineligible Participant Reported Prior to Selection. For instances in which a student-athlete has participated while ineligible during regular-season competition, the Championships Committee may impose a nullification penalty on the institution. An institution that receives a nullification penalty may be denied the right to participate in the applicable NCAA championship.

31.2.1.5.2 Failure to Report Ineligible Player Before Selection. If an institution fails to report an ineligible player before being selected to participate in the championship, the governing sports committee may declare the institution ineligible to participate in the tournament for one or two years.

31.2.1.5.3 Discovery of Ineligibility of Player Subsequent to Selection. When an institution fails to report an ineligible player and the omission is not discovered until after the institution is selected to participate in the championship, necessitating the institution's withdrawal from the championship, that withdrawal shall be considered as one of the years of ineligibility, provided another member institution participates in the championship in place of the disqualified institution. If the discovery of the ineligible student-athlete(s) occurs so near the beginning of the championship that the governing sports committee does not have a reasonable period of time to replace the disqualified institution in the bracket, that fact shall be taken into consideration in determining the number of years the disqualified institution shall be ineligible to participate.

31.2.1.5.4 Review of Violation of Terms of Availability Questionnaire. When an institution is alleged to have violated the terms of an availability questionnaire (e.g., failing to report an ineligible student-athlete), it may be represented at the meeting of the governing sports committee when the committee determines whether a violation occurred and, if so, whether the institution shall be ineligible to participate in the tournament for one or more years. The institution may submit a written statement or make an in-person presentation, or both. After the governing sports committee has ruled on the matter, its decision shall be final unless the institution appeals the decision to the Championships Committee. The Championships Committee shall hear the appeal at one of its regularly scheduled meetings unless there are compelling reasons to conduct a special meeting for such purpose.

31.2.1.6 Protest Regarding Eligibility of Team. Any team that has been duly certified as eligible for an NCAA championship shall not be withheld from participation because of any protest made or filed during the progress of the competition or during a period 24 hours immediately before the championship. If there is a break in the continuity of the championship (e.g., between rounds of a basketball tournament) when no competition is being conducted, a team may be withheld from further competition in the championship, provided such protest is made or filed at least 24 hours before the next segment of the championship.

31.2.1.7 Certification of Compliance -- Requirements. The institution's director of athletics shall certify that the following conditions have been satisfied. (See Bylaw 20.8.4.13) (*Adopted: 4/13/10, Revised: 4/16/19 effective 8/1/19*)

31.2.1.7.1 NCAA Rules Review. The director of athletics or a designated representative, has reviewed with all athletics department staff members the rules and regulations of the NCAA as they apply to the administration and conduct of intercollegiate athletics. (*Adopted: 4/13/10, Revised: 4/16/19 effective 8/1/19*)

31.2.1.7.2 Coaching Staff Disciplinary Actions. At the time of such certification, and as a result of involvement in a violation of the Association's legislation as determined by the Committee on Infractions or the Management Council, no current member of the institution's coaching staff: (*Adopted: 4/13/10*)

- (a) Shall have been temporarily or permanently suspended from coaching duties by another member institution within the last two years;
- (b) Shall have been prohibited within the last two years, as a result of violations occurring while employed by another member institution, from participating in identified coaching-related activities, unless the prohibition has been equally applied by the certifying institution with respect to the individual's coaching-related activities on behalf of it; or
- (c) Shall have been permitted within the last two years to perform any coaching-related activities for the certifying institution that were prohibited after determination by the Committee on Infractions of an "appropriate disciplinary action" for the individual in accordance with the show-cause provision of Bylaw 19.5.2 of the NCAA enforcement procedures.

31.2.1.7.2.1 Period of Suspension or Prohibition. The period of suspension or prohibition established by the Committee on Infractions or the Management Council must be in effect for the provisions set forth in Bylaw 31.2.1.7.2 to apply. *(Adopted: 4/13/10)*

31.2.1.7.2.2 Due-Process Requirement. The affected coaching staff member must be given through the appropriate institution notice of an opportunity to be heard at both the NCAA hearing resulting in the finding of involvement in the violation and the institutional hearing resulting in suspension or prohibition. *(Adopted: 4/13/10)*

31.2.1.7.3 Certification of Policies, Procedures and Practices. The policies, procedures and practices of the institution, its staff members and representatives of its athletics interests are in compliance at the present time with the Association's legislation insofar as the director of athletics can determine. *(Adopted: 4/13/10)*

31.2.1.7.4 Maintenance of Compliance. It is the intention of the institution to maintain such compliance. *(Adopted: 4/13/10)*

31.2.1.8 Admissions and Graduation-Rate Disclosure. An institution shall not be eligible to enter a team or individual competitors in an NCAA championship unless it has submitted federal graduation rate and enrollment data to the NCAA national office on or before the applicable deadline. *(Adopted: 4/13/10, Revised: 6/27/17)*

31.2.1.9 Academic Success Rate. An institution shall not be eligible to enter a team or individual competitors in an NCAA championship unless it has submitted, by the applicable deadline, student-athlete graduation rate data for the Academic Success Rate (ASR), in a form prescribed by the Management Council. *(Adopted: 1/26/19 effective 8/1/19 August 1, 2019 [First report is due June 1, 2020])*

31.2.1.10 Deadline Waivers. Institutions that fail to meet a deadline for institutional eligibility in NCAA championships may appeal to the Championships Committee for a waiver. If the Championships Committee grants the appeal, then the institution may be restored to eligibility for NCAA championships. The Championships Committee may grant future waivers upon payment of a penalty as established by the Championships Committee. *(Revised: 4/13/10)*

31.2.2 Individual Eligibility. All student-athletes, regardless of division, must meet the eligibility standards established for NCAA championships competition. The general and academic eligibility requirements are set forth in detail in Bylaw 14, in which there is also reference to other legislation regarding eligibility of the individual student-athlete. Other specific requirements for eligibility for NCAA championships (e.g., authority of the Championships Committee, amateur status certification and ineligibility for use of banned drugs) are set forth in Bylaws 18.4.1, 10.3 and 10.4. The Board of Governors may require the student-athletes to certify their eligibility for championship competition. *(Revised: 3/5/97, 2/10/15)*

31.2.2.1 Eligibility Requirements. A member institution shall not enter a student-athlete as an individual or as a member of a team in an NCAA championship unless the student-athlete satisfies the relevant eligibility requirements of Bylaw 14. *(Revised: 8/15/89)*

31.2.2.2 Protest of Eligibility Status. Any student-athlete duly certified by the institution for an NCAA championship shall not be withheld from participation because of any protest made or filed during the championship or during the 24 hours immediately before the championship. If there is a break in the continuity of the championship (e.g., between rounds of a basketball tournament) when no competition is being conducted, the student may be withheld from further competition in the championship, provided the protest is made or filed at least 24 hours before the next segment of the championship.

