## Christ and Communism

The whole world is divided into two great camps: **EAST, WEST**  
Behind these two camps are 2 great ideas in mortal combat: **Yg and Satan**  
Behind these 2 ideas rise the shadows of 2 great personalities: **Karl Marx & Jesus**  
Both came to the world with a philosophy of life and a program of human welfare  
Both demand total allegiance. History has reached a point when the world must choose

### I. Both are religions.

One believes in God, preaches the word of the **Living God**, the dignity of the individual man  
The other believes in **Satan**, preaches the gospel of an all powerful deity, and the slavery of the human soul.

For the Y's  
One Messiah - Jesus the X  
One great apostle - the Apostle Paul  
One Holy Book - the Bible  
One shrine - the empty tomb

For the communists  
Their Messiah is Karl Marx  
Their great apostle is Lenin  
Their Holy Book is 'Das Kapital'  
Their shrine is the tomb of Lenin.

For the Kingdom of God they substitute the dictatorship of the proletariat  
For spiritual values they substitute economic materialism.

1. They deify their leaders  
Karl Marx 1818-1883. A worker who led his children down <sup>Read with</sup>  
Nicolas Lenin 1870-1924. Communist Party 1917, seized control of Russia <sup>Leninism, Red Square shrine, picture.</sup>

2. They have a doctrine of God.  
He does not exist  
(a) children, Sunday, "Pray to God" "Man pray to Jesus"  
(b) Garden plot. "God's" "Ours"

3. They have a doctrine of communism.  
Praxis - working. Psychological laboratory

4. They have a doctrine of discipline.  
Study Marx, Lenin 9 M. - 11 M. attend meetings. Okey.  
man 12/17. like God's boy.

5. They have a doctrine of evangelism.  
Willingness to go, do, suffer, and the revolution will

6. They have universality of appeal.  
Appeals to the despised poor  
the rich, and the intellectual intellectual. A Karl Marx actually draws

7. They have achieved a world wide success  
1/3 of earth, especially like 1 billion people, under the overcast shadow of  
the hammer & sickle  
(a) Gully Gulani, India.

II. Both are in mental combat. One or the other will survive.  
 My beliefs are strong about the nature, the mission - communism and the  
 man - state -

the state is the servant of man - man the servant of the state  
 God only is absolute - the state only is relative  
 the family is the central core, society - ... gov. only is empty  
 in the law, love, unity all mankind - ... class warfare, divided man  
 In the name of collectivism, social justice, human progress called for the end of slavery, subordination  
 peace  
 war  
 freedom  
 utopia  
 a policy of slavery

1. Of God and religion  
 Marx: "Communism begins where atheism begins"  
 when asked his objective in life: "to dethrone God and destroy capitalism"  
 as cartoon

2. Of morality  
 Stalin:  
 Yaroslavsky:

3. Of the individual man  
 Blotted out: a featureless humanity. Slaves of the state.  
 Living people are like so much raw material to be  
 hammered, twisted, bent until the image of God has been  
 erased in the featureless image of the mass man.  
 to the state: property, family, children, education, art, music, thought

4. Of play, conquest  
 Intrigue, betrayal, treason, infiltration then finally brute force, war  
 Lenin:  
 Lenin:  
 Lenin:  
 Khrushchev:  
 Khrushchev:  
 game makers:

III. The ultimate decision.

<sup>(a) Greater Good, better way, intended</sup>  
The two philosophies, religious, are inseparably, eternally  
in conflict. No middle ground. Wars not by imp/for/loss  
of Church etc? Lenin.

