II Rev. 3:10

SALES THOUGHT

There aren't as many people working as you may have thought. At least not according to a recent survey. The population of the country is 200 million, but there are 80 million over 60 years of age, leaving 120 million to do the work. People under 21 total 71 million, which leaves 49 million to work. There are 24 million who are employed by the government and that leaves 25 million to do the work. Ten million are in the armed forces, leaving 15 million to do the work. There are 153 thousand in hospitals, insane asylums and so forth, and that leave 83 thousand to do the work. But 70 thousand of those are bums or others who will not work, so that leaves 13 thousand to do the work.

Now it may interest you to know that there are 12,998 people in jail so that leaves just two people to do the work, and that is you and me brother, and I'm getting tired of doing everything by myself.

Three abstractions toward the future: indifference, fear, hope.

The Scripture deal with people, but Joel 3: 16 "the Lord will be the hope of the people" means "hope"

1919 Dr. James H. Snowden, many years
professor of Systematic Theology, Western Theological
Seminary, writes:

"This war, colossal and terrible as
it is beyond anything the world has
ever seen in all the centuries of the
past, is a work of general destruction
preparing the way for a general re-
construction of the world... Out of
all this storm of fire and wreck
will arise a new heaven and a
new earth wherein dwelleth social
righteousness. ... The sword in this
war will go far toward ending
the work of the sword, and then
all the visions and dreams of
prophets and poets will be fulfilled
when "the battle-flags are furled"
in "the federation of the world."
