# MISSOURI VALLEY FOOTBALL CONFERENCE

The winds of change that have swept through the Division I college football landscape have not left the Missouri Valley Football Conference unscathed. In the past six seasons, the league has lost a member, gained three members and changed its name.

Despite those developments, a quality nationally competitive product has been a constant for the league. Notably, for the second time in the past 10 seasons the league produced a national champ, as North Dakota State stormed through the 2011 playoffs en route to the FCS crown in January.

Indeed, the league, which celebrated its Silver Anniversary in 2009, appears to be as strong as ever. It certainly is as its greatest number as 10 teams will vie for the Missouri Valley Football crown for the first time in 2012. Newest member South Dakota – the MVFC's 12th overall member – has joined the conference after previously competing in the Great West Conference.

The Missouri Valley Football Conference enters its 28th year of existence this fall and has proven to be one of the nation's premier NCAA Football Championship Subdivision (FCS) leagues.

There's not much that has eluded the conference in its first 27 seasons of competition. The league's first two-plus decades have included national championships, national players of the year, national coaches of the year, No. 1 national rankings, and countless All-Americans.

Strong coaching and great players have helped make the league a national force, but the stability and leadership of Commissioner Patty Viverito – the only commissioner the league has ever known – has helped make the Missouri Valley Football Conference a standard bearer on the FCS scene. Indeed, all signs point to continued national prominence for the Missouri Valley Football Conference as it enters its 28th season in 2012.

In June 2008, presidents of the nine-member Gateway Football Conference and the 10-member Missouri Valley Conference approved a rebranding initiative that changed the football conference name from the Gateway Football Conference to the Missouri Valley Football Conference. It represented the second name change for the football league. Initially, the con-

ference competed as the Gateway Collegiate Athletic Conference (1985-91) and the Gateway Football Conference (1992-2007).

Although the league shares the Missouri Valley name, the football-playing members compete under a separate administrative umbrella, as the Missouri Valley Conference and Valley Football remain separate entities.

Last year, two league teams (co-MVFC champions North Dakota State and UNI) represented the conference in the FCS playoffs, marking the 17th-straight season in which at least two teams have participated in post-season play. NDSU outscored its opponents 102-27 in winning four games, including a 17-6 score against previously unbeaten and No. 1 ranked Sam Houston State in the national championship game. UNI also recorded a win in the playoffs, downing Wofford before falling at Montana.

In 2011, the league wasn't short of individual national accomplishments as RB Shakir Bell of Indiana State (2nd), LB L.J. Fort of UNI (2nd), QB Austin Sumner of South Dakota State (3rd) and coach Craig Bohl of North Dakota State (4th) were all finalists in the Walter Payton, Buck Buchanan, Jerry Rice and Eddie Robinson Award voting, respectively. Additionally, RB David Johnson of UNI finished fourth in the Jerry Rice Award (Freshman of the Year) balloting.

The Missouri Valley Football Conference has three recent national championships (North Dakota State - 2011; Western Kentucky - 2002; Youngstown State - 1997), and league members Youngstown State (3) and Southern Illinois (1) own additional titles prior to their league membership, meaning seven FCS championship trophies are housed on league campuses, in addition to three (Youngstown State twice and UNI in 2005) runner-up finishes. Only five FCS leagues possess more than a single FCS championship trophy, and the Missouri Valley Football Conference is among that elite.

In recent years, the league has established itself as a leader among FCS conferences. During the past 15 years, the league has three national championships, and eight other semi-final trips.

# WATSON & TRESSEL TRAINING SITE (WATTS)

The Watson and Tressel Training Site (WATTS) is an on-campus facility that offers Youngstown State athletics one of the best indoor complexes in the Football Championship Subdivision and the Horizon League.

The concept for the complex was announced in the summer of 2007 when the Tressel and Watson Families presented the University with a \$1 million donation.

Through hard work by many, the facility opened for use in the fall of 2011.

The lobby and track surface is named for the Cafaro Family while the turf was made possible by a generous gift from the DeBartolo Family.

This indoor facility is vital to the future success of the YSU athletic department. The WATTS will provide the most critical ingredient to meet the challenges presented by the opportunity of playing nationally-recognized competition.

Located to the east of Stambaugh Stadium and the YSU Tennis Courts, the WATTS

The WATTS features a six-lane 300-meter Mondo track surface and a full-length football field.

features a full-length Shaw Sportex PowerBlade HP+ synthetic turf system football field, a 300-meter state-of-the-art mondo track surface, two long-jump pits, a high-jump pit, four batting cages, protective netting, a training room and locker rooms.

The seasonal facility will accommodate athletic team practices, intramural sports, campus-wide activities and special events benefiting students, faculty, staff and the community throughout the year.

Soccer, men's and women's

track and field, baseball, softball and football have the ability to practice in a safer, more comfortable environment. The facility also provides a significantly prolonged practice season to meet the challenge of the elevated level of competition YSU seeks to embrace.

In addition, the WATTS will serve as a community resource - providing a large, climate-protected venue for local youth organizations and high schools.

Utilization would benefit other campus constituencies as well. ROTC, intramurals and other student activities could now be engaged year round. Similarly, YSU can host numerous scholastic and community events that would equally benefit from the facility.

This \$14-million project was seen as a public/private partnership in that the construction costs would be sought through private philanthropy.

## 'ICE CASTLE' HAS BEEN SUCCESSFUL HOME FACILITY SINCE 1982

A total of 15 playoff games have been played in Stambaugh with YSU owning a 14-1 mark, including two wins in 2006.

The home of the Youngstown State football team has been a memorable place through its first 30 seasons.

Now in its 30th official year of sitting high above the Youngstown State campus, the Penguins look to make even more memories in 2012.

Affectionately referred to as the "Ice Castle", Arnold D. Stambaugh Stadium played host to its first game on Sept. 4, 1982 against Akron.

The tallest building in the city, the stadium rises high above the Mahoning Valley and offers tremendous views in all directions.

Entering the 2012 campaign, the Penguins have won 74.6 percent of their games at Stambaugh posting an impressive 138-46-1 record in 30 seasons.

Only four times in 30 seasons have the Penguins failed to finish above .500 at Stambaugh Stadium. In the playoffs, YSU is 14-1, having won 14 straight since losing their first-ever home playoff tilt in November 1990.

Perhaps that is why Arnold D. Stambaugh Stadium has garnered the nickname the "Ice Castle."

Since 1996, the Guins have posted a stellar mark of 73-26. Since 1989, YSU is an impressive 118-29-1, including undefeated seasons in 1993, 1994 and 2005.

One of the finest FCS football facilities in the country with a seating capacity of 20,630, Stambaugh has been the home for the Penguins since the early 1980's.

Many tweaks and upgrades have taken place through the years to ensure a home-field advantage and keep it a cutting-edge facility.

Built in 1982 (17,000 capacity) with seating only on the west side, Stambaugh entered a new era in 1997 when it underwent a \$5.5 million addition.

Prior to the 1997 campaign, the number of loges (luxury suites) was expanded from 12 to 26. The Watson Media Center, one of the best press facilities in FCS, was added onto the second level of the complex. The De-Bartolo Stadium Club, which overlooks the city of Youngstown, is located on the main loge area and is used for meetings, press conferences and luncheons. Also, seating for more than 3,000 was added on the east side to bring the capacity to 20,630, the highest in the MVFC.

In 2000, a sound system was added to the east and west sides. Three times the playing surface has been replaced, most recently in 2011.

SCG installed a Shaw Sportex PowerBlade HP+ synthetic turf system,

which combines the appearance of natural grass with the engineered performance of modern synthetic turf, in 2011. It is specially designed to enhance player speed and performance while providing for maximum player safety.

Previous turf replacements occurred in 2002 when SprinTurf was installed and in 1991 when AstroTurf replaced the original playing surface.

In 2004, a new scoreboard featuring a Mitsubishi DiamondVision videoboard was installed. The DiamondVision screen consists of 126,464 LEDs to provide an incredibly-clear picture for animations and in-game replays. The board, which was manufactured in Nagasaki, Japan, is 17-feet wide by 12.5-feet high.

In 2005, wireless internet was added to the Watson Media Center. The Media Center houses the press area, radio and television booths, public address and PenguinVision.

In 2006, a new concourse elevator became the latest enhancement.

From the summer of 2008 through February 2009, the football office suites were renovated, the loge complex was repainted and all hallways were tiled. New carpet was installed in the DeBartolo Stadium Club. Tile was also installed in the classrooms and numerous painting make-overs occurred.

In 2009, the chairback seats were replaced at a cost of \$250,000. After the season, a new football lounge was created. It features eight couches, three flat-screen TVs and plenty of space for the team to relax.

Following the 2010 campaign, the locker room underwent further updates. A new entrance hallway was created while a ceiling was added to the main locker room area. Highlighting the ceiling is a hanging "Y" as well as a "Protect this House" slogan of Under Armour.

YSU's athletic administrative offices, ticket office, football offices, strength-training facility, softball, soccer, football and baseball locker rooms, training room and Academic Center are located in the complex.

