I would like to receive more information about the THS **Adoption Ambassador Program**. Adoption Ambassador foster families help with the marketing and adoption process for their current foster pets, and often foster them until permanent homes are found. Animals eligible for the Adoption Ambassador Program are typically those that don't adjust well to the shelter environment, but may also include animals that are special needs, under socialized, senior, fearful, long-term, or even just to help with space at the shelter! Yes No

I understand and agree to abide by the following terms:

- I agree to hold THS harmless from any direct or consequential damages arising out of foster care.
- THS is unable to reimburse Foster Volunteers for any expenses incurred while fostering animals.
- THS is the owner of the animal(s) during foster care. The animal(s) will be returned to THS upon request.
- I will abide by the THS Foster Guidelines.
- I agree to return calls and emails regarding my foster pet within 24 hours.
- All foster animals will return to THS for medical care including vaccinations, deworming, and physical exams. I will not take my foster animals to another veterinarian or give over the counter treatments without prior approval from THS.
- My foster animal(s) will receive appropriate indoor care. I will not allow my foster pet off-leash in a non-fenced area.
- The foster animal(s) in my care cannot be given away, sold, or relocated to another home and is only available for adoption through normal THS adoption procedures.
- If necessary, I will allow a THS representative to visit my home/property to examine a foster animal.
- I understand that THS cannot guarantee the health of foster animals and that there is a possibility that the animals may have illnesses that can be spread to other animals and humans.
- I understand that THS cannot guarantee the temperament of foster animals, and I will exercise reasonable caution with any new pet in my home including safely managing interactions between foster animals and children, strangers, or resident pets.
- I understand that there is a possibility that a foster pet may be euthanized if it develops a severe illness or behavioral issues as determined by THS staff.
- I agree that I will keep my resident pets current on vaccinations and other preventative care, and I will notify the Foster Coordinator if my pet develops a contagious illness. THS cannot provide medications or treatments for resident pets.
