(The thought: a child suggests growth - what it got to be) THE CHILD AND THE KINGDOM

Growth and  
Consummation of  
the K. of God

Away from the trees - on a high eminence to see the forest.  
Out of the city streets - on a high building, to see the city.  
So this morning, a vast panoramic view of the whole K. of God.

The child: Mt. 2: 6, 7, 40, 52; 18: 15-17

The consummation of the K.: II Thes. 1: 7-10  
Rev. 11: 15, 18

Growth  
Consummation.

"The Kingdom" to the student of Scriptures

The prophets Isa. 9: 6, 7; 11: 6-9

Micah 4: 1-3

Dan. 2: 34, 35, 44

Malachi 3: 2; 4: 1, 2, 5

The apocalyptic discourses of Jesus. Matt. 24, 25

The great and final apocalypse - The Revelation - Rev. 22: 20

Captures the misagitation - the end of oppression, misery, sin, death

Distant eagerness of the people.

To the <sup>1st</sup> the thrill of expectancy, for the day, week "at hand" & what that meant to the Jew.  
"The day... the week... the month... the year."

To the <sup>2nd</sup> the <sup>2nd</sup>, at Thessalonica.

Either the dead - what of those who have died? 4: 13-18

or those who would not work. 3: 10, 11

(as) Thessalonians. Oh, City. The day of planting trees, a regeneration  
of the young & fruitful. & how hope trees grow to give shade.

But there is something over, beyond, besides, preceding, the vast  
cataclysmic consummation.

There is growth, cultivation, preparation.  
There is the outworking of the eternal purpose of God.

The years, centuries, millenniums before the coming of X.  
The vast mass (oppression, superstition, slavery, oppression) but the year of waiting

The preparation of a family

Of the many of Adams - Seth, Enoch, Noah, Lamech, Methuselah, Jared, Enosh, Kenan, Enmethushalem, Shem, Ham (Canaan), Abraham, Isaac, Jacob, Joseph, Benjamin, Daniel, the captivity, the remnant, the rebuilding - just, many

The preparation of the world.

Roman. Dom. Law. Roads. One word for peace, teaching, preaching  
Hebrew. The Synagogue. Scriptures. Monks: the Desert.

The years of waiting all ended. The coming of the King, Jesus Christ  
a babe.

Not even in David's palace as the angels thought.

The years of his life.

33 years - 30 in Nazareth.

The years after Christ.

The teaching about the Kingdom: Mt. 4: 26-29

The commission

To be ready for the consummation: Mt. 24: 42

The purposeful ways of God in the world.  
 A. that comes both gradually and catastrophically  
 There is both growth and consumption.

1. Growth.

 Man being blessed:

2. Consumption

Some day, the judgment.  
 In all our thoughts (not just words)  
 of the ground: "Under the soil of the dove"

No more shall the weary man  
 on the winding way run  
 W. hand on eye from  
 when we heard the voice of the dove.

Under the soil of the dove  
 ready the judgment  
 for a time for the dove  
 There is hope for the poor."

Our waiting upon God  
 - working for God. Man discouraged.