31.2.2.3 Participation While Ineligible. When a student-athlete competing as an individual or representing the institution in a team championship is declared ineligible after the competition, or a penalty has been prescribed or action taken as set forth in Bylaws 19.5.2 or 19.7 of the NCAA infractions program, the Committee on Infractions may require the following: *(Revised: 1/14/02, 4/15/14)*

- (a) **Individual Competition.** The individual's performance may be stricken from the championship's records, the points the student-athlete has contributed to the team's total may be deleted, the team standings may be adjusted accordingly and any awards involved may be returned to the Association. For those championships in which individual results are recorded by time, points or stroke totals (i.e., cross country, golf, gymnastics, indoor track and field, outdoor track and field, rifle, swimming and diving and skiing), the placement of other competitors may be altered and awards presented accordingly. For those championships in which individual results are recorded by advancement through a bracket or head-to-head competition, the placement of other competitors shall not be altered. *(Revised: 8/15/89, 1/14/02, 4/28/05)*
- (b) **Team Competition.** The record of the team's performance may be deleted, the team's place in the final standings may be vacated and the team's trophy and the ineligible student-athlete's award may be returned to the Association. *(Revised: 1/14/02)*

31.2.2.4 Institutional Penalty for Ineligible Participation. 31.2.3.5 Individual Eligibility -- Team Sanctions. Executive regulations pertaining to team-eligibility sanctions for positive tests resulting from the NCAA drug-testing program shall apply only in the following situation: If a student-athlete is declared ineligible before an NCAA team championship or a postseason football game and the institution knowingly allows them to participate, all team-ineligibility sanctions shall apply (i.e., the team shall be required to forfeit its awards and any revenue distribution it may have earned, and the team's and student-athlete's performances shall be deleted from NCAA records). In the case of postseason football contests, the team's and student-athlete's performances shall be deleted from NCAA records. (Revised: 1/10/90, 9/26/16, 4/20/21)

31.3 Selection of Teams and Individuals for Championships Participation. A list of the active institutions eligible for championships consideration shall be supplied by the NCAA president to the chair of each governing sports committee and to the athletics director of the host institution. This list should be observed carefully to ensure that no entries are accepted from or invitations extended to ineligible institutions. (Revised: 4/13/10)

31.3.1 The Championships Fields. The size of all NCAA championships fields shall be established by the Championships Committee to provide for efficient management of the events, adequate NCAA championship opportunities relative to the nationwide quality of competition and sound economic administration of the financial resources of the Association and its championships. (Revised: 8/13/93, 1/14/97 effective 8/1/97)

31.3.1.1 Principles of Establishing Bracket Sizes. In team sports, overall bracket sizes shall be established based on an approximate access ratio of 1:6.0. In golf and tennis, the team portion of the bracket shall be based on an approximate access ratio in the range of 1:7 to 1:7.5 with the specific access ratio to be recommended by the NCAA Division III Men's and Women's Golf Committees and NCAA Division III Men's and Women's Tennis Committees, respectively, subject to approval by the NCAA Division III Championships Committee. The individual participant access ratio shall be determined according to Championships Committee policy (see Bylaw 31.3.1.1.1 for maximum bracket sizes). The overall team bracket size shall be determined by dividing the total number of active Division III institutions sponsoring the sport by 6.0 or the number specified for golf and tennis, and then adjusted as necessary by the Championships Committee. (Adopted: 1/13/03 effective 8/1/05, Revised: 1/10/05 effective 8/1/06, 1/9/06 effective 8/1/06, 1/13/10, 4/13/10, 7/24/24 effective 8/1/24)

31.3.1.1.1 Maximum Bracket Size. In team sports other than football, there shall be a maximum bracket size of 64. In football, there shall be a maximum bracket size of 40. (Adopted: 1/9/06 effective 8/1/06, Revised: 7/23/24 effective 8/1/24 2024 Division III Football Championship)

31.3.1.2 Bracket Composition Brackets shall consist of automatic qualifiers and at-large participants. The number of at-large participants is determined by subtracting the number of automatic qualifiers from the total bracket size. There shall be a minimum of two at-large berths: (Adopted: 7/23/24 effective 8/1/24)

(a) **Automatic Qualifiers** -- Institutions that earn their conference's automatic-qualification. The conference must satisfy the automatic qualification requirements per Bylaw 31.3.3 and no conference shall receive more than one automatic berth per sport; and (Adopted: 7/23/24 effective 8/1/24)

(b) **At-large Participants** -- Institutions that are not automatic qualifiers. (Adopted: 7/23/24 effective 8/1/24)

31.3.2 In-Region Opponent Competition Requirements. To be eligible for selection to Division III team championships, a minimum percentage [as defined in Bylaw 31.3.2-(a)-(c)] of an institution's scheduled regular-season contests shall be against in-region opponents. End-of-season conference tournaments and postseason competitions are not included in the in-region calculation, except for the sport of golf which shall include conference tournaments. The following are the minimum in-region requirements: (Adopted: 4/15/14 effective 8/1/14, Revised: 4/14/15)

(a) In team sports other than golf and tennis -- 70 percent.

(b) Golf -- 25-percent requirement. For multi-team tournaments, all opponents (as opposed to just the host institution) competing against an institution's team within a particular tournament or contest must be included as part of the 25 percent calculation.

- (c) Tennis -- 50-percent requirement. For multi-team tournaments, only those teams within a tournament or contest in which the team directly competes against shall be included in the 50 percent calculation.

31.3.2.1 Waiver. Institutions that fail to satisfy the in-region opponent requirement may appeal to the Championships Committee for a waiver. The waiver shall be approved on a sport-by-sport basis for a period of one year, and the request shall be received not later than March 1 for fall sports, May 1 for winter sports and July 1 for spring sports. If the Championships Committee grants the appeal, the institution may be considered for selection to Division III team championships. (*Adopted: 4/15/14 effective 8/1/14, Revised: 10/18/23 Immediate, for waivers submitted on or after June 21, 2023.*)

31.3.2.2 Countable In-Region Competition. For selection purposes in team sports, golf and tennis that select at-large championship participants, competition is countable as in region when the institutions (active, provisional or reclassifying Division III) are located in the same established sport region or geographical area (see Bylaw 21.12.1.1), within a 500-mile radius of each other (based on the NCAA Championship Travel Expense System calculation) or are members of the same conference. (*Adopted: 4/15/14 effective 8/1/14, Revised: 12/6/16*)

