Fishing on the wrong side of the boat, in wrong place, where no fish are
 S.S. leaders, are one measure involved, a present
 Organizations & members: T.U.; W.M.A.; Men's Club. No measure.

 no; for no place did Jesus say, look to count ch. it saved.
 we do it that way for convenience.
 (a) Paid, find your real field. Park, rocky beach,
 rocky. "So convenient."
 But everywhere, find Jesus saying go out after the lost.
 Here a good place to contact our place and His.

I. One way and Jesus' way

1. FISH

We - build great fishy station, short work: "come my, my fields, 5 pt caught"
 He - Mt. 5:4; Jn. 21:6

2. SHEEP

We - build sheep fold on edge of wilderness, sign: "if any of you lost sheep happen
 He - Mt. 15:4
 we - need 3 doors, not from the wall
 He - "I'll build it"

3. FIELD

We - sower takes stance in judgment, says: "come here, my fields, and get
 He - "a sower went forth to sow."

1. ZION HOUSED vs the road

We - find a comfortable place, a case, bikeroute. Remover. Unreimbursed
 He - go to the highway, keep it ready, leaves Mt. 14:21, 23
 We - at highway turn dogs, at prominent turn in road build
 a firm shelter, if prominent corner is, present account etc.
 Holy spirit - "to reap - join them to the harvest."

2. HARVEST

We - are many services, pay: "and, give us a glorious and cutting,
 He - math 9:38 of labor, harvest, then a harvest.
 One problem: not the man - church - going, not us, but the
 non-going church.
