Sh. 22:1-30 GOD'S IDEA OF GREATNESS

The Appointed Kings

1. Preparation of the paschal meal. Home? John's meal?
2. Seating - ship was present
3. Washing feet - <sup>John 13:14</sup> - 14-27 answer by word

I. Contrast in ideas of greatness  
 The world (22:25): observing <sup>κοροσεια, composition</sup> authority <sup>αυτη</sup> array

Christ: servant <sup>κλιτου, intended</sup> Christ <sup>κλιτου, intended</sup> array

so planetary now - club, service organization  
 Paul came from them.

II. Contrast in ideas of personal fulfillment

The world: 22:25b to be in great position, having AUTHORITY  
to be received, recognized  
of human praise. Great position, disappoint

Christ: as a servant Phil: 2:7  
ministering in a little piece  
(at which shall I wear that, dead tree?)

only moral part of his life  
 others: desires, rejected, man - was a failure  
to attract Satan

III. Contrast in ideas of Realized Ambitions

The world: Success.

Christ: a servant, pleas in expected step  
to help to help to help to help to help  
 → (a) that preach, apologizing, a servant  
in day of his ministry, holy body  
and spirit

↳ ambition is because. Phil: 4:14-16

IV Contrast In Loving Appreciation

The world: dropped when fail

Christ: adored pathos, warm return, grateful  
for the imperfect companionship of the Teacher. 22:15  
no word about this failure - possibly, during  
- only to Peter 22:31, 32

V. Contrast In Kingdom Citizenship

The world: a kingdom, pursued, distant

Christ: 22:29  
a kingdom - refused Satan's temptations  
- continual effort, an heroic course  
as in work of Job 1:15  
- through suffering, trial, sacrifice  
"get, get, get, with a will"

II. The fulness of K. joye for those who love, before the Lord Jesus.

Almost pathetic - this glances into X's heart.

His warm utterance of gratitude for the imperfect companionship of the 12.  
His loneliness, his yearning for a loving hand to clasp, his continual conflict with temptation to leave or remain where they met of the cross.  
"The little things - with them  
"They here - would see how"

no word about their imperfect service - within or how, or how, pursued, fled.  
But when a loving hand, an acceptable service.

(as like - father, glad to have a child's gift, even though brought with one penny  
of little or no value,

"as my father hath appointed me"

Through suffering, dedication - into the joy, rewards of the Lord,  
Live to God's glory on earth  
in heaven.