31.3.2.3 Exception. For sports with a spring NCAA championship, an institution may exempt out-of-region contests conducted during one institutional vacation period (e.g., spring break). (*Adopted: 4/15/14 effective 8/1/14*)

31.3.3 Automatic Qualification. The Championships Committee and the governing sports committees annually shall award automatic qualification to those conferences that meet the requirements set forth herein. (*Revised: 1/14/97 effective 8/1/97, 1/12/99 effective 8/1/99 for championships selection during the 1999-00 academic year and thereafter, 4/13/10, 7/1/25*)

31.3.3.1 Requirements -- Division Championship. To be eligible for automatic qualification in a division championship, a member conference shall meet the following general requirements: (*Revised: 1/7/06, 4/13/10*)

- (a) Conference competition must be conducted in the applicable sport and the conference champion in that sport must be determined not later than 6 p.m. local time of the competition on the date on which participants are selected for the NCAA championship. (*Revised: 8/13/93, 1/13/03*)
- (b) The conference shall have the responsibility of determining which team or individual shall represent the conference in NCAA competition. Any competition to determine such, shall not be considered NCAA championship competition. The method by which a conference determines its conference representative shall be declared at the time of the automatic-qualification declaration and shall be objectively outlined.
- (c) The conference must maintain and actively enforce compliance with eligibility rules at least as stringent as those in Bylaw 14 applicable to its members. The use of an ineligible player by a team in a conference that has been granted automatic qualification may result in the involved team being denied the right to be the automatic entry in the NCAA championship. (*Revised: 1/12/99 effective 8/1/99*)
- (d) Institutions that are members of more than one conference for a particular sport must declare on a three-year basis which conference they will participate in for automatic-qualification purposes and may participate in only that conference's process (e.g., constitute one of the six institutions necessary for the waiting period or to maintain the automatic qualification) to determine the automatic qualifier. To participate in the process to determine the automatic qualifier, the institution shall be eligible per Bylaw 31.2.1. (*Adopted: 12/5/94, Revised: 1/12/99 effective 8/1/99 for championship selection during the 1999-00 academic year and thereafter*)
- (e) All eligible member institutions must agree to participate in the appropriate NCAA championship, unless institutional policy conflicts with the dates of the championship, and the institution advises the appropriate sports committee before the start of the season of its decision not to participate. (*Revised: 1/12/99 effective 8/1/99 for championship selection during the 1999-00 academic year and thereafter*)
- (f) The Championships Committee, upon recommendation of the governing sports committee, may revoke the conference's automatic qualification privilege for that year for failure to satisfy any of the requirements set forth in 31.3.3.1(a)-(e). (*Revised: 7/1/25*)
- (g) Institutions must satisfy institutional eligibility requirements set forth in Bylaw 31.2.1 (including the in-region opponent competition requirement). (*Adopted: 1/16/13 effective 8/1/13, Revised: 4/15/14 effective 8/1/14*)
- (h) Impact of Nullification on Automatic Qualification for Use of an Ineligible Student-Athlete. The Championships Committee may impose a penalty on an institution's team for permitting an ineligible student-athlete to participate in intercollegiate competition. An institution that receives a nullification penalty may be denied the right to participate in the applicable NCAA championship. (*Adopted: 1/17/15 effective 8/1/15*)

31.3.3.1.1 Additional Requirements -- Multisport Conference. A member conference that conducts competition in more than one sport shall also satisfy the following to be eligible for automatic qualification: (Adopted: 4/13/10)

31.3.3.1.3 Grace Period. A period for two consecutive academic years after the date the conference falls below the six required institutions but maintains at least four institutions (they must be core institutions for multisport conferences) in the particular sport. Continued automatic-qualification eligibility shall be as follows: *(Adopted: 1/9/06 effective 8/1/06, Revised: 4/19/06, 5/5/06, 4/13/10, 1/22/22 effective 8/1/22)*

31.3.3.1.4 Core Institution. For purposes of Bylaw 31, a core institution is an active NCAA Division III member institution that is a member of an NCAA Division III conference and participates in that conference in more than one conference-sponsored sport. An institution may be a core institution in only one multisport conference. Participation in a National Collegiate Championship constitutes acquiescence by the member institution that the Association may use the institution's name, mascot and other identifying marks in championship-related activities, including television, promotion, licensing and merchandising programs incident to the championship. Revenues derived from such activities, less expenses, will be remitted to the member institution. *(Revised: 11/3/93)*

31.4 Financial Administration of Championships.

31.4.1 Host Institution's Responsibility. The host institution shall administer the finances of an NCAA championship in accordance with this bylaw and consistent with the institution's championship budget, as submitted to and approved by the governing sports committee and the Championships Committee.

31.4.1.1 Institution's Financial Report. A financial report from each championship site shall be submitted to the NCAA president not later than 60 days after the conclusion of the competition and shall bear certification of the athletics director of the host institution. The report shall be submitted on a form approved and provided by the NCAA president.

31.4.1.1.1 Exclusions. A host institution or sponsoring agency shall not include, in its financial report or in its percentage of net receipts, television rights fees or income from the sale of championships merchandise. Also, income from program advertising or sales shall not be included in the host institution's or sponsoring agency's financial report or percentage of net receipts if the program is produced and sold under contract between the NCAA and an outside agency.

31.4.2 Gross Receipts. Gross receipts shall be all revenues derived from the championship, including:

- (a) Sale of tickets. All tickets shall be accounted for at face value and shall become a part of gross receipts. 31.4.4 Institutional Allowance. The host institution may share in the balance remaining after game expenses are deducted from the gross receipts. Television rights fees and income from championships programs and merchandise produced and sold under contract between the NCAA and an outside agency shall not be included in determining the host institution's allowance.

31.4.4.1 Permissible Allowances. The amount of institutional allowance varies with the sport, the level of championships competition, whether there is a common site for men's and women's championships and whether an institution's facilities are used. The permissible institutional allowances (from balance of gross receipts after deduction of game expenses) are as follows: *(Revised: 5/1/89, 5/1/96)*

31.4.5 Administrative Expenses. After the institution's allowance has been deducted, the athletics director of the host institution shall forward the remaining receipts to the NCAA president, who then deducts administrative expenses and costs incurred by governing sports committees and their representatives in matters of championships administration.

