

### **General questions**

1. What problems can you identify in this story? Are solutions presented?
2. In what way might this story be relevant in your community?

### **Further exploration**

1. Zola Nene uses food as a medium to address South Africa's history of apartheid. Can you think of any other examples of food being used as a tool to address social issues?
2. Why do you think food is a powerful medium to start difficult conversations?
3. Are there any examples of food fusion in your community or life that tell a bigger story?
