

St. Peter Catholic School in Huron, Ohio, is actively seeking a part-time Mathematics teacher for Grades 5 & 6 for the 2026-2027 school year. We are seeking a dedicated and creative educator who will develop engaging lesson plans aligned with the Diocese of Toledo learning standards.

QUALIFICATIONS:

- Bachelor's Degree in Education or a related field (Mathematics preferred)
- Valid Ohio teaching license or ability to obtain one prior to employment
- Previous experience teaching middle school students is preferred but not required
- Strong commitment to Catholic values and ability to incorporate them into instruction
- Exceptional communication and interpersonal skills

To apply, please send a cover letter, resume, and three references to Ms. Beth Telenko at btelenko@huronstpeterschool.org