31.4.6 Transportation and Per Diem Expenses. Subject to the availability of funds, the Association may pay transportation and per diem expenses incurred by teams and individual competitors in NCAA championships competition. Transportation expenses and per diem allowances for the official traveling parties of competing institutions in Division III and national collegiate team championships and individual-team championships shall be determined and provided in accordance with policies and procedures established by the Championships Committee. 31.4.8 Distribution of Forfeited Receipts. An institution may be obligated to return its share of the revenue distribution for permitting an ineligible student-athlete to participate in the championship (see Bylaw 31.2.2.4). No such merchandise or material shall be sold or distributed by anyone except as designated by the NCAA. The host institution may sell merchandise that features an institutional mark or logo at NCAA competition only if it has guaranteed a sellout of the NCAA merchandise at the site of the competition and has agreed to provide the NCAA championship 25 percent of gross sales (after sales taxes) of all non-NCAA championship merchandise. The quantity of NCAA merchandise sent to the site shall have the prior approval of the NCAA president and shall not be less than a comparable shipment to a comparable site of the previous year's championship. *(Revised: 12/4/89)*
- (b) The NCAA owns the rights to all concession items other than food or drink sold at such events. Any merchandise or material to be sold at such events must have prior approval of the NCAA president, and any unapproved material shall be barred from the premises. If the championship facility has prior contractual commitments with outside vendors, the NCAA

will endeavor to work with such vendors to advance the policies of the Association in the sale of concession items as herein stated.

- (c) The NCAA may authorize others, including the host institution or the coaches organization for the sport involved in the particular event, to sell and distribute concession items.
- (d) Income payable to the NCAA from the sale of concession items other than food and drink at such events shall be included in the gross receipts of the championship.
- (e) No alcoholic beverages shall be sold or dispensed for public consumption at any event sponsored by or administered by the Association.

31.6.3 Programs. The Association reserves the right to publish and sell any program sold or distributed for an NCAA championship. It may award such rights for any championship to another party or agency, provided it retains the right to review and approve the content of all programs to be sold or distributed and provided it shall receive a guaranteed amount or predetermined percentage of program receipts. All financial arrangements for official programs produced by the host institution or sponsoring agency shall be reflected in the proposed budget, and receipts and expenses shall be entered in the financial report of the championship. If the program is produced and sold under contract between the NCAA and an outside agency, income from program advertising or sales shall not be included in the host institution's or sponsoring agency's financial report or percentage of net receipts.

31.6.4 Championships Properties. The Association owns all rights to each and all of its championships as listed in Bylaw 18.4. Negotiations with respect to the awarding of any such rights shall be conducted by the NCAA president, who shall have authority to determine the specific terms and conditions and to execute contracts for the award of such rights on behalf of the Association. Inquiries concerning all such rights should be directed to the president at the national office. In accordance with the policies stated herein, the NCAA president shall negotiate with any party interested in such rights when they are available.

The NCAA president shall have the authority to appoint ad hoc advisory groups to provide assistance in developing policies to review any initiative and to provide assistance in addressing emerging issues. In addition, negotiations with respect to awarding merchandising, marketing and licensing rights (including corporate partner rights) shall be conducted by the NCAA president, who shall have the authority to determine the specific terms and conditions and to execute and enforce contracts for the award of such rights on behalf of the Association. The NCAA Board of Governors, at its discretion, may request a detailed accounting of any marketing, licensing, promotional and public affairs initiative that resulted in the awarding of a contract on behalf of the Association. Each division's presidential administrative group and Management Council may request a report related to any matter handled by the NCAA president under the authority of this legislation. *(Adopted: 1/8/01, Revised: 2/10/15)*

Unless otherwise approved by the NCAA, these broadcasts shall not exceed three minutes of action footage of the championship unless broadcast rights have been secured from the Association by payment of a rights fee. The NCAA president shall be authorized to interpret and apply these provisions as necessary.

- (b) The individual is determined to have been acting within the scope of the individual's duties to the Association;

Enforcement Policies and Procedures.

32.1 Committee on Infractions -- Special Operating Rules.

32.1.1 Public Disclosure. Except as provided in Bylaws 19 and 32, the Committee on Infractions, the Infractions Appeals Committee and the enforcement staff shall not make public disclosures about a pending case until the case has been announced in accordance with the prescribed procedures. An institution and any individual subject to the NCAA bylaws involved in a case, including any representative or counsel, shall not make public disclosures about the case until a final decision has been announced in accordance with prescribed procedures. *(Revised: 1/11/94, 1/12/04, 1/11/08, 4/11/11, 3/13/15)*

32.1.2 Conflict of Interest. A member of the Committee on Infractions or the Infractions Appeals Committee shall neither appear at the hearing or oral argument, nor participate on the committee, when the member is directly connected with an institution under investigation or has a personal, professional or institutional affiliation that reasonably would result in the appearance of prejudice. It is the responsibility of the committee member or members of the Infractions Appeals Committee to remove themselves if a conflict exists. Objections to the participation of a committee member or an Infractions Appeals Committee member should be raised as soon as recognized but will not be considered unless raised at least one week in advance of the affected hearing or oral argument. *(Revised: 1/16/93, 1/11/94, 1/12/04, 7/26/11, 4/20/21)*

32.1.3 Cooperative Principle. The cooperative principle imposes an affirmative obligation on each institution to assist the enforcement staff in developing full information to determine whether a possible violation of NCAA legislation has occurred and the details thereof. An important element of the cooperative principle requires that all individuals who are subject to NCAA rules protect the integrity of the investigation. A failure to do so may be a violation of the principles of ethical conduct. The enforcement staff will usually share information with the institution during an investigation; however, it is understood that the staff, to protect the integrity of the investigation, may not in all instances be able to share information with the institution. *(Adopted: 1/8/05)*

32.1.4 Definition of Involved Individual. Involved individuals are former or current student-athletes and former or current institutional staff members who have received notice of significant involvement in alleged violations. *(Adopted: 1/12/04, Revised: 4/17/07, 4/15/14)*

32.2.1 Enforcement Staff to Receive Information and Conduct Investigations. It is the responsibility of the enforcement staff to conduct investigations relative to a member institution's failure to comply with NCAA legislation or to meet the conditions and obligations of membership. Information that an institution failed to meet these obligations shall be provided to the enforcement staff and, if received by the Committee on Infractions or NCAA president, will be channeled to the enforcement staff. *(Revised: 1/12/04)*

32.2.1.2 Self-Disclosure by an Institution. Self-disclosure shall be considered in calculating penalties, and, if an institution uncovers a violation before being reported to the NCAA and/or its conference, such disclosure shall be considered as a mitigating factor in calculating the penalty. *(Revised: 10/12/94, 4/15/14)*

32.2.2 Investigative Procedures. The Committee on Infractions shall provide general guidance to the enforcement staff through approved and established investigative and administrative procedures. *(Revised: 6/2/17)*

32.2.2.1 Initial Enforcement Staff Responsibilities. The enforcement staff is responsible for evaluating information reported to the NCAA staff to determine whether the possible violation should be handled by correspondence with the involved institution or its conference, or whether the enforcement staff should conduct its own in-person inquiries.