## HEAD COACH ERIC WOLFORD

In just two seasons with the Youngstown State football program, Head Coach Eric Wolford has moved the Penguins back into postseason contention and is showing the nation that the program is on the cusp of returning to national prominence.

In 2011, the Penguins, who have won four FCS National Championships, defeated a top-ranked team in the regular season for the first time in school history. The Penguins knocked off No. 1 North Dakota State 27-24 on Nov. 12 in the Fargodome. The Bison won the FCS championship with its lone loss coming to the Penguins.

YSU set more than 30 team and game individual and season school records during the campaign. On offense, the Penguins were one of the FCS's top units ranking in the top 15 in 13 categories, including the top 10 in 11.

The offensive unit set school records for total yards per game (458.6), points per game (36.2) and touchdown passes (27). In the 11-game regular season, YSU was the lone FCS program to rush and pass for more than 2,500 yards. The Penguins scored 53 offensive touchdowns and racked up a total of 398 points.

Youngstown State went 6-5 this past year with its four FCS losses coming by a combined 17 points. The Guins were in postseason contention until the final seconds of their final game despite starting just four seniors on both sides of the football. In the opener, YSU trailed Big Ten Legends

Division Champion Michigan State by just eight points at halftime and by 15 late in the game.

Owning a 9-13 record through two years is deceiving. Of the 13 losses, YSU has had the lead in 11 of those, including fourth-quarter advantages in seven. The 11 MVFC losses have come by a combined total of 54 points (average of five points) and only three times has YSU lost by seven-or-more points.

In his first year as the Penguins' head coach, everyone saw the energy and enthusiasm that Wolford has for his hometown squad.

A non-stop worker, Wolford has turned the mindset of the program into playing a hard-nosed, exciting brand of football that YSU fans can be proud of.

In 2010, the Penguins had a then record-setting campaign on offense that saw most marks get topped the next year. YSU averaged 412 yards per contest while averaging 31.3 points per game. During the year, the Guins gained at least 500 yards three times - a first in the program's history. YSU also tied the school record for points in a game and set a school mark for first downs.

During the course of the season, the Penguins had the lead at some point in every game. On Sept. 25, YSU defeated nationally-ranked Southern Illinois. It was the first win over the Salukis since 2006. At Penn State, in Wolford's debut, YSU led 7-3 midway through the second quarter. The touchdown was the first the program had scored in six previous games versus BCS members.

Against nationally-ranked teams, the Guins led Western Illinois, UNI and North Dakota State in the fourth quarter. In a nail-biting season, YSU played six games decided by six points or fewer and five of the Missouri Valley Football Conference losses came by a total of 19 points.

Wolford became just the sixth head coach in the program's history when he was tabbed to the position on Dec. 15, 2009.

A graduate of Ursuline High School who played his home games on Stambaugh Stadium's turf, he built an impressive resume serving as a collegiate assistant for 16 years prior to taking over at YSU. Of those, 12 were spent on the FBS level.

He has a tremendous background working with some of the most reputable names in college football.

As an assistant, he has coached for Steve Spurrier, Ron Zook, Mike Stoops, Darrell Dickey, Dana Dimel, Jim Leavitt and Bill Snyder.

He spent the 2009 season as the running-game coordinator and offensive line coach at South Carolina. The Gamecocks posted a 7-5 mark that year and made an appearance in the PapaJohns.com Bowl against UConn.

USC had four running backs rush for more than 100 yards in a game in 2009 after having just one eclipse the mark in the previous campaign. Of his offensive line, four players made their first career start. Overall, 10 different players started at least one contest up front, while three started at multiple positions.

After joining the staff in January 2009, Wolford helped the Gamecocks land the 13th-ranked recruiting class in the nation.

The 41-year-old Wolford spent two seasons at Illinois (2007-08) with Zook before heading to South Carolina. In his two seasons with the Illini, his lines led the Big Ten Conference in rushing (2007) and passing (2008) yards per game. During his two years, Illinois ranked in the top 20 nationally in recruiting.

Averaging 269.3 yards in the air, the Illini ranked first in the Big Ten in the category and 19th nationally in 2008. The team finished the season second in the conference in total offense with 438.8 yards per contest, which also ranked 19th in the NCAA. Illinois' total yards topped 5,000 for just the fourth time in school history and for the second consecutive year. Three members of the line earned postseason recognition, including Big

Ten second-teamer Xavier Fulton, for their performances.

In 2007, Illinois finished with a 9-4 overall mark and represented the Big Ten in the Rose Bowl following a 6-2 league mark.

His veteran unit led the offense to 3,338 rushing yards, the most in school history, and paved the way for running back Rashard Mendenhall's record-setting season. The Big Ten Offensive Player of the Year, Mendenhall broke school records for rushing yards, rushing touchdowns and total scores in a season.

The offensive line allowed just 16 sacks, a school record and the second-fewest in the Big Ten. Left guard Martin O'Donnell headlined his group, earning Associated Press first-team All-America honors.

Wolford spent three seasons as the offensive line coach at Arizona (2004-06) before heading to Illinois. The Wildcats led the Pac-10 in fewest sacks allowed in his first two seasons. He tutored two All-Pacific-10 performers on the offensive line, including Eben Britton, who also was named a Sporting News All-American in 2006. In addition to his strong coaching skills, Wolford was an integral part of Arizona's back-to-back top-20 recruiting classes in 2005 and 2006.

He spent a very successful year at North Texas in 2003. The Mean Green won nine games as his offensive line paved the way for Sun Belt Conference Offensive Player of the Year Patrick Cobbs. Cobbs, who rushed for nearly 1,700 yards, led the NCAA FBS with 152 yards per contest. UNT

had two offensive linemen named first-team all-conference.

Wolford enjoyed three-year stints at both Houston and South Florida. While at Houston with Dimel, Wolford coached a number of positions spanning offense, defense and special teams. In 2002, Houston enjoyed a dramatic turnaround, going from a winless season to five victories. During his time in Houston, Wolford coached five all-conference players.

Wolford had the unique experience of coaching in the first three seasons of the South Florida football program, helping to lead the Bulls to two winning seasons as an FCS independent alongside Leavitt.

He began his coaching career at Kansas State where he served as a graduate assistant and worked with the offensive line for Snyder. From there, he spent a year as the offensive line and strength coach at Emporia State.

Wolford was a four-year starter as an offensive guard for the Wildcats, and his teams laid the groundwork for the program's emergence on the national stage. A member of Snyder's first KSU recruiting class, he went on to start a total of 34 games in his career, including 21 at right guard and 13 at left guard.

His senior year, the Wildcats won the school's first bowl game, beating Wyoming in the Copper Bowl.

He earned a bachelor's degree in 1994 in social sciences with a focus on monetary policy and banking. After college, Wolford signed a free

agent contract with the Arizona Cardinals before returning to Manhattan to embark on his coaching career.

A 1989 graduate of Ursuline High School, Wolford earned All-Northeastern Ohio honors in 1988, in addition to being named the defensive player of the year in the Steel Valley Conference for Coach Dick Angle. He played both offensive and defensive line, helping the Irish to the SVC championship as a senior. In the summer of 2009, he was enshrined into the Ursuline High School Athletics Hall of Fame.

Wolford and his wife, Melinda, have a son, Stone, and a daughter, Marlee. He and his wife created the No Stone Unturned Foundation, to help fight CFC Syndrome (Cardiofaciocutaneous Syndrome), a rare genetic condition affecting around 300 children worldwide, including their son, Stone.

# ASSISTANT COACH TOM SIMS

***Tom Sims***  
***Assistant Head Coach***  
***Defensive Line***  
***Third Year***  
***Pittsburgh, 1990***

Tom Sims, who has coached at Bowl Championship Series schools for nine seasons prior to coming to Youngstown State, is in his third season as the Assistant Head Coach and defensive line coach for the Penguins.

In his two years with the program,

Sims has coached two all-conference players in Torrance Nicholson (2010) and Andrew Johnson (2011).

In 2011, Sims coached Johnson to second-team all-conference honors following an impressive campaign. Johnson finished with 6.5 sacks, the most by a Penguin in the regular season since 1997. Overall, the much-improved unit registered 19 of the Guins' 23 total sacks on the campaign.

YSU had sacks in 10 of 11 contests in 2011, including four against South Dakota State and Southern Illinois. Late in games, the defensive line rose to the occasion time and time again. At No. 1 North Dakota State, the unit helped preserve the 27-24 victory with two sacks, a pressure and a game-ending fumble recovery in the final nine plays of the contest.

In 2010, Sims mixed two seniors with a group of newcomers that featured Johnson and first-time player Obinna Ekweremuba. Against Western Illinois, Nicholson, also a second-team pick, had 3.5 tackles for the losses, the most by a Penguin since December 2006.

A former NFL defensive lineman, Sims is a 14-year coaching veteran who spent the 2009 season with the Kansas Jayhawks.

