

Watch Your Revenue Grow

Save time and improve patient care by dispensing supplements without inventory

How it Works

REPLACE OR COMPLEMENT YOUR IN-OFFICE DISPENSARY

1. Set up a Provider Account & Invite your Patients.
2. Send virtual prescriptions with dosage notes directly to your patients.
3. Automate the small things like refill reminders!

Save time, money, and shelf space by going virtual!

Reduce Cost

Creating a Provider Account through MD Prescriptives' NEW Virtual Dispensary is 100% FREE. You can get started right away. Your patients will love it!

With a FREE Account

\$0/month

- Adjustable margin and patient discount
- Unlimited customer support
- Access to high-quality supplements
- Storefront addition to your own business's website
- Notification system so patients stay on top of their supplementation

Save Time and Shelf Space

- Refill reminders mean spending less time keeping track of supplements and more time with patients!
- Offload your shelves and inventory management. We'll take care of everything.
- Virtual Prescriptions & Patient Accounts mean every step is handled through MD Prescriptives' single platform.
- Access time-saving features like regenerative protocols, synergistic supplement bundles, and more!

Start Dispensing in Minutes

- Dispense professional-grade supplements without leaving your account platform.
- Virtual prescriptions are sent through the platform as Supplement Recommendations directly to your patient's email and phone.
- Access all patient orders through your account