32.2.2.1.1 Basic Information Gathering. The enforcement staff has a responsibility to gather basic information regarding possible violations and, in doing so, may contact individuals to solicit information. If information indicating a potential NCAA violation believed to be reliable is developed, the procedures provided in Bylaw 32.5 (Notice of Inquiry) are undertaken. *(Revised: 1/12/04)*

32.2.2.1.2 Identification of Major/Secondary Violation. The enforcement staff shall identify information developed by it or self-reported by the member institution as involving alleged major or secondary violations (as defined in Bylaw 19.02.2). 32.3.4 Interviews with Member Institution. The director of athletics or other appropriate official of an institution shall be contacted by the enforcement staff in order to schedule interviews with enrolled student-athletes, other institutional staff members with athletically related responsibilities or oversight or coaching staff members who are involved in possible violations. *(Revised: 1/12/04, 1/19/22)*

32.3.4.1 Presence of Institutional Representative During Interview. When interviewing an enrolled student-athlete or current athletics department staff member, an institutional representative(s) (as designated by the institution) will be permitted to be present during the interview, provided the subject matter to be discussed in the interview relates directly to the individual's institution or could affect the individual's eligibility or employment at the institution. If the investigator wishes to discuss information with a student-athlete or staff member that is related solely to institutions other than the one in which the student-athlete is enrolled or staff member is employed and would not reasonably affect the student's eligibility or the staff member's employment, the institutional representative shall not be present during that portion of the interview. In such a situation (after the institutional representative has departed), any information inadvertently reported by the student-athlete or the staff member that is related to their own institution shall not be used against the student-athlete, staff member or that institution. *(Revised: 1/12/04, 4/20/21, 1/19/22)*

32.3.7.2 Responsibility to Cooperate. At the beginning of an interview arranged or initiated by the enforcement staff, a prospective or enrolled student-athlete or current or former institutional staff member shall be advised that refusing to furnish information or providing false or misleading information to the NCAA, conference or institution may result in an allegation that the individual has violated NCAA ethical conduct legislation (see Bylaw 10.1). *(Adopted: 4/11/06, Revised: 5/12/17)*

32.3.8 Limited Immunity.

32.3.8.1 Athletics Personnel. Such immunity shall not apply to the employee's involvement in violations of NCAA legislation not

reported or to future involvement in violations of NCAA legislation by the employee or to action taken by an institution. *(Revised: 10/12/94, 1/12/04, 4/11/11, 10/17/11, 6/1/16)*

Such immunity shall not apply to the individual's involvement in violations of NCAA legislation not reported or to future involvement in violations of NCAA legislation by the individual or to any action taken by an institution. *(Adopted: 4/11/11, Revised: 10/17/11)*

32.3.9 Interview Record. *(Revised: 8/2/91, 10/12/94)*

32.3.9.1 Recordings. It is preferable that an interview conducted by the enforcement staff be recorded through the use of a mechanical device. If an interviewee objects to being recorded, however, or the enforcement staff believes the use of a recording device would have an inhibiting effect on the interviewee, a summary of the information reported shall be prepared per Bylaw 32.3.9.2. *(Adopted: 1/8/01, Revised: 4/11/06, 7/24/07)*

32.3.9.1.1 Access to Recordings and Transcripts. If the institution is unable or chooses not to record such an interview, the institution may receive a copy of the enforcement staff's recording of the interview and/or a copy of the interview transcript if prepared by the enforcement staff. Institutional recordings of NCAA interviews under any other circumstances must be approved by the Committee on Infractions. *(Adopted: 10/12/94, Revised: 7/24/07)*

32.3.9.1.2.1 Access to Recordings and Transcripts by Conference. 32.3.9.1.4 Statement of Confidentiality. Individuals and institutional representatives shall be required to agree not to release the recording or interview transcripts to a third party. Failure to enter into such an agreement would preclude the individual and institutional representative from receiving or transcribing the interview. *(Revised: 1/12/04, 4/11/06)*

32.3.9.2 Non-Recorded Interviews. When an interview is not recorded or if the recording device malfunctions, the enforcement staff shall prepare a written summary of the information and attempt to obtain a signed affirmation of its accuracy from the interviewee. The interviewee shall be permitted to make additions or corrections to the memorandum before affirming its accuracy. In order to obtain the interviewee's signature, the enforcement staff may provide a copy of the unsigned summary to the interviewee and their counsel. After the summary is signed, the interviewee and their counsel may receive a signed copy. Testimony as to the substance of an unrecorded interview for which a signed affirmation was not

obtained may nevertheless be considered by the Committee on Infractions to the extent the committee determines the testimony to be reliable. *(Adopted: 1/8/01, Revised: 1/12/04, 8/3/06, 7/21/08, 4/20/21)*

32.3.9.2.1 Confidentiality of Non-Recorded Interview Documents. 32.3.11 Failure to Cooperate. In the event that a representative of a member institution refuses to submit relevant information to the committee or the enforcement staff on request, a notice of allegations may be issued alleging a violation of the cooperative principles of the NCAA bylaws and enforcement policies and procedures. Institutional representatives and the involved individual may be requested to appear before the committee at the time the allegation is considered. *(Revised: 1/12/04, 4/15/14)*

32.4.1 Review of Institution or Conference Actions or Penalties In Secondary Cases. If the Committee on Infractions or the enforcement staff, after review of institutional or conference action imposed in secondary cases, concludes that the corrective or punitive measures imposed by the institution or conference are sufficient, the committee or the enforcement staff, may accept the self-imposed measures and take no further action. Failure to fully implement the self-imposed measures may subject the institution to further disciplinary action by the NCAA. *(Revised: 10/12/94, 1/12/04, 4/15/14)*

32.4.1.1 Insufficient Actions. If the institutional or conference actions appear to be insufficient, the enforcement staff shall notify the institution of additional penalties in a secondary case. *(Revised: 10/12/94, 1/12/04)*

32.4.2 Action Taken by Enforcement Staff (Not Institution or Conference). If the enforcement staff, after reviewing the information that has been developed and after consulting with the member institution involved, determines that a secondary violation has occurred, the enforcement staff may conclude that no penalty is warranted or prescribe an appropriate penalty (see Bylaw 19.5.1). Failure to fully implement the self-imposed measures may subject the institution to further disciplinary action by the NCAA. *(Revised: 1/12/04, 4/15/14)*