The defensive unit at Kansas posted 31 sacks in 12 contests ranking 26th nationally with 2.58 collars per game in his lone season. The Jayhawks opened the season with five consecutive wins. Defensive end Max Onyegbule scored two touchdowns to go along with six sacks on the campaign. Fellow end Jake Laptad led the squad with 6.5 sacks. The duo combined for 23 tackles for losses while each finished with nine quarterback hurries.

Sims coached eight years in the Big Ten, spending the 2001-04 campaigns at Minnesota and the 2005-08 seasons at Illinois. In 2007 and 2008, both he and current YSU Head Coach Eric Wolford were assistants for the Fighting Illini.

In his last year at Illinois in 2008, the defense registered 32 sacks, leading the conference in sacks per game (2.7 a contest). A year earlier, the program recorded a school record 40 sacks in 2007, including 28.5 by defensive linemen.

He coached four All-Big Ten honorees, and his tenure was highlighted by an appearance in the 2008 Rose Bowl. The Illini posted a 9-4 overall record, including a win at top-ranked Ohio State.

The 2006 Fighting Illini had 23 sacks, a nine-sack improvement from Sims' first year with the program.

Sims had four strong campaigns at Minnesota in his first Big Ten stop.

The Gophers won 29 games in his four seasons, including a 10-win campaign in 2003. The program appeared in two Music City Bowls and a Sun Bowl during his tenure. In 2003 and 2004, the UM defense held the opposition to fewer than 130 yards rushing per game. The Gophers registered 31 sacks in 2002, 26 in 2003 and 24 in 2004.

His first stint at an FBS school was one year at Eastern Michigan in 2000 under Jeff Woodruff.

He began his coaching career working with the defensive linemen at Western Kentucky from 1997-99. The Hilltoppers reached the FCS playoffs in 1997 and won at least six games in each of his three seasons coaching for Jack Harbaugh.

Sims played seven seasons as a defensive tackle in the National Football League, including four with Kansas City (1990-92, 1996) and two with Indianapolis (1993-94). He was in camp with Minnesota (1995). Sims played 47 games in the NFL, finishing with 60 career tackles and four sacks. He had a career-best 30 stops while playing for Indianapolis in 1993.

He spent his first two seasons of college playing at Western Michigan before transferring to Pitt. For the Panthers, he recorded 142 tackles and 12.5 sacks in two campaigns from 1988-89.

A Detroit, Mich., native, Sims earned a degree in business from Pittsburgh in 1990.

He and his wife Rene have two daughters, Sydney and Zoe. Sydney is a student at Youngstown State.

## ASSISTANT COACH JOE TRESEY

**JOE TRESEY**  
**Defensive Coordinator**  
**Safeties**  
**First Year**  
**Ohio State, 1982**

Warren native Joe Tresey returns to the Mahoning Valley as the Penguins' Defensive Coordinator and secondary coach. Tresey assumed his duties in March under third-year Head Coach Eric Wolford.

Tresey will bring an aggressive style and fiery personality to the

sideline for the Penguins. During his career he has spent time at the high school, NCAA Division III, FCS and FBS levels.

He has spent four of the past five years as a defensive coordinator for BCS programs - UCLA (2011), South Florida (2009) and Cincinnati (2007-08). He has experience at the FCS level, coaching at Georgia Southern (2004-05) and VMI (1999-01). He also coached in the Mid-American Conference at Central Michigan (2006) and Akron (2002-03). In 2010 he served as the defensive backs coach for the Omaha Nighthawks of the United Football League. He coached at Otterbein (Division III).

In 2011, UCLA appeared in the first-ever Pac-12 Championship Game and advanced to the Kraft Fight Hunger Bowl in San Francisco. He also coached the safeties for the Bruins.

In his lone season with South Florida, the Bulls ranked 24th nationally in total defense (321.8 yards) and 19th in scoring defense (19.8 points allowed) while compiling a record of 8-5. USF defeated Northern Illinois in the International Bowl. The Bulls defeated Florida State for the first time in the program's history during his tenure as coordinator and secondary coach.

Tresey spent two seasons as defensive coordinator and safeties coach at Cincinnati under current Notre Dame head coach Brian Kelly. In 2007, he authored a Bearcats defense that led the nation in turnovers gained (42) and interceptions (26). A pair of Bearcat defenders earned All-America honors and two others were selected in the 2008 NFL Draft. UC finished 13th nationally in scoring defense (18.8), was 19th in rushing defense (114.2) and put five of 11 defensive starters on the All-Big East team. UC went 10-3 and capped the season with a victory in the PapaJohns.com Bowl.

In 2008, Cincinnati ranked 31st nationally in total defense (321.9 yards), 19th in rushing defense (115.0) and 25th in scoring defense (20.1 points). The Bearcats were 11-3, won the Big East Conference and played Virginia Tech in the FedEx Orange Bowl. It was the first time in UC history the program won 11 games in a single season.

Tresey joined Kelly's staff at Central Michigan in 2006 as coordinator and safeties coach and quickly implemented a style that forced 29 turnovers and 31 sacks in 14 games. His defense registered four players who earned all-league accolades. The Chippewas went 10-4, won the MAC Championship and defeated Middle Tennessee State in the Motor City Bowl.

For two seasons prior to joining the CMU staff, Tresey was defensive coordinator and linebackers coach at Georgia Southern. The Eagles'

defense ranked fourth nationally in total defense in 2004. While in Statesboro, Tresey helped lead the Eagles to back-to-back FCS Playoff appearances. The Eagles were 9-3 in 2004 and 8-4 in 2005 during his reign as coordinator.

His first FBS defensive-coordinator position was at Akron for two campaigns. It came after serving three years as defensive secondary coach at Virginia Military Institute.

Tresey began his college coaching career as the defensive coordinator, linebackers and secondary coach at Otterbein in 1995. He spent four years with the program.

Tresey moved to the collegiate ranks after serving as a decorated high school mentor. Tresey served four seasons as head coach at Middletown High School (1991-95), two at New Philadelphia (1990-91), three at Fredericktown (1987-89) and two at Mechanicsburg (1985-86).

After leading Fredericktown to Ohio's Division IV state semifinals in 1989, Tresey was voted the UPI Ohio Division IV Coach of the Year. He was inducted into the Fredericktown High School Athletics Hall of Fame in 1999.

Tresey is a 1982 graduate of The Ohio State University with a Bachelor's degree in Education. He earned his Master's of Education in Sports Science from Ashland University in 1997.

# ASSISTANT COACH SHANE MONTGOMERY

## **SHANE MONTGOMERY** *Offensive Coordinator* *Quarterbacks* *Third Year* *North Carolina St., 1990*

Shane Montgomery, a former Division I Football Bowl Subdivision head coach, is in his third season as Youngstown State's offensive coordinator and quarterbacks coach.

In his two years with the program, the Penguins have seen numerous record-setting numbers under his guidance.

In 2011, the Guins had one of the best offensive units in school history under his play-calling imagination.

The offensive unit set school records for total yards per game (458.6), points per game (36.2) and touchdown passes (27). In the 11-game regular season, YSU was the lone FCS program to rush and pass for more than 2,500 yards. The Penguins scored 53 offensive touchdowns and racked up a total of 398 points.

Youngstown State ranked third in passing efficiency nationally (FCS), was fourth in first downs per game, fifth in total offense per game, sixth in red-zone offense and seventh in per game scoring and time of possession. Additionally, the Penguins ranked fourth in fewest fumbles lost, fifth in turnovers lost, seventh in tackles for loss allowed, 10th in rushing offense (231.1 yards per game), 10th in fourth-down conversion percentage, 11th in sacks allowed and 14th in third-down conversion percentage.

Sophomore Kurt Hess became the first Penguin quarterback to be named All-MVFC since YSU joined the league in 1997. Hess is just the second sophomore in the 30-year history of the conference to be a first-team all-league pick at quarterback. Hess set the school record for single-season touchdown passes (26), completion percentage (64.5), 200-yard games (8), touchdown passes in consecutive games (11) and touchdown passes in a game (5 vs. Missouri State). Hess joins Mark Brungard (1994 and 1995) and Trenton Lykes (1986 and 1987) as the only quarterbacks in school history to pass for more than 2,000 yards in consecutive seasons.

For the first time since 1979 (and only the second in school history) the Penguins had a quarterback throw for at least four touchdowns in a game (Hess did it three times) and have a player score four times in a game (Jamaine Cook vs. Saint Francis). Cook was a first-team All-MVFC selection, finishing with eight 100-yard rushing performances and posting at least 90 yards in 10 contests on the year.

In 2010, YSU set a then school record with 412 total offensive yards per game, and the 31.3 points per game ranked fifth. The Penguins showed good balance with 215 yards coming on the ground and 197 via the air.

YSU had three offensive performances of more than 500 yards, the first time that has occurred in school history. The Penguins also set the school record for first downs in a game (33 at Illinois State) and tied the mark for points scored (63 vs. Central Connecticut State). The Guins scored at least 24 points in nine contests and had at least one touchdown in every game for the first time since 2001.

Hess, a redshirt freshman in 2010, became the first player in school history to pass for more than 200 yards in three consecutive games as he did it five straight weeks during the season. Hess set school freshman records for yards, attempts and completions. His 2,117 yards were the eighth most by a quarterback in school history. For his efforts he was selected as the MVFC Freshman of the Year.

