In the beginning was the Word, and the Word was with God, and the Word was God. 

He was in the beginning with God. 

All things were made through Him; and without Him nothing was made that was made. 

In Him was life; and the life was the light of men. 

The light shines in darkness, and the darkness comprehends it not. 

There was one that came, a man sent from God. 

He came for a witness, to bear witness of the truth. 

And the truth is the life. 

He was in the world, and the world was made through Him, and the world knew Him not. 

He came to His own, and His own received Him not. 

But as many as received Him, to them gave He power to become the sons of God, even to them that believe on His name: 

Who were born, not of blood, nor of the will of the flesh, nor of the will of man, but of God.