32.4.3 Appeal of Secondary Violations. A member institution or involved individual may appeal to the Committee on Infractions penalties prescribed by the enforcement staff for a secondary violation by submitting a notice of appeal through the online reporting system for secondary violations within 15 days after receipt of the enforcement staff's decision. An institution that self-reports a violation may appeal a penalty prescribed by the enforcement staff but not the violation. An involved individual subject to a show-cause order must submit a written notice of appeal to the vice president of enforcement or their designee within 15 days after receipt of the enforcement staff's decision. An institution or an involved individual subject to a show-cause order may request the opportunity to appear in person or by video or telephone conference. If no such request is made, or if the request is denied, the committee will review the institution's appeal on the basis of the written record. The committee shall not deny an involved individual's request to appear in person if a show-cause order was prescribed. *(Adopted: 6/3/05, Revised: 4/15/14, 10/21/14, 6/29/20, 4/20/21)*

This notice shall toll the statute of limitations pursuant to Bylaw 32.6.3. The institution shall be informed of its obligation to cooperate pursuant to Bylaw 32.1.3 and of the confidential nature of the inquiry pursuant to Bylaw 32.1.1. 32.5.2 Termination of Investigation. The enforcement staff shall terminate the investigation related to any notice of inquiry in which information is developed that does not appear to be of sufficient substance or reliability to warrant a notice of allegations. *(Revised: 1/12/04, 10/17/11)*

32.6 Notice of Allegations.

32.6.1 Notice to President or Chancellor. When the enforcement staff determines that there is sufficient information to warrant an allegation, it shall issue a cover letter and notice of allegations to the president or chancellor of the institution involved (with copies to the faculty athletics representative and the director of athletics and to the executive officer of the conference of which the institution is a member). *(Revised: 1/12/04, 10/3/05)*

32.6.1.1 Contents of the Notice of Allegations Cover Letter. The cover letter accompanying each notice of allegations shall: *(Adopted: 1/12/04)*

- (a) Inform the president or chancellor of the matter under inquiry and request the cooperation of the institution in obtaining all the pertinent facts and provide specific information on how to investigate the allegation; *(Revised: 10/3/05)*
- (b) Request the president or chancellor respond to the allegations and provide all relevant information that the institution has or may reasonably obtain, including information uncovered related to new violations. The responsibility to provide information continues until the case has been concluded; *(Revised: 10/3/05)*
- (c) Request the president or chancellor and other institutional staff to appear before the committee at a time and place determined by the committee; *(Revised: 10/3/05)*
- (d) Inform the president or chancellor that if the institution fails to appear after having been requested to do so, it may not appeal the committee's findings of fact and/or conclusions of violations, or a prescribed penalty; *(Revised: 10/3/05, 4/15/14)*
- (e) Direct the institution to provide any involved individual the opportunity to submit in writing any information the individual desires that is relevant to the allegation in question; and *(Revised: 5/27/08)*

A copy of the notification shall also be forwarded to the president or chancellor of the current institution of the involved individual. All involved individuals shall submit responses to the Committee on Infractions, and the institution under inquiry shall provide a copy of pertinent portions of its response to each involved individual in the case. Involved individuals who have submitted a response must also share their response with the involved institutions or other involved individuals as necessary. Failure to submit a response may be viewed by the committee as admission that the alleged violations occurred. The enforcement staff shall notify those involved individuals named in the notice of allegations who may be subject to the show-cause requirements as outlined in Bylaw 19.5.2.2. *(Revised: 1/12/04, 10/3/05, 4/11/06, 7/24/07, 4/16/09, 4/15/14)*

32.6.3 Statute of Limitations. Allegations included in a notice of allegations shall be limited to possible violations occurring not earlier than four years before the date the notice of inquiry is provided to the institution or the date the institution notifies (or, if earlier, should have notified) the enforcement staff of its inquiries into the matter. However, the following shall not be subject to the four-year limitation: *(Revised: 10/12/94, 1/12/04, 10/17/11)*

- (b) Allegations in a case in which information is developed to indicate a pattern of willful violations on the part of the institution or individual involved, which began before but continued into the four-year period; and
- (c) Allegations that indicate a blatant disregard for the Association's fundamental recruiting, extra-benefit, academic or ethical-conduct legislation or that involve an effort to conceal the occurrence of the violation. In such cases, the enforcement staff shall have a one-year period after the date information concerning the matter becomes available to the NCAA to investigate and submit to the institution a notice of allegations concerning the matter.

32.6.4 Access to Information through Secure Website. The institution and involved individuals shall have reasonable access to all pertinent factual information as described in Bylaw 32.3.10.2. Any response to the notice of allegations shall be submitted electronically to the Committee on Infractions, the institution, all involved individuals and the enforcement staff, not later than 90 days from the date of the notice of allegations, unless the committee grants an extension. The enforcement staff may establish a deadline for the submission of responses to any reasonable time within the 90-day period, provided the institution and all involved individuals consent to the expedited deadline. Within 60 days after the institution and involved individuals, if any, submit written responses to a notice of allegations in a case involving alleged major violations, the enforcement staff shall consult with institutional representatives and other involved individuals who will attend the hearing in order to clarify the issues to be discussed in the case during the hearing, make suggestions regarding additional investigation or interviews that should be conducted by the institution to supplement its response and identify allegations that the staff intends to withdraw. The enforcement staff shall conduct independent prehearings with the institution and/or any involved individuals, unless mutually agreed by all parties to do otherwise. *(Revised: 1/16/93, 10/12/94, 1/12/04, 11/9/17)*

32.7.1 Summary Disposition Election. In major infractions cases, institutions, involved individuals and the enforcement staff may elect to process the case through the summary disposition procedures specified below. The enforcement staff, involved individuals, if participating, and the institution must agree to use the summary disposition process. The institution, involved individuals or the enforcement staff may require, as a condition of agreement, that the parties jointly submit the proposed findings to the chair of the Committee on Infractions or their designee for a preliminary assessment of the appropriateness of the use of the summary disposition process. *(Adopted: 1/16/93, Revised: 7/24/07, 7/23/12, 4/20/21)*

32.8.2 Determination of Hearing Date. The Committee on Infractions shall set the dates and times for all hearings before the committee. The committee shall notify all relevant parties of the hearing date and site. *(Adopted: 1/12/04)*

32.8.3 Limitations on Presentation of Staff Factual Information. In major cases requiring an institutional hearing before the committee or when processing a case through means of a summary disposition, specific information and factual information developed by the staff related to alleged violations of NCAA legislation shall not be presented to the committee before the institution's appearance, except as provided in these procedures. *(Adopted: 1/12/04, Revised: 6/1/16)*

32.8.4 Obligation to Provide Full Information. At any appearance before the Committee on Infractions, the involved member institution, involved individuals and the enforcement staff, to the extent reasonably possible, have the obligation to ensure that the committee has benefit of full information concerning each allegation, whether such information corroborates or refutes an allegation. *(Adopted: 1/12/04)*

