under-told STORIES

Discussion Questions

1. Who are the stakeholders in this story?

2. What solutions were presented, if any?

3. What challenges remain?

4. What are some of the root causes of the problem being addressed?

5. Are there similar problems in your community?

6. Could similar solutions be applied?

7. Dr. Shetty says "If a solution is not affordable, it is not a solution" but also that "charity is not scalable." How can those two philosophies apply to aid work?

8. Are there any ethical issues with a for-profit health-care system like Naryana Health?

9. Naryana Health's model allows it to offer top-notch surgery at rock bottom costs. Is there anything this model could work with besides health care?

10. What are some long term impacts possible from removing the financial hurdle to high quality medical care?
