John 3:12 "If I have told you earthly things..."

The Miracle of the New Birth
EARTHLY MIRACLES

(1) Occasioned by Nicodemus, staggering at the new birth. Jesus reply, a miracle open to observation: the fact of its occurrence ^{is} ^{not} ^{open} ^{to} ^{eyes} ^{which} ^{are} ^{not} ^{open} ^{to} ^{it}.

(2) This sermon occasioned by the same thing: - staggering at the new birth. (But a miracle here: can be observed, tested, studied) :- must be a wonderful thing, but not for us beyond us.

NOTE - It is a miracle. But a part of, & ^{is} ^{not} ^{open} ^{to} ^{eyes} ^{which} ^{are} ^{not} ^{open} ^{to} ^{it}.
I. The Miraculous everyday world in which God has placed us.

1. The re-birth of life in the Spring. "from above" ^{is} ^{not} ^{open} ^{to} ^{eyes} ^{which} ^{are} ^{not} ^{open} ^{to} ^{it}.

- (a) Anemone's plant
- (b) Pear, apple, nut-bur trees.
- (c) The dead seeds, Vix, Jordan. Butterflies.

2. The re-birth of the human family.

My teacher in Genesis: "The Stone - Remains. 4" every 1000 years. But the family grows...
Becomes by the grace and ^{is} ^{not} ^{open} ^{to} ^{eyes} ^{which} ^{are} ^{not} ^{open} ^{to} ^{it}.
Children play on ruins near the Coliseum.

II. It is a birth. ^{is} ^{not} ^{open} ^{to} ^{eyes} ^{which} ^{are} ^{not} ^{open} ^{to} ^{it}.
But no other way to alter substance, essence, destiny ^{is} ^{not} ^{open} ^{to} ^{eyes} ^{which} ^{are} ^{not} ^{open} ^{to} ^{it}.

- The mole cannot swim in the face of the sun like the eagle.
- The bird that comes out of the eagle's egg cannot burrow like the mole.
- No training can possibly make the tortoise as swift as the antelope or the antelope as strong as the lion.
- No youth devised to become the great fish of the gulf;
- No ^{is} ^{not} ^{open} ^{to} ^{eyes} ^{which} ^{are} ^{not} ^{open} ^{to} ^{it} dwell in the depths of the sea.

So ^{is} ^{not} ^{open} ^{to} ^{eyes} ^{which} ^{are} ^{not} ^{open} ^{to} ^{it} human nature, must be reborn.
(a) The couple. In a few, she for ever, Beg. ch. - a child. Saw how the ^{is} ^{not} ^{open} ^{to} ^{eyes} ^{which} ^{are} ^{not} ^{open} ^{to} ^{it} ^{is} ^{not} ^{open} ^{to} ^{eyes} ^{which} ^{are} ^{not} ^{open} ^{to} ^{it}.

But such a change, not only in ^{is} ^{not} ^{open} ^{to} ^{eyes} ^{which} ^{are} ^{not} ^{open} ^{to} ^{it} earthly miracle

Butterflies are twice born.
A caterpillar has a life of its own: but enclosed in its creeping nature a new gift for something higher, different. But improvement, refinement will not do. In flying - not an improved caterpillar will do; it is a butterfly.
" " not a caterpillar of fine properties, who move rapid movement; it is a new creature.

III. The RE-BIRTH of the soul.

1. Its necessity.

The old nature is dead in & surpasses out in sin.

" " man is of the earth, earthly

But - in sin - without God, hope is the world: continuous to die.

"Shall surely die"
The spirit then
The body then

The new man is a quickened spirit: touched by the power of God.

II Cor. 5:17

- Individually we respond. That is our need. in warms; making in months; breaks; hours.

not more training, technology. Then but need to forge character anyway

2. Its method.

"Why a humanist? called on to pray. He prays a hundredfold more. Why Brightman to
him 'why you pray? How? Do not believe in that.' I get better when I pray more. He
was not a humanist. Brightman's comment: That is the meaning in the underlying text.
How the he will pray that? Not in.

 - No training can possibly make the tortoise as swift as the antelope, or the cat strong as the lion.
 - No youth devised to harness the great fish to the plow: no open descent in descent of the sea.