32.8.5 Notification of Hearing Procedures. An institution and involved individuals shall be advised in writing before an appearance before the committee of the general procedures to be followed during the hearing. Such notification shall contain a specific reference to Bylaw 32.8 and shall indicate that, as a general rule, the discussion during the hearing will follow the numbering of the allegations in the notice of allegations. *(Adopted: 1/12/04)*

32.8.6 Appearance of Individuals at Hearings.

32.8.6.1 Request for Specific Individuals. Institutional officials, staff members or enrolled student-athletes who are specifically requested to appear before the committee at a hearing are normally expected to appear in person and may be accompanied by personal legal counsel. The committee also may request that former institutional staff members appear at a hearing. Such individuals also are normally expected to appear in person and may be accompanied by personal legal counsel. In cases that involve a small number of contested issues or cases in which the contested issues are relatively uncomplicated, the institution and/or the involved individual may make a written request to appear before the committee by videoconference or other mode of distance communication as the Committee on Infractions may deem appropriate. The decision regarding the use of videoconferencing (or another mode of communication) rests with the Committee on Infractions. Failure to appear before the committee may result in a violation of this bylaw and a show-cause action by the committee. *(Revised: 10/17/11)*

32.8.6.2 Attendance at Hearings. At the time the institution appears before the committee, its representatives should include the institution's president or chancellor, the head coach of the sport in question, the institution's director of athletics, legal counsel, enrolled student-athletes whose eligibility could be affected by information presented at the hearing and any other representatives whose attendance has been requested by the committee. Additional individuals may be included among the institution's party only if specifically approved to be present by the committee. An individual who appears before the committee may appear with personal legal counsel. *(Revised: 1/12/04, 10/3/05, 4/15/14)*

32.8.6.3 Exclusion of Individuals from Hearings.

32.8.6.3.1 Exclusions Requested by the Institution. At the request of the institution, the committee may exclude an individual from certain portions of the hearing when matters to be discussed are not those in which the individual is at risk. When an individual is excluded from the hearing room for a period of time, it shall be with the understanding that matters discussed in the hearing during that time will not relate to that individual. *(Revised: 1/12/04)*

32.8.6.3.2 Limited Attendance of Student-Athletes. Any student-athlete (and personal legal counsel) included among the institution's representatives may attend the hearing only during the discussion of the allegations in which the student-athlete is involved.

32.8.6.4 Representation of Member Conference. The executive officer or other representative of a conference's executive office may attend a hearing involving a conference member. *(Revised: 4/25/03)*

32.8.6.5 Prohibited Attendee. A member of the Committee on Infractions or the Infractions Appeals Committee who is prohibited under the provisions of Bylaw 32.1.2 from participating in any NCAA proceedings may not attend a Committee on Infractions hearing involving the committee member's institution unless specifically requested by the committee to be present as a witness.

32.8.6.6 Designation of Presentation Coordinators. The chair shall request each institution appearing before the committee to select one person to coordinate institutional responses during the hearing. In addition, one individual from the enforcement staff will be responsible for coordinating the presentation of the enforcement staff.

32.8.7 Hearing Procedures. The exact procedure to be followed in the conduct of the hearing will be determined by the Committee on Infractions.

32.8.7.1 Opening and Closing Statements. At the outset of the hearing, a representative of the institution shall make an opening statement, followed by an opening statement from any involved individual and by a representative of the enforcement staff. The contents of such a statement should not relate to the substance of the specific items contained in the

notice of allegations. Statements concerning the nature or theory of the case are encouraged. An institutional representative and involved individuals also may make a closing statement at the conclusion of the hearing, followed by a closing statement by a representative of the enforcement staff. *(Revised: 1/12/04)*

32.8.7.2 Staff Presentation. During the hearing, the enforcement staff first shall present the information that its investigation developed.

32.8.7.3 Institutional or Involved Individuals Presentation. The member institution and involved individual then will present their explanation of the alleged violations and any other arguments or information deemed appropriate in the committee's consideration of the case. *(Revised: 1/12/04)*

32.8.7.4 Type of Information. Any oral or documentary information may be received, but the committee may exclude information that it determines to be irrelevant, immaterial or unduly repetitious.

32.8.7.4.1 Information from Confidential Sources. In presenting information for consideration by the committee during a hearing, the enforcement staff shall present only information that can be attributed to individuals who are willing to be identified. Information obtained from individuals not wishing to be identified shall not be relied on by the committee in making conclusions of violations. Such confidential sources shall not be identified to either the Committee on Infractions or the institution. *(Revised: 4/15/14, 6/1/16)*

32.8.7.4.2 Information Concerning Mitigating Factors. Institutional, conference and enforcement staff representatives and any involved individuals are encouraged to present all relevant information concerning mitigating or other factors that should be considered in arriving at appropriate penalties. *(Revised: 1/12/04)*

32.8.7.5 Scope of Inquiry. If an institution appears before the committee to discuss its response to the notice of allegations, the hearing shall be directed toward the allegations set forth in the notice of allegations but shall not preclude the committee from concluding that a violation occurred resulting from information developed or discussed during the hearing. *(Revised: 1/12/04, 4/15/14)*

32.8.7.6 Committee Questioning. The committee, at the discretion of any of its members, shall question representatives of the member institution or the enforcement staff, as well as any involved individuals or other persons appearing before it, in order to determine the facts of the case. *(Revised: 5/27/08, 4/15/14)*

32.8.7.7 Recording of Proceedings. The proceedings of hearings shall be recorded by a court reporter (unless otherwise agreed) and shall be recorded by the committee. No additional verbatim recording of these proceedings will be permitted by the Committee on Infractions. The Committee on Infractions shall maintain custody of the recordings and any transcriptions. In the event of an appeal, a transcript of the hearing proceedings shall be reproduced and submitted to the Infractions Appeals Committee and made available for review at the NCAA national office or through the secure website. (Note: Involved individuals will receive only those portions of the hearing transcriptions in which they were in attendance at the hearing.) *(Revised: 1/16/93, 1/12/04, 4/11/06)*

32.8.8 Posthearing Committee Deliberations. After all presentations have been made and the hearing has been concluded, the committee shall excuse all others from the hearing and deliberate in private.

32.8.8.1 Request for New Information. In arriving at its decision, the committee may request additional information from any source, including the institution, the enforcement staff or an involved individual. In the event that new information is requested from the institution, the enforcement staff or an involved individual to assist the committee, all parties will be afforded an opportunity to respond at the time such information is provided to the committee. *(Revised: 7/24/07, 4/15/14)*

32.8.8.2 Request for Interpretation. The Committee on Infractions may request that the NCAA academic and membership affairs staff provide an interpretation of applicable legislation based on facts submitted by the committee. If an interpretation is requested, the institution, involved individuals and the enforcement staff will be notified in writing of the interpretation request and the response. The institution may appeal the interpretation in accordance with Bylaw 9.4.1.2. *(Adopted: 10/4/18)*

32.8.8.3 Basis of Decision. The committee shall base its decision on information presented to it that it determines to be credible, persuasive and of a kind on which reasonably prudent persons rely in the conduct of serious affairs.