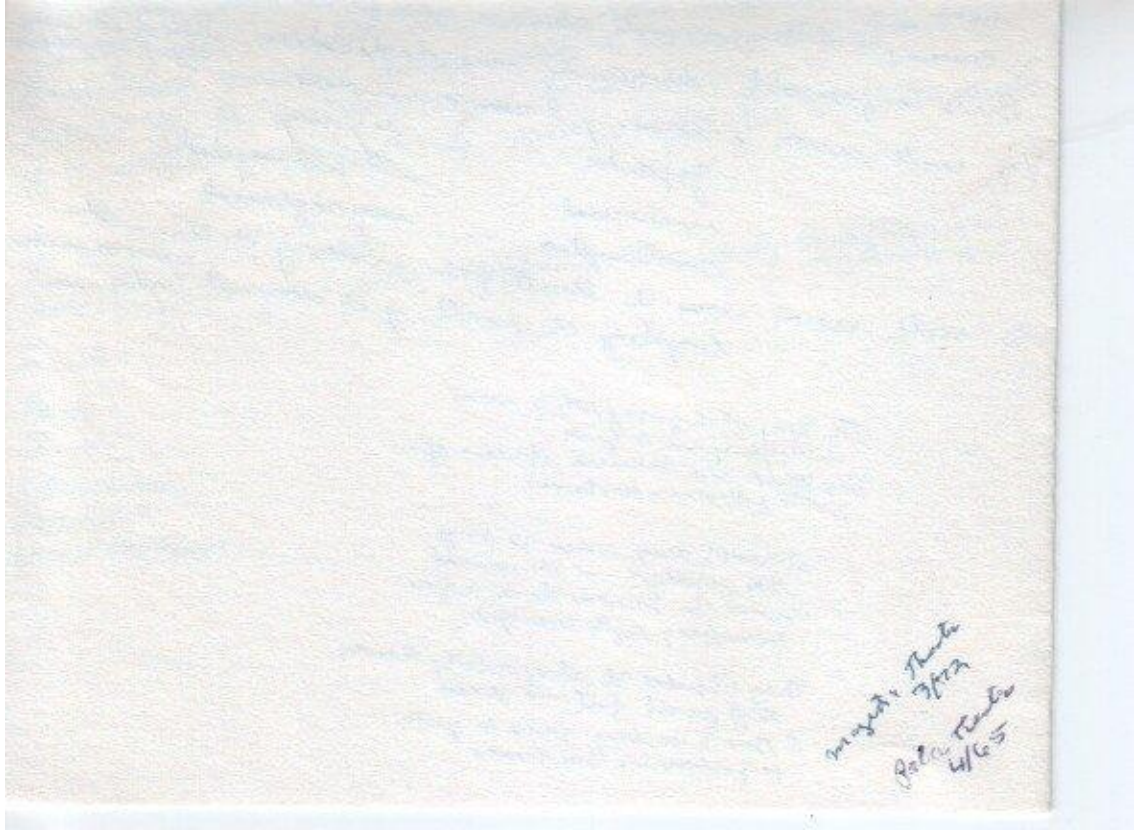

Are they infallible and omnipotent? Their success depends on their leader is not an infallible man. They would fail. ~~There will be a compromise.~~ <sup>the end from heaven.</sup>  
The Grand Council of the Soviet Republics  
"No man was more loved as Lenin  
He was the greatest leader among men  
"aith of a new social order  
"Saviour of the world."

X is alive - Behind the plot within the city. He would begin you into battle. It  
Gordon, Smith, Row, other, July, 1899. Order - eye to the appearance of new families.

2. Because of the destiny of our people. Rev. 17:11. With the fire from heaven a mortal foe.  
But to prevail, demands our dedication. <sup>by being in hand</sup>  
By will never to desert. <sup>find an extraordinary</sup>  
gigante . . . <sup>of a rugged war</sup>  
universal . . . <sup>for my</sup>  
redemption . . . <sup>not unrequited</sup>  
It will never win the hearts of the world if it does not baptize the world if it does not baptize me.

The Son, that goes forth to save  
a single human to gain.  
Who binds his business streams of  
and to freedom in the town?

A world army, men and boys  
The method is the sword  
around the towers then rises  
in robes of light arrayed.  
They climbed the steep ascent, heavy  
The peril trail was plain  
O that to us they were to give  
to follow us, their trend.

OF PLAN FOR CONQUEST

Lewis: "What does it matter if  $\frac{2}{3}$  of the world population is destroyed, if only the remaining  $\frac{1}{3}$  is communists?"

Lewis: Take eastern Europe, and organize the border of Asia, then surround the U.S., and be protected: "that last bastion of capitalism, the U.S., will not have to be taken. It will fall into our outstretched hands like over-ripe fruit."

Lenin are time called us "the willing idiots"

They are supremely confident of victory.

Kruschew: "We will bury you."

They believe, under the constant pressure of the cold war, that we will give up, one by one, our democratic institutions, adopt emergency measures, until one day we shall adopt all the Soviet system."

Three months before his last visit to the country, said Nikita Krushchew: "We cannot expect the American people to jump from capitalism to communism, but we can assist their elected leaders in giving them small doses of socialism, until they awaken one day to find they have communism."

This was a new thought. In 1788 James Madison told the Virginia convention: "Since the general civilization of mankind, I believe there are more instances of the abridgment of the freedom of the people by gradual and silent encroachment of those in power than by violent and sudden usurpations."

OF MORALITY

Stalin: "Sincere diplomacy is no more possible than dry water or a wooden rim."

YAROSLAVSKY: "Anything that helps the communist party and the revolution is ethical. If it is advantageous to the party to lie, then lie. To steal, then steal. To murder, then murder."

IRRECONCILABLE

Khrushchev: "Anyone who mistakes our smile for withdrawal from the policies of Marxism-Leninism is making a mistake. Those who expect this will have to wait until Easter falls on Tuesday."

Lenin: "It is inconceivable that the Soviet Union should continue to exist for a long period side by side with imperialistic states. Ultimately, one or the other will conquer."
