

General questions

1. What problems can you identify in this story? Are solutions presented?
2. In what way might this story be relevant in your community?

Further exploration

1. Why do you think the micro loans are designated specifically for women? How does that strategy impact economic equity for Pakistani women?
2. How can economic stability for women also help reduce domestic abuse? Should that be an incentive for the micro loan program?
3. Why do you think the loan program has such a high success rate when it comes to repayments and social impact?