32.8.8.4 Calculation of Penalty. If the committee concludes that there has been a violation, it shall prescribe an appropriate penalty (see Bylaw 19.5); or it may recommend to the Management Council suspension or termination of membership in an appropriate case. Failure to fully implement the adopted and/or prescribed penalty may subject the institution, and/or an involved individual under a show-cause order, to further disciplinary action by the Committee on Infractions. *(Revised: 1/12/04, 4/11/11, 4/15/14)*

32.8.8.5 Voting Requirements. The conclusion of a violation or the prescription of a penalty or recommended action shall be by majority vote of the members of the committee present and voting. If fewer than five members are present, any committee action requires a favorable vote of at least three committee members. *(Revised: 10/12/94, 7/21/08)*

32.9 Notification of Committee Action.

32.9.1 Infractions Decision. The Committee on Infractions, without prior public announcement, shall be obligated to submit promptly an infractions decision to the president or chancellor of the institution (with copies to those individuals receiving copies of the notice of allegations) and to all involved individuals, as defined in Bylaw 32.1.4. The following procedures shall apply to the infractions decision: *(Revised: 1/12/04, 10/3/05, 1/11/08, 4/15/14)*

32.9.2.1 Public Comment Before Release. The committee's public announcement related to an infractions case shall be made available to the national wire services and other media outlets. In this regard, the involved institution and/or any involved individual shall be advised of the text of the announcement before its release and shall be requested not to comment publicly concerning the case before the time the NCAA public announcement is released. *(Revised: 1/12/04)*

32.9.2.2 Public Announcement and Comment at Release. The chair or a member of the Committee on Infractions shall make the committee's public announcement related to major infractions when the committee determines that an announcement is warranted in addition to distribution of the infractions decision. *(Adopted: 1/16/93)*

32.9.3 Infractions Decision to Infractions Appeals Committee. The Committee on Infractions shall forward a copy of the infractions decision, with names of individuals deleted, to the Infractions Appeals Committee at the time of the public announcement. *(Adopted: 1/11/08, Revised: 4/15/14)*

32.10 Appeal Procedure.

32.10.1 Notice of Intent to Appeal. A notice of intent to appeal must be presented in writing to the Infractions Appeals Committee not later than 15 calendar days from the date of the public release of the Committee on Infractions' public infractions decision. The notice of intent to appeal shall contain a statement identifying the date of the public release of the committee's infractions decision and a statement indicating whether the appealing party desires to submit its appeal in writing only or requests an in-person appeal oral argument before the Infractions Appeals Committee. *(Revised: 1/16/93, 1/10/95, 4/26/95, 1/12/04, 1/11/08, 7/26/11, 4/15/14)*

32.10.1.1 Appeal by Institution. The institution may appeal the Committee on Infractions' findings of fact, conclusions, penalties, corrective actions, requirements and/or other conditions and obligations of membership prescribed for violations of NCAA legislation. An institution may not request an in-person appeal oral argument before the Infractions Appeals Committee unless the institution has made an in-person appearance before the Committee on Infractions. *(Adopted: 1/11/08, Revised: 7/26/11, 4/15/14)*

32.10.1.2 Appeal by Involved Individual. An involved individual may appeal the Committee on Infractions' findings of fact, conclusions and/or a show-cause order prescribed for violations in which they are named. An involved individual may not request an in-person oral argument before the Infractions Appeals Committee unless the involved individual has made an in-person appearance before the Committee on Infractions. The notice of the appeal must state whether the individual is employed at an NCAA institution (regardless of division). Further, if the individual's employment changes during the course of the appellate process (from the time of the submission of the notice of appeal through the release of the

final Infractions Appeals Committee report), the individual must notify the Infractions Appeals Committee of the change, including the identity of the new employer. *(Adopted: 1/11/08, Revised: 7/26/11, 10/17/11, 4/15/14, 4/20/21)*

32.10.4 Basis for Granting an Appeal.

32.10.4.2 Conclusions. Conclusions of violations made by the Committee on Infractions shall not be set aside on appeal, except on a showing by the appealing party that: *(Adopted: 1/11/08, Revised: 4/15/14)*

- (a) A conclusion is clearly contrary to the information presented to the committee; *(Revised: 4/15/14, 6/1/16)*
- (b) The facts found by the Committee on Infractions do not constitute a violation of the Association's legislation; or
- (c) There was a procedural error and but for the error, the Committee on Infractions would not have made the conclusion of a violation. *(Revised: 4/15/14)*

32.10.5 New Information. In making a determination pursuant to Bylaw 32.10.4, the Infractions Appeals Committee shall consider only the information contained in the record(s) of proceedings before the Committee on Infractions and the record on appeal. If an institution or individual seeks to introduce information during the appeals process that was not presented to the Committee on Infractions for its consideration, the Infractions Appeals Committee shall: *(Adopted: 1/6/96, Revised: 1/11/08)*

- (a) Determine whether the information is "new information" per Bylaw 19.02.3. If the Infractions Appeals Committee determines that the information meets the definition of "new information" per Bylaw 19.02.3, the Infractions Appeals Committee, after input from a Committee on Infractions' designee, shall determine whether the "new information" could have materially affected any decision made by the Committee on Infractions, and if so, the case shall be referred back to the Committee on Infractions for its review. If the information does not meet the definition of "new information" per Bylaw 19.02.3 or if the "new information" would not have materially affected a decision made by the Committee on Infractions, the information shall not be included in the record on appeal and shall not be considered by the Infractions Appeals Committee; and *(Adopted: 1/11/08, Revised: 6/1/16)*
- (b) Provide written notice to all parties regarding all decisions made pursuant to Bylaw 32.10.5-(a). *(Adopted: 1/11/08)*

- (b) The enforcement staff may elect to be represented in person by a maximum of three persons and may participate during the appeal oral argument. The Infractions Appeals Committee shall consider the statements and information presented and, at the discretion of any of its members, may question representatives of the institution, the Committee on Infractions or enforcement staff, as well as any other persons appearing before it, in order to determine the issues related to the appeal. Further, under the direction of the Infractions Appeals Committee, questions and information may be exchanged between and among those individuals present and participating in the appeal oral argument. (*Revised: 1/16/93, 1/10/95, 1/12/04, 1/11/08, 7/26/11, 4/15/14, 6/1/16*)
