

WE'RE HIRING

ELEMENTARY TUTOR

Qualification

- Elementary Teacher or Intervention Specialist Licensure in State of Ohio
- Strong communication, organizational, and collaboration skills
- Ability to work effectively with both staff and students
- Ability to analyze, develop, implement, and track intervention plans and strategies
- Excellent ability to manage time independently
- Successfully pass background check and complete VIRTUS requirements for the Diocese

What You'll Do

- Evaluate student needs to create and manage student educational support plans.
- Implement specialized instruction within a traditional classroom, small-group, or individual sessions.
- Collaborate with general education staff, administrators, and parents.
- Track data on student performance to adjust interventions as necessary.
- Maintain accurate, legal, and timely documentation of student records.
