

Welcome to Franklin TENNESSEE

America's Favorite Main Street

Just 17 miles south of Nashville, Franklin's Great American Main Street runs through the heart of a 16-block historic district brimming with music, shopping, and, of course, Southern hospitality. Along Franklin's Main Street, you'll find unique local boutiques, Southern comfort food, upscale home decor, art galleries, and more.

Long before Franklin became this city it is today, one of the bloodiest battles of the Civil War was fought on its grounds on November 30, 1864. Faith was already established in the city at that time, and many churches opened their doors as a refuge to wounded soldiers. Today, these former Battle of Franklin field hospitals continue to provide hope and healing to the community while Franklin's faith continues to grow.