Montgomery has coached at the Division I level his entire 20-plus year career. Before coming to YSU he spent nine seasons in the Mid-American Conference. Montgomery's tenure at Miami was highlighted by an appearance in the MAC Championship game in 2007 and a share of the East Division title in 2005. Overall, he was 17-31 as the head coach from 2004-08. He took over the program prior to the 2004 Independence Bowl.

While at Miami from 2001-08, he coached the two most prolific quarterbacks

in school history in Ben Roethlisberger (2001-03) and Josh Betts (2004-05). The two signal callers combined for 17,845 yards, 1,395 completions and 138 touchdowns.

Montgomery served as the RedHawks' offensive coordinator and quarterbacks coach from 2001-04. While serving in that capacity, he was a two-time finalist for the Frank Broyles Award, which annually goes to the nation's top assistant coach.

During his time mentoring Roethlisberger, an All-American and now two-time Super Bowl champion quarterback, Miami's passing offense was ranked no lower than 27th, while the RedHawks ranked second in the NCAA in total offense in 2003 (501.14 yards per game).

In his first year as the offensive coordinator, the MU passing offense went from 37th in the 2000 to 27th in 2001 then up to 19th in 2002 and finishing fourth in 2003.

The RedHawks posted a 7-4 mark and a share of a third-straight MAC East Division title in his first full season as Miami head coach. That squad won five of its last six games, placed 11 on the All-MAC first and second teams and saw seven sign NFL contracts.

In 2006, Miami won two games, but wide receiver Ryne Robinson became a fourth-round selection of the Carolina Panthers. Robinson, a two-time All-MAC pick, finished his career as the program's all-time leader in receptions and receiving yards. Also one of the most explosive punt returners in the nation, Robinson finished as the MAC's career leader in punt return yardage and punt return touchdowns and was tabbed as the 2004 MAC Special Teams Player of the Year.

In 2007, Miami used a 17-14 win over BCS member Syracuse to start a run, winning four of five MAC games en route to a 5-2 league scoresheet and 4-2 record in the East Division. Two of those four wins were over Bowling Green and Buffalo, each of whom were also 4-2, giving Miami the tiebreaker and the right to play in the MAC Championship game. That season the RedHawks led the MAC in scoring defense and placing second in total defense. Clayton Mullins was named the MAC Defensive Player of the Year.

In 2008, MU had four first-team all-conference selections, boasting the top punter and placekicker in the league.

Montgomery was there for the start of Roethlisberger's career and, three years later, the MAC Player of the Year put together a career that now has him 18th in the NCAA with his career of average of 291.4 yards of total offense per game and 27th in the NCAA with 11,075 career passing yards.

Roethlisberger finished his three-year career as Miami's all-time leader in passing yards, completions (854) and passing touchdowns (84).

Betts stepped in to keep the offense rolling for the RedHawks upon Big Ben's departure. In just two seasons, Betts ranked among the nation's top 20 in passing twice and finished as Miami's second all-time leading passer with 7,029 yards. He also threw 54 career touchdowns and completed 58.2 percent (541-of-929) of his passes all-time. He signed as a free agent with the Indianapolis Colts.

Montgomery has a strong familiarity with the Football Championship Subdivision after coaching as an assistant at Chattanooga from 1993-2000.

He began as quarterbacks coach and saw his role expand to wide receivers coach, co-offensive coordinator and recruiting coordinator. During his time as offensive coordinator with the Mocs, he oversaw the development of NFL All-Pro receiver Terrell Owens.

In Montgomery's final two years at UTC, the Mocs ranked fourth nationally in passing (326.5 avg.) and 19th in total offense (452.91 avg.) in 1999, while ranking second in passing (339.09 avg.) and eighth in total offense (453.55 avg.) in 2000.

Montgomery was a standout quarterback at North Carolina State from 1986-89.

He was a three-year starter at quarterback and led the Wolfpack to two straight bowl berths, earning Offensive MVP at the 1988 Peach Bowl and the 1989 Copper Bowl.

Montgomery was a second team All-Atlantic Coast Conference selection as a senior and finished his career completing 421-of-746 passes for 5,298 yards and 31 touchdowns. He still owns the N.C. State record for most passing yards in a game, 535, set versus Duke in 1989.

He served as a graduate assistant for Coach Dick Sheridan in 1991 and 1992.

A native of Newark, Ohio, he led Newark Catholic to the Ohio Division V State Championship in 1984 under coach J.D. Graham. In 2001, he was inducted into his high school's Hall of Fame.

Shane and his wife, Sandy, have two sons, Tanner and Trent.

# ASSISTANT COACH LOUIE MATSAKIS

## **LOUIE MATSAKIS** *Special Teams Coordinator* *Running Backs* *Third Year* *Emporia State, 2000*

Louie Matsakis, a former collegiate placekicker and punter, is YSU's special teams and recruiting coordinator and running backs coach. The kickers and tailbacks continue to thrive under his leadership.

In 2011, junior tailback Jamaine Cook was a first-team All-Missouri

Valley Football Conference selection. It was the first time since 2006 that the Penguins had a back selected to the first team. Cook, a finalist for the Walter Payton Award, tied a school record with six straight 100-yard rushing games and finished the season with 1,386 yards and 13 touchdowns on 271 carries.

YSU's five tailbacks combined for 2,330 yards on 420 carries and scored 23 touchdowns. Combined in the past two years under Matsakis, the Guins' backfield has produced 50 touchdowns. The Penguins had rushed for 25 total in the two years prior to his arrival.

In 2011, the offense as a group set school records for total yards per game (458.6) and points per game (36.2). In the 11-game regular season, YSU was the lone FCS program to rush and pass for more than 2,500 yards. Youngstown State ranked fifth nationally in total offense per game and seventh in per game scoring. Additionally, the Penguins ranked 10th in rushing offense (231.1 yards per game).

Junior placekicker David Brown attempted 56 PAT kicks, the second most in school history, while his 53 conversions tied for the second most. At one point he connected on 35 straight kicks. Sophomore punter Nick Liste remained steady averaging 39.8 yards per kick, with 16 being placed inside the opposition's 20 and eight kicks of 50 yards or more.

He coached an all-league selection at both positions as well as tailback in his first year with Youngstown State in 2010.

Cook and senior placekicker Stephen Blose were second-team All-MVFC selections while Liste was an honorable-mention pick.

Cook rushed for 1,276 yards and scored 11 touchdowns in 2010. He had six 100-yard efforts, highlighted by a 213-yard performance at Illinois State.

Clarke comes to YSU after spending three years at the University of Rochester in New York. He played two years with the Yellowjackets and spent a third as an undergraduate coach after medical issues ended his playing career. For the program, he worked as an equipment manager, served as a videographer, and assisted the offensive coaching staff.

While at Mooney, Clarke was a member of the 2005 State Championship squad as a junior and was a senior on the runner-up team in 2006. He also participated in track and field and bowling for the Cardinals. He earned nine letters while in high school.

He is majoring in Secondary Education at YSU. George has two sisters and is the son of Madeline and David Clarke.

## ATHLETIC DIRECTOR RON STROLLO

Now in his 12th year as Executive Director of Intercollegiate Athletics and 17th as a member of the athletic department, former Penguin student-athlete Ron Strollo has worked diligently to ensure that today's student-athletes have the support system in place to succeed not only at Youngstown State, but also in their future.

His vision for successful broad-based programs and providing student-athletes tools to succeed on and off the playing fields continues to come to fruition.

Strollo has concentrated his priorities on facility improvements; full compliance of NCAA regulations; fiscal management and budgetary maintenance; streamlining department organization; increasing visibility and fund-raising efforts; and enhancing the overall experience and competitiveness of student-athletes and programs.

Strollo is also very involved on the regional and national level serving on several prominent committees. He is in his fourth and final year on the NCAA Division I Football Championship Selection Committee, he is on the NCAA Division I Football Issues Committee, he serves as the Central Region Chair of the NCAA Regional Advisory Committee while he is also serving as the president of the FCS Athletic Directors Association. He previously served a two-year term as the Chair of the Horizon League Executive Committee and spent four years on the NCAA Championship and Competition Cabinet.

During his tenure, Strollo has placed a priority on the construction and enhancements of athletic venues. The Watson and Tressel Training Site (WATTS), a \$14-million indoor athletic facility, was completed in the summer of 2011. The WATTS includes a state-of-the-art 300-meter indoor track, a full-length football practice field, baseball and softball batting cages, netting and a chipping and putting green for golf, and locker rooms and office space and a training room.

In a continued effort to enhance gateways to campus and facilities for all University departments, Strollo spearheaded property acquisition to construct a new on-campus facilities for the softball, soccer and track and field programs. Construction on those venues is expected to begin in 2012.

During the summer of 2011, Beede Field at Stambaugh Stadium underwent a new turf installation. Other improvements to Stambaugh Stadium last year included: renovations to assistant football coaches offices, new softball and soccer locker rooms, north-stadium scoreboard enhancements with new signage, lighting, and advanced safety precautions for videographers.

