# Original HP Contractual Toner Cartridges

Original HP contractual toner cartridges are called **C-SKUs**. These cartridges are exclusively used for Supplies Big Deals, Supplies Win Back Deals, or for Managed Print Service contracts. The "C" stands for contractual, and they are identified by a white box, and with a "C" at the end of the product number.

Sold through an HP Qualified Partner

Open Sourced SKUs   **Contractual SKUs**

Standard "A"   High-capacity "X"   Optimized High-capacity "Y"   C-Sku "C"

C-SKUs have limited distribution, and terms and conditions apply. Please work with your HP Supplies Sales Representative.

C-SKUs

✓ Are the same HP OEM cartridges that are sold in open distribution - same quality and reliability
✓ Have a different outside packaging – easy to identify white box
✓ Have a different cartridge number that uses a "C" at the end of the product number
✓ Are managed as a contractual agreement only
✓ Receive HP PurchasEdge points when used for Supplies Big Deals/Win Back Deals
✓ Are recycled through HP Planet Partners Recycling Program[1] – same as the other cartridges
✓ Can be "AC", "XC", or "YC" cartridges

Original HP cartridge product number examples

Open Sourced SKUs	Contractual C-SKUs
CF237A – standard	CE505AC – standard
CF237X – high-capacity	CE255XC – high-capacity
CF237Y – optimized high-capacity	CF237YC – optimized
