

Grades 6–8 Full-Time Science Teacher (Remainder of the 2026–2027 School Year)

Bishop Hoffman Catholic School

Bishop Hoffman Catholic School is seeking a full-time Middle School Science Teacher for the remainder of the 2026–2027 school year. We are looking for a dynamic, faith-filled educator who is passionate about engaging middle school students through innovative, hands-on science instruction while supporting the Mission of Bishop Hoffman Catholic School: *“The mission of Bishop Hoffman Catholic School is to reach and teach each student to bring them closer to Jesus Christ, empowering them to positively impact society.”*

The ideal candidate will:

- Demonstrate a strong foundation in the Catholic faith and a commitment to integrating faith into daily instruction and classroom culture
- Plan and deliver engaging, hands-on science lessons that foster curiosity, inquiry, and critical thinking
- Create a structured, supportive, and collaborative classroom environment for students in grades 6–8
- Hold a current State of Ohio teaching license in 4–9 Science or 7–12 Science (preferred)
- Utilize a variety of instructional strategies and technology to support student learning and growth
- Collaborate effectively with colleagues, families, and administration
- Inspire students to explore and appreciate the world through scientific discovery

Interested candidates should submit a letter of interest and resume to Kimberly Cope, at kcope@bishop-hoffman.net. The ideal start date would be 10/26.

We look forward to welcoming an educator who will inspire students to grow in faith, knowledge, and scientific understanding.