Within the auxiliary gyms in Stambaugh, 18 new glass blackboards were mounted, and the courts were refinished. Three full-length courts were created during the process, providing the basketball and volleyball programs with additional practice and workout space.

Within the past four years in Stambaugh Stadium, office space in the athletic marketing and ticket offices and football suite received an enhancement, the football locker room, weight room and athletic training offices were renovated, and upgrades were made to the baseball locker room. Other recent upgrades include chair-back seats (2009), a south-stadium scoreboard (2009), a concourse-level elevator (2005), and a scoreboard and a Mitsubishi DiamondVision videoboard (2004).

The Beeghly Center has undergone more than \$4 million in renovations. In the past four years, Youngstown State has acquired the 2009 Men's Final Four basketball hoops, installed new strobe lighting, refurbished the volleyball, swimming and diving, and men's and women's basketball locker rooms and renovated the men's and women's basketball office suite. In 2008, a new Dom Rosselli Court was installed and a strength and conditioning room was built for the men's and women's basketball, volleyball and swimming and diving programs.

Thanks to the benevolence of the Andrews Trust and the priority Strollo places on academics, the academic counseling center underwent a significant renovation and expansion and continues to receive technology upgrades.

In the past 10 years, the department, which has been recognized as a national leader for graduation rates, has had many successes.

Under his leadership, YSU earned full NCAA certification in 2007. This review of governance and commitment to rules, academic integrity, and equity and student-athlete well-being showed YSU athletics operates in substantial conformity with the operating principles adopted by the NCAA Division I membership.

As of late, Youngstown State student-athletes posted a record-setting semester in the classroom. In the spring semester of the 2010-11 academic year, the Penguins set all-time program highs for combined cumulative grade-point average and number of athletes with a cumulative GPA above 3.0 while a record 59 percent had a semester GPA above 3.00. In the fall of 2008, a record 45 student-athletes had a perfect GPA for the semester.

In four of the five semesters since January 2010, YSU student-athletes have maintained a 3.00-GPA or better.

YSU has won 14 Horizon League titles while winning consecutive Gateway Football Conference (now the Missouri Valley Football Conference) championships in 2005 and 2006. Most recently, YSU added the 2012 Horizon League Women's Outdoor Track and Field to its trophy haul.

Strollo returned to his alma mater in 1996 as athletic business manager. In March 2000, he was named an Associate Executive Director of Athletics.

He has strong ties to the local community and to the athletic department. He grew up in nearby Austintown and attended Fitch High School. He played football for YSU from 1988 through 1991 for Coach Jim Tressel and was named captain of the first National Championship team in 1991. He earned his bachelor's degree in accounting from Youngstown State in June, 1993. He worked for three years at Hill Barth & King in Youngstown where he became a CPA.

Ron and his wife, Nicole, reside in Austintown with their two children, Ryan and Rachel. Nicole, a former YSU student-athlete who competed in track and cross country from 1989 through 1993, is an assistant cross country/track and field coach for the Penguins. A nurse practitioner, she is an adjunct faculty member in the YSU school of nursing.

# 2012 SEASON OUTLOOK

The Youngstown State football team has spent the past two seasons under Head Coach Eric Wolford being competitive in every football game they have played in. Now, in 2012, the Penguins have adopted a "No Excuses" motto that they hope will take them from being competitive to putting the nation on notice that they are back in the national title hunt.

In Coach Wolford's second season in 2011, YSU won six games, lost four conference games by a total of 17 points and trailed Big Ten Legends Division Champion Michigan State by just eight points late in the third quarter.

In November, the Penguins accomplished something that no team was able to during the season: beat National Champion North Dakota State. YSU knocked off the top-ranked Bison with a gritty effort in a 27-24 come-from-behind win. NDSU went on to win the FCS championship, and the Penguins' victory stood as the lone blemish on its record.

In the six wins, YSU dominated its opponents. The Penguins outscored their opponents 278-121 in victories. In its four Missouri Valley Football Conference defeats, Youngstown State lost by four (twice), two and seven points – a total of 17. YSU had fourth-quarter leads in three of those games and lost 37-35 at Indiana State after falling behind 21-0.

This fall, the Penguins spent time in camp improving a defense that ranked 49th in the FCS last season in total defense and 53rd in scoring defense. At times, that unit has dominated a vaunted and talented offense, which was fifth in the country in total offense and sixth in scoring. Now after pushing one another, YSU embarks on a journey that will hopefully lead to the program's 12th FCS playoff appearance since 1987.

The offense returns all 11 starters from a year ago. Of a possible 121 starts (11 games, 11 spots) for the entire unit, 17 were from players who are not going to see action this year, and 10 were by wide receiver Jelani Berassa, who YSU lost to a knee injury in fall camp for the second time in three years. During the regular season, the Penguins were the only FCS squad to amass more than 2,500 rushing yards and 2,500 yards passing. YSU set school records averaging 36.2 points per game and 458.6 yards of total offense a contest. The balance of the unit was impressive averaging 231.1 on the ground and 227.5 through the air per game.

Quarterback Kurt Hess was a first-team All-Missouri Valley Football Conference selection last year. Hess became just the second sophomore in the league's 30-year history to be selected while he was the first YSU quarterback since entering the MVFC to be named to the first team. He completed 186-of-387 passes for a school-record for 2,460 yards and school-record 26 touchdown passes with just eight interceptions. Backing up Hess are sophomore Patrick Angle, redshirt freshman Dante Nania and true freshmen Jeff Clegg and Nick Wargo.

The tailback spot continues to be a strong point for the program. First-team All-MVFC selection Jamaine Cook returns and is looking for his third straight 1,000-yard campaign. Cook rushed for 1,276 yards in 2010 and had a career-high 1,386 yards in 2011. The coaching staff plans to lighten his load (512 carries the past two years) with a bevy of talented tailbacks.

Torrian Pace had 25 carries for 150 yards in 2011, Adaris Bellamy rushed for 345 yards on 60 attempts last year while Demond Hymes redshirted. YSU has added newcomers Lawrence Hughes and John Medina for the upcoming campaign.

At tight end, Will Shaw has emerged as an NFL prospect. A match-up nightmare on the FCS level, the former safety-turned-linebacker-now tight end, caught eight passes for 200 yards and had three touchdowns in 2011. Of his eight receptions, seven came in the final three games. Carson Sharbaugh had five catches while Nate Adams caught

one pass last year.

The offensive line featured the same starting five in every game last year, and this season all of those players return - LT Andrew Radakovich, LG Lamar Mady, C Mark Pratt, RG Chris Elkins and RT D.J. Main. That unit helped pave the way for Hess and Cook to have standout individual years while the offense set school marks in points and total offense as well as passing touchdowns. The Penguins yielded just nine sacks for the year, ranking 11th in the FCS in fewest sacks allowed per contest.

The line was bolstered with the off-season addition of left-tackle Kyle Bryant, a Bowling Green transfer. A strong second-unit of guards Dana Harris and Fred Herdman, tackle Andrew Sinko and center Stephen Page give the group significant depth. YSU has added freshmen Brock Eisenhuth, Dylan Colucci and Mason Giacomelli while J.P. May returns.

At wide receiver, sophomore Christian Bryan will anchor the group. Bryan led the Penguins last year with 46 receptions for 722 yards and six touchdowns. His 46 grabs were a school mark for a freshman. Berassa, who had 37 receptions and eight touchdowns in 2011, was lost for the season in August with a knee injury, so plenty of opportunities are available to fill the vacancy.

Kevin Watts caught 28 passes last year while Kintrell Disher had eight and Andre Stubbs finished with four. Andrew Williams, who did not catch a pass but did play some special teams last year, has stepped up in fall camp and will take Berassa's spot in the starting lineup. Newcomers Michael Wheary and Marcel Caver have made strong catches in practice and should factor in the mix. Brandon Thomas also returns for his second campaign.

One unit with something to prove in 2012 is the defense. Only twice in 2011 did the unit allow 20 points or fewer and the offense scored 77 and 56 points in those games. If anything, 24 seemed to be a magic number. When the defense held an opponent to under 24 points, the Penguins were 5-1 with the lone loss coming at UNI. When YSU allowed 25-or-more points, it was 1-4.

New coordinator Jim Tresey has brought a fast-paced style to the

program that the players have followed since he first arrived in the spring. This fall, the unit took major steps forward and sometimes had the upperhand on the offense.

Four seniors headline the defensive line with Josh Fenderson, Aronde Stanton, Nick DeKraker and Luis Quinones all leading the way. The four transferred in from junior colleges last year and have one year with the program under their belts.

Stanton jumped right in last year and started all 11 games at defensive tackle. He finished the year with 32 total tackles, including two sacks. He was the only member of the squad with an interception and a fumble recovery. Fenderson (six) and Quinones (four) battled injuries and between the two, played in a total of 10 games and combined for four tackles. DeKraker played in all 11 games and started three times at defensive end, but has been moved inside this year. He was credited with 17 total tackles, including a sack.

