# THE BIRTH OF SPIRITUAL CHILDREN

The image preformedly used in the Bible  
1. John 3:3-7

So here the matter is given

- the man-child is the true man of God
  - the supernatural rapidity of the birth, as a mother in a long waiting, long pregnancy, agonizing then suddenly, miraculously, instantaneously a child is born
1. Rev. 22:30 "quickly"

## I. God's way of working through the ages

Clear remnant cry to God.  
When prayer reaches heaven with intense desire of soul & spirit - deliverance

1. Egyptian bondage, crying. Then Moses
2. Captivity, Abrah. 7000 crying. Then Elijah
3. Manservant, depths, deprecating. Then Jesus, body, law, spirit, death, Egypt
4. Polytoning captivity. 70 years. Then Messiah, Baruch, Egypt
5. Roman bondage & crucifixion. Then Pentecost, 1st
6. Inquisition. Then Reformation
7. Tribulation. Then the swift consummation of the age. Second hour again in a day.

II. We Can Always Look For The Same  
miraculous Interventions of God

1. The great doctrinal declarations, Scriptures stand forever  
applicable through all time
2. <sup>this one</sup> So often quoted by our times, "when you sow..."  
the implication, when God's children sow, He will
3. Not a theory, universal doctrine  
to reveal the secret of success in any area, achievement  
music  
medicine  
athletics  
national freedom  
the church no different  
an redemption, the suffering of Christ  
the church, a price to pay Col. 1:24  
God will then ~~the~~ will be

### III. Why The True Church Over In Travail

1. Worldly indifference of church members  
Satan has now done Body's bid  
ploughed deep, devastatingly  
wielded himself around the world, and also  
will shall not refuse!

2. Hardness of the world  
Over 50 years ago, Billy Sunday said, "harder now" -  
my 17 years of age at end, his ministry then 70 years old now  
at the beginning. What say truly!

3. Treachery of the host  
However say the host without Ad. a nation  
a power  
a of  
a will

4. God's purpose of glory in us.  
Travail - to the woman, child, child  
- to the man, bread, bread, bread

(1) Care for the child. Not buy at a dime store, come deep  
our spiritual environment

(2) Observe us to God, to the many rest

(3) more carefully fashion us in the likeness, Christ  
Phil. 3:10

(4) Cementing the church together  
After worship, burial, resurrection to 24:49  
Acts 1:4  
wait, pray, report together

(5) Centus over souls upon the real thing in religious  
living? eloquence? doctrine? architecture?  
No. But heart, soul, companions, love, sympathy

# IV The Church In Travail. What It Looks Like

1. Burying for the last  
Rom. 9: 1-3  
10: 1

2. Prayer  
Becomes different. No longer cold, formal  
intercession for the people  
The why? Is our work for him? died in vain  
are we justified?

3. Surrender to God  
For his use  
Christ multiplies the bread, gives to the disciples,  
they to the people

4. The seeking note  
Compassion

(a) Trustful  
wonder  
(b) Humble  
wonder  
courage  
patience
