•Dr. O'Connor and Dr. Reczek are licensed chiropractors who completed 220+ hrs of education specifically in animal chiropractic, along with staying up to date with required continuing education in animal chiropractic, and are board certified through the American Veterinary Chiropractic Association (AVCA). Both doctors exclusively treat animals full time, beginning February 2010.

•Animal chiropractic offers a complementary method of care and does not replace traditional veterinary medicine. All of our animal chiropractic patients are required to stay up to date with their veterinarian.

•This document is for your records and in accordance with Public Act 93-0281. (See amendment to Senate Bill 386)

I acknowledge that my client wants their animal seen by Dr. Erin O'Connor or Dr. Cat Reczek for chiropractic care. I also understand that if I would like more information on this animal for my records, or about animal chiropractic in general, I can request it.
