Dear Valued Customer,

The products listed below meet the provision set forth in the USDA's National School Lunch Program (7 CFR Part 210.21(d)) in that they were manufactured in the United States using substantial agricultural commodities that are produced in the United States. "Substantial" means that over 51 percent of the final processed product (by weight or volume) consists of agricultural commodities that are grown domestically. This is not an exhaustive list of dressings and sauces we manufacture that meet these Buy American guidelines. If you are interested in the status of a product that is not listed, please contact your sales representative for more information.
