## Do Thy Work of an Evangelist

- The Bottom <sup>preaching</sup> (D 7 in 4:1 "therefore") consists of two elements:
- (1) Feeding us (that shepherdeth us), rebuking, teaching, instructing
  - (2) Evangelism, warning & rebuking.
- f. our Lord Jesus W<sup>3</sup> Preaching, teaching the disciples. For word  
Be lamb
- (1) Warning & rebuking 79.19:10; 79.15

### I. The Need of an evangelistic ministry

LEAVE THE MIRACLE TO HIM John 2:5

Whatso'er He bids you, do it,  
Though you do not understand;  
Yield to Him complete obedience,  
Then you'll see His mighty hand.  
"Fill the water pots with water,"  
Fill them to the very brim;  
He will honor all your trusting--  
Leave the miracle to Him.

Bind your Isaac to the altar,  
Bind him there with many a cord;  
Oh, my brother, do not falter,  
~~can't~~ you ~~best~~ fully trust your Lord?  
He it is who watches o'er you,  
Though your path may oft be dim;  
He will bring new life to Isaac--  
Leave the miracle to Him.

See them march around the city,  
Scarce a sound from day to day,  
Scorners from the walls deride them,  
"Jericho can stand such play."  
But the Lord's time cometh swiftly,  
The noise makes such a terrible din:  
"Look, the walls are tottering, falling!"  
Leave the miracle to Him.

Face to face with hosts of Midian,  
Gideon's men are sifted out:  
Forth they go, thoes chosen heroes,  
With no sword the foe to rout.  
Do you wonder if the victory  
Can be gained by band so slim?  
See, Jehovah's sword is gleaming,  
Leave the miracle to Him.

Watch that scene on plains of Dura,  
See that Hebrew martyr band  
Firmly standing for Jehovah,  
Trusting in His hidden hand.  
He is mighty to deliver  
From the power of death so grim.  
Fiery furnace cannot harm them—  
Leave the miracle to Him.

Bring to Christ your loaves and fishes,  
Though they be both few and small;  
He will use the weakest vessels,  
Give to Him your little all.  
Do you ask how many thousands  
Can be fed with food so slim?  
Listen to the Master's blessing--  
Leave the miracle to Him.

O ye Christians, learn the lesson:  
Are you struggling all the way?  
Cease your worrying, change to trusting,  
Then you'll triumph every day.  
"Whatso'er He bids you, do it,"  
Fill the water pots to the brim.  
Ever remember, 'tis His working--  
Leave the miracle to Him.

Christian worker, looking forward  
To the ripened harvest field,  
Does the task seem great before you?  
Think how rich will be the yield.  
Bravely enter with your Master  
Though the prospect may seem dim.  
Preach the Word with holy fervor—  
Leave the miracle ~~to~~ to Him.

THE FIGHT FOR SURVIVAL

Not a friend, but God's party is God at the world fellowship. Right & people is the strength of this.

1. The Baptists of France. Very like the Americans. Within they are one, outside there are many.  
- France, though an enormous country, is divided into, but not bound to  
God & man, but with it's pride.

2. The Baptists of Germany.  
- A strong Reformation, but now very inactive in the present.  
- Germany has lost its national identity. Under Hitler - with all the power, influence,  
money & church built up the National party. Hitler said, "No room for all,  
but room for one. That is  
Germany. That is  
a church."

3. The Baptists of England - large, one, good, good.  
- Biggest when ENA had existence. But now broken. About 20 percent.  
- Before the (King) Baptist Union, 31,000 people. - 20,000 now, & no people growth.  
- The old ones will, until 40 years.  
  
Now you, Chapel we have a Baptist Union, when we are going, under  
is to destroy, not bring it in Baptist Union over to God.  
  
- London and former Baptist Union, largest. 11,000 percent.  
- moving to clerical goals, rather than laymen's  
read the services.  
(a) Do these old men back? - no. Did you ever  
hear anyone? If you do, any time, in my opinion  
there is a problem with me. "Well, we have  
got people now, but I have got a lot of them  
but when I bring people here now just a lot."  
  
Sparrow with me to me said "With a nail in the hand  
that's enough, he can't live much, that's enough  
time."

4. The Baptists of America, Northern. This year from their last.  
- Church, Church Union. Church, what they are divided, and more.  
- Some "Baptist" Baptizing.  
  
- In church, United, non-Baptist. Southern. The long separation of a later meeting  
by the first, and the second.  
- The same name and so on. - USA.  
- Southern Baptists

5. Our So. Baptists - passing off the patterns of death.  
- No revival.  
- No mega meeting.  
- No meeting among various  
Baptists - still more formal - ecclesiastic.

The End  
March 21/47

Jan 51:1 "Look unto the rock whence ye are hewn  
and to the hole of the pit where ye are digged."

Friday 9/21/66. The general procedure will be more aggressive, proceeding rapidly with the  
- indications, with heavy doses first and then gradually with smaller  
- doses. It is good, though, to start with small doses, especially  
- those that are not as likely to bring bad reactions with regard to nausea, vomiting,  
- & all reactions in everybody. Furthermore, more gradual, development tends to give  
- this better control - greater, broader, greater tolerance.  
- Likewise - better type body awareness develops  
- no painful messages from - muscle spasm or degeneration successive phases do  
not fully develop. The range of each movement can go a great deal with  
- without pain without a kick. Not surprising, it is, in a right, but  
they do not know I am an underlying consideration  
- the underlying cause of which, you must clearly be at the most important.

Pass over the idea of criticism and self-  
Spend more leisure and consider deliberately  
the art of this to seek a thing  
For my people have changed this thing  
For the world hath not yet fit.

As by hourly post, with the Post.

A Play

You have builded Temples in his name  
of marble we build are stone  
With windows of art most beautifully stained,  
With towers we grieve and drown.

But what do we of th by-ways care  
For structures we have not built?  
Out is the dust of the lonely road  
We only call for him!

You have rob'd your choir and boro' them well  
In people an intricate song.  
You have taught for us to drift,  
And built the erring thing.

But what do we care for you that stand here  
The young eyes, the old? Amens?  
We wait you to walk back we here  
And point the way to him!

The paths of the world are a crowded ways  
And we are hopelessly lost,  
For the road to him is the paths of many  
So faint we hidden and crossed.

Oh what do we care for the things of art  
When our hearts' high hope is him?  
We seek the touch of his healing hand  
Of whom we're away to him!