The position will rely on a group of hard-working redshirt freshmen as second-teamers. Eric Myers, Steve Zaborsky, Emmanuel Kromah and Trevor Strickland all practiced but did not play while redshirting last year. Newcomer Terrell Williams has seen some time at end for the unit this fall.

Another senior, Chuck Lengyel, is a pass-rush specialist who primarily played special teams last year and could be called on in key situations. D.J. Moss, Anthony Szymczak and Matt Bell will all add some size to the unit.

The linebackers are led by Teven and Travis Williams. Teven Williams led the team with 67 total tackles and 38 solo stops as a true freshman in 2011. After not starting the first three games, Williams was in the starting lineup for the final eight contests of the season. Travis Williams started all 11 games after transferring from Miami (Fla.). He was second on the team with 58 total tackles.

This fall, Dubem Nwadiogbu and Dom Rich have produced and could be in the starting lineup on opening night. Rich played in the first three games of the season a year ago before being sidelined with an injury.

Nwadiogbu, whose nickname is Bam, had nine tackles as a reserve linebacker and member of special teams. Ali Cheaib is in the mix as well. He played in eight games last season and recorded 27 total stops, including 16 solos. True freshman Terry Johnson has played with the top unit and the second group as a middle linebacker. Freshmen Donte Harvey and Kevon Caffey round out the unit.

The secondary has two new coaches and a lot of new faces this year. Tresey coaches the safeties while Glenn Davis has joined the program as the cornerbacks coach. The safeties have some familiar faces, but the corners feature plenty of new additions.

At safety, Jeremy Edwards and Josh Garner combined to start 16 games last year. Edwards was third on the team in tackles with 54 while ranking second with 34 solo stops. Garner had 47 tackles, including an impressive 32 solos.

Donald D'Alesio, who played corner his first two seasons and was lost to an injury in week three last year, has shown some solid signs of stepping into one of the safety spots. He had six tackles before suffering a season-ending injury against Illinois State. Otherwise, junior college transfers Chris Charles and Twin Fernandes along with freshmen Jameel Smith and Khilque Harris are new to the program. Senior Deionte Williams returns after missing the 2011 season with a hand injury.

At corner, D'Alesio and Jamarius Boatwright are the only two on the roster with YSU starts at the position. Now, D'Alesio is playing safety while Boatwright's three starts came in 2010. He missed all of last year after suffering a knee injury in spring drills in 2011.

Newcomers Dale Peterman and Julius Childs have stepped into starting roles at both cornerback spots. Peterman did not play college football last fall while Childs is a junior college transfer. Boatwright, who did play in 11 games in 2010, is healthy and will see playing time while USF transfer Ricardo Dixon, who is recovering from a knee injury of his own, joined the program this fall.

Tresey's defense features plenty of nickelback, and Parnell Taylor has seen the bulk of the workload in fall camp. Taylor played running back last year and was on special teams before he made the move to defense in the fall. Other members of the secondary will be called on to fill that role.

The special teams should be solid with punter Nick Liste and place-kicker David Brown returning.

Liste's average wasn't as impressive as his 2010 totals (41.4-39.8), but he placed 16 kicks inside the 20 while booming eight of 50 yards or more. Those final two totals were career highs. Plus, he did not have a punt blocked during the campaign in 53 attempts compared two having two blocked in 43 attempts in 2010. Liste handled kickoff duties for the first time in 2011 and will do so again this year.

Brown was near automatic on PAT kicks, making 53-of-56 tries. On field goals, he nailed his final three of the season, including two in the victory at North Dakota State. His 30-yard field goal in the third quarter proved to be the difference in the contest.

Long snapper Nathan Gibbs is back for his second year at the position after a solid freshman campaign. Backup quarterback Dante Nania will serve as the holder, replacing four-year holder Marc Kanetsky at the position.

In the return game, Stubbs started the year strong averaging 27 yards on eight kickoff returns, but was sidelined with a season-ending injury against Illinois State. Watts had a team-best 23 returns for 480 yards, but Stubbs and Hymes enter the season as the No. 1 kickoff tandem. On punts, Stubbs and Bryan could both see time in the return game.

For 2012, the captains are Hess and Cook – the second straight year they have been named – and Stanton and Rich.

The Penguins overcame two 11-point deficits and rode a staunch fourth-quarter defensive effort to knock off top-ranked North Dakota State 27-24 at the Fargodome.

YSU trailed 14-3 and 21-10 but each time answered NDSU touchdowns to get back within four points.

The Bison fumbled deep in YSU territory on the first play of the third quarter to turn momentum in the game. The Guins marched 86 yards in eight plays as Kurt Hess connected with Jamaine Cook to put the Penguins in front 24-21.

NDSU tied the contest on a 27-yard field goal from Ryan Jastram with 8:52 left in the third. YSU followed with a go-ahead 30-yard field goal by David Brown with 2:49 left in the quarter in what were the final points of the game.

In the fourth quarter, the defense stepped up putting heat on NDSU QB Brock Jensen. Second-down sacks on two of the final three possessions proved to be too much for the Bison to overcome.

The Penguins led 27-10 at halftime and 34-24 with seven minutes left, but could not hang on dropping a 38-34 decision to Missouri State in the home finale that most likely cost them a playoff berth.

Kurt Hess set a school record with five touchdown passes, including four in the first half. His final touchdown toss, a five-yard strike to Kevin Watts with 9:28 left put the Penguins ahead 34-24. Hess threw for a career-best 306 yards in the game.

However, Trevor Wooden rallied the Bears for the come-from-behind win. MSU pulled within 34-31 on a one-yard run by Chris Douglas with 6:28 left.

The YSU offense picked up two first downs and ran 4:24 off the clock, but could not convert on third-and-five from the MSU 42 with just over two minutes remaining.

Wooden moved the Bears 64 yards in nine plays and capped the comeback with a two-yard fade to Cadarius Dotson in the back corner of the end zone with 10 seconds left to propel MSU to the win.

YSU is one of just two schools to house four FCS Championship trophies on campus.

The Youngstown State football program has one of the most storied playoff pasts in the history of the Football Championship Subdivision, formerly known as Division I-AA.

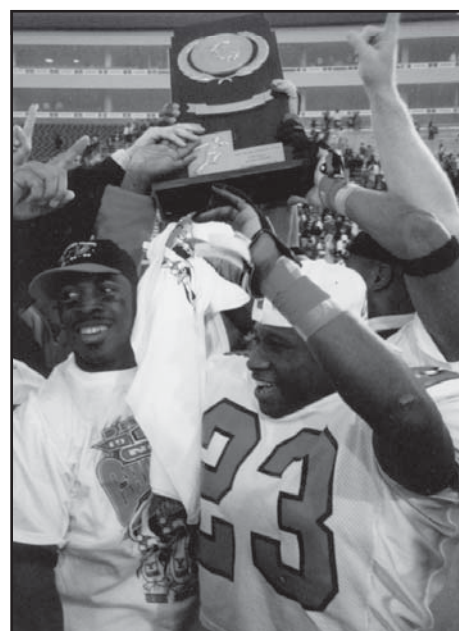

The Penguins have been a mainstay in postseason appearing 11 times since the 1987 campaign. While ranking in the top 15 in FCS appearances, YSU is third in victories (25), second in championships (four), third in title-game appearances (six) and third in winning percentage (.782).

On six of those occasions, Youngstown State has reached the Championship game. In 1991, 1993, 1994 and 1997, the Penguins reached the pinnacle by winning the National Championship. For their efforts, the program was tabbed Division I-AA's Team of the '90s.

Youngstown State has played 32 contests in the FCS postseason winning an impressive 25.

Before moving to the FCS level, YSU appeared in Division II Championship contest in 1979 and playoffs in 1974 and 1978.

Each year, from August through December, the program is known for winning and is mentioned as one of the greatest of all time.

# 1991 NATIONAL CHAMPIONS

The Penguins won their final eight games, including three decided by two points or less, on the way to winning the school's first I-AA title.

Although the season had many miraculous moments, the biggest turning point of the year - and perhaps the program's history - came at Georgia Southern on Nov. 2.

Both the Penguins and Eagles entered the game with 4-3 records with YSU losers of two straight. The loser was out of playoff contention while the winners' postseason hopes continued.

YSU jumped out to a 12-3 halftime lead on GSU. Ray Isaac scored on a 33-yard touchdown run to put the Penguins in front 19-3. Then in the fourth, YSU had to hang on.

Georgia Southern, winners of 53 of its last 55 home games and the two-time defending champion, pulled within 19-17 with 5:40 left but failed to tie the game, missing the two-point conversion. YSU's offense kept the ball the final 5:40 of the game, converting two fourth-down plays to earn the victory.

YSU ended the regular season with wins over James Madison, Slippery Rock and Towson State to make the playoffs.

In the first round against Villanova, YSU trailed 16-7 before Leo Hawkins scored on a one-yard touchdown run in the third to cut the deficit to 16-14. In the final two minutes, Youngstown State faced a 4th-and-11 play when Ray Isaacs' pass was deflected and then caught by Herb Williams for 41 yards. Jeff Wilkins kicked a 33-yard field goal with six seconds left to send the Penguins into the quarterfinals at top-seeded Nevada-Reno.

