II. The child of promise

- ② ^{3:14-3} A picture of low spiritual estate of man 3:7, 3
light not yet out but about. Blind child.
- ① ^{3:14} The old man and the young boy, fast true friends
(a) The phrase "just a boy"

When God did speak, my ear to hear.
th heart to long

The child had learned the spirit of true religion -
in instantaneous obedience. Three times, not, but, to do.
Did not know, but obeyed. An ounce of obedience
better than a ton of learning.

Not speaking to our children

Appeal:

to the young. Young, but not too young to die.
that parents would dedicate their children to God.

To the old. you may die, the old must.
to be careless in youth or to sleep in a sleep
at the altar, the scaling ladder on the wall.
what will you do when the heavens are in a blaze, the spirit reborn
the stars are scattered, the great
away from power, friendship, enemies, to you.

25 Out of her grief came her spiritual liberation

- (1) She had learned much, but
Darius from various forms of joy, drawn near to her
- (2) She had learned to pray
of joy, mostly with the angel. "My mind, just."
well not at the 1st.
- (3) She had learned self-denial 1:11
Does not seek his for himself but for the Lord.
- (4) She had learned trust, to have faith 1:17
She believed what the Lord said and answered prayer.

3. Because of her grief, taken to God in prayer

- (1) Her prayer was answered 1:20
- (2) Grace was given her to ~~submit~~ ^{submit} the gift of love for the Lord
In a very small space of time, carefully taught the child
1:29-30 the child would pray the way they had been taught.
(a) The picture in the Old Testament, the child learned in prayer.
2:18, 19 ministering in the lines of the
the mother's love made for her and you
- (3) Union, power was given her to magnify the Lord.
2:1-10 "In magnification"
of the child from the side. She was, as deep as
so trials will teach us lessons, including, freedom.

JUST A BOY

Just to understand the lad -
He's not easy to be bad;
If the right he always knew
He would be as old as you.

Were he now exceeding wise
He'd be just about your size.
When he does things that annoy,
Don't forget - he's just a boy.

Could he know and understand,
He would need no guiding hand.
But he's young and hasn't learned
How life's corners must be turned.
Doesn't know from day to day
There is more to life than play;
More to face than selfish joy.
Don't forget - he's just a boy.

Being a boy he'll do
Much you will not want him to.
He'll be careless of his ways,
Have his disobedient days.
Willful, wild and headstrong, too,
He'll need guidance kind and true.
Things of value he'll destroy,
But reflect - he's just a boy.

Just a boy who needs a friend,
Patient, kindly to the end.
Needs a father who will show
How the things he wants to know.
Talk him with you when you walk,
Listen when he wants to talk.
His companionship enjoy.
Don't forget - he's just a boy.

Just a Boy * * * * *

Got to understand the lad—
He's not eager to be bad;
If the right he always knew,
He would be as old as you.
Were he now exceeding wise,
He'd be just about your size;
When he does things that annoy,
Don't forget—he's just a boy.

Could he know and understand,
He would need no guiding hand;
But he's young and hasn't learned
How life's corners must be turned.
Doesn't know from day to day
There is more to life than play.
More to face than selfish joy.
Don't forget—he's just a boy.

Being just a boy he'll do
Much you will not want him to:
He'll be careless of his ways,
Have his disobedient days,
Willful, wild and headstrong, too,
He'll need guidance kind and true;
Things of value he'll destroy,
But reflect—he's just a boy.

Just a boy who needs a friend,
Patient, kindly to the end;
Needs a father who will show
Him the things he wants to know.
Take him with you when you walk,
Listen when he wants to talk,
His companionship enjoy,
Don't forget—he's just a boy.
