Persecutions

1. Antiochus Epiphanes, ruler of Syria, 175-164
slew 40,000 Jews, sold 40,000 into slavery,
simply because they had begun to celebrate
his supposed death.

2. Rome before V (B.C.) slew thousands of
Jews, sold other thousands into slavery
20,000 killed in a day in Capua
10,000, throats cut in Damascus

Rome after V (A.D.)
1,000,000 perished in siege of Jerusalem in 70

3. Emperor Hadrian 117-138 A.D.
destroyed 985 towns in Holy Land
slew 580,000 men
sold other thousands into slavery

4. The Crusades, 1090 A.D. and following,
in Holy wars almost exterminated
the Jews of Europe.

5. As late as 13th century, the English
and French wiped out whole communities
of Jews.

6. When Columbus discovered America, all Jews had been driven out from western Europe.

When Shakespeare wrote "Merchant of Venice", created character of Shylock, not a Jew lived in England.

7. Hitler destroyed six million Jews.

From 70 A.D. to the present every generation
of Bible students have spoken and written
about the return of the Jews to their
homeland.

Increase Mathen, President of Berea
from 1685-1701, in his book,
The Mystery of Israel's Salvation,
at a time when Palestine was a
desolate wilderness, in the hands of
the Turks, and virtually completely
devoid of Jews, wrote with regard
to the regathering of Israel to their
ancient homeland, "The Scripture
is very clear and full in this,
so much so until you can see
not how it can be justly
denied or questioned."

Increase Mathen was so
astonishingly perceptive of Biblical
prediction that he foresaw that

prediction that he foresaw that

"the Maalters at their returns
shall even fly."
Anyone at Tel Aviv airport can
see this in days of snow every
week.

John Owen, thought by many to
be the foreman of all Congregational
ministers, wrote in 1673: "The
Jews shall be gathered from all
parts of the earth where they
now are scattered, and brought
home into their own land."

Russian Communism baffles
its watchers. Winston Churchill
reclaimed: "I cannot forecast
to you the action of Russia.
It is a riddle, wrapped in a
mystery, inside an enigma."