At Nevada, YSU jumped out to a 17-3 lead and led 30-20 in the fourth quarter to set up an amazing finish. With just over seven minutes remaining, the Wolfpack scored to cut the deficit to four. After YSU mishandled a punt for a safety, Nevada stormed down the field to set up a 27-yard field goal attempt by Rick Schwendinger, but with one second left, his kick sailed wide left.

In the semifinals, YSU's defense was the star scoring on a fumble return, intercepting six passes and holding Samford to minus-4 yards rushing in a 10-0 win. Chris Vecchione returned a fumble six yards for a touchdown in the first, and Wilkins kicked a 28-yard field goal in the third for the games' only points. Tamron Smith had 46 carries for 246 yards in the victory.

YSU returned to the site of its biggest victory of the season playing Marshall in Statesboro, Ga. Again, the Penguins pulled out a thrilling come-from-behind win, 25-17, scoring 19 fourth-quarter points.

Marshall led 17-6 entering the fourth, but an Isaac to Williams 33-yard touchdown pass and a three-yard touchdown run by Ryan Wood gave YSU an 18-17 lead. Smith added a five-yard touchdown rush to give the Penguins a 25-17 lead. A desperation pass by Marshall was knocked down in the end zone on the final play.

Youngstown State battled back from a 17-6 deficit with 19 fourth-quarter points and held off a late charge to beat Marshall 25-17 and claim its first-ever national title on Dec. 21, 1991, in Statesboro, Ga.

The first half featured a defensive struggle with YSU scoring the lone points on a 23-yard Jeff Wilkins field goal.

Heading into the fourth quarter, the Penguins trailed 17-6 after Marshall scored all of its points in the third.

Wide receiver Herb Williams caught a 33-yard pass from Ray Isaac, and Ryan Wood scored on a three-yard touchdown run to put YSU ahead 18-17 after two failed two-point conversions.

Tailback Tamron Smith increased the lead to 25-17 with a five-yard run with 5:42 remaining.

Marshall made one last charge moving the ball to the YSU 19-yard line in the final minute. But three incompletions by Patton and a sack by Demario Ridgeway preserved the win for the Penguins.

# 1993 NATIONAL CHAMPIONS

YSU won 12 of its final 13 games and capped off the season by beating Marshall 17-5 in the championship game on its home field.

Youngstown State's reward for beating Central Florida, Georgia Southern and Idaho at home in the playoffs was to play at a hostile environment for the National Championship against Marshall in Huntington, W. Va., for the second straight year.

But the one thing the Penguins had on their side was the revenge factor. In 1992, YSU played at Marshall and came up just short losing 31-28. Marshall scored the first 28 points of that game before the Penguins rallied for the next 28. But a field goal late in the fourth quarter dashed YSU's 1992 title hopes, setting the stage for a memorable 1993 championship game.

This time, the Penguins would come out on top beating the Thundering Herd 17-5 on its home field.

YSU jumped out quickly scoring 17 first-quarter points. Darnell Clark ran 50 yards for a touchdown on the third play of the game while Tamron Smith scored on a five-yard run just over two minutes later. Later, Jeff Wilkins kicked a 19-yard field goal, and from there, it was the defense that was impressive.

Marshall moved into YSU territory only once in the first half before getting on the board on a 27-yard field goal late in the third. In the fourth, the Thundering Herd threatened, driving deep into YSU territory. Marshall had a first down at the three but was stopped on three straight plays. On fourth-and-goal from the one, the defense stuffed Chris Parker to take over with 5:14 left.

YSU took a safety later in the drive, and, with 1:40 left, Vance Mayes' interception sealed the Penguins second national title.

Youngstown State rolled through the first three rounds of the playoffs winning by an average margin of 22 points. YSU beat Central Florida 56-30 in the first round, Georgia Southern 34-14 in the quarterfinals and Idaho 35-16 in the semifinals.

Against Central Florida, YSU scored 35 first-half points en route to the win. Against Georgia Southern, the Penguins jumped out with a flurry again to lead 27-0.

In the semifinals against Idaho, Youngstown State trailed 16-14 at halftime in a snow storm. But in the third quarter, Smith scored on an eight-yard touchdown run, and Mark Brungard tossed a 39-yard touchdown pass to Don Zwisler to extend the lead to 12. Clark added a 15-yard scoring run in the fourth for the final outcome.

In the regular season, the Penguins opened with a win at Western Michigan before losing at Stephen F. Austin. After that, YSU picked up wins over Morgan State, Eastern Kentucky, Delaware State, Liberty, Samford, Buffalo and Indiana State. The Penguins' seven-game win streak was snapped when they lost 13-10 at Illinois State, but they rebounded to close out the regular season with a shut out of Akron, 19-0.

# 1994 NATIONAL CHAMPIONS

After a tie in the season opener, the Penguins won 14 straight games while claiming the school's second straight I-AA crown.

Coach Jim Tressel's 1994 team was arguably his best. The Penguins opened the year with a tie and then rolled to 14 straight victories while wrapping up the school's second straight national championship, beating Boise State 28-14 in the title game.

After tying Stephen F. Austin in the opener, YSU went on to set a school record for victories in a year and set the mark for the school's best winning streak in finishing the entire campaign without a loss.

In 1994, YSU averaged 27.9 points and held their opponents to 10.1 points per contest. The Penguins won eight games by more than 20 points and scored more than 27 points nine times. Eight times, YSU's opponents failed to score double figures.

The year culminated with a 28-14 win over Boise State in the National Championship Game in Huntington, W. Va. By beating the Broncos, YSU became just the second school in Division I-AA history to repeat as National Champions.

Against Boise State, YSU trailed 7-0 before scoring the next 28 points. The Broncos added a score late, but the day, much like the season, belonged to YSU. The Penguins outgained the Broncos 422 to 225 and won the time of possession battle by eight minutes.

In the second quarter of the title game, Mark Brungard scored on a two-yard run and scored on a 38-yard scamper just before the half. In the third, Brungard capped a 91-yard scoring drive with a five-yard touchdown toss to Don Zwislser. In the fourth, Shawn Patton scored on a 55-yard run with seven minutes remaining.

The game was a microcosm of YSU's season – slow start followed by a tremendous finish.

The year began with a final-play field goal to tie Stephen F. Austin, and next came 14 straight victories. YSU won nine home games and in four away contests allowed just 18 points.

In the regular season, YSU won six straight home contests over Eastern Kentucky, Slippery Rock, McNeese State, North Alabama, Kent State and Akron. The Penguins concluded the regular season with road victories over Buffalo, UMass and Indiana State.

In the playoffs, YSU opened with a 63-20 win over Steve McNair's Alcorn State team in an ESPN nationally-televised game. McNair fhad 514 yards passing while attempting 82 passes.

YSU's dream season hung in the balance in the quarterfinals against Eastern Kentucky. YSU led 11-0 in the fourth before EKU rallied for 15 points. Brungard led the troops back when he threw an eight-yard touchdown pass to Darnell Bracy with 1:02 left.

Against Montana in the semifinals, YSU built a 21-0 third-quarter lead on the way to a 28-9 win. The victory over the Grizzlies sent the Guins to the title game for the fourth straight year.

# 1997 NATIONAL CHAMPIONS

A road-weary YSU squad waited until the final quarter of the season before a late touchdown pushed it past McNeese State for the title.

The Penguins travelled the long road on the way to winning their fourth national championship in seven years. In the playoffs, YSU had to win two of three games on the road to get to the title game, and those contests took the Guins across the country.

That journey ended in Chattanooga, Tenn., in the National Championship Game against McNeese State. In a tight contest, the Penguins trailed 9-3 entering the fourth quarter before the Cowboys committed a costly mistake.

With 12:02 remaining, Jeff Fackrell intercepted a Blake Prejean pass at the YSU 35 to end a Cowboy threat and keep the Penguins within 9-3. Just over four minutes later, Demond Tidwell threw a 10-yard touchdown pass to Renauld Ray, and, after Mark Griffith's extra point, YSU led 10-9.

The Cowboys had two final chances only to be stopped each time by the Penguin defense. The YSU offense came up big with a clock-consuming drive that took 5:07 of the final 6:23 off the clock.

McNeese took over with just 1:16 remaining and at its own 22-yard line. Four plays later, two of which were sacks by Harry Deligianis, the game was over.

In the contest, the teams had remarkably similar statistics. YSU had 12 first downs and 200 total yards while McNeese had 11 first downs and 201 yards of total offense.

Youngstown State was seeded eighth in the playoffs following a 9-2 regular season. In the first round, the Penguins opened with a 28-13 win over Hampton. Then the travels began.

In the quarterfinals, YSU trailed 21-0 at top-seed Villanova before mounting a furious rally. At halftime, the Penguins were behind 28-14 before scoring 23 straight points to build a 37-28 lead. The Wildcats scored late and outyarded the Penguins 459-286.

