

CENTRAL CATHOLIC  
HIGH SCHOOL

**Job Posting: Science**

Central Catholic High School in Toledo, Ohio, with over 100 years of graduates, forms young men and women into disciples of Jesus Christ. We are seeking a **science teacher** for the 2026–2027 school year.

Responsibilities include:

- Designing and delivering engaging instruction across Science courses
- Differentiating instruction and using data to meet diverse student learning needs
- Facilitating inquiry-based learning, labs, and hands-on investigations
- Promoting scientific reasoning, critical thinking, and analysis of data
- Ensuring safe and effective use of lab equipment and adherence to safety protocols
- Connecting scientific concepts to real-world applications and current issues
- Collaborating with colleagues, including Intervention Services, on department and school-wide initiatives
- Maintaining clear, positive communication with students, families, and administration

Qualified candidates must hold a bachelor's degree in Science or a related field; an Ohio teaching license is preferred. Candidates should demonstrate a commitment to the mission of Central Catholic High School.

Interested candidates should send a resume, licensure (if applicable), transcripts, cover letter, and references to Mrs. Andrea Biederman, AP Dean of Academics at [jobs@centralcatholic.org](mailto:jobs@centralcatholic.org).