YSU's postseason road trip continued in Spokane, Wash., against Eastern Washington. The Penguins led 17-0 on an Adrian Brown touchdown run, a Mike Stanec fumble return and a Mark Griffith field goal. But the Eagles responded with 14 third-quarter points to trim the deficit to three. In the fourth, EWU was deep in YSU territory before Jake Anderson intercepted a pass to end the threat, and Brown added a touchdown for a 25-14 victory.

In the regular season, YSU began the season by winning its first six games – over Slippery Rock, Kent State, at Boston, Hofstra, at Indiana State and over Buffalo – before losing at Northern Iowa. YSU rebounded with wins over Illinois State, Southern Illinois and Southwest Missouri State before losing the regular-season finale 24-21 to Western Illinois. Coach of the Year  
1987

Former head football coach and Director of Athletics Jim Tressel left a major mark not only on the Athletic Department and campus, but the entire Mahoning Valley community.

Tressel spent 15 years as the head coach at Youngstown State and six as the Executive Director of Intercollegiate Athletics before being named the head football coach at The Ohio State University in January 2001. In just two years he turned that program into a National Championship winner posting a 14-0 mark in 2002.

Tressel brought a winning attitude to the Mahoning Valley when he took charge of the Penguin football program in the mid-1980's. He gave the people something to rally around in a time of need and helped keep the spirits of everyone in the community high.

He came to Youngstown in 1986 and within two seasons the Penguins were in the NCAA Division I-AA Playoffs. The playoffs, once a dream, became common place for YSU. In his tenure, Youngstown State appeared in the playoffs 10 times and won four national championships.

The first national title came in 1991 and began a run of four straight title-game appearances. The march to the crown in 1991 was magical as the Penguins won eight straight to end the season. YSU won at Georgia Southern on Nov. 2 and was never to lose again that season. In the playoffs, the Penguins beat Villanova, Nevada-Reno and Samford before beating Marshall in the title game.

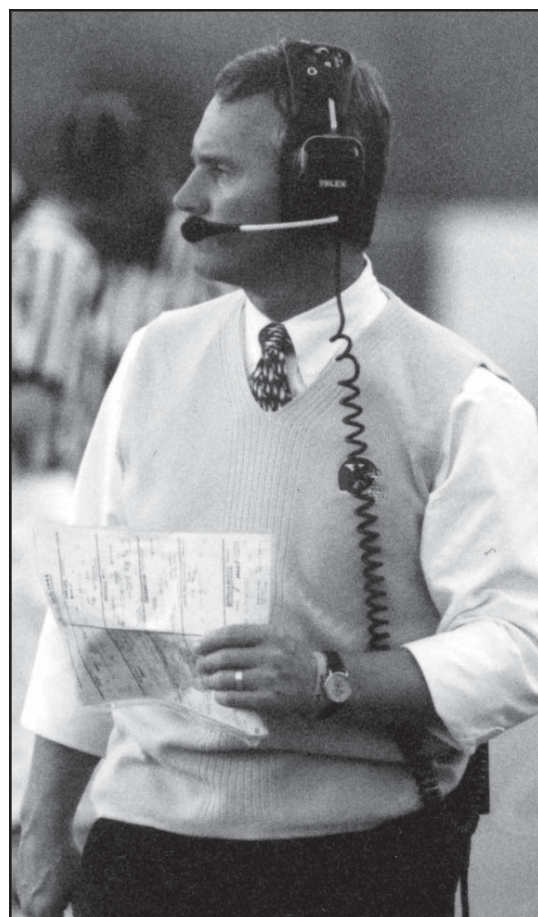

After losing in the title game to Marshall in 1992, the Penguins were back in 1993 to finish 13-2 and beat the Herd 17-5 in the title game.

In 1994, the Penguins were unbeaten in 15 games finishing 14-0-1. YSU tied Stephen F. Austin in the season opener and then won a school-record 14 consecutive games to earn a repeat championship. In the playoffs the Penguins beat Alcorn State, Eastern Kentucky and Montana en route to the title game. YSU beat Boise State 28-14 to earn its third national title.

In 1997, the Penguins were back in the national title hunt. In the playoffs, YSU beat Hampton, Villanova and Eastern Washington to advance to the title game. In a tight defensive game, YSU beat McNeese State 10-9 to earn Tressel's fourth title.

En route to the 1999 National Championship Game, YSU set an NCAA Division I-AA record winning 15 consecutive playoff games after beating Montana, North Carolina A&T and Florida A&M in the preliminary rounds. In the championship game, YSU lost to Georgia Southern.

In his final year in 2000, YSU finished 9-3 and qualified for the playoffs for the 10th time.

## The 1999 National Finalists

The 1999 campaign featured 10 games decided by a touchdown or less, including two three-point wins in the postseason.

The 1999 season was one of the most electrifying, heart-pounding campaigns in the storied history of the program. Marked by dramatic, fourth-quarter comebacks, gut-wrenching losses and 10 games decided by seven points or less, the Penguins gave their fans joyous and tearful memories on the way to their sixth championship game appearance in nine seasons.

YSU advanced to the title game after an improbable, fourth-quarter rally in the semifinals at Stambaugh Stadium. Trailing Florida A&M, 24-13, with 11:35 remaining, quarterback Jeff Ryan connected on a 46-yard scoring strike to Elliot Giles and hit Damien Matthews from 10-yards out with 44 seconds remaining for a thrilling 27-24 victory. Both scores came after FAMU threatened to put the game away early in the fourth quarter.

After defeating the Rattlers, the Penguins' pursuit of their fifth national title was halted by Georgia Southern, 59-24, to finish the year with a 12-3 record and second national finalist trophy.

The march to Chattanooga, Tenn., began with a first-round 30-27 upset of Montana. Ryan's 18-yard touchdown scamper in the fourth quarter was the game's deciding score. The Grizzlies missed a field goal on the final play, which would have forced overtime.

Returning to Stambaugh Stadium for the second round, the Penguins iced North Carolina A&T, 41-3, advancing to the semifinals.

The regular season was just as exhilarating. Five of the six conference games were decided by six points.

After opening the year 1-1, the next 10 games were played within nine points.

Those contests included a 13-7 win over Indiana (Pa.); overcoming a 21-0 second-quarter deficit to nip Western Illinois 28-24 on the strength of an improbable goal-line stand in the final minute; rallying in the fourth quarter to win at Indiana State and beating Southern Illinois in overtime after the Salukis tied the game on a touchdown and two-point conversion on the final play of regulation.

A defensive struggle occurred in a 10-7 win over Cal Poly; a 10-point fourth quarter at UNI turned a 20-19 deficit into a 29-20 win at the UNI Dome; a deflating 31-28 loss to Illinois State in which the Guins scored the final 14 points, but still came up short and lost their chance at the Gateway Conference title; the final two regular-season wins featured a hard-fought 17-14 victory over Missouri State and a 28-21 road victory at Villanova, but only after trailing 21-7 at halftime.

## The 1992 National Finalists

The quest to defend the 1991 championship came up just three points short in a 31-28 loss at Marshall in the title game.

No longer was Youngstown State flying under the radar after capturing the 1991 national title. In 1992, the Penguins wore the target at which every team was aiming.

After an 8-2-1 regular-season record and three decisive wins in the playoffs, Youngstown State reached its second consecutive National Championship Game against a familiar foe for the 1992 crown.

It was billed as "The Rematch," and it lived up to the hype. The 1992 NCAA Division I-AA National Championship Game between defending champion Youngstown State and Marshall ranged from despair to exhilaration to finally disbelief for Penguins' fans as the Thundering Herd avenged their 1991 loss to YSU with a last-second field goal to claim a 31-28 title-winning triumph.

The Penguins, who had won seven straight playoff games entering the title game, had their bid to repeat as national champions denied, and they posted an 11-3-1 overall record, for their third consecutive 10-win season.

Falling behind 28-0 with 5:46 left in the third quarter, Youngstown found itself in a precarious dilemma.

However, in dramatic fashion, the Guins scored two third-quarter touchdowns to cut the lead in half. Senior Nick Cochran connected with Herb Williams on a 30-yard scoring strike for YSU's first touchdown, and Tamron Smith ramblled into the end zone from four yards out.

The Penguins' defense forced a three-and-out, and Cochran's 34-yard pass to Williams set up Smith's second rushing touchdown from one yard three plays later to cut the deficit to 28-21 with 12 minutes remaining.

Cochran then led the Penguins on a 10-play, 89-yard game-tying scoring drive capped by Smith's 10-yard touchdown dash – his third rushing touchdown of the game.

Marshall answered with a final drive of 81 yards in 14 plays as Willie Merrick's 22-yard field goal with seven seconds remaining lifted the Thundering Herd to the national title.

The Penguins reached the championship game by defeating Northern Iowa, 19-7, in the semifinals, The Citadel, 42-17, in the quarterfinals and Villanova, 23-20, in the first round.

YSU's two regular-season losses were by a combined eight points while the tie came versus Akron. The Guins won their regular-season finale and three playoff games before falling at Marshall.
